business ethics; attitudes; Russian business students; demographic groups; gender; tobacco use; stockholder; year in school; course in business ethics, 21407

competitive field; improvised learning approach; case study teaching; Master of Business Administration students; international human resource management, 36860

finance curriculum; masters in business management; risk return relationship; firm profitability, 27476

gender roles; hopes; expectations; managers; spouses employment; family roles; gender role; domestic tasks; business students, 25875

job related values; business school students; gender differences; social differences, 2757

life values; sub-cultures; work values; business students; geographical locations, 2817

self-reported performance; virtual environments; female participants; cultural diversity; task situations; pacific rim, 1

**Businessmen [See Business and Industrial Personnel]****Buspirone—Serials**

combination treatment; olanzapine; risperidone; perphenazine; buspirone; extrapyramidal effects; weight gain; schizophrenic patients, 26806

movement disorder; treatment compliance; buspirone; venlafaxine; bruxism; extrapyramidal symptoms, 11273

tardive dyskinesia; prolactin response; buspirone; schizophrenia, 26199

**Buying [See Consumer Behavior]****Cadres [See Social Groups]****Caffeine—Serials**

acoustic startle; trigeminal blink reflexes; motor output; caffeine; startle reflex; trigeminal nerve, 25511

alcohol; intentional control; caffeine; environmental incentives; inappropriate behavior; behavioral control, 13103

caffeine anaphylaxis; anorexia nervosa; hypothalamus; chemical imbalances; homeostasis; physical abnormalities; psychological abnormalities; theophylline, 10456

caffeine intake; exercise; heart rate, 31728

caffeine; acetazolamide; cognitive stimulation; cerebral blood flow; drug effects, 25493

caffeine; action monitoring; error-related negativity; anterior cingulate cortex; central information processing; medial frontal cortex, 581

caffeine; dopaminergic system; behavioural pharmacology; psychostimulant effects; neuro-chemical mechanisms; drug effects; drug of abuse; adenosine, 19288

caffeine; Ruthenium red; intact neural cells; cerebellar granular cell culture; rats; neurotoxicity, 13093

caffeine; side effects; cognition, 34760

caffeine; task difficulty; duration judgements; placebo; attention, 25491

dietary caffeine; mood; performance; sustained abstinence; sleep restriction, 28560

dietary caffeine; sleep restriction; laboratory stress; hemodynamics, 6837

dopamine; dopamine-deficient mice; liking; wanting; learning; rewards; goal-directed behavior; caffeine, 13095

neurotoxins; web geometry; web building; complex behavioral pattern; spider; scopolamine; amphetamine; caffeine, 430

olfactory discrimination; caffeine; social recognition memory; adenosine receptor; aging; cognitive decline, 22363

personality correlates; caffeine dependence; sensation seeking; impulsivity; risk taking; withdrawal properties, 35292

postnatal caffeine exposure; motor skills; locomotor activity; ontogenesis; methylxanthine; rats, 22369

reactive blue; caffeine-induced neurotoxicity; calcium currents; auditory cortex; rats; dantrolene, 13118

stress; caffeine; motor coordination; male mice, 34749

**Cage Apparatus—Serials**

rhesus monkeys; cage size; behavioral changes, 361

wheel running; cage floor locomotor activity; automated observations; home cage observations; phenotype; female mice, 25317

**Calcium—Serials**

Alzheimer's disease; calcium homeostasis dysregulation; CA2+/calmodulin-dependent protein kinase II; human skin fibroblasts, 1590  
 amlodipine; cocaine dependence; calcium channel antagonists; drug treatment, 30073  
 calcium activated proteases; vesicle stores; sensory motor synapses; aplysia; serotonin; protein kinase C; calpain inhibitors; calpeptin, 31705  
 calcium deficiency; obesity; rats; body weight, 31714  
 calcium deprivation; rats; taste reactivity; calcium salts, 19147  
 calcium; N-Methyl-D-Aspartate receptors; dendritic spines; synaptic plasticity; hippocampus; excitatory postsynaptic potential; feedback, 22272  
 muscarinic receptor; neuronal nitric oxide synthase; neuroblastoma cells; protein kinase activation; cytosolic calcium mobilization, 25376  
 N-methyl-D-aspartate receptors; synaptic transmission; synaptic plasticity; lateral amygdala; calcium, 22242  
 pseudo-pseudohypoparathyroidism; juvenile dementia; progressive mental retardation; memory impairment; fibrotic dysplasia; basal ganglia calcification, 16712  
 reactive blue; caffeine-induced neurotoxicity; calcium currents; auditory cortex; rats; dantrolene, 13118  
**Calcium Channel Blockers** [See Channel Blockers]  
**Calculators** [See Digital Computers]  
**Calculus—Serials**  
 association rules; Boolean attributes; statistical hypotheses; logical calculi; data mining, 15746  
 mathematical models; experimental mathematics; calculus undergraduates, 2636  
 mathematics; calculus problems; high school students; diagram modification; problem solving, 24485  
 school calculus; algebra skills; mathematics education; student attitudes; mathematics concepts, 18227  
 urban education; curricular reform; calculus; inner city schools, 33791  
**Calories—Serials**  
 caloric compensation; rats; ethanol-beer; ethanol-polycose mixtures; palatable vehicles; alcohol consumption, 16131  
 caloric preloading; food related thought; eating related thought; thought suppression; restrained eaters; unrestrained eaters; dietary restraint, 29112  
 caloric restriction; Alzheimer's disease; disease progression; disease risk; A beta plaque accumulation, 25429  
 caloric restriction; longevity; behaviour; cognition; affect; adverse effects; chronic hunger; food deprivation; dietary restriction; eating disorders, 8472  
 calories; beverages; meal intake; energy intake, 22850  
 energy requirements; military personnel; energy expenditures; climatic conditions, 18525  
 nutrition label reading; fat consumption; adolescents; gender differences; ethnic differences, 3823  
**Cameras—Serials**  
 speed enforcement cameras; speed management; accident reductions; speed reductions, 30993  
 teaching vision; pinhole camera demonstration; student learning, 24506  
**Campaigns (Political)** [See Political Campaigns]  
**Camps (Therapeutic)** [See Therapeutic Camps]  
**Campuses—Serials**  
 affirmative reaction; justification types; diverse student body; nonbeneficiary attitudes; affirmative action plans; higher education, 36914  
 African American students; White students; equal opportunity program; college campuses; campus environment, 27558  
 campus climate; gay; lesbian; bisexual; transgender; perceptions; student attitudes, 5855  
 interracial interactions; racially diversity; university campuses; African American; Asian American; Latino; White students; public-group interactions, 18264  
 parents attitude; Clery Act; campus safety; crime awareness strategies; educational attainment, 5863  
 primary care; university student health center; consultation; brief intervention; expedited referral; psychological treatment; psychology graduate students; medical treatment; longer term cases, 18014  
 psychiatric disabilities; campus disability services; college & university campuses; service characteristics, 21459  
 retired faculty; emeriti/retiree centers; benefits; campus community; spouse beneficiaries, 24422  
 universal-diverse orientation; precollege academic achievement; college enrollment; students; Blacks; campus climate; higher education, 5849  
 unwanted sexual experiences; campus environment; college students, 17041  
**Cancer Screening—Serials**  
 acculturation; smoking; breast self examination; health behavior; African American women, 24008  
 breast cancer screening behavior; health behaviors; mammography; Chinese women; cultural affiliation, 30240

breast cancer screening; cross cultural differences; Asian American women; demographic correlates, 35949  
 breast cancer; risk factors; Korean women, 1915  
 cancer health disparities; women; low socioeconomic status; minority women; cancer screening guidelines; cancer screening; cancer incidence; interventions, 10877  
 cancer prevention; Iranian immigrant women; health maintenance; disease prevention; cancer screening; culture; ethnicity; focus group data, 11400  
 cancer screening behavior; transtheoretical model; stage of change; processes of change; stage-based interventions; mammography; cervical cancer; sun avoidance; colonoscopy, 11425  
 cancer screening; informed choice; patient autonomy, 23534  
 cancer; discussing cancer risk; risk management; primary care physicians; cancer screening; chemoprevention; genetic counseling, 24051  
 cervical cancer; screening programmes; health personnel attitudes; Pap test; knowledge level, 36713  
 colon cancer screening; cancer patients; faith based neighbourhood health centers; spiritual care, 36378  
 colorectal cancer screening; home-administered kit; fecal occult blood tests; stool handling, 15667  
 colorectal cancer screenings; urban middle-class communities; factor analysis, 17228  
 colorectal cancer; cancer screening; affective barrier; communication skills; interpersonal interactions; Japanese Americans, 23533  
 colorectal cancer; cancer screening; treatment compliance; human females; Hispanics, 23532  
 community health promotion; local newspapers; breast cancer; mammography screening; paid advertising; Breast Cancer Screening Campaign, 11415  
 coping style; women participation; breast screening; gynecological screening; vigilance; screening distress, 35938  
 differential effects; messages; breast cancer screening; cervical cancer screening; medical records, 35943  
 educational resources; prostate cancer; cancer screening; informed decisions, 29736  
 emotional distress; pain; mammography screening; breast symptoms; breast implants; cancer detection concerns, 2011  
 Filipino American immigrants; cancer screening; recruitment strategies; minority groups; retention strategies, 26565  
 Functional Assessment of Cancer Treatment; biological response modifiers; test validity; interferon; melanoma patients; quality of life; test reliability; treatment side effects, 34250  
 health care; prostate cancer; patient education; education material; cancer screening, 17769  
 health related behaviors; cancer screening; Boston Lesbian Health Project II; lesbians; lesbian health survey, 11322  
 Korean women; breast cancer screening tests; feminist perspective; health attitudes, 14668  
 Latinas; breast cancer screening barriers; facilitative conditions; immigrant women, 8064  
 mammography screening; female Hispanic farmworkers; underserved migrant farmworkers; access to health care services, 30227  
 mammography; breast cancer screening; American Indians, 14209  
 mammography; breast cancer screening; dissemination; low income; diffusion; community organizations; community-based trial; screening intervention; translational effort, 36375  
 message framing; pap test utilization; women; community health clinic; health behaviors; risk factors, 14729  
 preferences; doctors involvement; decision making; mammography screening; women, 14210  
 preventive health practices; Korean women; health knowledge; acculturation, 36376  
 primary care; patient control; prostate cancer; prostate specific antigen; shared decision-making; screening decisions, 10888  
 prostate specific antigen test; decision aids; evaluations; prostate cancer screening, 33299  
 psychological response; cancer test result; ovarian cancer screening; transvaginal ultrasound screening; initial screening test, 5338  
 psychometric properties; Cervical Smear Belief Inventory; Chinese women; inventory reliability; construct validity; test scores; cancer screening, 34237  
 psychosocial factors; prostate cancer screening; African American men; recruitment efforts; cultural issues, 30191  
 psychosocial factors; prostate cancer screening; African American men; recruitment efforts; cultural issues, 30222  
 public health services; faith communities; health promotion; Los Angeles Mammography Promotion in Churches Program; church based health education, 30205

risk factors; knowledge; attitudes; cancer detection; school teachers; prevention of cancer, 33316  
 screening mammography; Korean American women; breast cancer, 1567  
 social support; social burden; education; income; repeated breast cancer screening; postmenopausal women; Womens Health Initiative, 5369  
 structural equation modeling; behavioral science; behavioral oncology; cancer prevention, 8422  
 traumatic stress; perceived global stress; life events; quality of life; breast cancer patients; cancer diagnosis; cancer treatment, 23531  
 women; misconceptions; cancer screening; informed decision making; cancer prevention, 29735  
**Cancer Screening—Books**  
 Genetic testing for cancer: Psychological approaches for helping patients and families, 1964  
**Cancer Screening—Chapters**  
 Opening Pandora's Box: Disclosure of the Results of Cancer Genetic Testing, 1966  
 Understanding the Results of Medical Tests: Why the Representation of Statistical Information Matters, 14700  
**Cancers** [See Neoplasms]  
**Candidates (Political)** [See Political Candidates]  
**Cannabinoids** [See Also Tetrahydrocannabinol]—Serials  
 AM 411; cannabinoid full agonist; animal behavior, 28570  
 AM-411; (-)-adamantyl- $\Delta^8$ -tetrahydrocannabinol; cannabinoid CB1 receptor agonist; open-field behaviors; rats; SR-141716 antagonism, 555  
 behavioural pharmacology; endogenous cannabinoids, 530  
 cannabinoid receptor agonist; operant behavior; locomotor activity; rats; cannabinoids; drug dosage, 16112  
 cannabinoid therapy; gliomas; malignant primary brain tumours; cancer; glioblastoma multiforme, 1915  
 cannabinoid-mediated exacerbation; brain infection; opportunistic amebae; AIDS; delta-9-tetrahydrocannabinol; mice, 3695  
 cannabinoids; bipolar affective disorder; cannabis; therapeutic potential; delta-9-tetrahydrocannabinol; cannabidiol; synthetic cannabinoids, 23848  
 cannabinoids; morphine; HIV-1 infection; substance abuse; lymphocyte cell; microglial cell, 4905  
 cannabinoids; urinalysis; prevalence; Iran, 32549  
 cannabis; cannabinoid medicines; multiple sclerosis treatment; medicinal benefit, 33280  
 cerebrosplinal anandamide levels; acute schizophrenia; psychotic symptoms; endocannabinoid signaling; paranoid schizophrenics; antipsychotics, 4514  
 cholecystokinin; vagal afferent neurons; cannabinoid receptor; food intake; satiety signals; gastrointestinal tract; rats, 3591  
 cocaine reinforcement; endogenous cannabinoid; behavioural sensitization; cannabinoid receptors; drugs, 9847  
 endocannabinoid signaling system; pharmacology; cannabinoid receptors; therapeutic aspects; pain treatment; neuroprotection, 28555  
 endocannabinoid signaling; hippocampus; chronic stress; cognitive impairments; rats, 16117  
 endocannabinoid signalling system; cannabinoid receptors; biochemistry, 28547  
 endocannabinoid system; alcohol addiction; neural circuit; cannabinoid receptor; motivation; rats; alcohol consumption; opioid receptor, 28550  
 endocannabinoid system; anxiety responses; stress; experimental animals; cannabinoid receptors, 28585  
 genetic deletion; cannabinoid receptors; non-associative learning; habituation; animal locomotion; mice; muscarinic receptors, 25342  
 nabilone; neuropsychological functions; driving ability; cannabinoid; multiple sclerosis; spasticity, 26933  
 nicotine addiction; cannabinoid system; tobacco smoking; cannabinoid nicotine interactions, 28549  
 nicotine seeking; sucrose seeking; cannabinoid receptor antagonist; extinction reinstatement, 28553  
 quinpirole; hyperlocomotion; tetrahydrocannabinol, 28557  
 selective antiepileptic effects; N-palmitoylethanolamide; putative endocannabinoid; kindled amygdala seizures; pentylenetetrazol induced convulsions; rats, 1990  
**Cannabis** [See Also Hashish]—Serials  
 adolescent perceptions; adult perceptions; cannabis use; legal context; preventive strategies, 29544  
 alcohol consumption; cannabis; cannabis dependence; cannabis consumption, 29553  
 Araujo Carlini; Brazilian scientist; career influences; drug misuse; clinical pharmacology; cannabis; ethnopharmacology; policy formulations, 27229  
 cannabinoid therapy; gliomas; malignant primary brain tumours; cancer; glioblastoma multiforme, 1915  
 cannabis dependence; International Classification of Diseases; Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition, 26362  
 cannabis dependence; schizophrenia-spectrum disorders; African American patients; comorbidity; substance abuse; negative symptoms; psychopathology, 1120

cannabis dependence; substance use disorder; childhood abuse; spectrum disorder; schizophrenia; African Americans; comorbidity, 10397  
 cannabis dependent; epidemiology; risk assessment; United States, 29528  
 cannabis exposure; psychosis; positive and negative symptoms, 4732  
 cannabis exposure; psychosis; positive and negative symptoms, 4766  
 cannabis exposure; psychosis; positive and negative symptoms, 4766  
 cannabis potency; Europe; tetrahydrocannabinol; pharmacological effects; mental health problems; risk factors, 25500  
 cannabis use; adult psychosis; functional polymorphism; catechol-O-methyltransferase gene; gene interaction; risk factor; hallucinations; delusions; schizophrenia, 23282  
 cannabis use; age differences; disorder onset; schizophrenia, 13904  
 cannabis use; age differences; disorder onset; schizophrenia, 13922  
 cannabis use; British nightclubbers; drug use; young people, 20264  
 cannabis use; future psychotic symptoms; risk factor; adolescents; young adults, 26368  
 cannabis use; high school students; family factors; school factors, 26316  
 cannabis use; illicit drug use; recreational drug use; psychological harm, 4739  
 cannabis use; psychosis onset; psychotic symptoms, 32383  
 cannabis users; informal rules; stigma; risk; normalization; drug use circumstances; deviance, 1361  
 cannabis users; self-help materials; problem use reduction; intervention; treatment, 24182  
 cannabis withdrawal syndrome; appetite change; weight loss; physical discomfort; cannabis use; tetrahydrocannabinol, 3694  
 cannabis withdrawal; substance abuse treatment; treatment seekers; marijuana abusers, 24211  
 cannabis withdrawal; tobacco withdrawal; withdrawal syndrome; time course, 17036  
 cannabis; cannabinoid medicines; multiple sclerosis treatment; medicinal benefit, 33280  
 cannabis; cigarette smoking; health risk behavior; drug education; tobacco-related beliefs; adolescents beliefs, 7131  
 cannabis; drug laws; drug legalization, 17030  
 cannabis; dyskinesia; Parkinson disease; levodopa; drug therapy, 30155  
 cannabis; dyskinesia; Parkinson disease; levodopa; drug therapy, 30175  
 cannabis; medical use; prescription; freedom; values; autonomy; patient anxiety & pain, 6125  
 cannabis; psychosis; causal analysis; risk factor, 4729  
 cannabis; psychosis; causal analysis; risk factor, 4746  
 cannabis; psychosis; causal analysis; risk factor, 4749  
 cannabis; psychosis; risk factors; causal linkages, 23291  
 cannabis; psychosis; risk factors; causal linkages, 23304  
 cannabis; rates of use; behavioral problems; mental problems; adolescents; juvenile psychiatric disorder; drug withdrawal; drug dependence; psychopathology, 4453  
 chronic heavy cannabis users; hippocampal volume; morphology; volume of whole brain tissue, 16136  
 driving behavior; cannabis; driving attitude; driving under the influence, 26365  
 drugs; cannabis; tobacco; cocaine; psychological & pharmacological effects; social acceptability; medical uses; legal status; autonomy; drug policy; psychoactive drug use & addiction, 4724  
 endocannabinoids; methylenedioxymethamphetamine; neuropsychological effects; drug interactions, 28580  
 environmental factors; substance use; adolescent outpatient treatment; cannabis abuse; cannabis dependence; substance abuse treatment; posttreatment outcome; treatment interventions; prediction, 17923  
 first onset psychosis; cannabis use; neurocognitive functions, 23118  
 legal drug usage; cigarettes; alcohols; cannabis; stimulant drugs; use initiation, 23303  
 neuroleptic treatment; cannabis use; extrapyramidalism; drug effects, 14034  
 onset; symptoms; schizotypy; schizotypal traits; cannabis use; college students, 20271  
 performance; French sport university students; sport; cannabis; doping, 32543  
 public health policy; cannabis control; harm reduction; drug laws, 15489  
 recreational drugs; cannabis; methylenedioxymethamphetamine; psychoactive compounds; interactive neuropsychobiological effects; memory; cognition, 10712  
 recurrent stroke; cannabis use; cerebrovascular disease; vasculopathy; risk factors, 29531  
 recurrent stroke; cannabis use; cerebrovascular disease; vasculopathy; risk factors, 29542

social development; urban environment; psychosis, 13908  
 substance abuse; cannabis abuse; schizophrenia; adolescents; brain development; treatment refractory patients, 16841  
**Cannibalism—Serials**  
 cannibalism; cannibal practices; colonialism; exoticism; culture; savage-civilized opposition; anthropological approaches; Western self, 883  
 male tarantulas; female tarantulas; cannibalistic behavior; male approaching behavior; mating, 365  
 safe sex; feeding females; sexual conflict; cannibalistic spider; animal mating behavior, 12908  
**Canonical Correlation** [See Multivariate Analysis]  
**Capgras Syndrome—Serials**  
 Capgras syndrome; schizophrenia; self misidentification; ID photograph, 16832  
 Capgras Syndrome; time perception; delusions; symptoms, 16741  
 interictal psychosis; Fregoli syndrome; auditory hallucinations; persecutory delusions; Capgras syndrome; delusional misidentification syndrome, 10568  
**Capital Punishment—Serials**  
 capital punishment; death penalty process; moratorium movement; legislative responses; broad issues; empirical assessment; empirical questions; policy implications; executions halt, 6201  
 capital punishment; sociopolitical policy, 3093  
 criminal defense; capital cases; competence to stand trial; competence assessment; adjudications, 6204  
 dangerousness; risk assessment; capital sentencing; sentencing decisions; supreme court; legal criterion; legal context; guided discretion; individualized assessment; legal doctrines, 6123  
 death penalty attitudes; capital sentencing verdicts; juror beliefs; jury decision; attitudes scale, 3150  
 death penalty attitudes; reactance effect; legal scholars; damage awards; civil suit; mock juror; suicide; negligence; Plaintiff life-taking, 3033  
 death penalty; American Academy of Psychiatry & the Law; history; psychiatry; capital punishment abolition; organizational position, 21721  
 death penalty; due process problems; capital murder trials; appellate court decisions; conscience crises, 6206  
 death penalty; judges' & psychologists' assessments; legal & clinical factors; competency for execution; decision making, 12396  
 death penalty; market economy; legal concept; legal practices; China, 34135  
 defendant dangerousness; capital sentencing; capricious adjudication; jury decision making, 31037  
 ethics; family characteristics; death penalty; homicide; culpability; biopsychosocial characteristics; neuropsychological and psychiatric and educational assessments, 12368  
 heinousness; mitigating factors; public perceptions; capital sentencing; juveniles; defendants, 32096  
 jury instructions; penalty phase; jury discretion; first-degree murder; murder trials; psychological research; empirical factors; jury comprehensibility; guiding judgments; penalty phase, 6207  
 juvenile offenders; death penalty abolition; U.S. Supreme Court, 3088  
 leadership; social importance; social positions; capital punishment; social issues, 3079  
 mental retardation diagnosis; death penalty; court cases; judicial decisions, 9310  
 mental retardation; capital punishment; criminal law; legal decisions; murder; assessment, 21725  
 mentally retarded offenders; capital sentencing; legal decisions; forensic psychiatry; Atkins court case, 3069  
 mitigation evidence; psychological evidence; sentencing decisions; capital trials; psychosocial evidence; mock jurors; death sentence, 12397  
 moral disengagement; execution process; prison personnel; death penalty, 37253  
 newspaper reporting; death penalty cases; criminal behavior; capital crime; public appreciation, 9921  
 racial differences; death penalty support; death penalty opposition; Whites; Blacks; college students; capital punishment, 28850  
 rational information processing; experiential information processing; expert testimony; death penalty cases; defendants dangerousness; juror decision-making, 12408  
 Royal College of Psychiatrists; death penalty; psychiatric practitioners, 3076  
 Royal College of Psychiatrists; death penalty; psychiatric practitioners; ethics, 12414  
 social science; capital punishment; United States Supreme Court; juror comprehension; capital sentencing instructions; murder; prejudicial capital sentencing; public opinion; procedural conditions, 6203  
 United States Supreme Court; death sentence; minors; juvenile death penalty, 12405

victim impact statements; juror judgment; capital sentencing; sentencing decisions; psychological issues; sentencing policy; emotional appeal; capital cases, 6202  
**Capitalism—Serials**  
 capitalist countries; job satisfaction; socialist countries; ethical values; job attitudes, 27697  
 capitalist economy; consumption level; industrialization; products; services, 864  
 cynical distance; ideology; capitalism; liberal; democratic; status quo; authority; society; Slavoj Žižek; disavowal; belief; Marxism; Freudian-Lacanian psychoanalysis; fetishism, 10097  
 democratic societies; youth services; capitalism; radicalism; revolutionary potential; radical youth work; youth-adult collaboration; alienation; Marxism; late stage capitalism, 20992  
 democratic societies; youth services; capitalism; radicalism; revolutionary potential; radical youth work; youth-adult collaboration; alienation; Marxism; late stage capitalism, 21007  
 diaspora; postcolonialism; capitalism; industrialism; individualization; transnationality; Caribbean culture, 13365  
 genomics; capital; life sciences; capitalism; subjectivity, 35038  
 global consumer capitalism; global commercial culture; self-formation; child consumers; consumer childhood; consuming anomie, 22573  
 globalization; diffusion process; regulatory capitalism; governance change, 28884  
 Italian stock market; extreme market conditions; herding, 12018  
 Lacanian psychoanalysis; Marxism; capitalism; communism; political economy, 22728  
 regulatory capitalism; policy diffusion; international system; informational network; governance issues; international organizations, 28880  
**Capitalism—Chapters**  
 For richer, 13419  
**Capsaicin—Serials**  
 capsaicin receptor; bone cancer pain; osteoclast; tumor-mediated tissue acidosis; sensory neuron; nociception; mice, 34609  
**Captivity (Animal)** [See Animal Captivity]  
**Captopril—Serials**  
 thirst changes; hyperreninemic rat dams; renin-angiotensin system; uterine conditions; offspring; captopril; isoproterenol; drug interactions, 9857  
**Carbamazepine—Serials**  
 alcohol withdrawal syndrome; carbamazepine; tiapride; sleep apnea syndrome; respiratory depression; epileptic seizures, 17921  
 carbamazepine efficacy; neuroleptic induced akathisia; perospirone treatment; antipsychotics; schizophrenia; drug side effects, 20783  
 carbamazepine; Alzheimer's disease; hypersexual behavior; sexual disinhibition; dementia, 26926  
 carbamazepine; oxcarbazepine; bipolar disorder; treatment; mood stabilizers, 11245  
 carbamazepine; rebound mania; neuropathic pain, 5318  
 health-related quality of life; adverse events; epilepsy; carbamazepine, 11369  
 lamotrigine; carbamazepine discontinuation; bipolar disorder; depressive symptoms; drug dosage, 20814  
 oxcarbazepine; alcohol detoxification; drug therapy; treatment evaluation; carbamazepine, 26344  
 serum lipid levels; carbamazepine therapy; epilepsy; seizures; drug therapy, 17289  
 weight gain; leptin levels; lithium; carbamazepine; tumor necrosis factor alpha; cytokine system, 23871  
**Carbohydrate Metabolism** [See Also Glucose Metabolism]—Serials  
 circadian shift; lipid metabolism; carbohydrate metabolism; singly housed zebra finches; undirected song production; drug doses; food intake; anhydromannitol; carbohydrate; deoxyglucose, 19287  
**Carbohydrates** [See Also Deoxyglucose, Sugars]—Serials  
 anorexia nervosa; marked ascites; serum carbohydrate antigen; moderate pedal edema, 29637  
 carbohydrate food sites; foragers; wasps; scent marking; chemical attractant, 15978  
 diet therapy; narcolepsy; low-carbohydrate ketogenic diet; sleepiness; Atkins' diet, 14585  
 geomagnetic activity; sucrose consumption; negative reinforcement; habituation; rats, 3672  
 German Yellowjacket; wasps; food odors; foraging behavior; carbohydrate food sources; returning foragers, 28403  
 lecithin; carnitine; carbohydrates; cognition; supplement interactions; acetylcholine metabolism; dietary supplements; reaction time; memory, 538  
 test meal palatability; intragastric fat; carbohydrate preloads; nutritional needs; feeding behavior; food intake, 19262

# Volume 92 SUBJECT INDEX

## Carbon Dioxide—Serials

### Carbon Dioxide—Serials

affective symptoms; panic disorder; carbon dioxide challenge tests; anxiety; major depressive disorder; anxiety symptoms; aggression, 35407  
ethanol infusion; panic disorder patients; carbon dioxide challenge; pharmacology, 29406  
panic attack; carbon dioxide; panic disorder, 4558

### Carbon Monoxide—Serials

contingency management; behavioral therapy; transdermal nicotine; cigarette smoking; cocaine; intervention; outpatients; reinforcement; carbon monoxide levels; effectiveness, 24215

marijuana blunt smoking; false indication; tobacco smoking; carbon monoxide; tobacco abstinence; smoking cessation, 17025

### Carbon Monoxide Poisoning—Serials

carbon monoxide poisoning; supervisory attention system; attentional control deficit, 4859

carbon monoxide; intoxication; cortical blindness; visual acuity, 14286

mirtazapine; cognitive impairment; carbon monoxide poisoning; depression; drug overdose, 26080

### Carbonic Anhydrase [See Enzymes]

### Carboxyhemoglobinemia [See Carbon Monoxide Poisoning]

### Carcinomas [See Neoplasms]

### Cardiac Arrest [See Heart Disorders]

### Cardiac Disorders [See Heart Disorders]

### Cardiac Rate [See Heart Rate]

### Cardiac Surgery [See Heart Surgery]

### Cardiography [See Also Electrocardiography]—Serials

Tei index; fetal myocardial performance; sick fetuses, 26568

### Cardiology—Serials

filter properties; root mean square successive difference; heart rate; vagal cardiac control; respiratory sinus arrhythmia, 19254

genetic analysis; ambulatory cardiorespiratory coupling; heritability; ambulatory heart period; respiratory sinus arrhythmia; respiration rate, 19146

### Cardiotonic Drugs [See Drugs]

### Cardiovascular Disorders [See Also Aneurysms, Cerebrovascular Disorders, Embolisms, Heart Disorders, Hemorrhage, Hypertension, Ischemia, Thromboses]—Serials

acute coronary syndromes; behavioral factors; emotional factors; emotional stress; anger; extreme excitement; myocardial infarction; sudden cardiac death, 20515

alcohol drinking pattern; coronary heart disease; morbidity; mortality; lungs; cardiovascular consequences, 26350

anger; anxiety; depression; risk factors; cardiovascular disease; affective dispositions; anger-hostility, 14218

apolipoprotein E; cardiovascular disease; cognitive function; Alzheimers disease; APOE genotypes, 29673

atherogenic metabolic development; risk factor; atypical antipsychotics; cardiovascular disease; reference group, 14538

atherogenic metabolic development; risk factor; atypical antipsychotics; cardiovascular disease; reference group, 14507

atypical antipsychotics; glucose dysregulation; insulin dysregulation; drug treatment options; metabolic derangements; cardiovascular disease; drug therapy, 11238

autopsy; hallucinations; post eclamptic brain damage, 26647

blood pressure variability; stress management training; essential hypertension; cardiovascular risk, 14620

cardiac disease; anxiety; negative emotions; anxiety disorders, 20511

cardiomyopathy; amisulpride therapy; drug therapy; schizophrenia, 32371

cardiovascular disease; risk factors; diabetes; mental distress status, 17191

cardiovascular disease; risk factors; major depression; nitric oxide; platelet activation; heart rate, 29755

cardiovascular disorders; negative affect states; depression; helplessness; hopelessness; vital exhaustion; grief; morbidity; mortality, 29215

cardiovascular dysregulation; alcohol withdrawal; nitric oxide; systolic blood pressure, 4744

cardiovascular mortality; cardiovascular treatment; racial and ethnic groups; racial disparity, 26704

cardiovascular risk factors; cognitive function; hypertension; health behaviors; diabetes mellitus, 20513

childhood temperament; adult bodymass; bodymass index; cardiovascular risk; waist circumference; emotionality, 24031

clinical history; stroke history; Alzheimers disease risk; cardiovascular disorders; risk factors, 4856

clinical history; stroke history; Alzheimers disease risk; cardiovascular disorders; risk factors, 4853

clinical history; stroke history; Alzheimers disease risk; cardiovascular disorders; risk factors, 4882

cognitive processes; walking; cerebral damage; steady state; unilateral vascular brain damage, 26528

congenital heart disease; heartbeat sensitivity; heartbeat sounds; heart rate; anxious, 10896

coronary artery disease; cardiovascular disease; health costs; alcohol abusers, 10391

coronary prone behaviors; coronary patients; low socioeconomic status; cognitive behavioral treatment; educational level, 23760

depression; autonomic nervous system; coronary heart disease; risk factors; medical morbidity; mortality; depressed psychiatric patients; plasma catecholamines, 22943

depression; cardiovascular mortality; old age, 1204

depression; older persons; vascular disease; clinical characteristics; depressive symptom patterns; vascular depression; onset, 10543

depressive syndromes; depressive symptoms; depression-cardiovascular disease association; cardiovascular disease; risk factors; depression assessment methods, 22945

eating patterns; dietary patterns; cardiovascular risk factors; Mexican Americans; heart healthy eating; community based heart disease prevention, 1572

family based health education; family intervention; family based counseling; children health behaviors; cardiovascular diseases; familial history; at risk children, 36374

gender differences; depression; cardiovascular disease; acute myocardial infarction; coronary heart disease; serotonin reuptake inhibitors; cognitive behavioral treatment; treatment; mortality rates, 22972

health benefits; omega-3 polyunsaturated fatty acids; cardiovascular disease; heart disease; food intake; dietary guidelines, 1937

hostility; cardiovascular disease; risk factors; African American young adults; White young adults; racial differences, 10889

hostility; family history; cardiovascular disease; autonomic activation; controllable stress; noncontrollable stress; anger imagery induction; relaxation imagery, 28538

immune system parameters; depression; coronary artery disease; depressive symptoms; psychoneuroimmunological pathways; central nervous system; immune system, 22964

income; effort reward imbalance; work stress; anger; cardiovascular disease symptoms; communities, 23552

milnacipran; peripheral circulatory disturbance; depressive disorder; fluvoxamine, 20869

myocardial infarction; traffic exposure; cardiovascular disease, 17240

myocardial infarction; traffic exposure; cardiovascular disease, 17242

myocardial infarction; traffic exposure; cardiovascular disease, 17243

negative psychological states; risk factors; coronary artery disease; cardiac disease; cardiovascular health; symptoms; adverse outcomes, 23548

neurohumoral features; myocardial stunning; emotional stress; left ventricular dysfunction, 29749

neurohumoral features; myocardial stunning; emotional stress; left ventricular dysfunction, 29753

neurohumoral features; myocardial stunning; emotional stress; left ventricular dysfunction, 29752

neurohumoral features; myocardial stunning; emotional stress; left ventricular dysfunction, 29756

oral sensation; chronic disease risk; cardiovascular disease; dietary behaviors; taste genetics, 1573

overcommitment; work stress; cardiovascular disease; pre-ejection period; white-collar workers, 1576

patient perceptions; cardiovascular disorders; risk prevention; risk perception, 8079

personality; alcohol consumption; cardiovascular disease; morbidity; mortality, 26570

personality; cardiovascular disease; cancer; life style; work stress, 10809

pessimistic explanatory style; cardiac rehabilitation programs; cardiovascular disease patients, 35952

Posttraumatic Growth Inventory; psychometric properties; cardiovascular disease; middle-aged adults; old-aged adults, 31150

psychological job characteristics; cardiovascular disease; sex differences; biopsychosocial strain; personal resilience; risk factors; job demands; genetic factors; effort-reward imbalance; stress, 30817

psychosocial considerations; cardiovascular disease prevention; behavioral medicine; risk estimation; risk factor management; task force, 36370

psychotropic drugs; torsade de pointes; sudden cardiac death, 30091

Raynauds phenomenon; treatment; escitalopram; drug therapy; side effect; vascular dysregulation, 26919

self-rated health; mortality; circulatory system disease, 17238

stress; gastrointestinal ulcerations; cardiovascular disease; antidepressant treatment; cytokines, 4446

stressors; coronary disease; coronary risk; depressive feelings; work stress; family work relationship, 23550

vagus nerve stimulation; chronic depression; snoring; sleep apnea; quality of sleep; hyperactive behavior; status; cardiovascular risk; dementia; myocardial infarction, 35350

Wegener's granulomatosis; azathioprine; psychiatric side effects; obsessive-compulsive disorder; panic attacks, 23554

### Cardiovascular Disorders [See Also Aneurysms, Cerebrovascular Disorders, Embolisms, Heart Disorders, Hemorrhage, Hypertension, Ischemia, Thromboses]—Chapters

Psychological interventions in patients with coronary heart disease, 14220

Research and Innovation in Pediatric Surgery: The Problem of Hypoplastic Left-Heart Syndrome, 20516

The role of mood states in the development of cardiovascular disease: Implications of a motivational analysis of cardiovascular reactivity in active coping, 20517

### Cardiovascular Reactivity—Serials

academic study; college examinations; stress; cardiovascular reactivity, 516

antisocial behavior; intimate partner violence & abuse; violent batterers; severity; heart rate; skin conductance; autonomic emotional reactivity; psychophysiological responses; risk markers, 32468

blood pressure reactivity; psychological stress tasks; systolic pressure; diastolic pressure; hypertension, 8078

blood pressure; stress management training; progressive muscular relaxation; cardiovascular reactivity, 1792

cardiac autonomic control; epidermal growth factor; genetic polymorphism; heart rate; stress, 31682

cardiovascular consequences; personal threat; hemodynamic responses; physiological changes; social competence; threat, 762

cardiovascular correlates; child & adolescent misconduct; cardiovascular regulation; physiological variables; resting heart rate; skin conductance, 9940

cardiovascular effects; mental workload; physiological control processes; respiratory sinus arrhythmia; vagal blockade; baroreflex model, 6830

cardiovascular reactivity; gender role; self concept; emotional reactions; simulated job interview; ecologically relevant stressor, 16100

cardiovascular reactivity; posttraumatic stress disorder; magnetic resonance imaging; blood pressure, 10602

cardiovascular reactivity; psychological stress; habituation, 6823

cardiovascular responses; stress; morningness-eveningness; time of day; cardiovascular activity; rest; anxiety, 25476

cardiovascular; central adiposity; adolescents; race; cardiovascular reactivity; stress; Whites; Blacks; waist circumference, 28533

causal coherence analysis; mental arithmetic tasks; systolic blood pressure; heart rate variability, 22319

cigarette smoking; ambulatory cardiovascular monitoring; mood; Vietnam veterans; posttraumatic stress disorder, 4388

closed head injury; patients; selective attention; affective pictures; event-related brain potentials; cardiac responses, 17186

depressive symptoms; cardiovascular reactivity; behavioral stress, 520

dietary caffeine; sleep restriction; laboratory stress; hemodynamics, 6837

dispositional hostility; cardiovascular reactivity; anger recall; distraction; rumination; women, 3687

ego involvement; performance effects; cardiovascular reactivity; electrodermal reactivity; task difficulty, 34701

emotions; cardiodynamic reactions; hemodynamic reactions; anger; fear, 22335

ethnic differences; cardiovascular responses; laboratory stress; Asian Americans; White Americans; cardiovascular disease, 3689

geomagnetic activity; pulsation; magnetic fields; parasolary nucleus; cell migration; cardiovascular stability; sudden infant death; rats, 3568

habituation; anger imagery; cardiovascular response; self report, 32966

health stereotypes; physiological responses; hypertension; aging; geriatrics; stress; veterans; cardiovascular reactivity, 14216

heart rate increase; alcohol administration; video lottery terminal players; alcohol intake, 16135

heart rate variability; placebo control therapy; cardiac autonomic tone; Qi therapy; external Qigong, 33234

heart rate variability; traumatic brain injury, 29794

hemodynamic reaction; cardiovascular reaction; genotypes; alcoholic reactions; alcohol sensitivity, 31713

hemodynamic stress reactivity; life events; stress exposure; age differences, 28530

hormone therapy; cardiovascular responses; reproductive hormones; stress; postmenopausal women; psychophysiology, 23886

hostility; conflict; cardiovascular responses; marital relationship; spouse hostility; couple interactions; married couples, 34700

hydration status; stress induced hemoconcentration; hemodynamics; postural stress; mental stress; cardiovascular events; heart rate reactivity, 16101

learning; frustration; reactivity; emotions; physiological response; infants; behavior; autonomic nervous system, 781

music; blood pressure; stress; cardiovascular recovery, 511

negative affect; cardiac reactivity; respiratory sinus arrhythmia; heart rate; prejection period; physiological systems; 24 month old children, 19398

neural cardiac coupling; anxiety; threat cues; safety; myocardium; sympathetic nervous system; neurobiology, 25478

physiological aging; cardiovascular reactivity; stress reactivity, 16236

physiological hyperreactivity; acute stressors; hypertensives; cardiovascular system; normotensives; hypothalamus-pituitary-adrenal axis; immune system, 32753

psychophysiological research; cardiovascular system; heart rate analysis, 9817

psychosocial factors; respiratory parameters; psychophysiological stress; working men; working women; cardiovascular parameters; stressors; relaxation, 31684

religious orientation; gender differences; cardiovascular reactivity, 19594

respiratory sinus arrhythmia; stress; resting respiratory sinus arrhythmia; cardiovascular reactivity; prediction, 8074

socioeconomic position; cardiovascular responses; neuroendocrine responses; cognitive challenge; old age; recovery; heart rate, 22621

trait dominance; cardiovascular responses; psychological responses; social influence; gender dominance; partner dominance, 16093

Case Reports, 3232

Case-Based Studies as a Source of Unity in Applied Psychology, 6256

Demonstrating Clinical Knowledge in the Case Study, 3329

Caseworkers [See Social Workers]

### Caste System—Serials

flexibility; temporal caste system; honey bee; social insect colony; foraging rates, 25324

Indian doctor; English girl; social class; culture; caste, 35088

### Castration [See Also Male Castration, Ovariectomy]—Serials

sexual recidivism; surgical castration; sex offenders; sexually dangerous person; risk assessments; sexually violent predators, 20278

sexual recidivism; surgical castration; sex offenders; sexually dangerous person; risk assessments; sexually violent predators, 20308

### Cat Learning—Serials

selective antagonists; dopamine receptors; food related responses; defensive responses; conditioned paw placing responses; cats, 34741

CAT Scan [See Tomography]

Catabolites [See Metabolites]

### Cataplexy—Serials

haloperidol; cataplexy; somatodendritic serotonin receptors; postsynaptic serotonin receptors; Parkinsonian effects; antipsychotics; propylaminothalazine; buspirone; rats, 9841

Catamenia [See Posttreatment Followup]

### Cataplexy—Serials

emotions; cataplexy; obstructive sleep apnea; narcolepsy, 20426

excessive sleepiness; narcolepsy; neurological disorder; cataplexy; daytime sleepiness, 4987

narcolepsy; cataplexy; sodium oxybate, 10831

### Cataracts—Serials

personality; cataract surgery; coping; stress outcome; emotional outcomes, 22886

quetiapine treatment; early psychosis; cataracts, 5247

vision; congenital cataracts; sensitive period; plasticity; developmental cataracts; visual deprivation; visual acuity; peripheral vision; global motion; asymmetry of optokinetic nystagmus; children, 19460

visual cognitive development; early onset blindness; Hebbian competition; congenital cataract; congenital blindness, 36040

### Catantonia—Serials

catantonia; autism; life-threatening disorder; motor abnormalities; mutism; behaviour disturbances; diagnoses; electroconvulsive therapy, 10752

catantonia; juvenile corrections; mental health; paranoid delusions; lorazepam; cannabis abuse; motivation; self-care decline, 4536

catantonia; neuroleptic malignant syndrome; atypical antipsychotic drugs, 11229

catantonic schizophrenia; clozapine monotherapy; psychosis, 29347

chronic catantonic schizophrenia; phenomenology; diagnosis; disease course; catantonia; schizophrenic children; schizophrenic adolescents, 29340

lorazepam; diazepam; catantonic signs; schizophrenia; electroconvulsive therapy, 17657

malignant catantonia; neuroleptic malignant syndrome; electroconvulsive therapy, 8358

periodic catantonia; risperidone, 26821

psychosis; medical illness; mania; catantonia; schizophrenia; obesity; diabetes, 35300

psychosis; neoplasia; visual hallucinations; delusions; catantonia; parathyroid gland, 22962

risperidone treatment; febrile catantonia; first-episode psychosis; psychotropic medications, 20760

venlafaxine; serotonin syndrome; differential diagnoses; depression; psychomotor retardation; drug therapy; catantonia, 14547

### Catantonia—Chapters

Mania, catantonia, and psychosis, 20014

### Catantonic Schizophrenia—Serials

catantonic schizophrenia; clozapine monotherapy; psychosis, 29347

chronic catantonic schizophrenia; phenomenology; diagnosis; disease course; catantonia; schizophrenic children; schizophrenic adolescents, 29340

mementine; catantonic schizophrenia; NMDA receptor antagonist, 17689

mementine; catantonic schizophrenia; NMDA receptor antagonist, 23910

mementine; catantonic schizophrenia; NMDA receptor; drug therapy; neuroleptics; adjunctive therapy, 23865

neuroleptic malignant syndrome; antipsychotic agents; promethazine; clozapine; catantonic schizophrenia, 14545

neuroleptic malignant syndrome; promethazine; catantonic schizophrenia, 26193

### Catecholamines [See Also Dopamine, Epinephrine, Norepinephrine]—Serials

age difference; fear behavior; regional brain monoamines; rats; animal behavior, 9774

amitriptyline; fluoxetine; PC12 cells; pheochromocytoma; cell protection; hydrogen peroxide; catecholamine cell model; superoxide dismutase, 22353

attention deficit hyperactivity disorder; neurobiology; brain catecholamine system; pathophysiology; pharmacologic interventions, 32595

attentional control; genetic polymorphism; catechol methyltransferase; cingulate cortex, 31537

catechol O methyltransferase; polymorphism; neuropathic pain; catecholamine neurotransmitters, 26503

deoxyglucose; plasma catecholamines; glucose levels; schizophrenia; norepinephrine, 8288

epinephrine recovery; psychological stress; mood; catecholamine responses, 3685

midbrain dopamine; prefrontal function; catecholamine-O-methyltransferase; genotypes; genes, 22268

monoamine concentrations; cortisol; social withdrawal behaviors; psychosocial stress; maternal separation; rhesus macaques, 22323

neuropsychopharmacology; attention deficit hyperactivity disorder; catecholamine; norepinephrine; dopamine; working memory; executive function, 32606

platelet vesicular monoamine transporter density; children; adolescents; attention deficit hyperactivity disorder, 20350

rats; pressor response; chemoreflex; vasopressins; catecholamine; adrenal medulla, 16114

repeated swim stress; vesicular monoamine transporter; rat brain; nucleus accumbens; striatum, 19213

serotonin reuptake inhibitors; plasma catecholamine concentrations; norepinephrine; epinephrine; dopamine; fluoxetine; acute administration; chronic administration; depressive patients, 36220

stimulant psychosis; symptom severity; catecholamines; hyperkinesia; drug levels; amphetamine; cocaine, 8279

vesicular monoamine transporter density; platelets; habitual smokers; pharmacodynamics; neurotransmission; nicotine, 19197

### Categorizing [See Classification (Cognitive Process)]

### Catharsis—Serials

emotional disclosure intervention; psychological outcomes; physiological outcomes; rheumatoid arthritis, 36308

psychoanalytic theory; trauma; catharsis; psychoanalysis, 22921

suicide attempters; cathartic effect; clinical improvement; suicidal dimensions; depression; impulsiveness; anxiety; self induced & accidental traumatism, 20208

systolic blood pressure; diastolic blood pressure; heart rate variability; skin conductance; expressive writing, 34692

theatre; catharsis; tragedy; philosophy; pity; fear; Aristotle, 3747

Cathode Ray Tubes [See Video Display Units]

Catholicism (Roman) [See Roman Catholicism]

### Catholics—Serials

Catholic Church; cultural hysteria; pedophilic priests; mental health professionals; media, 7852

clergy abuse scandal; Catholic Church; child sexual abuse; litigation, 10629

Irish Catholics; employment discrimination; religious perspectives; ethnic groups; sectarianism; Scotland; majority ethnic; minority ethnic, 15359

multidimensional approach to religion; religiosity; value priorities; Roman Catholicism; Schwartz's 10 value types, 22665

religiosity; afterlife belief; death anxiety; life satisfaction; Catholics; Protestants; young persons; well being; adolescents, 25797

timing; marriage; religion; Catholics; Protestants; Jews; Mormons, 25827

### Caucasians [See Whites]

Cauda Equina [See Spinal Nerves]

### Caudate Nucleus—Serials

brain imaging; orbitofrontal cortex; striatum; neuropathology; obsessive-compulsive disorder; caudate nucleus; brain abnormalities, 20522

brain substrates; multiple system attributes; memory systems & processes; event-based memory; knowledge-based; rule-based memory; neural regions; neural circuits; hippocampus; caudate nucleus, 433

bromocriptine; caudate nucleus; rats; hydroxydopamine; substantia nigra; dopaminergic deafferentation, 22342

magnetic resonance imaging; basal ganglia; caudate nuclei; antipsychotic naive patients; first psychosis episode, 32412

neurobehavioral changes; bilateral caudate nucleus infarctions; cognitive function; basal ganglia; psychiatric symptoms; prefrontal disorders; depression; memory disturbance, 17300

schizophrenia; subcortical structures; limbic structures; caudate nucleus; putamen; amygdala; hippocampus; auditory evoked potentials; volumes; P300, 35514

white matter volume; caudate nucleus; schizophrenia, 7763

### Causal Analysis—Serials

affordances; intentions; causal structure; objects perceived function; HIPE theory, 6555

cannabis; psychosis; causal analysis; risk factor, 4729

cannabis; psychosis; causal analysis; risk factor, 4746

cannabis; psychosis; causal analysis; risk factor, 4749

cannabis; psychosis; risk factors; causal linkages, 23291

cannabis; psychosis; risk factors; causal linkages, 23304

causal attributions; family members; personal attributions; controllable attributions; expressed emotion; schizophrenia; relapse, 4548

causal coherence analysis; mental arithmetic tasks; systolic blood pressure; heart rate variability, 22319

causal impressions; environmental cues; spatial contiguity; temporal contiguity, 25200

causal judgment; causal power; power PC theory; reasoning; interactive causal influence; covariation; observable events; binary effect, 28280

causal judgments; stimulus competition; subsequent stimuli; antecedent events; cause and effect, 12712

causal knowledge; causal models; observational learning; reasoning, 12758

causal learning; cues; causal induction; associative learning; inherent directionality, 28342

causal learning; discovery; attribution; hypothesis testing; problem solving; causal judgment; causal power; interactive causal influence; covariation; observable events; binary effect; power PC theory, 28308

causal learning; discovery; attribution; hypothesis testing; problem solving; causal power; power PC theory; causal judgment; interactive causal influence; covariation; observable events; binary effect, 28263

causal learning; discovery; attribution; hypothesis testing; problem solving; causal judgment; causal power; interactive causal influence; covariation; observable events; binary effect, 28281

causal learning; discovery; attribution; hypothesis testing; problem solving; causal judgment; causal power; interactive causal influence; covariation; observable events; binary effect, 28262

causal reasoning; chimpanzees; habituation; dishabituation; Michottean causality, 6680

causal reasoning; cooperative neural computation; competitive neural computation, 27900

causal values; antecedent events; predictive learning; causal learning, 28332

causality judgement; encoding; associative learning; configural encoding; visual presentation; cues; blocking; inference, 259

# Volume 92 SUBJECT INDEX

## Causal Analysis—Serials

causality; callosotomy; split-brain; cerebral asymmetry; causal inference; causal perception; inferential components; direct perception; dissociating processes, 34429  
color naming; philosophy of science; causal mechanisms; research, 19000  
contiguity; covariation; human causal inference; causal induction; associative learning; causal power theories, 28313  
cue interaction effects; alternative causes; human causal reasoning; target cause; causal judgment; contingency learning process, 28318  
deductive reasoning; blocking; causal judgments; cues; additivity training, 15878  
fuzzy set analysis; causal variables; comparative analysis; two level theories, 21896  
fuzzy set analysis; regression analysis; great reversal; Spanish America; colonial territories; causality, 21904  
historical writing; causality; linguistic analysis; school history students; grammar; vocabulary, 13143  
HR practices; firm performance; causal order; causal variable, 24701  
human causal learning; animal conditioning; context specificity; outcome specificity; associative mechanisms; learned predictiveness, 19055  
human causal learning; inhibitory learning; simulations; human causal judgments; Sometimes Opponent Process associative theory, 28311  
inferring ability; blame; liking-oriented cognitive schemata; dislike; ability attributions; causal schemas, 4268  
interactive causal influence; causal power theory; covariation; observable events; binary effect; causal judgment; causal powers; power PC theory, 28307  
maximum likelihood; structural equation model; covariates; causal relations; educational psychology, 18848  
mental models; poverty; developing nations; causal analysis, 19631  
necessity; sufficiency; uncausal relations; operationalisation; cause-effect relations; reasoning, 3453  
neuroscience; attention deficit hyperactivity disorder; genetics; causal models; barriers, 17063  
outcome additivity; outcome maximality; cue competition; causal learning; subsequent forward blocking, 12714  
perceived stress; stress attribution; psychological distress; psoriasis severity; quality of life; psychological well being, 10839  
predictive value judgments; causal value judgments; associative models; cues, 28340  
processing time; memory; sentences; semantic relatedness; causal relatedness, 19033  
propensity score estimation; boosted regression; causal effect modeling; treatment outcomes; substance abuse treatment programs, 6411  
public health education; education campaigns; causal effects, 24044  
reading disability; genetics; environmental relationship; phonological processing measures; naming speed; intelligence quotient; causal model; identical twins; fraternal twins, 14146  
research tools; storytelling; causal mapping; organizational members; research approaches; person-organization fit; sense of fit, 30885  
response styles; theory of depression; causal mediation; depressive symptoms, 34470  
socioeconomic status; mental illness; social causation; causal structure; acute psychiatric hospitalization, 13834  
**Causal Analysis—Chapters**  
Expressing Causation in English and Other Languages, 19381  
Middle Age, Marriage, and Health Habits of America's Greatest Generation: Twins as Tools for Causal Analysis, 8479  
The role of associative history in human causal learning, 12666  
The Role of Causal Reasoning in Understanding Narratives, 19044  
**Causality—Serials**  
causal reasoning; chimpanzees; habituation; dishabituation; Michonin causality, 6680  
causality; callosotomy; split-brain; cerebral asymmetry; causal inference; causal perception; inferential components; direct perception; dissociating processes, 34429  
historical writing; causality; linguistic analysis; school history students; grammar; vocabulary, 13143  
vitalistic causality; childhood development; biological phenomena; human bodily processes, 714  
**Causation [See Causality]**  
**Cause Effect Relationships [See Causality]**  
**Celebrity [See Fame]**  
**Celiac Plexus [See Autonomic Ganglia]**  
**Celibacy [See Sexual Abstinence]**  
**Cell Nucleus—Serials**  
cuneatus medialis nucleus; neural development; morphometric features; brains, 25591

injured mitochondria; human oedematous cerebral cortex; congenital malformations; brain trauma; mitochondrial morphological alterations; vascular anomaly; nerve cell death, 4938  
**Cells (Biology) [See Also Blood Cells, Chromosomes, Cones (Eye), Epithelial Cells, Neurons, Sperm]—Serials**  
aging; dying; soma; germ cells; reproduction; selection, 34850  
Alzheimers disease; amyloid precursor aspartyl proteinase; Spodoptera frugiperda cells; cholamidopropyl dimethylammonio-hydroxypropanesulfonic acid homogenates; presenilin, 10910  
Alzheimers disease; biomarkers; apoptosis; life expectancy; cell death, 17246  
amitriptyline; fluoxetine; PC12 cells; pheochromocytoma; cell protection; hydrogen peroxide; catecholamine cell model; superoxide dismutase, 22353  
amyloid beta peptide; Alzheimers disease; mitochondrial dysfunction; gelsolin; cytotoxicity, 22364  
cell adhesion molecules; brain; chronic stress; cognitive impairment; immunoglobulin superfamily, 9823  
cell density; cortical thickness; glial cell; Heschl's gyrus; schizophrenia; major depression; bipolar disorder, 10467  
electroconvulsive seizure treatment; neurogenesis; cell proliferation; rats; frontal cortex; glial cells; phenotype; cell division, 9777  
electroconvulsive shock; Cdk2-pRB-E2F1 cell cycle pathway activation; frontal cortex; rats, 9773  
embryonic stem cells; social movements; biomedicine; biopolitics; biotechnology; scientific knowledge, 3991  
gene expression; striatal astrocytes; central nervous system; microglia conditioned medium; brain derived neurotrophic factor, 3640  
gene mutation; stress factors; BV-2 cells; Alzheimers disease; Hfe mutation; Hfe expression, 23594  
GM1 ganglioside; skin fibroblasts; Alzheimers disease; lysosomal enzymes, 23619  
hippocampal place cells; neural representations; stimuli; subjective distance, 22274  
HIV-1; CD8+ T cells; viral replication; effector cells; antiretroviral therapy; structured treatment, 5321  
Kupffer cells; endotoxin; lipopolysaccharide; tumor necrosis factor suppression; olipnone; alcoholic liver injury, 549  
mean cell spacing abnormalities; neocortex; schizophrenic patients, 20108  
multiple independent behavioral correlates; cell firing; freely moving animals; animal location; animal orientation, 25370  
mutant nicastrin protein; cytochrome c release; bax expression; apoptotic cell death; transfected cells, 9770  
pain evaluation; oral squamous cell carcinoma; novel pain questionnaire; surgical treatment, 9391  
schizophrenia; glial cells; astrocytes; genes, 7750  
serofendic acid; auditory hair cells; mice; auditory neurons; neurotrophin deprivation, 22352  
transcription factors; neuronal cells; presenilin genes; mice brain cells, 22273  
worldviews; values; information; public support; embryonic stem cell research; technology; awareness, 28435  
**Cells (Biology) [See Also Blood Cells, Chromosomes, Cones (Eye), Epithelial Cells, Neurons, Sperm]—Chapters**  
The activation of microglia as an early sign of disease progression in Alzheimer's disease, 20602  
Focal cerebral ischemia: The multifaceted role of glial cells, 20593  
Growth factors and neurons provided by macroglial cells, 19232  
Response of microglia to brain injury, 20600  
**Censorship—Serials**  
constructive dialogue; editorial policy; censorship; psychoanalytic journals, 19959  
constructive dialogue; editorial policy; censorship; psychoanalytic journals, 19963  
pornography; mass communication; political science; censorship; social psychology; free expression; public attitudes; hate speech, 6980  
**Censorship—Chapters**  
Censorship: Who controls school curriculum and teaching materials?, 15039  
**Central Nervous System [See Also Neural Pathways, Spinal Cord]—Serials**  
age; experience-related improvements; gap detection; rat; acoustic signals; central nervous system; postnatal development; auditory system, 3601  
alcohol effects; central nervous system; gene expression; genetic animal models; alcoholism; ethanol withdrawal severity, 28567  
androgen receptor; masculinization; testicular feminization mutation; striatal terminals; bed nucleus; central nervous system, 34732

## Central Nervous System—Chapters

brain developmental assessment; fetus; young infants; central nervous system; neuroimaging, 31777  
burst detection algorithms; spatio temporal patterns; cortical networks; neurons; rat central nervous system; typical electrophysiological pattern; stochastic spiking; neural networks, 31548  
caffeine; Ruthenium red; intact neural cells; cerebellar granular cell culture; rats; neurotoxicity, 13093  
central nervous system; chemosensory transduction; nociception; blood gases; purine nucleotide; adenosine triphosphate, 31565  
central nervous system; energy balance; lipids; adipose tissue; energy expenditure; food intake, 19192  
chronic immobilization stress; central nervous system; mouse hippocampus; brain derived neurotrophic factor; protein level, 3562  
cytokines; brain; neurosciences; immunology; pathophysiological implications; central nervous system; cellular defenses, 22240  
gene expression; striatal astrocytes; central nervous system; microglia conditioned medium; brain derived neurotrophic factor, 3640  
glutamate; excitatory neurotransmitter; central nervous system; molecular cloning; glutamate neurobiology; therapeutic potential, 22350  
hormonal regulation; tryptophan hydroxylase; messenger ribonucleic acid; central nervous system; rodents; dorsal raphe nucleus, 25488  
intranasal administration; cholecystokinin; central nervous system; auditory event related potential, 16109  
Jeffrey Gray; conceptual nervous system; cognitive processing; schizophrenia; consciousness, 35503  
kinematic formulation; reach envelope; limb workspace; human limbs; central nervous system; wrist functionality; human joint ranges; closed form equations; forearm; finger, 231  
methionine; S-Adenosylmethionine; adenosylmethionine; rat brain; antidepressants; central nervous system, 16140  
minocycline; antibiotic tetracycline class of molecules; neuroprotection; neurologic diseases; antiinflammatory, 9872  
neurodevelopmental toxicology; clinicians; central nervous system development; mercury exposure; autism; teratogens, 23471  
neurologic complications; lightning injuries; neurorehabilitation; central nervous system; brain lesions, 20528  
neuroplasticity; schizophrenia; central nervous system development; learning; memory; drug action; depression; drug abuse, 4511  
neurotrophin action; proneurotrophins; neuronal survival; synaptic plasticity; tyrosine kinase; central nervous system, 31593  
non-malignant diseases; breakthrough pain; malignant diseases; central sensitization; peripheral sensitization, 20452  
nucleotide polymorphisms; corticotropin releasing hormone receptor gene; alcohol dependence; central nervous system, 35662  
operant conditioning; central nervous system; pneumostome preparation; snails; long term memory; aerial respiratory behavior, 28524  
optical imaging; neuronal populations; decision-making; leech; nervous system; swimming, 16018  
pharmacotherapeutic development; central nervous system; genomics; gene expressions; neurodegenerative pathology, 11347  
plasma viral load; neuropsychological functioning; HIV infection; central nervous system; cognitive functions, 20487  
postconcussional syndrome; pathology; brain trauma; subjective complaints; central nervous system effects, 23575  
psychiatric patients; cerebral autosomal dominant arteriopathy; diagnosis; leukoencephalopathy; central nervous system; subcortical infarcts; psychiatric disturbances, 23500  
psychiatric patients; cerebral autosomal dominant arteriopathy; diagnosis; leukoencephalopathy; central nervous system; subcortical infarcts; psychiatric disturbances, 23494  
schizophrenia; psychopathology; etiology; antibodies; Toxoplasma gondii; infectious agent; central nervous system, 23083  
startle eyeblink response; central nervous system; electromyographic response elicitation, 16066  
toxic agents; peripheral nervous system; biological warfare; neurobiological weapons; neurologist; central nervous system, 23470  
**Central Nervous System [See Also Neural Pathways, Spinal Cord]—Chapters**  
Human immunodeficiency virus infection of the central nervous system, 20496  
Response of microglia to brain injury, 20600

# Volume 92 SUBJECT INDEX

## Central Nervous System Disorders—Serials

**Central Nervous System Disorders** [See Also Brain Disorders, Chorea, Dysarthria, Meningitis, Neurosyphilis, Progressive Supranuclear Palsy]—Serials  
adolescent medicine; meningococcal vaccine; immunization; Society for Adolescent Medicine position statement, 36366  
animal models; central nervous system disorders, 34670  
brain damage; rehabilitation; virtual reality; cognitive abilities, 29806  
brain damage; rehabilitation; virtual reality; cognitive abilities, 29793  
cerebrospinal fluid; Cerebral Folate Deficiency Syndrome; infantile onset; 5-methyltetrahydrofolate; neuropsychiatric disorders; autoantibodies; medical treatment; folinic supplementation, 26526  
myoclonus; muscular contractions; asterixis; neurodegeneration; metabolic disorders; side effects; levodopa; bis-muth salts; active postural muscles, 4858  
**Central Nervous System Disorders** [See Also Brain Disorders, Chorea, Dysarthria, Meningitis, Neurosyphilis, Progressive Supranuclear Palsy]—Chapters  
Cognitive Rehabilitation and Behavior Therapy for Patients With Neuropsychiatric Disorders, 5051  
**Central Nervous System Drugs** [See CNS Affecting Drugs]  
**Central Tendency Measures** [See Also Mean, Median]—Chapters  
Misclassification Phenomena in Categorical Data Analysis: Regression Toward the Mean and Tendency Toward the Mode, 15759  
**Central Vision** [See Foveal Vision]  
**CER (Conditioning)** [See Conditioned Emotional Responses]  
**Cerebellar Cortex** [See Cerebellum]  
**Cerebellar Nuclei** [See Cerebellum]  
**Cerebellopontine Angle** [See Cerebellum]  
**Cerebellum** [See Also Purkinje Cells]—Serials  
aging; intellectual decline; cerebellum; frontal atrophy; gerontology; healthy elderly, 16370  
anxiolytic effect; hepatocyte growth factor; rat brain; thalamocortical projections; rat brain; pallidum; anxiety; locomotor activity, 16119  
bower complexity; cerebellum size; bowerbirds; enticement; telencephalon; hippocampus, 31555  
caffeine; Ruthenium red; intact neural cells; cerebellar granular cell culture; rats; neurotoxicity, 13093  
cerebellar ataxia; impairments; coordination center; cerebellum; self-esteem; abasia; astasia, 4836  
cerebellar deficit hypothesis; dyslexia; non-dyslexics; cerebellar function, 35969  
cerebellar interpositus neurons; cerebellar afferents; delay eyeblink conditioning; field potentials; neuronal activity; inferior olive; age differences; postsynaptic potential; postnatal rats, 485  
cerebellar inverse dynamic model; visual vestibular interactions; vestibulocolic reflex; squirrel monkeys; oculomotor control; Flocculus Purkinje cell firing patterns, 31573  
cerebellum; depression; major depressive disorder; rTMS; transcranial magnetic stimulation; treatment outcome, 36284  
cerebellum; neuropsychiatric disorders; neural networks; prefrontal cortex; subcortical limbic structures; brainstem nuclei; mood regulation; psychosis; depression; mania, 23012  
coordinated movement; cerebellar information processing; spinocerebellar interactions; models; cerebellum; microcomplex; error signal; spinal reflex circuits, 22234  
dyslexia; children; voxel based morphometry; brain anatomy; right cerebellar anterior lobe; pars triangularis, 23404  
eyeblink conditioning deficits; timing; cerebellar abnormalities; schizophrenia; neurotransmitter systems; internal timing processes; cerebellum; basal ganglia, 26169  
eyeblink conditioning; pontine neuronal stimulation; developmental limitations; neural mechanisms; rats; cerebellum, 25385  
frontal cortex; early autism; children; brain regions; cerebellum; limbic system, 14091  
Korean people; age; gender; body weight; cerebellar volume, 31549  
long term memory storage; neural regions; cerebellum; associative memory trace; rabbits; eyeblink conditioning, 19168  
memory traces; memory formation; memory storage; eye blink; memory loci; classical conditioning; reversible inactivation, 9795  
middle cerebellar peduncles disruption; schizophrenia; antipsychotics; fractional anisotropy, 1226  
motor control; cerebellum; linguistic function; frontal cortex; brain, 34617  
motor imagery disturbance; cerebellar stroke; nonexecutive motor functions; finger movements; cerebellum, 20539

mutant mouse; eye movements; oculomotor impairment; cerebellar dysgenesis; subregional hypoplasia; muscle tone; locomotor impairment, 410  
neocerebellar vermis; size; cognition; cognitive ability; elderly men, 6783  
neuroanatomic abnormality; brain size; autism; cerebellum; limbic system; inferior olive, 23348  
neuronal integrity; metabolites; voxel composition; schizophrenia, 23092  
norepinephrine; cerebellar learning tasks; neuromodulator; postsynaptic noradrenergic receptors; gamma-aminobutyric acid, 3593  
Parkinsons disease; cerebellar lesions; event based timing, 26641  
prefrontal cortex; cerebro-cerebellar functions; stabilometrical indexes; elderly people; brain activity; tremor; physiological correlates, 9767  
quetiapine; psychotic symptoms; cognitive function; first episode schizophrenia; cognitive function, 10572  
reduced cerebellar inhibition; schizophrenia; cerebellar activity; magnetic test stimulus, 26173  
schizophrenia; auditory hallucinations; cerebellum; cerebrum; brain regions; gray matter, 16855  
sequence learning; cerebellar damage; serial reaction time tasks; posterior fossa tumor; brain plasticity, 32769  
task switching; cerebellar damage; posterior fossa tumor; cognitive skills; intelligence, 23560  
temporal properties; cerebellar dependent memory; classical conditioning; nictitating membrane; muscimol; rabbits, 3595  
**Cerebellum** [See Also Purkinje Cells]—Chapters  
Cerebellar Anatomy and Function: From the Corporeal to the Cognitive, 13048  
**Cerebral Aqueduct** [See Cerebral Ventricles]  
**Cerebral Arteriosclerosis**—Serials  
L-arginine; endothelium; cerebral arteriolar dilatation; acute infarction; nicotine; nitric oxide synthase, 9834  
**Cerebral Atrophy**—Serials  
aging; intellectual decline; cerebellum; frontal atrophy; gerontology; healthy elderly, 16370  
ambiguous word pairs; subcortical transfer; split brain patient; disconnected hemispheres; contralateral hand; ipsilateral hand, 16043  
anorexia nervosa; cerebellar atrophy; undernutrition, 1467  
CASCADE cognitive test battery; dementia; cardiovascular determinants; cerebral lesions; atrophy; executive function; global cognitive function; short & long term memory; demographic variables, 20567  
cerebral volume loss; cognitive deficit; neuropsychological performance; brain atrophy; dementia, 4933  
cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3239  
cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3252  
cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3241  
corticobasal degeneration; proteome level; neurodegenerative disorder, 35970  
electroconvulsive therapy; cortical atrophy; middle aged adult; hypothyroidism; treatment refractory depression, 30148  
frontotemporal dementia; Pick's disease; temporal atrophy; progressive aphasia, 4961  
hippocampal abnormalities; stress; cognitive function; psychiatric disorders; brain atrophy; posttraumatic stress disorder; major depressive disorder; borderline personality disorder, 1173  
left hemisphere atrophy; frontal lobe; old men; age differences; sex differences; brain structure, 34651  
major depression; bipolar affective disorder; brain atrophy; brain stem; brain abnormalities; MRI, 4494  
medial temporal lobe atrophy; apolipoprotein; genotype; plasma homocysteine; Sri Lankan patients; Alzheimer's disease; diagnosis, 29775  
memory impairment; asymptomatic individuals; hippocampal atrophy; seizures, 10898  
neuropsychological outcomes; etiology; traumatic brain injury; anoxic brain injury; cognitive function; atrophy, 17279  
occupational therapy; progressive neurological disorders; multiple system atrophy, 36515  
posterior cortical atrophy; Alzheimers disease; subcortical gliosis; Creutzfeldt Jacob disease; dementia with Lewy bodies; visuospatial processing; visual recognition, 10909  
prefrontal cortical dysfunction; abstinent cocaine abusers; executive cognitive functions; anterior cingulate cortex; lateral prefrontal cortex, 10689  
progressive aphasia; right hemisphere atrophy; right hemisphere language dominance, 29805

protein energy malnutrition; cerebral abnormalities; cerebellar atrophy; ventricular dilatation; cranial magnetic resonance imaging, 23506  
schizophrenia; psychotic bipolar disorder; regional volume deviations; brain structure; grey matter deficit, 29288  
traumatic brain injury; cortical atrophy; cognitive correlates; neuroimaging atrophy rating scale, 9388  
**Cerebral Atrophy**—Chapters  
Stress in Dementia and Depression, 20013  
**Cerebral Blood Flow**—Serials  
acetylcholinesterase inhibitors; sarin; pyridostigmine bromide; cerebral blood flow; metabolism; rats, 22368  
body dysmorphic disorder; hexamethylpropylene amine oxime; affective disorders; body perception; SPECT Imaging, 4837  
caffeine; acetazolamide; cognitive stimulation; cerebral blood flow; drug effects, 25493  
catechol-O-methyl transferase; gene polymorphism; schizophrenia; working memory; cerebral blood flow; frontal lobe cognition; brain morphology, 35493  
cerebral lateralization; gender differences; intelligence; blood flow; cognition, 34639  
children; specific language impairment; SPECT; attention-deficit hyperactivity disorder; ADHD; cerebral blood flow, 22973  
cognitive performance; cerebral blood flow; hypotension; cerebral perfusion, 8071  
cortical reactivities; novelty seeking; persistence; regional cerebral blood volume; spectroscopy; personality, 28467  
electroconvulsive therapy; brain perfusion impairment; elderly patients; major depression; treatment outcome, 14591  
field potential; local cerebral blood flow; rat somatosensory cortex; stimulus current; hindpaw stimulation; evoked potentials, 28506  
lateralization; cerebral blood flow velocity; auditory stimulation; transcranial doppler ultrasonography; speech perception; music perception, 9749  
learning set formation; neural network activity; novel problem solving ability; neural organization; neural mechanisms; regional cerebral blood flow; rhesus monkeys, 31645  
neural correlates; driving performance; positron emission tomography; simulation; regional cerebral blood flow, 31575  
neural correlates; impaired clock drawing performance; Alzheimer's disease; regional cerebral blood flow; severity; semantic memory, 23612  
nonverbal recognition; age related changes; memory; brain blood flow; aging, 25721  
object alternation acquisition; neural correlates; ventral prefrontal functioning; regional cerebral blood flow; sensorimotor control, 9798  
oral methylphenidate; putamen; thalamus; caudate nucleus; brain transverse relaxation times; cerebral blood volume; hemodynamic effects, 6870  
perfusion abnormalities; decision making; cocaine dependence; cognitive functioning; hyperperfusion, 4763  
phyto-estrogens; menstrual migraine prophylaxis; cerebral haemodynamic; genistein; diadzeine; drug combination, 14631  
single photon emission computed tomography; 3-dimensional stereotactic surface projection; cerebral blood flow; Parkinson's disease; dementia with Lewy bodies; Alzheimer's disease, 23590  
somatosensory cortex; visual cortex; early blind; late blind; brain representations; sensory modalities; cerebral blood flow, 5010  
**Cerebral Blood Flow**—Chapters  
Progress in Post-Traumatic Stress Disorder Research, 20172  
**Cerebral Cortex** [See Also Cerebral Ventricles, Corpus Callosum, Frontal Lobe, Left Hemisphere, Limbic System, Occipital Lobe, Parietal Lobe, Right Hemisphere, Temporal Lobe]—Serials  
adenosine receptors; posterior cingulate cortex; memory retrieval impairment; rat, 22361  
anterior cingulate cortex; puzzle solving; neuroimaging, 9776  
anterior cingulate cortex; rabbits; jaw movement conditioning; extinction-related inhibition; hippocampal activity; extinction, 3607  
anterior cingulate cortex; working memory; attention processes; memory processes, 31589  
attention; pain; somatosensory evoked potential; anterior cingulate cortex, 477  
attentional filtering; neocortical areas; reconstruction network; information maximization; attentional filtering; control architecture; neural networks, 34116  
auditory evoked potential; basal forebrain cholinergic system; epinephrine; terazolin; phenylephrine, 6859  
auditory thalamocortical transformation; thalamocortical structure; thalamocortical function; neurophysiology; thalamocortical anatomy, 31641

## Cerebral Cortex—Serials

- autopsy; hallucinations; post eclamptic brain damage, 26647  
barrel cortex lesion; thigmotactic scanning; mice; exploratory behaviour, 16040  
bilateral volume reduction; insular cortex morphology; insular cortex volume; schizophrenia; illness duration, 10588  
brain potential; grammatical gender cues; sentence comprehension; semantic integration; gender expectancy; gender agreement; sentence reading, 467  
brain white matter; cortex; phospholipid metabolism; human brain growth, 9789  
burst detection algorithms; spatio temporal patterns; cortical networks; neurons; rat central nervous system; typical electrophysiological pattern; stochastic spiking; neural networks, 31548  
cell density; cortical thickness; glial cell; Heschl's gyrus; schizophrenia; major depression; bipolar disorder, 10467  
cerebral aging; aging influence; cortical activity; visuo-motor task, 3570  
cerebral asymmetry; Chinese children; Chinese characters; reading; right handedness; hemispheric dominance, 31854  
cerebral glucose metabolism; obsessive-compulsive disorders; compulsive hoarding; saving symptoms; personality disorders, 23133  
cerebral laterality; verbal motor integration; Down syndrome; cerebral specialization; hemisphere dominance; dichotic listening, 10775  
cerebral organization; stutterers; readiness for speech, 35834  
chronic lithium treatment; bipolar disease; adrenoceptor; psychotherapeutic agents; chemical inactivation; rat brain; cerebral cortex, 6847  
chronic oral estrogen; spatial memory; estradiol; middle aged female mice; synaptophysin; nerve growth factors; brain derived neurotrophic factor; hippocampus; neocortex; object recognition, 6853  
cognitive deficits; aged rats; frontoparietal cortex; neurotransmitter release; amino acid concentrations, 19167  
cognitive impairment; brain mechanisms; schizotypy; schizophrenia; nucleus accumbens; brain activity; dorsolateral prefrontal cortex; negative emotional distractors, 13909  
cortical folding patterns; autism; gyrification index, 4787  
cortical processing; esophageal sensation; swallowing; sensorimotor cortex, 25380  
cortical regions; articulation; bilinguals; cortical activation, 22244  
egocentric object position; object appearance; cortex lesions; configural encoding; object shape; fill pattern; visual scene discrimination; perirhinal cortex lesions; Dark Agouti male rats, 424  
electroconvulsive shock; Cdk2-pRB-E2F1 cell cycle pathway activation; frontal cortex; rats, 9773  
electroencephalography; internal states; positive conditioned stimuli; operant training; dogs; energy characteristics; neocortex; selective attention, 25456  
electrophysiological properties; neurons; cerebral cortex; spike activity; rats; sensorimotor cortex, 3660  
endogenous cues; spina bifida meningocele; posterior cortex; congenital dysmorphology; covert orienting, 20412  
episodic memory; system level model; biological information processing constraints; plausible representations; neuroanatomical connectivity; associative memories; cognitive psychology, 31543  
erroneous memory; cerebral cortex activity; false memory; visual imagery; vivid imagining, 427  
event related brain potentials; affective responses; threat; spider phobia; brain; cortical responses, 26224  
event related potentials; feedback stimuli; reward processing; response choice; brain; anterior cingulate cortex, 25461  
exogenous orienting; visuospatial attention; inhibition of return; neural substrates, 442  
face recognition; cortical responses; noise spatial frequency, 25443  
fibroarchitectonic characteristics; cerebral cortex; cortical zones; brain development; infants; children, 3841  
first name; cerebral mechanisms; prefrontal cortex; neural mechanisms; cerebral mechanisms, 6790  
frontal cortex; inferential reasoning; language; hemisphere function; anterior regions; executive function, 31580  
frontal cortical asymmetry; anger-out; anger-control; anterior symmetry; brain regions; affective valence; motivational direction; behavioral activation; emotion, 6836  
functional connectivity; anterior cingulate; orbitofrontal cortices; decision-making; uncertainty; amygdala; risk-taking, 19170  
gamma hydroxybutyric acid; receptor ligand; rat cerebral cortex; ethanol, 564  
gene transcription; cerebral hemispheres; cortical asymmetry; gene expression, 28428  
hand preferences; handedness; primary motor cortex asymmetries; homologous language regions; precentral gyrus morphology; chimpanzees, 6778  
handedness; consciousness; cerebral hemispheres; brain communication; updating beliefs; metacognitive processing, 6785  
hemispheric interactions; processing speed asymmetries; neural network model; asymmetric hemispheric processing speeds; energy minimization; computation models, 31566  
hippocampus; neocortex; basal ganglia; computational models; complementary learning systems; cognitive & behavioral function; mammalian brain; neural network models; learning; fear conditioning, 411  
human brain; facial expressions; voice perception; emotional voices; combined audio-visual pairs; left lateral temporal cortex, 9782  
human information storage; cerebral cortex; memory; nervous system; astroglia network; synaptic transmission; human memory processes; physical model, 16017  
human medial temporal lobe activity; recognition memory; hippocampus; cerebral cortex, 28462  
human medial temporal lobe; declarative memory processes; nonhuman primates; higher order perceptual processes; hippocampus; perirhinal cortex; neuropsychology, 28472  
individual resistance; hypoxia; craniocerebral trauma; rats, 34672  
inferior frontal cortex activity; functional connectivity; response conflict; cognitive interference; Stroop test, 31430  
inferior parietal lobule; neural activity; number comparison; parietal cortex; number processing, 3638  
injured mitochondria; human oedematous cerebral cortex; congenital malformations; brain trauma; mitochondrial morphological alterations; vascular anomaly; nerve cell death, 4938  
interleukins; aged rats; cerebral cortex; extracellular signal-regulated kinase; phosphoinositide kinase; synaptic functions, 3619  
lateral asymmetry; cerebral hemispheric processes; art perception; aesthetic evaluation; painting preference; visual fields; visual field preference, 420  
left hemispheric preference; alexithymia; neural processing; visual information; hyperactive left hemisphere, 10461  
long latency responses; conditioned signal; cortex; collateral connections; pyramidal neurons; reflexes; neurophysiology, 25413  
magnetic resonance imaging; individual differences; object recognition; information transfer; right parietal cortex; left inferior cortex; cortical activity; reaction times, 19161  
magnetoencephalography; language processing areas; localization; epilepsy; cognitive cortical areas, 14225  
mean cell spacing abnormalities; neocortex; schizophrenic patients, 20108  
memory; long-term potentiation; neocortex; motor skill learning; rats, 19246  
metabolic disconnection; thalamocortical metabolic activity; verbal cortical Brodmann's areas; thalamic nuclei; physiological correlates of verbal learning; schizophrenia, 35504  
mirror system; human brain; schizophrenic patients; hand movements, 16817  
multi channel shot noise; cortical network activity; neurons; stochastic subthreshold membrane potential; statistical characterization; synaptic conductances, 31618  
multisensory spatial interactions; anatomical convergence; unimodal brain regions; heteromodal brain regions; functional integration; multisensory processing, 31595  
naming entities; auditory stimulation; visual stimulation; left inferotemporal cortices; word retrieval; conceptual knowledge retrieval, 34664  
neocortex; neocortical circuits; spinal cord central pattern generator; brainstem central pattern generator; dynamic function, 25452  
neocortical inhibitory system; cognitive function; neocortex; human brain, 3621  
neocortical neurons; neuronal classes; neocortex; firing patterns; synaptic plasticity; conscious states; brain functions, 3643  
neonatal mice; brain injury; focal ischemic lesions; cerebral cortex; photothrombosis, 31600  
neural coding; cortical neural responses; statistical interpretation; neural response variability; cerebral cortex, 31590  
neural substrates; olfactory memory; parturient ewes; fos imaging; maternal responsiveness; cortical regions; lambs, 6779  
neural theory of visual attention; cortical cells; visual processing; cell mapping; error rates; reaction times; mathematical framework; attentional effects, 15813  
neuropsychological functioning; obsessive compulsive disorder; onset age; cerebral metabolic activity, 26230  
normovolemic hemodilution; protein immunoreactivity; rat brain cortex; basal regions; c-Fos protein; ischemia, 19314  
obsessive compulsive disorder; anterior cingulate cortex; brain activity; cognitive dysfunction; Stroop task, 35542  
ocular dominance plasticity; visual cortex; CREB; barbiturate; cerebral cortex, 9860  
oral methylphenidate; putamen; thalamus; caudate nucleus; brain transverse relaxation times; cerebral blood volume; hemodynamic effects, 6870  
orbitofrontal cortex; regret experience; satisfaction; relief; regret; decision making; cognitive process; emotional experience, 25381  
orbitofrontal cortex; regret experience; satisfaction; relief; regret; decision making; cognitive process; emotional experience, 25375  
perceptual encoding; brain activation; fingerspelled letters; printed alphabet; deaf signers; abstract shape; cerebral areas, 4998  
performance monitoring theories; anterior cingulate cortex; error feedback negativity; response conflict; response frequency, 6802  
perirhinal cortex; medial temporal lobe; memory; humans; nonhuman primates, 28478  
priming; cerebral hemispheres; category information, 3608  
processing speed; cortical volume; performance intelligence; latency of ERP component P3a, 19206  
remote memory; temporal lobe; hippocampus; cortex, 12790  
retrosplenial cortex; rodent navigation; brain lesion; animal strains; spatial navigation, 6775  
retrosplenial cortex; rodent navigation; brain lesion; animal strains; spatial navigation, 6757  
right temporal lobe activation; emotionally significant music; cerebral activation; physiological correlates; cerebral blood flow; elderly, 9816  
schizophrenia patients; quetiapine treatment; cerebral activation; emotion processing; flat affect, 17685  
schizophrenia spectrum disorders; insular cortex volume; short insular cortex; long insular cortex, 26201  
schizophrenia; auditory hallucinations; cerebellum; cerebellum; brain regions; gray matter, 16855  
schizophrenia; cortical folding; at risk individuals; gyrification anomalies; brain development, 29360  
schizophrenia; insular cortex; bilateral volume reduction; cognitive function, 10587  
schizophrenia; insular cortex; bilateral volume reduction; cognitive function, 4544  
semantic memory; memory retrieval; cortical couplings; object recognition; information transfer; neuronal couplings, 34659  
shape processing; object adaptation; inferotemporal complex; lateral occipital complex; anterior regions; intraparietal sulcus regions, 25441  
social interaction; anterior paracingulate cortex; social stimuli; neuroimaging, 9797  
Sotos syndrome; cerebral gigantism; psychosis; thought disorder, 1119  
spatial discrimination; excitotoxic lesions; bilateral ibotenic acid; entorhinal cortex; cholinesterase inhibitors; metrifonate; donepezil, 9867  
synaptic facilitation; lateral inhibition; temporal clusters; short term synaptic plasticity; cortical neurons; temporal clustering algorithm, 31540  
synuclein expression; cerebral cortex; rats; dopamine; glutamate; neurotransmitters; mania; depression; submissive behavior; animal dominance, 34647  
task performance; functional magnetic resonance imaging; cerebral cortex, 34591  
topographical disorientation; parahippocampal cortex; spatial impairments; visuospatial learning; visuospatial memory, 16715  
transcranial magnetic stimulation; neuropsychopharmacology; cortex; electromyography; electrical properties; channel blockers; epileptic seizures; sleep deprivation, 23926  
ultrasound impulses; broadband electromagnetic irradiation; sleep; electroencephalography; cerebral cortex; electrical activity; rats, 34683  
visual attention; human cortex; stimulus-driven control; visual search, 12690  
visual gravitational motion; human vestibular cortex; acceleration, 22255  
word class; cerebral asymmetries; high imagery words; low imagery words; lexical decision task; nouns, 9584  
word level; sentence comprehension; verbs; semantics; cortical dynamics; event related potentials, 34681  
working memory; sensory systems; sensory cortex, 12799  
**Cerebral Dominance [See Also Lateral Dominance]—Serials**  
cerebral hemisphere dominance; risk factor; shyness; sociability; handedness; social stress, 28500  
creative abilities; brain dominances; design thinking, 25198  
depression; stroke; cerebral laterality; hemispheric laterality, 8082

# Volume 92 SUBJECT INDEX

## Cerebral Dominance—Serials

facial emotion; lateralised processing; sex differences; hemispheric dominance, 19163  
hemispheric asymmetries; cerebral lateralisation; cognitive functions; handedness; historical survey, 19165  
impaired performance; sentence anagram task; right cerebral hemispheres; syntax; grammatical functioning; right-brain-damaged patients; left-brain-damaged subjects, 17298  
progressive aphasia; right hemisphere atrophy; right hemisphere language dominance, 29805  
split brain research; hemispheric specialization; hemispheric integration; corpus callosum; neuroimaging, 31561

### Cerebral Hemorrhage—Serials

alcoholia; spatial transpositions; response modality; spatial neglect; attention disorder, 10893  
cerebellar infarction; hemorrhage; cerebellar stroke, 23586  
headache; subarachnoid hemorrhage; sumatriptan; trigeminal nucleus caudalis, 35897  
microsurgical clipping; aneurysmal subarachnoid hemorrhage; neuropsychological deficits; endovascular coiling, 10904  
proper name anomia; left temporal subcortical hemorrhage; semantic knowledge; phonological cueing, 10955  
spatial working memory impairment & deficit; visual neglect syndrome; right parietal lobe damage; right temporoparietal hemorrhage; left neglect; spatial location, 8102  
traumatic subarachnoid hemorrhage; neuropsychological profiles; traumatic brain injury; neuropsychological impairment, 14236  
visual field defect; intracerebral hemorrhage; vardenafil; sildenafil; erectile dysfunction; side effects, 30174

### Cerebral Ischemia—Serials

cerebral hypoxia ischemia; phosphorylation; methyl aspartate; rats, 31726  
Charles Bonnet syndrome; biopsy-proven temporal arteritis; visual hallucinations; visual loss; cerebral ischemia, 10844  
clock-time estimation; stroke; estimation of duration; hemispheric ischemic stroke, 14251  
herbal medicine; youkondan; memory performance; ischemic damage; mRNA gene expression; rodents; cerebral ischemia; scopolamine, 9865  
ischemic brain injury; recovery; proteasome inhibitor; anti-inflammatory agent; MLN519, 28587  
neonatal mice; brain injury; focal ischemic lesions; cerebral cortex; photothrombosis, 31600  
normovolemic hemodilution; protein immunoreactivity; rat brain cortex; basal regions; c-Fos protein; ischemia, 19314  
poststroke depression; mood-congruent psychotic features; left temporal ischemia, 1633

### Cerebral Ischemia—Chapters

Focal cerebral ischemia: The multifaceted role of glial cells, 20593

### Cerebral Lesions [See Brain Lesions]

### Cerebral Palsy—Serials

adult perceptions; young adults; children with disabilities; attitudes toward disabled; disabled children; cerebral palsy, 32827  
adult siblings; family life; loss; death; disabled children; cerebral palsy; coping with death of a terminally ill sibling, 4357  
cerebral palsied children; subitizing; pattern recognition; visuospatial short term memory; visual short term memory, 26574  
cerebral palsy symptoms; massage therapy; early intervention programs; spasticity; muscle tone, 23580  
cerebral palsy; mental retardation; chronic hip pain; treatment; health care delivery, 20877  
cerebral palsy; musculoskeletal disorders; health-related quality of life; fractures; bone strain; parathyroid hormone; periosteal bone formation, 4981  
cerebral palsy; neurofeedback; mental retardation; intracranial hemorrhage, 5308  
cerebral palsy; non-progressive motor disease; child diseases; birth trauma; abnormal motor reflexes, 5307  
cerebral palsy; speech rehabilitation; dysarthric children, 33459  
clinical experience; personal opinions; cerebral palsy, 5028  
conventional topics; children; caregiver; mealtime interaction; communication analysis; complex communication needs; cerebral palsy, 20321  
depressive symptoms; social support; mothers; Cochran collaboration; cerebral palsy; gastrostomy tube feeding; neighbourhood social capital; bicycle helmets, 29206  
dysphagia management; Castillo-Morales device; pediatric patients; cerebral palsy, 17903  
epilepsy; mental retardation; primary care; Down syndrome; cerebral palsy; autism, 10433  
functioning; health; Gross Motor Function Classification System; cerebral palsy; activities of daily living; motor function; range of motion; pain; quality of life, 87  
gait adaptation; cerebral palsy; obstacle clearance, 26614

manual skill; hand skill asymmetry; cerebral palsy; neuropsychological test performance; school children; bilateral hand skill assessment; mental retardation; diplegia; hemiplegia, 17265  
quality of life; intellectual impairment; cerebral palsy; assessment; children; methodology; concepts, 23638  
rat brain; ischemia; neonatal brain hemorrhage; motor deficit; cerebral palsy, 32758  
spastic diplegia; disordered children; neonatal cranial ultrasonography; intelligence; neuropsychology, 8046  
strain variability; injury distribution; seizure onset; mice; neonatal stroke, 31551  
theory of mind; children; speech impairment; social cognition; physical disability; cerebral palsy, 29224  
virtual reality play; motivation; children; cerebral palsy, 35984

### Cerebral Vascular Disorders [See Cerebrovascular Disorders]

### Cerebral Ventricles—Serials

intracerebroventricular self-administration; anabolic-androgenic steroids; male hamsters; testosterone; reinforcement; preferences; androgen; operant behavior, 25483

### Cerebrospinal Fluid—Serials

atypical headache; prolonged treatment; nasal pressure; pneumocephalus, 35843  
biomarker profiles; mild cognitive impairment; Alzheimers disease; cerebrospinal fluid; risk group, 20578  
cerebral folate deficiency; developmental delay; autism; folinic acid; psychomotor regression; seizures; mental retardation; cerebrospinal fluid, 29587  
cerebrospinal fluid cortisol concentrations; posttraumatic stress disorder; brain glucocorticoid exposure; combat veterans, 23134  
cerebrospinal fluid levels; tau protein; threonine; Alzheimer disease; neuronal damage; hippocampal atrophy, 32803  
cerebrospinal fluid protein; mild cognitive impairment; Alzheimers disease; neuropsychological examination; biological markers; memory performance, 20546  
cerebrospinal fluid; Cerebral Folate Deficiency Syndrome; infantile onset; 5-methyltetrahydrofolate; neuropsychiatric disorders; autoantibodies; medical treatment; folinic supplementation, 26526  
cerebrospinal fluid; corticotropin-releasing factor; tryptophan depletion; neurotransmission; depression; pathophysiology, 3646  
cerebrospinal fluid; neurochemistry; pregnancy; brain function; neurotransmitter; neurohormonal systems; anxiety; gamma aminobutyric acid agonists; norepinephrine; prolactin, 409  
Cerebrospinal Fluid; tau protein; Alzheimer's disease; dementia; diagnostic help; neuropsychiatric disorders, 32833  
cerebrospinal neuropeptide Y; suicide attempts; substance P; antidepressant treatment; cerebrospinal fluid, 8321  
cognitive impairment; cerebrospinal fluid levels; lactate; senile dementia; pyruvate; Alzheimers disease, 26629  
diagnosis; probable Creutzfeldt Jakob disease; protein positive; cerebrospinal fluid; magnetic resonance imaging, 32764  
domestic violence; perpetrators; corticotropin-releasing hormone; cerebrospinal fluid; omega 3 fatty acid, 10643  
phosphorylated tau; mild cognitive impairment; impairment prediction; Alzheimer disease; dementia; cerebrospinal fluid, 26601  
tau protein; cerebrospinal fluid; patients; dementia with Lewy bodies, 17295  
thioarbituric acid reactive substances; lipid peroxidation products; central neuronal membranes; schizophrenia; plasma; serum; cerebrospinal fluid, 29387

### Cerebrovascular Accidents—Serials

test validity; Mississippi Aphasia Screening Test; language ability; language impairment; stroke; left hemisphere; right hemisphere, 31184  
acute cerebral infarction; thrombolytic treatment; intravenous tissue plasminogen activator, 32749  
antithrombotic therapy; stroke; transient ischemic attack; race; gender, 14637  
anxiety; depression; stroke; geriatric patients; Hospital Anxiety and Depression Scale, 9416  
artistic style; minor stroke; occipital lobe; professional painters, 32747  
atherosclerotic cerebral infarction; diagnosis; prevention; risk factors; carotid artery stenosis, 32757  
atypical antipsychotics; risk factors; cerebrovascular accidents; dementia; elderly, 23961  
atypical antipsychotics; risk factors; cerebrovascular accidents; dementia; elderly, 23954  
auditory neglect; spatial deficits; stroke patients; gaze direction; auditory stimuli, 16696  
basal ganglia; stroke associated acquired stuttering; etiology; geriatrics; ischemic infarct, 16698  
cerebellar infarction; hemorrhage; cerebellar stroke, 23586  
clinical history; stroke history; Alzheimers disease risk; cardiovascular disorders; risk factors, 4882

## Cerebrovascular Accidents—Serials

clinical history; stroke history; Alzheimers disease risk; cardiovascular disorders; risk factors, 4853  
clinical history; stroke history; Alzheimers disease risk; cardiovascular disorders; risk factors, 4856  
clock-time estimation; stroke; estimation of duration; hemispheric ischemic stroke, 14251  
cognitive disorders; cognitive functioning; stroke; post-stroke dementia; mild cognitive impairment; amnesia, 1640  
constraint induced therapy; chronic upper extremity paresis; treatment effectiveness; stroke, 26908  
contralateral dependency; bimanual prehension movements; bimanual coordination; object grasping; post-stroke motor neglect, 32839  
contralateral motor cortex; stroke patients; hand function recovery; motor recovery; functional magnetic resonance imaging; electromyography, 29744  
contraversive pushing; inattention; contralateral hemiparesis; stroke patients; neurological disorder; postural imbalance, 20551  
crisis intervention; families; stroke; psychosocial service; inpatient rehabilitation, 8637  
depression-dysexecutive syndrome; brain infarcts; frontal-subcortical circuitry; poststroke elderly patients, 13813  
depression; stroke; cerebral laterality; hemispheric laterality, 8082  
early morning onset; stroke patients; early awakening; cerebrovascular disease, 35954  
emotion recognition ability; stroke patients; hemispheric lesions; brain damage; right brain; left brain, 32748  
focal stroke lesions; Posner's executive attention network; Attention Deficit Hyperactivity Disorder; symptomatology; prefrontal lesions; childhood stroke, 23606  
health care provision; social care provision; collaboration; stroke; rehabilitation, 11435  
health information; stroke patients; caregivers; general practitioners, 14692  
health-related quality of life; diabetes; comorbidity; heart disease; stroke; arthritis, 29678  
heart rate variability; motor impairment; aerobic capacity; stroke patients; ischemic stroke, 29750  
intervention programs; treatment effectiveness evaluation; caregiver burden; stroke patients, 36105  
intracellular cholesterol levels; neurologic disorders; elderly; stroke; Alzheimers disease; neurodegeneration; cytochrome family, 10845  
ischemic stroke; thrombolytic therapy; atherosclerosis; hypercoagulable states; thrombotic mechanisms; pregnancy; postpartum period, 32756  
left hemisphere; right hemisphere; pyramidal syndrome; lateralized hemispheric lesions; symptoms, 35977  
major depression; stroke survivors; patient attitude; verbal indicators, 4489  
migraine; patent foramen ovale; visual impairment; occipital ischemic stroke; therapy, 14633  
mild depression; cerebral infarction; risk factors; post stroke depression, 35956  
Mini Mental State Examination; hospitalized patients; acute stroke; test validity; cognitive impairment, 28072  
modafinil monotherapy; poststroke depression, 11224  
modafinil monotherapy; poststroke depression, 11288  
motor imagery disturbance; cerebellar stroke; nonexecutive motor functions; finger movements; cerebellum, 20539  
neuroprotective effect; donepezil; cerebral infarction; rats, 31699  
noninvasive cortical stimulation; motor function; chronic stroke; cortical plasticity; healthy humans, 29748  
orientation agnosia; occipito-temporal damage; cerebrovascular accident; object orientation, 29780  
perinatal stroke; neonatal encephalopathy; cognitive outcome; infants, 29774  
personal identity; aphasia patients; stroke; disability websites; narratives, 8105  
photo essay; disabled people; ethnography; narratives; stroke, 20510  
poststroke depression; elderly patients; location of stroke; pathological or anatomical correlates, 13788  
poststroke depression; risk factors; psychosocial factors; demographic characteristics; radiological factors; Chinese patients, 14219  
postural intervention; prehensile action; ataxia; brain stem stroke; upper extremity performance, 30364  
problem solving; language; cognition; stroke patients; language impairment; articulatory suppression, 35964  
psychological predictors; clinical predictors; stroke; survival; functional limitation, 10891  
quality of life; stroke; coping; adaptation, 29745  
recurrent stroke; cannabis use; cerebrovascular disease; vasculopathy; risk factors, 29542  
recurrent stroke; cannabis use; cerebrovascular disease; vasculopathy; risk factors, 29531  
rehabilitation; stroke, 24168  
return to work; right hemisphere; stroke survivors; employment changes; psychosocial impact; caregivers, 29751

# Volume 92 SUBJECT INDEX

## Cerebrovascular Accidents—Serials

right hemisphere damage; production of musical intervals; music recognition; neuropsychology; music discrimination, 4926

screening instruments; depression; Chinese stroke patients; Visual Analogue Mood Scale; Hospital Anxiety and Depression Scale; Geriatric Depression Scale, 3214

skilled leg movement; motor skill; lower limb; stroke patients; computerized motor-skill analyzer, 17239

social impairments; affective impairments; acquired childhood stroke; developmental language disorder; aphasia, 4924

somatosensory deficit recovery; acute stroke patients; somatosensory evoked potentials, 32751

spontaneous humor; right hemisphere damage; stroke survivors; spouses; left hemisphere damage, 23578

strain variability; injury distribution; seizure onset; mice; neonatal stroke, 31551

stroke recovery; biographical work; health sociology; illness experience; stroke survivors narratives; gerontology; geriatrics, 4847

stroke survivors; traumatic event; coping behavior; interpersonal relationship; communication problem; psychological support, 8069

stroke; blood supply; risk factors; brain; blood brain barrier; treatment; prevention, 32750

stroke; co-occurrence; visual neglect; unilateral hemiplegia; contralateral limb activation training, 2278

stroke; Europe; health care costs; epidemiology, 32755

stroke; screening; poststroke dementia; Mini-Mental State Examination; Mattis Dementia Rating Scale; Initiation-Perseveration subtest, 12517

stroke; work; barriers; enablers; survivors' perspectives, 11586

test validity; stroke patients; construct validity; predictive validity; Repeatable Battery for the Assessment of Neuropsychological Status; activities of daily living, 15614

traumatic brain injury; stroke; dementia; Wechsler Abbreviated Scale of Intelligence Matrix Reasoning Subtest; predictive validity, 12531

upper extremity joint exercises; stroke patients; music therapy effects; pain perception, 23546

vascular depression; poststroke depression; elderly, 13808

visual neglect; cognitive impairment; dementia; elderly stroke patients; prevalence, 35955

visual neglect; stroke survivors; symptoms change; right hemisphere; reaction times; remission rate; visual extinction, 23549

visuo-motor skills; stroke patients; unaffected lower limbs; figure eight tracking, 32752

visuo-tactile neurons; tool use; tool length; peri-hand space extension; ischaemic stroke, 26591

**Cerebrovascular Accidents—Chapters**

Problematic Discharge From Physical Therapy: Communicating About Uncertainty and Profound Values, 17908

**Cerebrovascular Disorders [See Also Cerebral Arteriosclerosis, Cerebral Hemorrhage, Cerebral Ischemia, Cerebrovascular Accidents]—Serials**

category specific naming effect; non brain damaged individuals; cerebral pathology, 25374

cerebral amyloid angiopathy; Alzheimer's disease; vascular dementia, 1616

cerebral amyloid angiopathy; Alzheimers disease; pathogenesis; amyloid beta protein, 14253

cerebral amyloid angiopathy; Alzheimers disease; pathogenesis; beta amyloid proteins, 14234

cognitive impairment; cerebrovascular disease; neuropathology, 23551

human body; sensorimotor representations; stroke patients, 20580

MATCH trial; randomised trials; stroke prevention; cerebrovascular disease, 4925

pathological validation; computed tomography-based rating scale; subcortical cerebrovascular disease; test validity; leukoaraiosis; patchy lesions; lacunes, 15660

racial differences; cerebrovascular risk factors; depressive symptomatology; older adults, 20025

recurrent stroke; cannabis use; cerebrovascular disease; vasculopathy; risk factors, 29531

recurrent stroke; cannabis use; cerebrovascular disease; vasculopathy; risk factors, 29542

vascular disease; psychiatric disorders; depression, 10521

**Cerebrovascular Disorders [See Also Cerebral Arteriosclerosis, Cerebral Hemorrhage, Cerebral Ischemia, Cerebrovascular Accidents]—Chapters**

Bedside Neuropsychiatry: Eliciting the Clinical Phenomena of Neuropsychiatric Illness, 4420

Neuropsychiatric Aspects of Cerebrovascular Disorders, 4927

**Certification (Professional) [See Professional Certification]**

**Certification Examinations [See Professional Examinations]**

**Certified Public Accountants [See Accountants]**

**Cervical Plexus [See Spinal Nerves]**

**Cervical Sprain Syndrome [See Whiplash]**

## Cervix—Serials

differential effects; messages; breast cancer screening; cervical cancer screening; medical records, 35943

human cervix; reproductive mechanisms; sexual arousal, 32039

**Chance (Fortune) [See Also Statistical Probability]—Serials**

chance events; career decision making; high school students; university students; locus of control, 27628

genetic endowment; assistances; misfortunes; division of power; theory, 1096

migration satisfaction; migrants; slums; fate; perceived personal control, 9283

serendipity; pseudoserendipity; orchestra conductors; creativity, 593

**Change (Organizational) [See Organizational Change]**

**Change (Social) [See Social Change]**

**Channel Blockers—Serials**

4 aminopyridine; visual ocular motor function; upbeat nystagmus; eye fixation; potassium channel blockers, 29834

amlodipine; cocaine dependence; calcium channel antagonists; drug treatment, 30073

calcium channel modulator; temperature regulation; gabapentin; ovariectomized rats; thermoregulatory function, 19309

extinction; latent inhibition; conditioned fear; systemic inhibition; L-type voltage-gated calcium channels; cue exposures; inhibitory learning, 3511

nicotine; N-methyl-D-aspartate receptor; glutamate receptors; intravenous cocaine; mice; channel blockers; mepantrine; self-administration; nicotinic receptor blockers, 19282

**Chaos Theory—Serials**

career counseling; chaos counseling approach; trait matching counseling; career advice; counseling practice; chaos intervention; satisfaction; career-related thoughts; decision making; self efficacy, 33938

Chaos Theory; careers; career development; career behavior, 30823

complexity theories; chaos theories; nonlinear dynamics; career development theory; case analysis, 21501

group chaos theory; group work; mathematical research models; metaphor, 33120

mind; complexity theory; chaotic systems; psychoanalytic theory, 22929

**Chaos Theory—Books**

Putting a new spin on groups: The science of chaos (2nd ed.), 13629

**Chaplain—Serials**

work place change; organizational change; chaplains; chaplaincy staff support service; hospitals, 2331

**Chaplain—Chapters**

Psychologists and health care chaplains doing research together, 20848

**Character [See Personality]**

**Character Development [See Personality Development]**

**Character Disorders [See Personality Disorders]**

**Character Formation [See Personality Development]**

**Charisma—Serials**

charismatic groups; Javanese Mysticism; Subud; cults, 35077

follower role; charismatic leadership; charismatic relationship; personalized relationships; socialized relationship, 10271

perceptual performance outcomes; charismatic leadership; environmental dynamism; chief executive officer type, 5975

personal values; charismatic leadership; corporate managers; organizational behavior, 27695

presidential leadership; metaphors; inaugural addresses; charisma, 25861

**Charismatic Leadership [See Transformational Leadership]**

**Charitable Behavior—Serials**

blood donor behaviour; transtheoretical model; volunteer behaviour, 22828

conservative churches; free riding; money contributions; congregations, 31976

mortality salience; Scrooge effect; individual differences; social value orientations; self transcendent values, 13708

private food assistance; agency directors; charitable choice knowledge, 14760

prosocial emotions; helping; group membership; group-level perspective; empathy, 13597

social capital; civic group involvement; socioracial trust; political engagement; charitable behavior, 28855

social concerns; willingness; charitable donations; consumer behavior; funding, 19859

**Charitable Behavior—Chapters**

Kindness [Generosity, Nurture, Care, Compassion, Altruistic Love, "Niceness"], 4292

**Cheating—Serials**

athletic performance; sports ethics; hypoxic air machines; cheating; athletic training, 18503

## Chess—Serials

Cloze test; plagiarism detection; text readability, 21788

college students cheating behavior; problem behaviors correlates; demographic characteristics; gender differences; academic dishonesty, 35624

college students; attitudes; cheating; religiosity; learning motivations; grade orientation, 36925

dishonest academic behaviour; student attitude; academic self efficacy; learning orientation; strategic interventions; college students, 18272

high school students; student judgment; acceptability of cheating; likelihood of cheating; classroom goal structure; teacher competence; interpersonal caring; blame; goals; academic self-efficacy, 8970

impostor tendencies; academic dishonesty; student attitude; cheating; plagiarism; college students, 13979

moral orientation; student attitudes; exam importance; supervision level; peer norms; middle school students; situational variables; active cheating; passive cheating, 15228

plagiarism; business studies; student attitudes; personal traits, 15224

plagiarism; business studies; student attitudes; personal traits, 24523

plagiarism; self-plagiarism; technology, 25533

plagiarism; self-plagiarism; technology, 31737

randomized item response theory; Markov chain Monte Carlo; Dutch students; student cheating behavior; hierarchical analysis, 25017

self-reported academic cheating; mathematics; motivational goal; school transition; early adolescents; mathematics, 2681

sex differences; jealousy; sexual infidelity; emotional infidelity; race differences, 19880

**Chemicals—Serials**

chemical cues; spatial occupation; convict cichlid; ingestion rate; foraging; disturbed conspecifics, 6716

Chemical Sensitivity Scale; normative data; psychometrics, 15562

chemotaxis; sensorimotor transformation; chemosensory neurons; nematode; *Caenorhabditis elegans*, 34635

choice behavior; food; water; European starlings; repellents, 31514

functional somatic illnesses; chronic fatigue syndrome; multiple chemical sensitivity; myalgic encephalomyelitis; cognitive problems; functionality, 26536

learning; discrimination; cuticular hydrocarbons; honeybees; recognition cues, 25292

nestmate discrimination; chemosensory sensillum; antennae; carpenter ant; *Camponotus japonicus*, 31517

odor detection; chemicals; binary mixtures; olfactory detection; esters; ethyl propanoate; ethyl heptanoate, 3342

odor mixtures; structural components; rats; perceptual similarity; configurational properties; binary mixtures; mixture perception; concentration ratios; odor sets; elemental perception; overshadowing, 25470

pheromones androstenol; consumer behavior; product evaluation; chemical communication; psychology; magazines, 37168

truth drugs; barbiturates; sodium amyl; sodium pentothal; psychiatric research; treatment; motion pictures; popular culture; technology of authenticity; chemicals, 6252

urine preference; sodium hunger;  $\text{NH}_4\text{Cl}$  preference; postnatal ontogeny; suckling rat pups, 19084

workplace environment; chemical sensitivity; syndromes; workplace safety; work place conditions; research needs, 32290

**Chemistry [See Also Biochemistry]—Serials**

Junior Secondary School Chemistry Curriculum; science curriculum; curriculum change; social change, 33790

teacher student interaction; gifted students; students attitudes; chemistry; laboratory classrooms; Singapore, 36939

**Chemoreceptors—Serials**

Aedes aegypti; yellow fever mosquito; olfactory organs; gustatory organs; chemosensory receptors; host preference; olfaction; amino acids, 13078

central nervous system; chemosensory transduction; nociception; blood gases; purine nucleotide; adenosine triphosphate, 31565

mate recognition; antennae; mating behavior; eucalyptus longhorned borer; *Phoracantha semipunctata*; chemoreceptors; chemicals, 19129

**Chemotherapy [See Drug Therapy]**

**Chess—Serials**

mild cognitive impairment; chess player; memory loss; Alzheimers disease; cognitive function, 20523

psychometrics; chess expertise; Amsterdam Chess Test; chess playing proficiency; test validity; chess players, 15533

visual imagery; blindfold chess; expert memory; information; problem solving, 9581

**Chest [See Thorax]**

**Chewing Tobacco [See Smokeless Tobacco]**

**Chi Square Test—Serials**

chi-square difference; covariance structure analysis; base model, 149  
goodness of fit; statistics; chi-square, 3290  
goodness-of-fit statistics; normal distribution; chi-square distribution; continuous distribution; likelihood ratio test; power divergence, 138  
incremental fit indices; structural equation models; structural equation modeling; maximum likelihood estimation; null models; model fit; Chi square; LISREL, 31280  
maximum likelihood; joint correspondence analysis; parameter estimation; Burt matrix; statistical framework; weighted least squares; chi-squared tests, 15750

**Chicanos [See Mexican Americans]****Child Abduction [See Kidnapping]****Child Abuse—Serials**

abdominal injury; child abuse; incidence; diagnosis, 32470  
abdominal injury; child abuse; incidence; diagnosis; sexual abuse, 32490  
abuse allegations; abuse substantiations; child custody disputes; family court interventions; child abuse; child neglect, 32324  
adult antisocial behavior; childhood abuse; sexual abuse; reactive attachment disorder; correctional institutions, 7860  
adult posttraumatic stress disorder; childhood sexual abuse; verbalizing; therapeutics; bodily narrative; body-emotion register, 14599  
adult psychopathology; intimate partner violence; childhood maltreatment; post-traumatic stress disorder; revictimization, 1312  
adult psychopathology; resilience predictors; female victims; childhood sexual abuse, 20211  
anatomically detailed dolls; forensic interviews; forensic investigations; sexual abuse, 24813  
anatomically detailed dolls; forensic investigations; sexual abuse; symbolic relations; recall; child development, 24814  
antiretroviral prophylaxis; child rape victims; HIV status, 17206  
calls; child protection helpline; young people; National Society for the Prevention of Cruelty to Children's Helpline; ethics, 30305  
cannabis dependence; substance use disorder; childhood abuse; spectrum disorder; schizophrenia; African Americans; comorbidity, 10397  
Child Abuse Potential Inventory; test development; test validity; child protective services; gender; age differences; ethnicity; parental child abuse risk, 24943  
child abuse potential; differentiation of self; young adults; self perception; family systems theory, 26296  
child abuse traumatization; victimization; avoidance coping; women; violence; depressive symptoms; posttraumatic stress symptoms; male partners, 35642  
child abuse; child advocacy centers; child protective service; law enforcement; criminal cases, 30313  
child abuse; child maltreatment; child protection; social problem; victims, 10665  
child abuse; child neglect, 20187  
child abuse; child neglect; disease; pediatrics, 32270  
child abuse; child neglect; interventions; primary prevention of child abuse; secondary preventive intervention, 26249  
child abuse; child neglect; religion; culture; law enforcement; family, 13976  
child abuse; child neglect; violence; aggression; child psychotherapy, 23241  
child abuse; child pornography; sexual abuse; Internet, 16933  
child abuse; child sexual abuse; addictive behaviors; maladjustment; problem behaviors, 14011  
child abuse; Chinese families; child protection practice; Chinese community, 35609  
child abuse; hereditary multiple exostoses; physical abuse; autosomal disorder, 14196  
child abuse; military parents; at risk population; perpetrators; child neglect; child maltreatment, 23253  
child abuse; neglect; trauma; countertransference; psychotherapy, 23242  
child abuse; nurses attitudes; Taiwan, 30526  
child abuse; partner violence; family violence; prevalence; parent physical aggression; families with young children, 26297  
child abuse; physical abuse; sexual abuse; characteristics, 20189  
child abuse; therapeutics; child behaviour; family life; child welfare, 16920  
child abuse; victimization; psychopathology, 23205  
child development; child sexual abuse; menarche; life history theory; evolution; life history assessment; social & family background, 23266  
child maltreatment prevention; National Center for Injury Prevention & Control; public health; models, 31051  
child maltreatment; child abuse; child neglect, 14009  
child maltreatment; child neglect, 23197

child maltreatment; depressed adolescents; symptomatology; history; child abuse; sexual abuse; physical abuse, 13865  
child maltreatment; diagnosis; treatment; developmentally adverse interpersonal trauma; altered affect regulation; information processing abilities; neurobiology, 23138  
child maltreatment; homeless families, 26286  
child maltreatment; hypothalamic pituitary adrenal axis; emotional responses; cognitive processes; behavioral processes; response inhibition, 4692  
child maltreatment; intensive services; pregnancy; drug abuse; service need; drug-exposed infants, 14772  
child maltreatment; investigative odyssey; social policy implications; maltreated children; mental illness, 4641  
child maltreatment; justice system; court involvement; child victim; perpetrator, 34138  
child maltreatment; juvenile delinquency; substitute care placement; placement instability; child welfare system, 14013  
child maltreatment; out-of-home care; investigative decision-making; child safety, 17874  
child maltreatment; prevention; maladaptation risks; psychological development; epidemiology; etiology; neurobiological sequelae; psychopathology, 32476  
child maltreatment; reporting process; mental health professionals; Child Abuse Prevention Act, 16917  
child maltreatment; risk factors; gender differences; aggressive behavior; delinquent behavior; maltreated adolescents, 20238  
child maltreatment; true memories; false memories; socioeconomic status; memory process, 1300  
child molesters; deviant sexual preferences; developmental factors; sexual offense; sexual criminal activity; psychosocial deficits pathway; sexualization pathway, 32577  
child neglect; child maltreatment; psychology, 23195  
child neglect; child welfare services; treatment needs; prevention; intervention; child maltreatment, 7832  
child physical abuse; child maltreatment; fathers; child neglect; risk pathways, 23215  
child physical abuse; empathy; at risk population; pain cues; aggression; victim suffering; abusive parents, 29498  
child prostitution; textual abuse; language analysis; child abuse; print media; lexical redescription; exploitative language, 35584  
child protection conferences; online group support; child protection; decision making; at risk children, 24121  
child protection service; sibling abuse; child abuse; caseworker education; abuse definition, 2191  
child protection systems; child prostitution; government interventions; children rights, 35732  
child protection; child abuse; government funded sports organizations; sport abuses; case recording; case management; National Standards for Child Protection in Sport; pedophilia, 35567  
child protection; child deaths; screening teams, 24125  
child protection; foster care; residential care; incarceration; juvenile court; child abuse, 30308  
child protective service; law enforcement; child abuse investigations; collaboration process; child advocacy, 30312  
child sexual abuse accommodation syndrome; disclosure; sexual abuse research; admissibility; expert testimony, 12409  
child sexual abuse cases; case characteristics; cases referred; psychological services; multiple incidents; single incident; family member; abuse reporting; health care professionals, 1319  
child sexual abuse controversies; emotional well-being; career losses; personal growth, 1323  
child sexual abuse; adult memories; traumatic impact; long-term memory; posttraumatic stress disorder, 10388

- social workers; social worker perceptions; mothers of sexually abused children, 33622

# Volume 92 SUBJECT INDEX

## Child Abuse—Serials

socially withdrawn children; maltreated preschool children; classroom based intervention; resilient peer treatment; social skills, 27585

South Africa; sexual abuse; boys; social work; peri-urban communities, 35572

student teachers; knowledge level; child sexual abuse strategies; surface & deep learning; primary school classrooms; pre-service teacher education, 20202

suicidal ideation; child maltreatment; at risk population; physical abuse; violence; psychological distress; substance use; ethnicity, 14024

suicidal phenomena; suicidal thoughts; abuse experience; adolescents behaviors; prevalence, 16937

suicide rates; male suicides; child sex offenders; suicide typologies, 35628

temporal concordance; anxiety disorders; child sexual abuse, 26255

therapeutic engagement; sexual offenders; child abuse; criminal rehabilitation, 5588

therapeutic gender matching; adult survivors; childhood sexual abuse; mental health practitioners' attitudes; therapeutic relationship, 2516

thyroid hormone alterations; posttraumatic stress disorder; childhood sexual abuse; triiodothyronine, 22954

tonic immobility; childhood sexual abuse; rape induced paralysis; psychological functioning; victimization history; psychological impairment; sequelae, 35594

trauma cues forgetting; adults; recovered memories; childhood sexual abuse; caretakers, 23336

trauma focused cognitive behavioral therapy; non-directive supportive therapy; symptomatology; child abuse; sexual abuse; treatment outcomes, 20650

traumatized siblings; intervention strategies; child psychiatric unit; severe physical abuse; self-worth; survivor guilt; conflictual sibling dynamics; transference; countertransference, 30346

treatment outcome research; non-offending parent; childhood sexual abuse; maternal supportiveness; interventions; adjustment, 1287

videotape series; physician education; sexually abused children; medical evaluation, 2453

violence; crime; victimization; child maltreatment; sexual assault; physical assault, 13980

violence; crime; victimization; child maltreatment; sexual assault; physical assault, 23209

violence; trauma; coping; abuse; African Americans; childhood survivors, 32474

witchcraft; evil; child abduction, 10635

witnessing; experiencing; domestic violence; long-term psychological adjustment; human sex differences; child abuse; sexual abuse; current psychopathology; maternal vs paternal figure as perpetrator, 1291

women; psychotherapy; childhood sexual abuse; treatment outcomes, 33068

young children; foster care; prior maltreatment; placement history; developmental delays; cognitive functioning; neuropsychological functioning; physical growth; language development, 21004

young children; teaching; personal safety programs; knowledge; skills; child sexual abuse avoidance, 23998

## Child Abuse—Books

Accounts of innocence: Sexual abuse, trauma, and the self, 16995

Twilight children: Three voices no one heard until a therapist listened, 14354

## Child Abuse—Chapters

Empowerment Evaluation and Organizational Learning: A Case Study of a Community Coalition Designed to Prevent Child Abuse and Neglect, 21014

Evaluating Child Abuse in Children Who Seek Asylum: Four Cases Studies, 16998

Evaluation of allegations of child sexual abuse in child custody disputes, 15497

Intensive day treatment for very young traumatized children in residential care, 14831

Rat people, 17000

Sexually Victimized Children (1979), 23277

Treating Couples with Sexual Abuse Issues, 17583

## Child Abuse Reporting—Serials

child abuse reporting; US-Mexico border; public school-mandated reporters; school personnel, 24433

child abuse; child neglect; school counselors; ethical dilemmas; child abuse reporting, 18338

child maltreatment; reporting process; mental health professionals; Child Abuse Prevention Act, 16917

child protection system; child maltreatment; child abuse; family violence; mandated reporting policy, 16965

child sexual abuse accommodation syndrome; disclosure; sexual abuse research; admissibility; expert testimony, 12409

child sexual abuse cases; case characteristics; cases referred; psychological services; multiple incidents; single incident; family member; abuse reporting; health care professionals, 1319

family dynamics; child sexual abuse disclosures; gender roles; communication patterns; social isolation, 26244

family therapists; mandated reporting experiences; child abuse, 24342

forensic developmental psychology; children's reports; sexually abused children; suggestive interviews; suggestibility; false reports; false beliefs, 9311

mandated reporting; family therapists; child abuse; negative experiences; child abuse, 24343

play therapy; court testimonials; child experience; child abuse, 9323

## Child Advocacy [See Advocacy]

## Child Attitudes—Serials

A-not-B errors; infant beliefs; ancillary & conceptual deficits; object location; inhibitory deficits; motor memory, 13247

adult & child behaviors; acquiescence; children's suggestibility, 13232

adult verbal conflict; domestic violence; infant exposure; sensitivity; distress, 22550

aggression; self esteem; child reactivity; interpersonal events, 28755

amusingness; Japanese children; senior citizens; racism; The Story of Little Black Sambo, 28684

animated spokes-characters; advertising; young child; strategic communication; child influences, 2970

asthma; sense of place; place preferences; illness experience, 4873

autism; functional analysis; saliva play; treatment effectiveness; stereotypic behavior; brief functional analysis, 5131

child acceptance; conflicting testimony; death; mental processes, 28766

child behavioral problems; traditional beliefs; Asian Indian immigrant families; child rearing practices; acculturation; parenting, 32888

child liberation; history; western societies; ideological level; societal changes; family life; child perspectives in 21st century, 28691

child mental health; service provision; young people's views; service development, 33337

child perception; learning experiences; teacher; parent; photographs, 28727

child perceptions; discrimination; individual differences; developmental differences; developmental model, 22542

child perceptions; live arts performances; teachers; school communities, 30674

childhood bullying; school violence; school personnel; counselors; methods; instruments, 15770

childhood mobility; adolescent mobility; parent-adult child relationship; family social capital, 16483

childhood perceptions; parent-child relationships; modernization; social structure; teacher training; parent education, 16327

childhood research; views and experiences; young children; theoretical and methodological and ethical challenges; child development, 28676

childhood traumatic grief; treatment, 5019

childhood violence prevention; video games; interactive multimedia technology; second grade students; prosocial attitudes, 8863

children goals; conflict resolution; antisocial changes; peer relations; peer relationships, 22596

children perception; family relationship; social competence; parenting; social behavior, 780

children's aggression beliefs; withdrawal; early childhood; social cognition; child attitudes, 10019

children's attitudes; disabilities; children's socialization; peer relationships; friendships; personal development; social interaction; Rosemary Kennedy, 28814

children's beliefs; gender differences; aggressive behavior; recall; reasoning, 13190

children's beliefs; intelligence; cognitive abilities; concept development, 19459

children's photographs; playschool; child perception; educational setting; child research; research methods, 28155

children's reactions; marital discord; cross-cultural differences; Chilean children; US children; child adjustment; sensitivity; age effects, 22549

children's understanding; mental states; belief tasks; false beliefs; self pretence, 34888

children; loneliness; loneliness conceptualization; self attributions; peer relations, 7104

children's beliefs; aggression continuity; peers aggression; social acceptance; moral acceptance; prosocial behavior; aggressive behavior, 16311

children's competence; informed consent; assent; research; treatment settings; research ethics, 11752

children's perceptions; residential weight loss camp; camp attending; residential camps; paediatric populations, 20901

children's perspectives; game programming discourse; constructionist learning; video games, 30679

children's perspective; demographic measures; family size; siblings; family relations; siblings, 31799

cognitive development; recess activities; achievement motivation, 25716

control attributions; body weight; attitudes; behavioral intentions; body size stigmatization; preschool children; friendship selection based on size; ability to control weight, 792

death; causality; irreversibility; preschoolers; understanding, 7095

dementia; children view, 23603

developing children's attitudes; physical disabilities; intellectual disabilities; cerebral palsy; Down syndrome, 30779

disorder transmission; child attributions; genetic disorders; contagious illnesses; age differences; understanding, 9982

drug exposure prevention; pre-teenage children; illegal drugs; child attitudes; strategies, 13283

dual perception; peer-relational schemas; self & peer perception; social goals; proactive aggression; prosocial behavior; withdrawal; individual differences, 16341

energy intake; food intake; preschool children; eating behavior, 28685

factor structure; Childhood Illness Attitude Scales, 9434

factor structure; Multidimensional Measure of Children's Perception of Control; test reliability; children perceptions; self control; sources of control; primary school children, 12468

false admission; confessions; guilt; children; individual differences; suggestibility, 19506

false belief tasks; knowledge sharing; interpersonal interaction, 19500

false beliefs; reasoning, 3855

fashion brands; consumer attitudes; peer pressure; poverty; child attitudes, 6064

folk psychology; free will; agent-causal accounts; child perception; agent-causation; young children, 7015

food; physical activity; childhood obesity; children attitudes; explicit attitudes; implicit attitudes, 35810

formal academic instruction; friendship; transition adjustment; children's social environments; children's learning environments; elementary school children, 28813

foster parents; children's behavior; discipline; resistance; obedience, 10189

gestures; children's understanding; false belief; cognitive development; novelty differences, 13226

handicapped children; gifted children; professional workers; integrated education, 5891

health education; children's understanding; causes of illness; diabetes mellitus; illness-related concepts; school functioning; family functioning; development of thinking; anxiety; locus of control, 9970

human-computer interaction; childhood behavior; multimedia environment; social practice; human action; computer programs; reaction to interface; use of mouse; adult interventions, 7050

implicit racial biases; cross race friendships; European-American children; intergroup attitudes; peer relationships; peer dyads, 34940

impulsivity; physical ability; children's estimation; unintentional injury risk; overestimation, 3937

Internet; human-computer-interaction; network system; child attitudes; representative models of Internet, 7114

learning disabled children; parent attitudes; child attitudes; social worker attitude; client experiences; children's views, 23408

listening to children; early childhood institutions; child attitudes; research methods, 28675

lone motherhood; socio-economic disadvantage; socioeconomic status, 35141

magical intervention; mental object permanence; imagined objects; magical thinking; participant wishes; mental-physical causality; future lives, 16284

maladaptive perfectionism; perceived parental psychological control; self-esteem; depression; parental behavior, 13290

maternal appraisal styles; family risk status; anger bias; childhood behavior, 19733

mental state reasoning; cross cultural differences; theory of mind; false beliefs; developmental transition, 22485

parent reports; child temperament; depression risk; externalizing disorders; maladjustment; disruptive school behavior; positive emotionality; anger, 19522

parental communication; children's behavior; diagnosis; childhood leukaemia; open communication; patient attitudes, 26559

parenting practices; mothers; fathers; materialism; children values, 7118

parenting style; moral reasons; children perceptions; adult rule justifications; authoritative parents; permissive parents, 28785

parenting; children goal; child aggression; hostile social information processing, 3915

peer conflicts; third party; adolescents attitude; mediation; educational interventions, 10007

- peer-nominated aggression; risk factors; outcomes; conduct problem; child attitudes; developmental trajectories, 34961
- physical victimization; relational victimization; social emotional adjustment; childrens social behavior; teacher; peer; self reports; peer victimization, 26257
- political violence; childrens descriptions; peace; war; socio-cultural environments; NATO Yugoslavian active conflict, 34943
- preschool aged children; temperament; friendship; activity level; impulsivity; soothability; popularity, 28763
- preschool children; conflicting desires; behavior prediction, 31860
- preschoolers understanding; false belief; fictitious events; childrens mind abilities, 25598
- reading attitude; primary pupil; literacy, 11959
- reading attitudes; reading achievements; child attitude; reading achievement, 11963
- Santa Claus; facial expressions; children; indifference, 16344
- school based bullying intervention; Steps to Respect-A Bullying Prevention Program; bullying-related beliefs; bystander behavior; playgrounds; social-emotional skills; program effectiveness; children, 24451
- school environments; discrimination; school performance; Mexican immigrants; immigrant children, 8974
- school library borrowing; reading habits; child attitudes; reading preferences, 11958
- school transition; child research; philosophy; methodology; Starting School Research Project; child perspectives, 28677
- self esteem; emotional development; psychological well being; confidence; death; child attitudes, 9009
- self-fulfilling prophecies; parental beliefs; mothers' beliefs; fathers' beliefs; child drinking behavior; synergistic accumulation effects, 7361
- smokers; African American preadolescents; health risk behavior; smoking cognitions; prototypes; smoking initiation; willingness, 22558
- social policy; child labor; poverty; education; child and adult attitudes, 19632
- stepchild perceptions; noncustodial mothers; noncustodial fathers; socioemotional involvement; social support, 7126
- stimulus equivalence procedures; receptive emotional labeling; autistic child; happiness; anger; sadness; surprise, 35771
- sustained attention; learning activities; physical distractions; self control; child behavior; preschool children, 18172
- teasing; autism; child attitudes; childhood development; social competence, 35767
- television viewing; nutritional knowledge; nutritional reasoning; child attitudes; food; weight loss, 28681
- toddler caregiver relationships; Attachment Q-Sort; toddler attachment, 9379
- writing test stimuli; child attitudes; task difficulty; choice, 12550
- young children; European Early Childhood Education Research Association; social research; inclusive involvement; ethical considerations; informed consent; home; play school, 30563
- young children; intellectual culture; natural environment perception; learning environments; stereotypical gender, 25622
- Child Attitudes—Chapters**
- Activity choices in middle childhood: The roles of gender, self-beliefs, and parents' influence, 13312

Where Do the Children Play?, 19577

# **Childhood Psychosis [See Also Childhood Schizophrenia]—Serials**

child abduction; evil witches; haunted children, 10634  
psychosis; victimization; childhood disadvantage; psychiatric morbidity; depressed mood, 10562

# **Childhood Schizophrenia—Serials**

childhood onset schizophrenia spectrum disorders; schizotypal personality disorder; disorder onset comparison; childhood development, 35481  
childhood onset schizophrenia, 26178  
childhood onset schizophrenia; comorbid attention deficit hyperactivity disorder; stimulants; antipsychotic medication, 5240

childhood onset schizophrenia; cytogenetic abnormalities; deleted region, 4543  
childhood onset schizophrenia; neurocognitive deficits; genetic etiology; family members; working memory; psychomotor speed, 1210

childhood onset schizophrenia; smooth pursuit eye-tracking; biological marker; parents; siblings; genetics, 16859  
obstetric complications; childhood onset schizophrenia; etiopathogenesis, 29379

# **Childlessness—Serials**

childless men; conceptions of fatherhood; Eastern Germany; intention-formation; decision-making; qualitative research; family formation; male attitudes; low fertility; societal situation, 895  
family background; schooling; childlessness; household income, 35033  
involuntary childlessness; infertility prevalence; cultural patterns; polygamy; male labour migration; patrilineality; women; extraconjugal relations; sexually transmitted disease, 7362

psychological symptoms; sub-fertile women; coping; quality of life; reproductive technology; surrogacy; adoption, 29696  
sex workers; infertility; stigma; childlessness; womanhood, 8025

# **Childrearing Attitudes—Serials**

Black grandmothers; life experiences; symbolic interactions theory; rearing of grandchildren; Temporary Assistance for Needy Families, 25839  
caregiving attitudes; at risk populations; maternal behavior; mentally ill mothers; major mental illness; child welfare system; parenting assessments, 7677  
child-rearing books; fatherhood images, 10087  
Chinese toddlers; Canadian toddlers; behavioral compliance; cross cultural differences; child rearing attitudes; sex differences, 22545

family characteristics; coparenting; mothers; fathers; infancy; family demographics; social support; child temperament; self esteem; childrearing beliefs, 25842  
fertility limitation; mass media; social change; social psychology; behavioral change; childbearing behavior; son preferences, 6964

maternal preconceptions; parenting; child temperament; maternal sensitivity; child empathy; lower-income families; ethnic differences; gender, 3918  
mothers; maternal characteristics; nonauthoritarian child-rearing attitudes; early childhood; adult children; adult values, 906

negative emotions; mothers; temperament; emotional response; income level, 910  
parenting role; fatherhood; fathering, 7365  
personal attitudes; structural factors; breastfeeding duration; feeding choice; personal attributes, 7364

temperament; child perception; child rearing attitudes; optimism; personality trait; mothering, 13703  
visual impairments; maternal belief; children's education; South India; rural environments; belief profiles, 23651  
work status; Mother War rhetoric; mother identity; social support, 7358

# **Childrearing Attitudes—Chapters**

The Future of Childhood (1985), 19430

Two Worlds of Childhood: U.S. and U.S.S.R. (1970), 19431

# **Childrearing Practices [See Also Child Discipline, Toilet Training, Weaning]—Serials**

African Americans; caregiving behaviors; egalitarianism; socioeconomic level; maternal behavior; paternal behavior; infant interaction, 35140  
anger; attachment style; hostility; adolescents; parental rearing styles, 16332

birth complications; low self-control; twins; crime; parental involvement, 29122  
bottle-feeding; overweight children; food intake, 13185  
caregiving stress; adjustment problems; Kenyan orphans; grandmothers; biological mothers, 25850

child behavior problems; universal parenting programs; mothers; infants, 27073  
child behavioral problems; traditional beliefs; Asian Indian immigrant families; child rearing practices; acculturation; parenting, 32888

child outcomes; physical punishment; alternative disciplinary tactics; parents; effect sizes; methodological problems, 35136  
child raising; grandparent caregivers; grandchildren; American Indians; Alaskan Natives, 25837

child rearing; substance related disorder; methadone maintenance; at risk population; social competence; psychopathology; self confidence; attachment; self-protection strategies, 11560  
child support guidelines; legal processes; federal law; economic data; child rearing costs, 33413

child-rearing books; fatherhood images, 10087  
child-related disagreements; verbal aggression; child behavior problems; internalizing behavior problems; externalizing behavior problems; parental ratings; coparenting; conflict, 25820

childhood disabilities; parenting; social relationships, 19991  
division of labor; family outcomes; child care; divorce; employed mothers; domestic labor, 7348

effective parenting; parenting responsibilities; Diana Baumrind, 16481  
English expressions; good boy; good girl; cultural model; child rearing; parental speech; child behavior; Anglos; Europeans, 919

English expressions; good boy; good girl; cultural model; child rearing; parental speech; child behavior; Anglos; Europeans; historical perspective, 904  
ex-nuptial children; Australia; nonmarital births; childbearing; parental separation, 28958

family characteristics; coparenting; mothers; fathers; infancy; family demographics; social support; child temperament; self esteem; childrearing beliefs, 25842  
family values; feminist parents; feminism; gender equality; feminist families; parents attitudes, 909

father involvement; father reports; parenting; mother reports; time diaries, 19738  
father; childbirth rituals; Greece; infant children; mothers; father child interaction; history; childhood development, 32024

feminists; child care advisors; gender; gender neutral child rearing, 28968  
food parenting practices; food habits; educational level; mothers, 918

generational changes; family life; cultural changes; gender role expectations; marriage; childcare practices, 13478  
generative fathering; child care; parenting; special needs children; father child connection; father child relationships, 19710

grandfathers; child rearing; parental absence; adjustment; parental role, 35127  
intergenerational transmission; parenting; mothers; fathers; childrearing; family climate; developmental periods; romantic relationship quality, 19395

marriage; childbearing; cohabitation; low-income; city environment; marital status, 3988  
married fathers; father involvement; father identity; child related activities; divorced fathers; interparental relationships, 19716

Mexican families; Mexican-American families; caucasian families; cultural differences; social context; cultural influence; parenting style, 7369  
motherhood; idealized mother; child physical abuse; psychoanalytic knowledge; psychotherapy, 20729

parent-child relations; cross-cultural differences; parenting practices; childrearing practices; mother beliefs; long-term goals and values, 915  
parental beliefs; solid foods; early introduction; caregiver awareness; Hispanic caregivers, 14805

parental distress; psychological autonomy; parenting qualities; parental acceptance; parent child relationship; parental control; youth adjustment, 32022  
parental factors; children; eating; body dissatisfaction; parental control, 7351

parental family structure; father figure; mother figure; involvement; secondary school children; psychological distress; childhood experiences; parenting; midadulthood; sociodemographics; women, 25836  
parental linguistic practices; multiple birth children; linguistic environment; triplets; family interaction, 22504

parental rearing; illness course; therapy refractory affective disorders; depression; childhood experiences, 29313  
parenting behaviors; preschool children; early interest maintenance; parental beliefs, 32017

parenting influences; early sex initiation; adolescents; neighborhood socioeconomic advantage; decision making; parent-child communication, 10051  
parenting practices; conduct problems; Management of Childrens Behavior Scale; test validity; test development, 3179

parenting practices; parenting styles; adolescent school achievement, 30732  
parenting schemas; childrearing activities; caregiving; psychotherapy; family functioning, 13494

parenting style; smoking-specific parenting practices; adolescent smoking onset, 22543  
parenting styles; authoritarian parenting; mental health; psychological well being; gifted children; perfectionism, 2719

physically abusive parents; cluster analysis; parenting behavior; affect; problem solving; emotional health; parenting stress; social adjustment; child preceptions, 4649  
religious observance; infants sleep position; Jewish population, 694

Republicans; psychohistorical explanations; political conservatism; political ideology; political behavior; parenting; political attitudes; personality types, 7375  
single mothers; economic status; child rearing; employment history; retirement security; marital status, 7190

social identity; mothering; child rearing; class based difference, 35130  
social rank; interpersonal trust; recall; parental rearing; homesickness; supportive parenting, 22849

socially disadvantaged mothers; parental resources; parenting; intervention; responsiveness; responsive behaviors; developmental information; behavior change; families; infants, 35143

survival variables; weapons of mass destruction; human species; homo-sapiens; extinction; child rearing; religion; science; evolution, 7236  
time out; job card grounding procedures; parent training; family counselors, 26766

traditional kibbutz members; earliest memory; age differences; gender differences; reformed kibbutzim members; raising outside kibbutz, 10022  
visually impaired children; sighted world; parenting; child-rearing, 20606

well being; immigrants; latino youth; child rearing; psychosocial risks, 19508

working women; childcare; work injuries; physical demands; ergonomics; homemaking; dual demands; family life, 27748  
working women: work options; childcare; family life; glass ceiling; sexual harassment; women entrepreneurs; race; poverty; unpaid work; disabled women, 25874

Why Parenting Matters, 19739

**Children of Alcoholics—Serials**

alcohol abuse; children of alcoholics; school counseling services; family dysfunctionality; at risk population, 18339  
Hispanic adolescents; parental alcoholism; life stress; resilience, 680  
parent alcoholism; social competence; social development; peer relationship; at-risk youth; alcoholic parents, 34924  
parental alcoholism; adult attachment; alcohol abusing parents; romance; college students, 4745  
parental alcoholism; drug use disorders; emerging adulthood; behavioral undercontrol; parenting; parental discipline; adolescent development; children of alcoholics, 1366  
parental alcoholism; women; childhood stresses; social adjustment; adult outcomes; childhood social resources; family environment, 17013

**Children's Apperception Test—Serials**

Children's Apperception Test Evaluation Form; thematic apperception stories; Bellak's test; age; sex, 34197

**Children Manifest Anxiety Scale—Serials**

reliability generalization; Revised Childrens Manifest Anxiety Scale; psychometric analysis, 18693

**Chinese Cultural Groups—Serials**

acculturation; orthogonal models; linear models; Chinese Canadian immigrants; mothers; fathers; children; cultural orientation; identity; cultural values, 879  
adolescent Chinese immigrants; Hong Kong; psychological well being; socioeconomic factors, 28782  
adolescent development; Chinese adolescent; cultural themes; parents attitude; adolescents attitude; interpersonal relationships, 28783  
aging; Chinese society; cultural differences, 25735  
alcohol abuse; aboriginal students; Han students; gender differences; problem drinking, 26376  
alcohol drinking; older adults; ethnic minority communities; drinking predictors, 7420  
ambivalence; emotional expression; Chinese culture; life satisfaction; emotional rumination; emotional suppression; personality, 22867  
attitudes; beliefs; Chinese; culture; hypnosis; misconceptions, 5286  
autonomy; control; Chinese learning; self-determination theory; study motivation; well-being, 36929  
Beck Depression Inventory; test validation; Chinese community; psychometrics; test reliability, 34262  
breast cancer screening behavior; health behaviors; mammography; Chinese women; cultural affiliation, 30240  
Career Decision-Making Difficulties Questionnaire; Chinese version; classification system; career choice; decision making difficulty; college students; Chinese culture; test validity; factor analysis, 9463  
career decisions; Chinese American youths; intergenerational family conflict; self construal, 30831  
career strain; delinquency; friendship concern; at risk Chinese youths, 23339  
child abuse; Chinese families; child protection practice; Chinese community, 35609  
China; brewing countries; alcohol; culture; social drinking; public health; history, 25901  
Chinese Americans; major depression; disease onset; risks; acculturation; depressive episode; life course; epidemiology, 13869  
Chinese communities; mental health; social work practice; Taoism, 20956  
Chinese personality dimensions; interpersonal relatedness dimension; cross-cultural generalizability; Chinese Personality Assessment Inventory; personality assessment, 38  
Chinese philosophy; Carl Jung; Jungian theory; Western consciousness; Richard Wilhelm, 19975  
Chinese women; female role orientation; concept formation; psychometric measurement; multi-item scales; test reliability; test validity; scale development, 6271  
Cognitive Subscale of Alzheimers Disease Assessment Scale-Chinese Version; Alzheimers disease; dementia; cognitive impairment, 9428

cognitive-behavioral therapy; Chinese American clients; effective therapy; modifications; cultural values; cultural norms; beliefs; compatibility, 17534  
colorectal cancer screening; home-administered kit; fecal occult blood tests; stool handling, 15667  
colorectal cancer screenings; urban middle-class communities; factor analysis, 17228  
computational errors; Chinese pre-schoolers; computational strategies; number naming; language; base 10 system; place value; understanding, 36905  
conspicuous consumption; acculturation; Chinese ethnic identification; Chinese Canadian consumers, 37155  
cultural issues; Chinese Americans; type 2 diabetes; disease management; experiences; responses, 8387  
cultural traits; immigration; hostility; suicidality; Chinese-Canadians, 10628  
electroconvulsive therapy; Chinese patients; ethnic differences; psychotropic medication; drug therapy; inpatient psychiatric unit, 30100  
ethnic intermarriage; minority groups; married couples; exogamy; ethnic differences, 19638  
expressed emotion; Chinese families; schizophrenia; emotional climate; Five-minute Interview; Adjective Checklist; Family Attitude Scale; test validity, 28008  
health care utilization; social service use; Chinese immigrant elders; health care services, 20915  
health perception; health-related quality of life; psychological distress; elderly Chinese; heart failure, 5305  
health related quality of life; health utility; institutional elderly; Taiwan, 24153  
Inventory of College Challenges for Ethnic Minority Students; college stressors; college challenges; ethnic minority college students; Chinese Americans; test validity; factor structure; psychometrics, 3266  
job stressors; well being; self efficacy; moderators; Chinese work values, 37078  
language development; preschool children; adopted Chinese children, 34894  
marital satisfaction; age differences; marital communication, 25828  
medical workers; teachers; factory workers; male Chinese smokers; smoking cessation; intentions; health behavior; health beliefs model; social cognitive theory, 10724  
mental health services; People's Republic of China, 27059  
metabotropic glutamate receptor 3 gene; schizophrenia; Chinese population; genes, 13888  
old ethnic enclaves; gangbanging; economic affluence; academic pursuits; social adjustment problems; Asian immigrant gangs; Taiwanese gangs, 35743  
pathological gambling; Chinese community; minority communities; cultural characteristics; anthropology, 23240  
poetry; personality; Chinese aesthetics; creativity; Chinese culture, 599  
psychiatric rehabilitation; Chinese communities; Hong Kong vs US, 5521  
psychiatric rehabilitation; Chinese immigrants; mental illness; cognitive-behavioral therapy, 5522  
psychosocial factors; cultural factors; menarche expectations; premenarcheal teenage girls; cultural beliefs; menstruation, 9957  
recovery approach; mental illness; Chinese immigrants; mental health services; mental health professionals, 5447  
self reports; spousal proxy reports; smoking behavior; proxy validity; Chinese parents; young children, 22758  
shyness; personality trait; Chinese older adults; Shyness Scale; psychometrics; test reliability; test validity, 32183  
sociological ethnography; Chinese immigrants; social dance subculture; social adaptation; economic adaptation; collective identity; leisure participation, 7278  
stress-distress relationship; Chinese Americans; psychological distress; psychosocial model, 26001  
suicide; suicidal behavior; Chinese Cultural Revolution; suicide notes; suicide cases, 35612  
symptoms coping program; psychotic symptoms; psychiatric symptoms; Chinese patients; schizophrenia; functional deficits; rehabilitation, 5517  
teacher education; historical development; Chinese educational system; teacher preparation; political status; social status; Chinese teachers; living conditions, 36816  
temporal patterning; speech; iconic gestures; conversational discourse; Chinese conversation, 22401  
word identification skills; English as a second language; Chinese college students; Korean college students, 13158

**Chloralose [See Hypnotic Drugs]**

**Chlorimipramine—Serials**

body dysmorphic disorder; drug therapy; serotonin-reuptake inhibitors; SRIs; selective serotonin reuptake inhibitors; SSRIs; dosage; treatment length; ECT, 11274  
burst firing magnetic field; clomipramine; saline; depression; antidepressant; rats, 3707  
chronic treatment; clomipramine; desipramine; long term visuo spatial memory; rats; antidepressants; working memory; monoamine-reuptake-inhibitors, 13096  
clomipramine; self-control choice; rats; impulsive choice; reinforcement; stimulus presentation; reinforcement delay, 19277  
depression; clomipramine; moclobemide; orthostatic hypotension; side effects; treatment, 36265  
evidence-based pharmacotherapy; obsessive-compulsive disorder; lifespan disorder; clomipramine; long-term treatment; evidence synthesis; key questions, 20142  
medication withdrawal; cognitive behavioral therapy; clomipramine; fluoxetine; obsessive-compulsive disorder, 8230  
pathophysiology; major depression; chronic psychosocial stress paradigm; tree shrews; tricyclic antidepressants; clomipramine, 525  
pathophysiology; major depression; chronic psychosocial stress paradigm; tree shrews; tricyclic antidepressants; clomipramine, 527  
pathophysiology; major depression; chronic psychosocial stress paradigm; tree shrews; tricyclic antidepressants; clomipramine, 523  
somatic development; clomipramine treatment; motor reflexes; antidepressive dual reuptake inhibitors; nervous tissue growth; rats, 547  
**Chlorisondamine [See Amines]**  
**Chlorophenylpiperazine [See Piperazines]**  
**Chlorpromazine—Serials**  
chlorpromazine; chronic headache; adverse effects; elderly patient; schizophrenia; antipsychotic drugs; quetiapine, 11247  
clozapine action; chlorpromazine; schizophrenia; marker of vulnerability; reduced auditory P300 amplitude, 30076  
olanzapine; treatment; cognitions; anorexia nervosa; drug effectiveness; drug therapy; disorder recovery; chlorpromazine, 36255  
**Choice Behavior—Serials**  
academic engagement; active academic responding; choice behavior; students, 21380  
Academic Hardiness Scale Revised; academic course work; student characteristics; factor structure; internal consistency; test reliability; test validity; test-retest reliability; test development, 9436  
additive factors; inhibitory processing; stop-signal paradigm; stimulus discriminability; stimulus-response compatibility; choice reaction, 6578  
agency leaders; gendered institutions; representative bureaucracy; priority choice, 35058  
asymmetric effect; discount retraction; choice; temporary price discount; brand preference; price salience; consumer behavior, 9213  
attitudes; feelings; emotions; choice behavior; cognition, 27791  
attraction effect; decision making; older adults; choice performance; wisdom; age effect; cognitive style, 9600  
Background Contrast Effect; choices; decision-making; thought processes, 7514  
cancer screening; informed choice; patient autonomy, 23534  
choice alternatives; consumer choices; aversion; attribute balance, 2936  
choice behavior; food; water; European starlings; repellents, 31514  
choice functions; lattice; mathematical structures; path independence; Plott functions; join-irreducible; meet-irreducible; simple words; convex geometry; circuit; direct image; inverse image, 21884  
choice option attractiveness; means-end chain model; ladder method, 19007  
choice reaction tasks; stimulus response; asymmetric effects; Simon effects, 15892  
choice-making; intervention; problem behavior; disabled; positive behavior support, 1803  
choices; mate preferences; HurryDate; interaction, 25929  
clomipramine; self-control choice; rats; impulsive choice; reinforcement; stimulus presentation; reinforcement delay, 19277  
cognitive dissonance; prejudice; personal costs; choice; attitude change; racial beliefs; counterattitudinal advocacy; minority; Whites; Blacks, 25944  
competitor odor; predator choice; grouped prey; blue acara cichlids, 28396  
computational modeling; strategy choice; interpretation; Stroop effect; participant's performance; interference, 28279  
conjoint choices; choice design; heterogeneous designs; respondent heterogeneity, 25070

- consequence monotonicity; uncertainty; gambling choice behavior; college students; judgment, 12729
- consumer behavior; choice behavior; models, 12248
- consumer behavior; online shopping; consumer decision making, 9186
- consumer choice; evaluation differences; selection decisions; no choice situations; buying decisions, 9189
- consumer choice; hedonic goods; utilitarian goods; choice patterns; purchasing behavior, 18540
- consumer distractions; food-sampling programs; program effectiveness; somatosensory experiences; affective component; models, 27803
- consumer sensory perception; free choice profiling; passion fruit juice, 37157
- consumers; persuasion; intention; consumer behavior; choice, 9215
- consumers; willingness to pay; willingness to accept; judgments; susceptibility; influence; buying and selling decisions; anchoring effects, 9209
- cooperative organizations; incentive problems; individual choices, 9053

- psychological factors; situational influences; commuter attitudes; transport mode choice; environmental attitudes; proenvironmental behavior; individual values, 34071
- race; violent suicide; African Americans; availability; socio-acceptability; choice behavior, 35640
- regret based intervention; Internet security; computer users; attitudes; disabling active scripting; behavior; anticipation; change; choices; backing up work, 30971
- residential location choice; family influences; genes; genetic variation, 34578
- risk profile; consumer shopping behavior; shopping channel choices, 6066
- risky decision making; three choice arenas; younger adults; older adults; framing effects susceptibility, 9610
- serial choice decision; motor reaction; intraindividual variability; reaction time; younger adults; older adults, 6551
- Simon effect; older adults; irrelevant location information; response location; choice reaction time task; age differences, 25750
- situational influences; consumer attitudes; consumer choice behavior; attitude behavior relations; affective responses, 27815
- socioemotional selectivity theory; aging; health; motivational & behavioral changes; emotion regulation; social preferences & networks; physical health; choices; cognitive changes & processes; time, 7582
- store location; trip chain; travel configuration; consumer store choice, 2934
- story length; production pacing; local television news; channel changing behavior; information processing; free choice environment, 34826
- strategic decisions; decision comprehensiveness; new product development; technology ventures, 2839
- subjective knowledge; perceived knowledge; consumer choices; search locations; nutrition search selectivity; self-consistency, 9195
- subset choice; computational complexity; decision-making; NP-completeness; intractability; fixed-parameter tractable; algorithms; models, 21769
- suicidality; choice behavior; human behavior; suicide prevention, 4640
- tamarins; capuchin monkeys; species differences; tool using behavior; tool choosing behavior; canes; food, 25270
- target choice; FBI; counterintelligence programs; deviance narratives; Federal Bureau of Investigation, 3104
- time perception; attention; reaction time; stimulus-response compatibility; scalar property of timing variability; temporal discounting model, 31439
- timing; choice behavior; variable interval reinforcement; fixed interval reinforcement; operant choice; pigeons, 19103
- United States; Japan; cultural differences; learning; memory; personal choice; motivation, 25188
- variability contingencies; pigeons; reinforcement; concurrent chains schedules; repeated responding; variable responding; choice, 19091
- vocational choice; decision processes; career choice; job choice, 24611
- voluntary task switching procedure; task choice; explicit task cuing; stimulus characteristics; choice behavior; bivalent stimuli; executive control, 28256
- Wason selection task; heuristic analytic dual process theory; drinking age problem, 4224

**Choice Behavior—Serials**

The multiple roles of attitudes in decision making, 13747

Preference theory: An affect-based approach to recurrent decision making, 12761

**Choice Shift—Serials**

regret theory; risky choice; outcome feedback; aversive emotion; regret-aversion, 7570

social comparison; inaction inertia; decision maker; regret, 7507

**Cholecystokinin—Serials**

cholecystokinin receptors; energy homeostasis; mouse; body weight; body temperature, 510

cholecystokinin tetrapeptide; water maze performance; neonatal young rats; swimming abilities, 570  
cholecystokinin; GABA interaction; dorsal hippocampus; rats; elevated plus maze test of anxiety; bilateral injection anxiety, 25508  
cholecystokinin; intranasal administration; controlled memory; automatic human familiarity, 28581  
cholecystokinin; vagal afferent neurons; cannabinoid receptor; food intake; satiety signals; gastrointestinal tract; rats, 3591  
intranasal administration; cholecystokinin; central nervous system; auditory event related potential, 16109  
metabotropic glutamate receptor; receptor agonist; panic anxiety; cholecystokinin tetrapeptide, 22351  
neurokinin receptor antagonist; posttreatment cholecystokinin tetrapeptide; panic disorder; prolactin concentrations, 17663  
smoking behavior; receptor gene polymorphism; nicotine dependence; cholecystokinin; dopamine, 16014

**Cholesterol—Serials**

Alzheimer's disease; atherosclerosis; inflammation; vascular risk factors; elderly patients; cholesterol; proteins, 4835  
Alzheimer's disease; atherosclerosis; inflammation; vascular risk factors; elderly patients; cholesterol; proteins, 4838  
Alzheimer's disease; cholesterol-related genetic risk, 32841  
Alzheimers disease; brain cholesterol; beta-amyloid metabolism; gene polymorphism, 1594  
Alzheimers disease; sterol regulatory element-binding proteins; apolipoprotein; cholesterol; fatty acid synthesis, 1650  
caveolin expression; Alzheimers disease; brain; pathophysiology; cholesterol binding; hippocampus, 4947  
cholesterol metabolism; suicidality; Smith-Opitz syndrome carriers; dehydrocholesterol reductase, 4404  
cholesterol-related genes; Alzheimer's disease; genetic variations; polymorphism, 32832  
cholesterol-related genes; Alzheimer's disease; genetic variations; polymorphism, 32840  
divalproex sodium; cholesterol; atypical neuroleptics; cardiovascular disease; schizophrenia deaths, 1870  
intracellular cholesterol levels; neurologic disorders; elderly; stroke; Alzheimers disease; neurodegeneration; cytochrome family, 10845  
low density lipoprotein cholesterol level; dopamine receptor; novelty seeking; cardiovascular risk; polymorphism, 387  
nightmares; serum cholesterol level; serum lipid levels, 32263  
personality traits; cortisol plasma levels; cholesterol plasma levels; organic malfunctions; personality types, 25997  
serum cholesterol levels; lithium levels; bipolar disorder; mood states; high-density lipoprotein, 20076  
serum; lipid levels; dissociative disorder; lipoproteins; cholesterol; triglyceride, 4427  
simvastatin; amyloid precursor protein; brain cholesterol; CSF biomarkers; cognitive decline; patients with Alzheimer's disease, 23978  
social determinants; preventive service utilization; religion; cholesterol screening; older adults; religious beliefs & activities; religious attendance & salience & affiliation, 22664  
statins; 3-hydroxy-3-methylglutaryl coenzyme A reductase inhibitors; cholesterol lowering drugs; ischaemic stroke; Alzheimers disease; multiple sclerosis, 22358  
total cholesterol level; Asian population; first onset bipolar I patients; single manic episode; mood stabilizer treatment, 10546  
triglyceride levels; subchronic clozapine; serum glucose; cholesterol; body weight, 34725

**Cholesterol—Chapters**

Possible Link between Cholesterol and Dementia, Depression, 20018

**Choline [See Also Lecithin]—Serials**

choline transporters; cholinergic transmission; cognition; hippocampus; choline uptake transporter; cognitive processes; acetylcholine synthesis; cognitive impairments; neurodegenerative disorders, 9786

**Choline Chloride [See Choline]****Cholinergic Blocking Drugs [See Also Atropine, Levodopa, Nicotine, Scopolamine, Trihexyphenidyl]—Serials**

5-hydroxytryptamine receptor; cholinergic system; muscarinic receptor antagonist; atropine; paroxetine; neuronal activity; rat, 9840

anticholinergic medications; attention; memory; cognitive impairment; schizophrenia; benztrapine equivalents, 17646

McCollough effect; visual system; sensory conditioning; color perception; color aftereffect, 22006

pharmacological toxicity; serum anticholinergic activity; dementia; anticholinergic load, 33266  
second-generation antipsychotics; haloperidol; anticholinergics; psychopharmacology, 11278

**Cholinergic Drugs [See Also Acetylcholine, Physostigmine, Pilocarpine]—Serials**

autoantibody; narcolepsy; immunology; autoimmunity; cholinergic hyperactivity; muscle contractile responses, 10968

posttrial drug administration; cholinergic drugs; consummatory successive negative contrast; memory processes, 19280

**Cholinergic Nerves—Serials**

antinociceptive effect; matriline; cholinergic system; opioid receptors; mice, 19331

auditory evoked potential; basal forebrain cholinergic system; epinephrine; terazosin; phenylephrine, 6859  
cholinergic pathway damage; neurons; vascular dementia of Binswanger type; Alzheimer's disease, 23634

cholinergic responses; temperature sensitivity; Guinea pig brain; cortical neurons; parietal cortex, 34632  
cortical cholinergic input; brain lesions; basal forebrain; cholinergic neurons; lateralized attention; cholinergic input; signal detection; rats, 441

**Cholinergic Receptors—Serials**

5-hydroxytryptamine receptor; cholinergic system; muscarinic receptor antagonist; atropine; paroxetine; neuronal activity; rat, 9840

Alzheimers disease; cholinergic system; cholinergic receptor muscarinic; genetic polymorphisms; susceptibility, 10942

cigarette smoking; cue reactivity; schizophrenia; nicotinic receptor antagonist, 26179  
dementia; cognitive performance; serum anticholinergic activity, 29771

dopamine; nicotinic agonist epibatidine; frontal cortex; nucleus accumbens; rats; nicotinic acetylcholine receptors; nAChRs, 537

genetic deletion; cannabinoid receptors; non-associative learning; habituation; animal locomotion; mice; muscarinic receptors, 25342

long term memory; nicotinic receptors; short term memory; rats; work modulation; basolateral amygdala, 19279

mecamylamine; ephedrine; hyperactivity; rats; locomotor activity; nicotinic receptors, 28571

microinjection effects; selective muscarinic blocker; pirenzepine receptors; neostriatum; motor behavior; rats, 34758

muscarinic receptor; neuronal nitric oxide synthase; neuroblastoma cells; protein kinase activation; cytosolic calcium mobilization, 25376

polymorphism; sensory gating deficit; schizophrenia; nicotinic alpha; receptor gene, 4521

schizophrenia; dopamine receptor; M5 muscarinic receptor; nicotinic receptor genes; genetics, 1208

selective nicotinic cholinergic receptor abnormalities; schizophrenia; pathophysiology; genetics, 35485

thymopoiesis alterations; experiential autoimmune myasthenia gravis; rats; torpedo acetylcholine receptor, 19304

**Cholinesterase—Serials**

blood cells cholinesterase activity; early stage Alzheimer's disease; vascular dementia; acetylcholinesterase; butyrylcholinesterase; disease marker; lymphocytes; erythrocytes; platelets, 36027

butyrylcholinesterase; K genotype; Alzheimer's disease; dementia with Lewy bodies; phosphorylated tau; beta amyloid; temporal cortex, 23557

**Cholinesterase Inhibitors [See Also Galanthamine, Physostigmine]—Serials**

acetylcholinesterase inhibitors; sarin; pyridostigmine bromide; cerebral blood flow; metabolism; rats, 22368

Alzheimer's disease; trial designs; cholinesterase inhibitors; treatment effects; rivastigmine; donepezil; galantamine; cognitive performance; dropout rate, 14564

Alzheimer's disease; trial designs; cholinesterase inhibitors; treatment effects; rivastigmine; donepezil; galantamine; cognitive performance; dropout rate, 14557

Alzheimers disease; neuronal glutamate transporter; mRNA expression; acetylcholinesterase inhibitor; rivastigmine; rats; excitatory amino acid carrier, 9826

Charles Bonnet syndrome; donepezil; visual hallucinations, 5332

cholinesterase inhibition; delirium; vascular dementia; acetylcholinesterase; butyrylcholinesterase; rivastigmine, 11359

cholinesterase inhibitors; amyloid precursor protein; Alzheimer's Disease; platelets cognitive scores; Alzheimer's disease; therapeutic marker; galantamine treatment, 23598

cholinesterase inhibitors; donepezil; metrifonate; scopolamine; spatial cone; rats; working memory; reference memory, 3733

cholinergic treatment; Alzheimer's disease; early response; nursing home placement; life expectancy; tacrine, 1996

cognitive impairment; Alzheimers disease; aging; cholinesterase inhibitors, 23565

donepezil; Alzheimer's disease; long term treatment; carers' psychological well being; institutionalization; disability; dependency; symptoms, 5327

galantamine; donepezil; Alzheimers disease; ease of use; tolerability; cognition; activities of daily living, 11227

gingko biloba; donepezil; rivastigmine; galantamine; cognitive function; cholinesterase inhibitors; dementia, 1984

neuroprotective effect; donepezil; cerebral infarction; rats, 31699

Pisa syndrome; Alzheimers disease patients; cholinesterase inhibitors, 36333

rivastigmine; dementia; Parkinsons disease; cholinesterase inhibitor, 11368

rivastigmine; residual schizophrenia; risperidone, 26864

rivastigmine; treatment maintenance; treatment effectiveness; Alzheimer's disease; cholinesterase inhibitors; drug tolerance; drug safety, 11373

smoking; treatment responses; cholinesterase inhibitor therapy; Alzheimers disease, 11338

spatial discrimination; excitotoxic lesions; bilateral ibotenic acid; entorhinal cortex; cholinesterase inhibitors; metrifonate; donepezil, 9867

spatial working memory; aging rats; middle aged rats; intraspatial tacrine; spatial information processing; medial septal nucleus, 573

**Cholinceptors [See Cholinergic Receptors]****Cholinolytic Drugs [See Cholinergic Blocking Drugs]****Chorda Tympani Nerve [See Facial Nerve]****Chorea [See Also Huntingtons Disease]—Serials**

streptococcal infections; rheumatic fever; antibodies; sydenham chorea; obsessive-compulsive disorder; immune response, 4862

Sydenhams chorea recurrence; anti-basal ganglia antibodies; pathophysiology; autoimmune pathology; antibody response in childhood, 1617

**Choroid [See Eye (Anatomy)]****Choroid Plexus [See Cerebral Ventricles]****Christianity [See Also Protestantism, Roman Catholicism]—Serials**

African American faith tradition; Middle Passage; slavery; trauma; crucifixion; conversion; racial oppression; The Passion of the Christ; Mel Gibson; Negro Spirituals, 35071

archetypal perspective; myth; The Passion of the Christ; film interpretation; suffering; historical perspectives; Mel Gibson, 35064

Christian missionaries; English language learning; Islam, 22633

Christian psychologists; mainstream psychology; Christian theology; scriptural authority; integrated psychology, 31973

Christian tradition; spiritual direction; narrative family therapy, 20705

Christianity; Africa; African Independent Churches; Pentecostal-Charismatic Churches; globalization; modernity; religion; African societies; Africanization; anthropology, 874

Christianity; metakinesis; religion; learning process; bodily experience; trance experience; language; relationships with God, 873

Christianity; personality traits; church musicians; religiosity; attitudes, 19885

counseling alliance; narrative therapy; trinitarian perspective; triune God; tripersonal alliance, 20845

dreams; visions; Anglo Saxon England; Christianity; conversion; history, 25798

equine-assisted therapy; Christian treatment center; women with eating disorders, 20648

James McCosh; 19th century; history of psychology; role of God; Christian faith, 6244

Jesus Christ; suffering; victimization; Mel Gibson; The Passion of the Christ; 9/11, 35073

Late-Medieval England; craft guilds; Christianity; occupational goals; spiritual goals; occupational endeavors; organizational behavior; economic trends; Reformation, 24591

Martin Scorsese; The Last Temptation of Christ; Christian viewers; biblical Jesus; rhetoric; consubstantiality; character-viewer identification, 22670

Mel Gibson; Jesus; Christianity; atonement; anti-Semitism; Jewish stereotypes; religious imagery; religion; theology of sin; The Passion of the Christ; Christians/Jewish tensions; film criticism, 35066

Mel Gibson; The Passion of the Christ; anti-Judaism; Jewish/Christian relations; film criticism; religion; New Testament theology, 35074

Mel Gibson; The Passion of the Christ; Christian history; Jesus; film criticism, 35062

Messianic believers; multicultural diversity; religious diversity; ethnic groups; psychological community; Messianic Judaism, 31981

# Volume 92 SUBJECT INDEX

## Christianity—Serials

original sin; ancestral sin; orthodox church; Augustine; Western Christian traditions; human death; Divine compassion; human guilt; Divine wrath; pastoral care; counseling, 5295

pastoral reflections; Mel Gibson; The Passion of the Christ; Passion Play, 35075

postmodern therapist; evangelical couples; family therapists; integrating spirituality; religion; marriage therapist; spiritual experiences; religious experiences, 1810

pride system; western christianity; faith; communal status; power, 13712

religiosity-health association; African American; spiritual health; coping with stress; positive affect; effect of scripture on lifestyle, 31974

religious coping style; life satisfaction, 33043

religious education; pastoral counseling; Pentecostal church, 8378

scripture; psychology; integrative challenges; Christian psychology; Christians; bible; psychological science; truth, 31972

scripture; psychotherapy; religious clients; treatment components; Bible; Christian therapists; intervention strategies; integrative psychotherapy, 33056

self-guilt; sin; mental illness; code of conduct; bodily satisfaction; Johann Christian August Heintz; reasoning; Christianity; morality; ethics, 10503

semiotics; filmic representations; Mel Gibson; Pier Paolo Pasolini; The Passion of the Christ; The Gospel According to Saint Matthew; Christianity; film interpretation, 34828

sexuality; morality; HIV-related beliefs; rural-urban migrants; Evangelical Christianity; Pentecostal Christianity, 2040

sick soul; Christian concepts; Sigmund Freud, 31073

social motivation; individual motivation; religious orientation; social motives; Protestantism; Christianity, 16428

spirituality measure; learning theory; Christian Spiritual Participation Profile; scale validity; scale development; scale reliability, 3160

spirituality; religious dimensions; Spiritual and Religious Dimensions Scale; test reliability, 15586

temporal stability; Francis Scale of Attitude Toward Christianity short form; test-retest reliability; undergraduate students, 2807

The Passion of the Christ; Mel Gibson; religious imagery; religion; Christianity; films; film criticism; pastoral psychology, 34832

**Christianity [See Also Protestantism, Roman Catholicism]—Books**

The destructive power of religion: Violence in Judaism, Christianity, and Islam, Vol. 4: Contemporary views on spirituality and violence, 4037

Judeo-Christian perspectives on psychology: Human nature, motivation, and change, 7266

**Christianity [See Also Protestantism, Roman Catholicism]—Chapters**

A Christian Self Psychological Perspective, 19978

Counselor-clergy collaboration in a church-based counseling ministry, 20852

The Crusade Pogroms: Christian Holy War on the Home Front, 4049

The Effects of Religious Practices: A Focus on Health, 8478

Emerging Models of Spiritual Development: A Foundation for Mature, Moral, and Health-Promoting Behavior, 7177

Hell, Martyrdom, and War: Violence in Early Christianity, 4059

Imposed Shame: The Origin of Violence and Worthlessness, 4060

In the World But Not of It: Gendered Religious Socialization at a Christian School, 18279

Introduction: Spirals of Violence, 4045

The Myth of Redemptive Violence, 4063

A psychologist-pastor: A bridge for churches at a Christian community health center, 19670

Psychology serving the church in the United Kingdom: Church consultancy and pastoral care, 19669

Psychology's Roots: A Brief History of the Influence of Judeo-Christian Perspectives, 7268

Psychology-church collaboration: Finding a new level of mutual participation, 19663

The Relational Self: Psychological and Theological Perspectives, 7435

Religion and Violence: From Pawn to Scapegoat, 4040

The Role of Sexuality in Personhood: An Integrative Exploration, 7254

Secondary Violence: Adding Injury to Insult, 4055

Self and Volition, 7621

Spiritual Struggle: A Phenomenon of Interest to Psychology and Religion, 7270

Story and Narrative, 7267

Terrorizing the Self to Save the Soul: The Destructive Power of Legalistic Christianity, 4061

Using psychology to facilitate Christian living: Description of a first step in building a program of collaboration, 20849

Virtues, Vices, and Character Education, 7624

What Is Human Nature? Reflections From Judeo-Christian Perspectives, 7269

**Christians [See Also Catholics, Protestants]—Serials**

christian patients; religious beliefs; hope; health care delivery, 32899

clinical practice; mental health professionals; Christians; God concepts, 5716

femininity; support groups; christian gay men; wives; feminine identities; traditional gender ideologies; homosexuality; marital situations, 7248

Jesus Christ; suffering; victimization; Mel Gibson; The Passion of the Christ; 9/11, 35073

Martin Scorsese; The Last Temptation of Christ; Christian viewers; biblical Jesus; rhetoric; consubstantiality; character-viewer identification, 22670

Mel Gibson; Jesus; Christianity; atonement; anti-Semitism; Jewish stereotypes; religious imagery; religion; theology of sin; The Passion of the Christ; Christians/Jewish tensions; film criticism, 35066

racial reconciliation; Christian music industry; engaged orthodoxy, 22630

religiosity; unipolar depression; religious functioning; christian community, 32955

religious conflict; religion; Christianity; Jewish/Christian conflict; New Testament writings, 35068

religious coping style; life satisfaction, 33043

sexual identity; same-sex attraction; gay explanatory framework; Christian clients; clinical practice, 20674

theological education; youth ministry; Christians; psychoanalytic understanding; shame; seminarians, 35063

**Christians [See Also Catholics, Protestants]—Chapters**

A psychologist-pastor: A bridge for churches at a Christian community health center, 19670

The Relational Self: Psychological and Theological Perspectives, 7435

**Chromaticity [See Also Hue]—Serials**

chromatic tone; lightness perception; vividness, 31361

color appearance; cone chromaticity space; computational algorithm development, 31344

color constancy; AMBEGUAS phenomenon; 3-D shapes; colored illuminations; perception, 203

eye accommodation; short wavelength sensitive cones; chromatic aberration, 25114

Jacob Beck; visual perception; experimental psychology; surface glossiness; contrast change, 21996

reflex accommodation; chromatic signals; cone contrast space; luminance, 3359

Roemer Symbol Test; test reliability; undergraduate students; chromatic color; achromatic color, 33007

S-opponent pathway; luminance noise; reaction time; chromatic channels, 3362

surface colors; lightness perception; hue perception; Bezold-Brucke effect; color categories; chromatic angles, 9558

visual pathways; chromatic pathways; contrast thresholds; achromatic pathways; electrophysiology; behavior changes; visual evoked potential, 22312

**Chromosome Disorders [See Also Autosome Disorders, Deletion (Chromosome), Sex Chromosome Disorders, Trisomy, Williams Syndrome]—Serials**

Downs syndrome; specific language impairment; physical condition; psychological condition; developing children; chromosome disorder, 7987

genetic disorders; autism; diagnostic strategy, 20315

maladaptive conflict monitoring; executive dysfunction; chromosome deletion syndrome; non-verbal cognitive deficits; psychopathology; children; executive control, 14169

mild intellectual disability; early onset schizophrenia; Young Woman; chromosomal abnormalities, 29214

Wolf-Hirschhorn syndrome; chromosomal syndrome; long-term survival; diagnosis, 14182

**Chromosomes [See Also Sex Chromosomes]—Serials**

autism spectrum disorders; Asperger syndrome; gene mutations; NLGN3; NLGN4; neuroligin genes; X chromosome, 7963

autosomal recessive juvenile Parkinson's disease; partial trisomy chromosome 6q syndrome, 8106

bipolar affective disorder; trace amine receptor genes; chromosomes; etiology, 32341

bipolar disorder; anticipation; chromosome; polymorphic triplet; genetic linkage, 26159

bipolar disorder; phenotypes; susceptibility genes; prophylactic treatment; chromosomes, 35449

chromosomal instability; amniocytosis; tobacco smoking; maternal smoking; fetuses; genotoxicity, 20411

developmental characteristics; behavioral problems; inversion; chromosomes, 26517

environmental influences; genetic influences; reading development; chromosomes, 28732

## Chronic Illness—Serials

gene; bipolar disorder; suicidality; anxiety; impulsivity; aggression; chromosome, 4454

genetic linkage; chromosomes; schizophrenia, 29375

genetic linkage; X chromosomes; autism; fragile X region, 26444

genetics; alcohol dependence; genetic linkage; genetic marker; chromosomes; gamma-aminobutyric acid, 10688

mouse mutants; vestibular defects; genetic mapping; chromosome 4; hearing impairments; balance defects; lateral semicircular canal, 34573

panic disorder; DAOA/G30 locus; etiology, 29426

polymorphism; huntingtin interacting protein; gene; bipolar affective disorder; chromosome, 10547

psychiatric illness; candidate genes; pericentric inversions; chromosome inversions; schizophrenia; bipolar affective disorder; susceptibility genes, 35409

schizophrenia susceptibility loci; chromosome 22q; genetic linkage; gene expression; microsatellite markers; age of onset; gender, 1223

schizophrenia; CHL1 gene; etiology, 16822

schizophrenia; chromosomes; genetic linkage; G72/G30 locus, 29374

schizophrenia; etiology; chromosomes; susceptibility genes, 7740

schizophrenia; genetic association; genes; genetic susceptibility; chromosome 22, 23126

single nucleotide polymorphisms; schizophrenia patients; mutation; dystrobrevin-binding protein; genes; haplotypes, 1219

suggestive evidence; genetic markers; autism; intrafamilial association; chromosome; disequilibrium, 26435

upper limb weakness; enlarged cisterna magna; borderline intelligence; de Novo mutation; gene mutation, 35867

visuospatial disorders; cognitive deficits; chromosome deletion syndrome; numerical deficits; parietal dysfunction, 16724

Wolf-Hirschhorn syndrome; developmental phenotype; genetic condition, 23493

**Chronic Alcoholic Intoxication—Serials**

blink reflex abnormalities; blink reflex; chronic alcoholics; cranial nerve; alcoholic patients, 1372

**Chronic Fatigue Syndrome—Serials**

chronic fatigue syndrome; circadian rhythm; activity level, 4883

chronic fatigue syndrome; cognitive behaviour group therapy; pretreatment characteristics; treatment effectiveness, 26915

chronic fatigue syndrome; diagnostic criteria; major depressive disorder; symptomatology, 14179

chronic fatigue syndrome; exercise program; treatment efficacy; graded exercise therapy, 36303

chronic fatigue syndrome; health care provider response; patient perspective, 30120

chronic fatigue syndrome; serum tryptophan concentration; serotonin; brain, 29649

chronic fatigue; academic performance; Japanese children, 1134

coping styles; occupational participation; chronic fatigue syndrome; information seeking; functional impairment; individual differences; fatigue & symptom severity, 23513

cytokine production; cytokine modulation; chronic fatigue syndrome; peripheral blood mononuclear cells, 20453

family health; family characteristics; chronic fatigue syndrome; juvenile rheumatoid arthritis; emotional disorders; childhood disorders, 13806

functional somatic illnesses; chronic fatigue syndrome; multiple chemical sensitivity; myalgic encephalomyelitis; cognitive problems; functionality, 26536

genetics; neuromuscular pain; chronic fatigue syndrome; pathophysiology; serotonin; dopamine, 26507

group mindfulness training; mood; chronic fatigue syndrome; quality of life; cognitive behavior therapy; treatment effectiveness, 14438

homeopathic treatment; chronic fatigue syndrome; subjective symptoms, 11325

homeopathic treatment; chronic fatigue syndrome; subjective symptoms, 11321

multiple sclerosis; depression; vulnerability; variability; chronic fatigue; spinal-neuromuscular conditions, 17165

psychiatric diagnosis; chronic fatigue syndrome; depression, 29691

receptor binding; chronic fatigue syndrome; tomography; neurochemistry, 20406

stigma; functional somatic syndromes; medical conditions; chronic fatigue syndrome; fibromyalgia; irritable bowel syndrome; pathology, 17179

**Chronic Fatigue Syndrome—Chapters**

Chronic fatigue and fibromyalgia syndromes, 20474

**Chronic Illness [See Also Chronic Alcoholic Intoxication, Chronic Fatigue Syndrome, Chronic Mental Illness, Chronic Pain]—Serials**

adolescent behavior; type 1 diabetes; family functioning; metabolic control; chronic illnesses, 23499

African Americans; resilience; chronic illness; philosophies; illness management, 32264  
 assisted suicide; assisted suicide requests; legalization; serious medical illnesses; evaluating patients; models; suicidal symptoms, 26071  
 attachment process; chronic illness, 13804  
 biopsychosocial predictors; fatigue; chronic hepatitis C, 35875  
 Bruce Perham; social worker; narrative therapist; dementia; family therapy; family members; family of origin; chronic illness; sadness; narrative therapy, 21104  
 children; adolescents; coping with chronic illness; gender effects; academic stressors; interpersonal stressors; coping styles; age differences; asthma; dermatitis; cancer, 26516  
 chronic disease risk factors; prevalence; health status; American Indian; Alaska native; White elders, 22947  
 chronic disease; self management; volunteer; lay-tutor; course delivery; public health, 20889  
 chronic diseases; risk factors; lifestyle interventions; psychosocial interventions, 7646  
 chronic illness experience; coping strategies; narratives; meaning; transactional model, 29237  
 Chronic Illness Peer Support programme; CHIPS; psychosocial adjustment; chronic illness, 14457  
 chronic illness; depression; Chinese immigrant elders, 4500  
 chronic illness; depressive symptoms; age differences; aging, 16723  
 chronic illness; family caregivers; quality of life; cystic fibrosis; health, 20402  
 chronic illness; family relationships; psychosocial interventions; patients; family members; treatment benefits, 5425  
 chronic illness; family therapist; irritable bowel syndrome; physicians; collaborative systemic approach, 20619  
 chronic illness; harmony; hope; life courage; rehabilitation; hopelessness; patients views; coping behavior, 32680  
 chronic illness; health care; treatment planning; collaborative care; emotional problems; emotional health; physical health, 17353  
 chronic illness; health status; biology; childhood development, 10392  
 chronic illness; Hmong Shamans; diabetes; hypertension, 29669  
 chronic illness; life changes; self identity; temporal comparison; self evaluation; schizophrenia, 29346  
 chronic illness; lived experience; fathers; financial strain; social life; intimacy; primary caregiving, 11539  
 chronic infection; hepatitis C; neurobehavioral correlates; fatigue; depression; anxiety; public health; cognitive dysfunction, 4855  
 chronic kidney disease; health locus of control; depression measures, 32679  
 chronic medical conditions; assessment; family-centered interventions; school reintegration programs; educational planning; school counselors, 5884  
 chronic obstructive pulmonary disease; health professionals; self-care activities; quality of life, 8404  
 chronic obstructive pulmonary disease; mental illness; prevalence, 10477  
 chronic physical health problems; mental illness; severity, 10443  
 chronic physical illness; symptoms; anxiety sensitivity; comorbidity; anxiety disorders, 35892  
 cognitive behaviour therapy; schizophrenia treatment; psychosis; chronic patients, 8233  
 constraint induced therapy; chronic upper extremity paresis; treatment effectiveness; stroke, 26908  
 coping behavior; HIV; chronic illness; stressful event, 26547  
 coping questionnaire; children; adolescents; chronic health conditions; questionnaire development; psychometric analyses; quality of life, 86  
 counseling children; chronically ill children; physical illness counseling; counseling services; needs of children; chronic physical illness, 11062  
 counseling outcome; chronically depressed patients; general practice; short-term counseling, 26140  
 diet related chronic illness; family relations; coping behavior; coronary heart disease; celiac disease, 30323  
 episodic migraine; cortical excitability; chronic migraine, 35837  
 fathers; parenting; chronically ill children; coping strategies; concerns, 33421  
 gay men; aging; chronic illness; sexual orientation; resistance; resilience, 10409

#### Chronic Pain—Serials

aromatherapy; hand massage; therapeutic recreation; pain management; nursing facility; chronic pain; pain relief, 1930

biopsychosocial model; biopsychosocial perspective; pain disorders; mental health disorders; comorbidity; chronic pain; health research, 4397

botulinum toxin A; obturator internus muscle; chronic perineal pain; pudendal nerve; therapeutic intervention; injection, 26927

case studies; clinical trials; control conditions; hypnotic analgesia; chronic pain, 18888

cerebral palsy; mental retardation; chronic hip pain; treatment; health care delivery, 20877

chest pain expression; cardiac disease, 8051

chronic low back pain; pain related fear; dysfunctional cognitions, 32687

chronic non-cancer pain; opioid effectiveness; adverse effects, 20868

chronic pain assessment; rehabilitation; outcomes measures; treatment efficacy; treatment interventions; outcomes assessment, 14842

chronic pain location; personality traits; alexithymia; somatosensory amplification; attachment; counterdependency; emotional distress, 29664

chronic pain management; cognitive change; multidisciplinary treatment program; cognitive behavioral program; quality of life, 8222

chronic pain patients; mindfulness training; grieving process; emotional well-being; meditation program, 8362

chronic pain; animal models; pathophysiology, 22223

chronic pain; animal models; pathophysiology, 22225

chronic pain; behavioral medicine; Fordyce; operant; suffering; pain control, 33251

chronic pain; chronic insomnia; quetiapine; drug therapy; drug dosage, 35861

chronic pain; cognitive behavioral treatment; motivational state; fear avoidance model, 8141

chronic pain; coping behavior; age-related differences; emotion-focused coping; avoidance-oriented coping; problem-focused coping; life context model; pain experience; older vs younger adults, 20429

chronic pain; coping strategies; cognitive-phenomenological model; stress, 35860

chronic pain; dementia; treatment, 26590

chronic pain; lower back pain; occupational performance; occupational therapists, 4875

chronic pain; opioid analgesics; opioid addiction; opiate addicts, 8420

chronic pain; pain management; psychological approach; emotional distress; psychosocial disruption; behavioral limitations; treatment methods, 8045

chronic pain; preemptive analgesia; treatment, 10850

chronic pain; psychometric properties; Pain Related Problem List for Adolescents; test development, 31136

chronic pain; religion; religiosity; spirituality; religious coping; spiritual coping, 32711

chronic pain; resilience; positive affect; women, 17196

chronic pain; self-pain enmeshment; adjustment; acceptance, 32702

chronic pain; spinal nociceptive systems; neurobiology; long-term potentiation; acute pain, 32714

chronic pain; substance abuse; treatment, 14312

chronic pelvic pain; associated phenotypes; twins; heritability; endometriosis; dysmenorrhea; fibroids; somatic distress, 17197

complex regional pain syndrome; cortical reorganization; diagnosis, 8026

drug coadministration; opioid agonist; opioid antagonist; pain control; analgesic effects, 36328

dual action antidepressants; chronic pain syndromes; psychopharmacology; tricyclic antidepressants; selective serotonin reuptake inhibitors; noradrenaline reuptake inhibitor; depression, 5178

dyskinesia; chronic pain; thalamic chronic electrode implants; intralaminar thalamic stimulation; neurolinguistic functions; language functions; language processing; cognitive processing, 14579

epilepsy; chronic pain; fibromyalgia; psychogenic seizures; refractory seizures, 17255

ethics; chronic nonmalignant pain; treatment planning; pain management; psychogenic pain; somatogenic pain; malingering; primary care; exaggeration; quality of life; disease severity; opioids, 11382

evidence based assessment; treatment; persistent pain; community dwelling elders; home health services; home health nurses, 26685

exposure based therapy; posttraumatic stress disorder; psychological pain; hand pain; symptomatology; conversion reaction, 11132

external qigong therapy; elderly people; chronic pain; treatment efficacy; mood states; psychological variables, 30135

family discussion; chronic pain therapy; discussion groups; family members; mutual relationships; coping ability; family climate, 20432

functional capacity testing; chronic pain patients; International Classification of Functioning, Disability and Health model; measurement; biopsychosocial model, 23520

HIV screening; mood disorders; chronic pain; anxiety disorders; Beck Anxiety Inventory-Fast Screen for Medical Settings; Beck Depression Inventory-Fast Screen for Medical Settings, 8061

hypnotic analgesia; chronic pain; disabilities, 20843

immune system; chronic pain; abnormal sensitivity; hyperalgesia, 32698

intrathecal morphine; bupivacaine; phantom limb pain; neurophysiology, 36332

intravenous testing; opioids; chronic pain, 20418

kinesiophobia; psychometric properties; chronic low back pain; fibromyalgia; two factor models; construct & predictive validity; subscales, 26

malingering; chronic pain; self report; response bias; Minnesota Multiphasic Personality Inventory; validity scales, 3188

Minnesota Multiphasic Personality Inventory; chronic pain; test validity; gender differences, 20436

minor impact soft tissue injury; MIST; minor accidents; resolution of short-term strain; clinicians; medical examinations; chronic pain; whiplash associated disorder, 26534

mu-opioid agonist; buprenorphine; chronic pain; acute pain; drug withdrawal; drug dosages, 36316

neuropathic pain; traumatic injury; chronic pain; lesion; cognitive dysfunction; peripheral nerves; nociceptors; neuronal excitability, 26538

neuropsychological functioning; MMPI-2 Profiles; chronic neck pain; whiplash trauma; non-traumatic groups; personality traits, 17172

pain intensity; sensory characteristics; affective qualities; activity limitations; chronic pain patients; pain assessments, 17178

pain medicine; chronic pain management; biopsychosocial model; risk; prescription medication, 23975

pain rehabilitation; psychologist; treatment strategy; health care; interdisciplinary treatment, 17184

pain relief; human rights; chronic pain, 23971

pain relief; human rights; chronic pain, 23982

pain; depression; antidepressants; pain relief; fibromyalgia; chronic pain syndromes, 5246

pain; pain beliefs; appraisal; coping; children; abdominal pain; chronic pain, 29697

peripheral nerve injury; rats; neuropathic pain; chronic constriction injury; spinal nerve ligation; partial sciatic ligation; tibial and sural transection; hyperalgesia; allodynia, 16023

pharmacological management; drug therapy; older patients; chronic pain, 14632

Portland Digit Recognition Test; classification agreement; traumatic brain injury; chronic pain; psychological assessment; test validity; psychometrics, 18735

post-operative chronic pain; opioids; nervous system plasticity, 20451

psychological well being; women; fibromyalgia; fatigue; social network size; chronic pain; rheumatoid arthritis; disability, 26531

psychometrics; chronic pain; spouse response; patient pain behavior; patient well behavior; Spouse Response Inventory, 24946

reliable digit span; malingered pain related disability; chronic pain patients; neurocognitive dysfunction; traumatic brain injury; spinal cord injuries, 26513

rheumatic disease; medical encounter; doctor patient relationship; stress; chronic pain; fibromyalgia, 5314

sacroiliac joint dysfunction; diagnosis; treatment options, 32727

single needle; lumbar zygapophysial joints; lumbar facet joint pain; low back pain, 32719

single needle; lumbar zygapophysial joints; lumbar facet joint pain; low back pain, 32697

treatment outcomes; chronic pain syndromes; treatment matching, 8055

treatment; chronic pain; dementia, 17306

treatment; chronic pain; dementia, 26633

unexplained chronic pain; abdominal pain; family oriented rehabilitation program, 17905

vulvodynia; chronic burning; chronic pain; vulva; chronic vulval symptoms; tricyclic antidepressants; irritant dermatitis, 4867

#### Chronic Pain—Chapters

Acute, Chronic, and Recurrent Pain Management, 1706

Multidisciplinary approaches to pain management in primary care settings, 14748

The Role of Palliative Care Methods in Pain Management, 2249

#### Chronic Stress—Serials

cell adhesion molecules; brain; chronic stress; cognitive impairment; immunoglobulin superfamily, 9823

chronic stress; depression; immune system; interleukin; proinflammatory cytokines, 29247

chronic stress; depression; stressful life events; measurement; evaluation; gender differences; stress reactivity, 32340

chronic stress; morphofunctional characteristics; rat thymus; swimming; thymocytes; inner cortex; medulla, 34712

chronic stress; novelty seeking behavior; spatial recognition memory; rats; spatial cues, 31498

chronic unpredictable stress; chronic immobilization stress; basolateral amygdala; anxiety like behavior; elevated plus maze; neural plasticity; rats, 6804

dysthymic disorder; chronic stress; adverse parent-child relationships; family history; disease course, 7705

endocannabinoid signaling; hippocampus; chronic stress; cognitive impairments; rats, 16117

impaired cognitive performance; chronic burnout syndrome; chronic stress; memory; attention, 29252

intima media thickness; hormonal biomarkers; chronic stress; cortisol levels, 25479

neighborhood disorder; self-reported health; physiological distress; psychological distress; chronic stressors; autonomic arousal; psychophysiological distress, 30982

prenatal exposure; chronic mild stress; toluene; rats; neurotoxicant, 28559

prenatal stress; hypothalamic-pituitary-adrenal activity; habituation; sex differences; corticosterone responses; implications for schizophrenia & major depression, 19266

psychiatric morbidity; female employees; social support; life events; chronic strain; stress, 35420

resilience; school-based intervention; children exposed to ongoing trauma & stress; National School Intervention Project; Building Resistance project; teacher workshops; terrorism, 24378

Salient Stressor Impact Questionnaire; chronic stress; distress; test validity; test reliability; stress impact, 6309

sexual behavior; locomotor activity; chronic mild stress; sucrose intake; saccharine intake; hedonic responsiveness; anhedonia; animal models; rats, 19124

stress; animal models; depression; genetic strains; rats; learned helplessness, 28535

treatment; terrorism survivors; continuous terrorist attacks; posttraumatic stress disorder; ongoing adversity; avoidance; re-exposure; end of treatment; effects on therapist, 23656

#### Chronicity (Disorders)—Serials

interferon; cognitive functioning; chronic hepatitis C; neuropsychological test performance, 17174

patient education; self-efficacy; chronic obstructive pulmonary disease, 5414

patient reported outcomes; gastroesophageal reflux disease; risk factors; symptoms, 35914

pharmacotherapy; risperidone; schizophrenia; antipsychotic agents; chronic disorders, 8306

pharmacotherapy; risperidone; schizophrenia; antipsychotic agents; chronic disorders, 11275

pharmacotherapy; risperidone; schizophrenia; antipsychotic agents; chronic disorders, 8275

pharmacotherapy; risperidone; schizophrenia; antipsychotic agents; chronic disorders, 11272

pharmacotherapy; risperidone; schizophrenia; antipsychotic agents; chronic disorders, 11251

psychological interventions; chronic illness, 36307

Chunking—Serials

chunking models; expertise; knowledge acquisition; instruction; language development; education, 19006

expert memory; chunking theory; template theory; visual short-term memory; recall, 3471

progressive mathematization; division strategies; mathematical problem solving; academic achievement; chunking, 18277

academic achievement; small classes; enduring effects; dropout; early school experiences; long-term effects; high school graduation, 24387

class size; teacher-pupil interactions; teachers; student engagement; individualized contact; task-related contacts; pupil on-task; peer interaction, 36906

effects of class size; length of day; kindergarten; academic achievement; early childhood development, 15237

minority students; lasting benefits; class size; small classes; educational outcome, 8971

### Class Size—Chapters

Class size and learning, 15025

**Classical Conditioning** [See Also Conditioned Emotional Responses, Conditioned Responses, Eyelid Conditioning, Higher Order Conditioning, Unconditioned Responses]—Serials

8-OH-DPAT; appetitive Pavlovian conditioning; localized conditioned stimulus; nonlocalized conditioned stimulus; illumination; food delivery; rats, 6846

adaptive behavior; associative learning tasks; cognitive capacities; conditioning; spatial properties; temporal properties; pavlovian stimuli, 6683

addiction; habituation; sensitization; sensory properties; conventional reinforcers; additive behaviors; conditioning; drug tolerance; drug withdrawal, 35712

alcohol cues; availability; cue reactivity; classical conditioning; cognitive processing model; substance use; craving, 34740

amygdala central nucleus; brain lesions; conditioned auditory orienting; auditory conditioned stimulus; rats, 12999

appetitive backward conditioning; rats; conditioned reinforcement; classical conditioning; lever-press response, 6689

associative learning; attentional processing; Wistar-Kyoto hyperactive rats; appetitive conditioning; visual stimuli; orienting behavior; food cup behavior; stimulus processing; classical conditioning, 25293

auditory classical fear conditioning; dentate gyrus; hippocampus; encoding; single-neuron activity; rats, 13055

## Volume 92 SUBJECT INDEX

### Classical Conditioning—Serials

brain mechanisms; extinction; classical conditioning; eye-blink response; cerebellum; hippocampus, 3635  
chronic cocaine pretreatment; Pavlovian sexual conditioning; male quail; drug exposure; behavioral sensitization, 9848  
classical conditioning; eyelid vibrissae responses; mystacial vibrissae responses; mice; conditioned stimulus; unconditioned stimulus; motor learning, 9705  
classical conditioning; reproductive success; Japanese quail; *Coturnix japonica*; learning, 22178  
classically conditioned; fatigue responses; chemotherapy treatment; breast cancer, 30154  
cognitive processes; extinction; learning; long term memory; Pavlovian conditioning, 3475  
conditional stimuli; discriminative cue; Pavlovian conditioning; serial order learning, 3519  
conditioned response; stimulus valence; fear; Pavlovian conditioning; reinstatement; extinction; reaction time, 3468  
conditioned taste aversion; superconditioning; comparator hypothesis; rats; inhibitory relationships, 19117  
contingency awareness; need for cognition; involvement; attitude formation; advertising; classical conditioning, 15395  
cue competition; relative validity effect; pavlovian conditioning preparations; rats; associative models, 28312  
differential conditioning; conditioning paradigm; human fear; fear-conditioning; fear renewal; behavior therapy, 17550  
drug tolerance; conditioned responses; Pavlovian conditioning; drug withdrawal; conditioned stimuli, 28586  
evaluative conditioning; extinction resistance; classical conditioning; priming effects; associative learning, 12655  
extinction; classical conditioning; nictitating-membrane; apparatus exposure; rabbits, 333  
extinction; spontaneous recovery; Pavlovian conditioning; learning processes, 3521  
fear conditioning; reinforcement contingencies; age-associated changes; discriminant conditioning; contingency awareness; visual conditioned stimuli; unconditioned stimulus, 181  
fear conditioning; reinforcement contingencies; age-associated changes; discriminant conditioning; contingency awareness; visual conditioned stimuli; unconditioned stimulus, 189  
hippocampal inactivation; conditioned fear; extinction; Pavlovian conditioned stimulus; memory retrieval, 3517  
learned fear; Pavlovian fear; observational fear; instructed fear; differential responses; conditioned stimuli, 6640  
learned irrelevance effect; appetitive stimulus; Pavlovian conditioning; rats; conditioned stimulus; unconditioned stimulus, 19094  
learning; configural discrimination; configural pre-training; conditioned stimulus, 15919  
memory processes; classical conditioning; learning processes; emotion processes; animal performance, 6664  
memory traces; memory formation; memory storage; eye blink; memory loss; classical conditioning; reversible inactivation, 9795  
memory; classical conditioning; hippocampus; medial septum; cerebellum; incremental learning; episodic memory models, 28325  
minimal hippocampal model; trace conditioning performance; simulating trace conditioning, 31634  
multimodal classical conditioning; verbal information; human fear; etiology of fears; experiences, 1240  
nefaracetam; phosostigmine; learning; older rabbits; eye-blink conditioning, 3735  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19114  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19111  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19093  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19099  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19115  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19100  
neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19107  
partial reinforcement; classical conditioning; conditioned approach; time-accumulation models; rat magazine approach, 28378

Pavlovian conditioning; conditioned stimuli; unconditioned stimulus; caloric intake; eyeblink conditioning; sexual conditioning; fear conditioning; drug tolerance; sensitization, 9632  
Pavlovian extinction; learning; interference paradigms; conditioned inhibition; response inhibition; inhibitory learning; reinforcement, 3513  
Pavlovian partial reinforcement schedule; continuous reinforcement schedule; search behavior; rats, 28390  
physiology; Ivan Petrovich Pavlov; Nobel Prize award; classical conditioning; digestion, 31098  
physiology; Ivan Petrovich Pavlov; Nobel prize award; digestion; Classical conditioning, 2404  
placebo psychotherapy; classical conditioning; treatment outcome, 29913  
protein synthesis inhibitors; long-term memory acquisition; classical conditioning; earthworms; ribonucleic acid, 19159  
reinforcement; appetitive classical conditioning; feeding behavior; dopamine antagonist; aplysia; methylergonovine, 25507  
serotonin receptor; memory formation; Pavlovian learning; instrumental learning, 31715  
temporal cues; operant conditioning; rats; reinforcers; classical conditioning; animal behavior, 22174  
temporal properties; cerebellar dependent memory; classical conditioning; nictitating membrane; muscimol; rabbits, 3595  
training exciton; posttraining inflation; Pavlovian conditioned inhibition; unconditioned stimulus; rats, 34489  
**Classical Conditioning (See Also Conditioned Emotional Responses, Conditioned Responses, Eyelid Conditioning, Higher Order Conditioning, Unconditioned Responses)—Books**  
New directions in human associative learning, 12850  
**Classical Test Theory—Serials**  
classical test theory; educational tests; psychological tests; social sciences, 15555  
item response theory; prophecy formulas; Spearman Brown prophecy formula; reliability, 25039  
modern test theory; classical test theory; item response theory; hierarchical generalized linear model; Rasch model, 31270  
Rasch analysis; quality of life instruments; instruments development; psychometrics; needs-based instruments, 89  
**Classification (Cognitive Process)—Serials**  
abstract coherent categories; inference learning; category learning; coherence; exemplar familiarity; feature similarity; classification learning; within-category information, 6599  
argument structure patterns; learning; semantics; categorization strategies; language input; verbs, 709  
auditory categorization abilities; acoustic stimuli; frequency modulation; acoustic stimuli; rats; category-learning; complex sounds; sound direction; frequency modulation rate; frequency range, 12881  
auditory perception; dyslexia; sensory temporal processing deficits; language specific impairments; attention; learning impairments, 32624  
automatic evaluations; object categorization; judgements; priming; subliminally presented objects, 15858  
Bayesian classification methods; supervised classification; unsupervised classification, 3286  
brain activation; category learning; neural changes, 9775  
brightness; color naming; light; languages; color categorization; cross cultural understanding; ethnography; technology, 19367  
Capuchin Monkeys; ordering arrays of items; ordinal representation; numeric distance; magnitude responses, 9701  
card sorts; data analysis; edit distance; knowledge elicitation technique, 34072  
casuistry; social category bias; social group memberships; decision making; gender bias; racial bias; specious reasoning; employment decisions, college admission decisions, 7513  
categorical perception; cognition influence; cognitive process; perceptual learning; categorization; psychophysiological approach, 19021  
categorization research; concept learning, 15849  
categorization; cognitive control; similarity; retrieval depth; constraint; memory test, 15887  
categorization; concept learning; nonhuman animals; animal cognitive behavior; perceptual concepts; associative concepts, 332  
categorization; construction learning; verbs; semantic generalizations; comprehension, 31829  
categorization; multiple category inference strategy; cues; consumer behavior, 21646  
categorization; prejudice; social cognition perspective; intergroup dynamics; stereotyping; intergroup animosity; conflict; bias; social categories, 22785  
categorization; typicality; goodness-of-example ratings; concepts; fishing, 15851  
category based induction; categorization; representative-ness; typicality, 19020

### Classification (Cognitive Process)—Serials

category diversity; learning; memory; generalization, 25214  
category exemplar strength; semantic relationship; ending words; association strength; categorizing, 22078  
category fluency; Latinos; age differences; education; language; education; naming, 25180  
category learning; novel dimensions; category exceptions; cue sets, 12717  
category learning; prefrontal cortex; basal ganglia; procedural memory; behavioral neuroscience, 3587  
category learning; schematic influences; recognition memory; salient knowledge structure violations; rule violation, 6618  
category learning; striatum; procedural memory; working memory; multiple systems; discontinuous categories; information-integration; hypothesis-testing systems, 28282  
category learning; unsupervised categorization, 25190  
category structure; infant categorization; infant development; category learning, 22499  
chimpanzee infants; categorical representations; human infants; habituation, 25278  
classification decisions; estimation methods; effect of person midfit; item response theory; person-fit statistics, 9487  
classification images; perceptual tasks; observers strategies; shape discrimination task, 28229  
classification methods; rater effects; confirmatory cluster analysis; latent class analysis; groupings, 3454  
cognitive development; category use; changes in category representation; age differences; inference, 7058  
cognitive load; fit detection; social categorization; name matching paradigm; encoding; retrieval; memory; discussion, 32144  
color categories; cultural relativity; visual system; visual environment; categorization; cognitive color differences; language, 25094  
communicative intent; cognitive development; category induction; early childhood development; age differences, 7064  
conceptual combinations; concept processing; external relations; lexical entries; modifying nouns; modifier relations; lexical relation frequency; combination familiarity; plausibility; interpretation, 6624  
confidence judgments; color category; judgment tasks; ethnonomistic cultures; color appearances; naming tasks, 18991  
context; pattern category learning; representation; visual category learning; learning patterns; sensory information, 6602  
cultural differences; diagnosticity principle; schematic faces; Australia; China, 28242  
delayed feedback; information integration; multiple-systems approach; rule-based learning; category learning; perceptual similarity; stimulus dimensions; hypothesis-testing system; accuracy rates, 6608  
dimensional distinctiveness; artifact categorization; preschool children; physical appearances, 13233  
Dutch norm data; semantic categories; exemplars, 16185  
exemplar models; generalization; categorization; theories; memory, 15890  
face perception; gender; emotions; categorization; spatial frequency; age groups; facial identity, 16261  
facial familiarity; Thatcherized faces; face classification task, 31331  
feature inference; category causal structure; causal knowledge; bayesian networks, 22082  
folk biology; cross cultural comparison; developmental research; biological categorization; reasoning; cognitive psychology, 884  
habituation; contingency learning; reaction time task; activation; arousal; letter categorisation task; visuospatial task, 273  
Holland code classifications; test validity; vocational guidance; occupational information network; convergent validity, 15712  
human learning; category-learning; perceptual learning; prototype distortion, 9575  
human listeners; dog barks; emotionality; situation categorization; classification, 25092  
implicit association test; reading; nonconscious categorization judgments, 34416  
implicit memory; simultaneous discrimination; stimulus dimension relevance; incidental memory; learning criterion; response latencies; category learning, 6741  
infant development; face perception; face categorization; physical differences; visual preferences; differential experience, 25638  
infant development; word sounds; speech perception; categorization; phonological skills, 31851  
infants categorization; visual familiarization task; task feature, 13240  
instance theory; analytic processing; nonanalytic processing; feature representations; categorization behavior; decision making processes, 15866

interpoint-distance model analysis; composite color categories; cognitive principles; ethno-linguistic society; cross-cultural similarities; color naming, 19011

inverse base rate effect; feature salience analogue; classification learning; ambiguous stimuli, 25155

juvenile decertification; classification; prediction; courts decisions; defendants; juvenile court, 24834

knowledge partitioning; function learning; population of linear experts; complex tasks, 256

labeling bias; categorical induction; category information; induction; stereotyping; inferential processes, 22092

language organization; theories of linguistics; word meaning; sound interaction; classification, 6948

lexical categorization; categorical organization functions; pre-school children; picture naming; concepts deconstruction task, 19473

linguistic input; abstract categorical representation; support representation; spatial relations, 9961

linguistic relativity; color categories; category acquisition; cross cultural differences; cognitive development; children, 7082

measuring card sort orthogonality; knowledge discrimination measurement; normalized minimum spanning tree measure, 31304

memory systems; human classification learning; functional neuroimaging; basal ganglia; medial temporal lobe; memory systems interaction; neurobiological mechanisms, 282

memory-based scaling model; ANCHOR; memory anchors; stimulus magnitude; global scaling; local comparison; incremental learning; adaptive map; model hierarchy; category rating; identification, 15923

mental retardation professionals; feeble minded; visual classification; eugenics; Barr's classification, 2379

metaphor comprehension; attributive categorization; class inclusion model, 31427

music; category fluency; older adults; Alzheimer's patients; classical music, 10974

name-based categorization; cognitive development; lexical development; Williams syndrome; young children, 32705

naming artifacts; inference; reasoning; lexical categories; design intentions, 3878

naming; infants; object categorization, 19477

negative semantic priming; masked primes; category primes; category names; dominance exemplars; pronunciation task; stimulus onset; asynchrony; lexical decision; stimulus presentation methods, 6580

neuroanatomical basis; temporal lobe; semantic processes; living things; category-specific impairment; temporal lobe damage; bilateral damage; unilateral left damage; unilateral right damage, 1591

object identification; manipulability; living groups; non living groups, 9587

ontogenesis; microgenesis; perceptual organization; hierarchical patterns; local processing; global processing; speeded classification; visual search; age-related improvements, 22001

optimal classifier feedback; cost benefit decisions; decision criterion learning; perceptual categorization; rewards; delayed feedback, 25181

perceived relevance; category & exemplar primes; behavior assimilation; behavior contrast, 10294

perceptual expertise development; object-recognition; perceptual-categorization; visual object processing, 216

perceptual expertise; classification process; real world situations; abstract level, 12755

person perception; category activation; social groups; boundary conditions; social cognition; personal construal; person categorization, 13675

preschoolers attitude; basic biology; biological property; category learning; living things; conceptual change, 8945

preschoolers; familiar adjectives; subordinate-level match; basic-level match; inanimate object; trait adjectives; adjective extension; categories; emotional adjectives; physiological adjectives, 28704

priming; cerebral hemispheres; category information, 3608

prisoners dilemma game; expected cooperation; competitiveness; interindividual-intergroup discontinuity; trust; categorization, 10272

problem solving skills; teaching students; spatial problem, 5758

psychocultural representation; disabilities; terminology; typology; social model; visual impairment; blindness; ableism; disablement; impairment; societal labels; disabling society; categorisation, 32265

psychometric framework; categories; dimensions, 6261

receptive fields; brain signals; vision; face categorization, 458

relevance theory; induction; category-based reasoning; causal scenarios; property reinforcement strategies; category based inferences; inductive reasoning, 28269

response times; absolute identification; bow and set-size effects; perceptual categorization, 12733

retrieval-induced forgetting; children; semantic categories; pictures, 7007

rule based processes; inverse base rate effect; cognitive processes; classification; categorization; metacognitive competence, 25652

rule-drive categorization; exemplar effects; exemplar memory; incidental learning; stimulus individuation, 12736

scoring criterion; Modified Wisconsin Card Sorting Test; psychometrics, 28065

semantic congruency; orthographic similarity; semantic tasks; animacy decision; preexisting congruents; semantic categorization, 6615

semantic processing; comparison; classification; parietal cortices; semantic activation; task independent activation; intraparietal sulci; temporal gyrus, 31453

semantics; linguistics; English; spatial terms; spatial experience, 25562

shelter residents; stigmatized identities; social stigma; culturally dominant categorizations, 2190

similarity distinction; cognitive psychology; rules; learning; reasoning; categorization; language, 28291

skilled memory; organizational processes; item specific processes; recall; prior knowledge, 22089

social categorization; infra category fit; inter category fit; perceived group members; social context, 984

social groups; prototypicality; in group out group; intergroup dynamics; bikers; teachers; Germans, 4225

sorting techniques; card sorts; item sorts; picture sorts; repertory grids; ladder, 31445

Spanish learners; English; second language speech perception; phonological categorization, 6920

speech perception; infant sensitivity; within category variation; categorical perception; phonetic variation; phonemes, 19463

speeded classification; probabilistic category structure; exemplar retrieval models; decision boundary models; prototype models; feedback, 25186

stimulus equivalence procedures; receptive emotional labeling; autistic child; happiness; anger; sadness; surprise, 35771

subordinate level categorization; spatial frequencies; spatial filtering, 34354

superordinate categories; hierarchical levels; connectionist simulations; action based theory; neural network, 31408

superordinate concepts; conceptual information; perceptual information; abstract information; contextual information; hierarchical levels, 22051

tone matching; classification tasks; tone location; tone frequency; stimulus encoding stages; processing sequence; intertrial repetition; encoding processes; stimulus encoding, 6535

topological operators; geographic concepts; geometric operators; cognitive schemas; ontological classification, 34409

typicality; group variability; category-based inferences, 7465

typicality; out of category relatedness; speeded category verification; semantic organization; cognitive development, 34873

verb subcategorization frequencies; psycholinguistics, 16174

visual perception; object recognition; natural images; exposure duration; reaction time; perceptual categorization, 12681

visual processing; backward masking; natural scenes; scene categorisation, 21980

vocal expression; emotion; speech; categorical perception; speech synthesis, 34399

**Classification (Cognitive Process)—Books**

Relational Categories, 19038

What Are Categories and Why Are They Coherent?, 19041

Why Can't You "Open" a Nut or "Break" a Cooked Noodle? Learning Covert Object Categories in Action Word Meanings, 19481

Young Infants' Categorization of Humans Versus Nonhuman Animals: Roles for Knowledge Access and Perceptual Process, 19489

**Classification Systems [See Taxonomies]**

**Classmates—Serials**

student attitudes toward school; view of teacher; relations with classmates; classroom environment; school environment, 18266

**Classroom Behavior—Serials**

attention-deficit hyperactivity disorder; ethnicity; teacher ratings; classroom behavior; Caucasians; African Americans; elementary school children, 26416

classroom activity schedule; self injury; autism; curriculum; autistic child, 32603

classroom disruptive behavior; alternative treatment; group contingency; emotional disturbance; antisocial behavior, 2702

classroom interaction; high school teachers; teacher education program; student participation, 5867

compliance matrix; teacher praise; student behaviors; disruptive classroom behavior, 31070

disruptive behavior; response cost; differential reinforcement; preschool classroom, 2685

elementary school students; cultural themes; African American student achievement; classroom behaviors; mainstream ethos; Afrocentric ethos, 33824

ethnographic practice; secondary schools; educational research; gender differences; activity; passivity; non-events, 21400

externalizing behavior; parenting style; family characteristics; child characteristics; teacher child relationship; classroom behavior; school transition, 21416

gender composition; peer relations; classroom behavior; social competence; social development; same sex classrooms, 11933

in-class learner engagement; team learning; preclinical medical curriculum; instructional method; lecture; problem-based learning, 24303

interactive whole class teaching; primary teachers; literacy; teacher student interaction, 15143

muscular dystrophy; disruptive classroom behavior; adaptive strategies, 17189

peers; mathematics classroom; classroom belonging; early adolescence, 30750

preschool behaviors; behavioral styles; school performance; early adolescent student teacher relationships; early adolescent academic achievement, 18265

pupil misbehavior; student teachers' perceptions; classroom dynamics; age; gender; Norway; England, 18144

standardization data; Functional Assessment Intervention Program; reliability; validity; Motivational Assessment Scale; Functional Assessment Interview; special education classrooms; externalizing, 100

student behavior management; Australian education; Student Behavior Management Project, 33831

student on-task behaviour; numeracy enjoyment; praise; performance improvement; academic self-concept; student attitudes; teachers, 11900

students' affect; classroom discussions; student experiences; emotions, 8961

teachers discussions; emotional socialization; child care centers; classroom; teacher training programs; teacher child interaction, 21263

tic suppression; verbal instruction; Tourette's syndrome; differential reinforcement; classroom behavior, 1806

time of day; classroom behavior; attention deficit hyperactivity disorder; playtime, 17060

**Classroom Behavior—Chapters**

Social Status, Structure, and Development in the Classroom Form (1942), 19424

Sociocultural Activity Settings in the Classroom: A Study of a Classroom Observation System, 5837

Toward linking teacher knowledge and student learning, 15040

**Classroom Behavior Modification—Serials**

cognitive training; children aggression; teachers intervention; prosocial behavior; classroom behavior modification, 9010

effective command training; students compliance rates; academic engagement; teachers; peers; teaching methods, 27398

school-based behavioral intervention; classrooms; school children; academic & social competencies; educational practice; science, 5764

student discipline problems; academic performance; urban elementary school; reading skills; mathematical skills, 11956

treatment integrity; negative reinforcement; performance feedback; student behavior; behavior modification; regular classroom settings, 27540

#### Classroom Discipline—Serials

behavior analysis; school violence; discipline problems; problem behavior; positive behavior support, 27581

behavioral needs; culture of origin; cultural conflicts; discipline problems; African American adolescents; ecological factors, 18327

classroom management; antisocial behavior; anti-violent curricula; school discipline, 15230

corporal punishment; informational beliefs; moral beliefs; empirical support; public support, 21280

group discipline problems; attribution retraining; student misconduct; coercive teacher behavior, 5866

indiscipline; student violence; aggression; educational systems, 21286

motivational influences; student participation; classroom learning; learning activities; teacher expectations; motivational support, 2676

pupil misbehavior; student teachers' perceptions; classroom dynamics; age; gender; Norway; England, 18144

school discipline; student attitudes; teachers attitude; teacher control; student preparation; Slovenian teachers, 27559

social capital; corporal punishment; public schools, 33696

student discipline problems; academic performance; urban elementary school; reading skills; mathematical skills, 11956

student perception; classroom behavior problem; disciplinary methods; troublesome behavior, 30753

#### Classroom Environment—Serials

achievement goal messages; student interpretations; high school students; classroom goal structures, 8824

classroom behavior; quality of instruction; teaching goals; child perception; social climate; classroom management; classroom practice measurement, 6372

classroom intervention; attention deficit hyperactivity disorder; disabled children; classroom environment; special education needs, 21429

classroom talk; academic rigor; reading comprehension; comprehension instruction, 21388

emotional support; instructional support; first grade classroom; school failure; at risk students, 36912

ethnicity; classroom behavioral norms; victim adjustment; classroom social disorder; peer victimization; social-psychological adjustment; loneliness; social anxiety, 5854

forgiveness; developmental guidance; classroom guidance program; program effectiveness evaluation, 12002

formative assessment; learning standards; classroom practice; teaching; desired performance, 36802

functional assessment strategies; behavioral assessment; classroom routines; attention deficit hyperactivity disorder; student behavior; oppositional defiant disorder, 21440

interactive education; information technology; communications technology; teacher role; classroom environment, 8890

learning environment; electronic learning; student performance; student experiences; intrinsic motivation, 15196

literature classroom; reception theories; classroom discourse; discourse analysis; teachers; teaching methods; students response, 11864

moral decision-making; caring education; child education; school community; classroom strategies; ethics, 13279

motivational influences; student participation; classroom learning; learning activities; teacher expectations; motivational support, 2676

one-on-one digital classroom environment; educational computing; design perspectives; wireless communication, 27478

peers; mathematics classroom; classroom belonging; early adolescence, 30750

process quality; Infant and Toddler Environment Rating Scale; Early Childhood Environment Rating Scale; School Age Care Environment Rating Scale, 18809

reading curriculum; classroom practice; literacy outcome; instructional practice; reading development, 2591

sexual minority students; psychology classroom environment; safe zone; self examination, 24532

Social Domain; schools; social skill deficits; learning disabilities; Science-Based Advances, 23401

student achievement; classroom structure; self efficacy; cognitive engagement; classroom perceptions; motivation; high school students, 2557

student attitudes toward school; view of teacher; relations with classmates; classroom environment; school environment, 18266

student classroom experience; summer school programming; learning environment; classroom climate; academic achievement, 27561

student learning; student-centered learning environment; hypermedia; assessment methods; factual knowledge; academic motivation; seventh graders, 5846

task interpretation; academic work habit; teaching effectiveness; student learning, 2648

teacher development; classroom environment; confidence level; human relationships; caring environment, 15076

teacher education; preservice teachers; classroom practice; teacher experiences, 27442

teacher education; special education teachers; emergency provisional licensure; classroom environment; teaching competence; traditionally licensure; planning; instruction; preparation, 18141

teacher learning; on the job learning; mathematics teachers; classroom interaction, 24423

teacher perception; perception of teacher influence; perception of students; perception of school climate, 2585

teacher perceptions; school climate; antiracist classroom practices; professional development, 30593

teacher-child interaction; teaching; reading; classroom practice; sociocultural nature, 18165

teaching experience; elementary classroom system; novice teachers; expert teachers; cohesion; communication; flexibility, 5868

theory of mind; autistic behavior; classroom environment; cognitive impairment; theory of mind mechanism, 4785

Third International Mathematics and Science Study—Repeat; TIMSS-R; contextual factors; mathematics performance; South Africa; school level; classroom level; combined model; 8th grade students, 30712

Third International Mathematics and Science Study—Repeat; TIMSS-R; mathematics achievement; student level; class level; school level; student characteristics; 8th grade students; Belgium, 30737

## Volume 92 SUBJECT INDEX

### Client Satisfaction—Serials

patient centered care; breast cancer; survivor satisfaction; health information; psychosocial needs; treatment decision making, 30275

patient participation; quality of decision-making; health care; satisfaction; perceptions, 5402

patient satisfaction; doctor-patient relationship; emotional response; consultation time length, 29859

patient satisfaction; hospital experiences; gender differences; patient maltreatment, 2258

patient satisfaction; hospitalization; psychiatric care; somatic care; physical illnesses, 11547

patient satisfaction; military medicine; theoretical attitude model, 27020

patient satisfaction; patient opinion; quality of health care; handout survey; mailed survey, 28161

patient satisfaction; physicians; waiting time, 30123

patient satisfaction; waiting times; quality of care; treatment strategy, 14297

peer; supervisor; patient communication satisfaction; peer communication satisfaction; medical technologists, 26977

Quebec User Evaluation of Satisfaction with Assistive Technology; postal survey; method of survey administration, 34277

remote interpretation; medical encounters; professional consultation; client satisfaction; doctor satisfaction, 32887

return visits; physician-patient communication; task focused communication; socio-emotional communication; patient satisfaction; outpatients; hematology clinic, 24066

schizophrenia; outpatient care satisfaction; family members; psychiatric hospital discharge; family involvement, 30295

service expectations; psychiatric emergency department patients; clinical factors, 33436

substance use disorder; treatment process; justice system; client satisfaction; drug rehabilitation, 27170

treatment satisfaction; recovery; Saami & Norwegian patients; psychiatric hospital treatment; mental illness, 27133

workfare; contracts; client satisfaction; citizenship; Europe; worker client relations; United States, 31948

working alliance; treatment satisfaction; posttreatment drug use; substance abuse; adolescents, 30400

**Client Transfer—Serials**

challenging behaviour; intellectual disabilities; relocation; institutions; community based residential supports, 27001

mortality; learning disability; relocation; hospitalization; social care; long-stay hospital, 2125

**Client Treatment Matching—Serials**

sex offender treatment programs; sexual offenders; criminogenic risk factors; dosage of treatment; overprescribing, 17952

sex offender treatment programs; sexual offenders; criminogenic risk factors; dosage of treatment; overprescribing, 17948

sexual aggression; sex offender treatment & treatability; client group heterogeneity, 1678

treatment outcomes; chronic pain syndromes; treatment matching, 8055

**Client Treatment Matching—Books**

What works for whom: A critical review of psychotherapy research, 2nd ed., 17467

**Client Treatment Matching—Chapters**

Systematic Treatment Selection and Prescriptive Psychotherapy, 17474

**Client Violence [See Patient Violence]**

**Clients—Serials**

African American clients; family therapy; social relationships; cultural identity; rural settings; marriage therapy practice; homelace, 5143

autobiography sessions; client response; couple clients; self differentiation; couple therapy, 26772

career counselors; whistleblowers; clients; decision making; working alliance, 30487

caring sciences; caregiver; caregiver patient relationship, 36058

client dropout; therapist trainees; stress; attributions, 32989

client satisfaction; agency satisfaction; community treatment subprogram; inner-city population; demographics; needs assessment, 5470

client self-disclosure; predictor of short-term outcome; college students; brief psychotherapy; psychotherapy outcomes; university counseling center, 21475

client suicide; death; grief; trauma; professional impact, 30545

client suicide; mental health professionals; legal liability, 30562

client suicide; psychotherapy practice; professional crisis; therapist attitudes; coping behavior, 30533

client-project manager interaction; cognitive trust; client loyalty; project performance; affective trust, 9081

client; counsellor; communications; therapeutic alliance, 8177

clients; payment; psychologists diagnostic decision; managed care; ethical issues, 8801

clinical issues; affirmative therapy guidelines; parenting; gay clients; lesbians; bisexual individuals; identity development; legal issues; couple relationships; ethnic minorities; workplace issues, 1745

consumer involvement; mental health service delivery; service providers; professional training; service design, 36398

counseling; individualism; collectivism; clients; counselors, 20662

dual relationships; ethical dilemmas; counselor-client relationship; professional ethics, 18080

ethical considerations; nonerotic touch; psychotherapy; clients, 8803

family members; online counseling; counselor; recovery; clients; friends; substance abuse treatment, 33467

female sex workers; sex workers' clients; condom use; condom breakage, 32042

guinjin therapist; outsider therapist; therapeutic truth; client clinician dyad; ethnic groups; therapeutic interaction; multiple self state theory; Asian bicultural client; client-clinician dyad, 23749

hypochondriasis; elderly clients; geriatrics; comorbidity, 29681

informed consent; clients; practitioners; treatment process; clinical practice; supervision; training, 33650

long-term benefits; psychotherapy; client; therapist; mental health professionals; therapeutic work, 36146

low-income clients; Latinos; dropouts; counseling services; barriers, 11045

mental health provision; service users; crisis management, 36392

Minnesota Multiphasic Personality Inventory; private practice clients; scales; code types; symptom correlates; MMPI-2, 18758

multicultural competence; cross cultural counselling; counselling psychologists; multicultural clients, 11720

multidisciplinary treatment teams; case conceptualization; treatment planning skills; instructional methods; advanced counseling procedures course; clients, 11672

pervasive alienation; major mental illness; elder care; mental health services; clients; Community Mental Health Teams, 30296

physical contact; touch; client touching; psychotherapy; practicing psychologists, 1756

predictive validity; outpatient methadone treatment; psychosocial functioning; cocaine; heroin; marijuana; drug abuse; substance abuse treatment, 2309

preference for counselors; university counseling center clients, 21476

psychiatric disorder; clients; service utilization; psychiatric service needs; social service needs; health related quality of life, 8557

psychotherapeutic confidentiality; psychotherapists; professional ethic; managed care services; clients, 2533

psychotherapists; treatment effectiveness; client progress; treatment failure, 17431

psychotherapy; psychotherapeutic process; therapist; client, 14351

racial & ethnic minority students; clients; university counseling centers; health care utilization, 11011

session evaluation; counselor attachment; client & therapist attachment; countertransference behavior; counseling sessions; session outcome; first session, 29928

sexual abuse; training program; mental health professionals; clients; mental health services, 11647

social workers; mental health; client suicidal behavior; fatal behavior; stress, 2504

speech-language therapists; professional talk; clinical practice; clinical education; clients language; client therapist relation, 8724

state mental health authorities; evidence based practices; client outcomes, 33406

strategies; treatment assignments; client compliance; behavior therapy; adherence methods, 1799

strengths perspective; clients; psychosis; violence; psychotic; client records; rehabilitation; social environment, 36519

suicidal patients; suicidal risk assessment; comorbid & protective factors; clinical practice guidelines; specific questions; clinical decision-making; interventions; checklist, 20218

supervisory relations; therapist experiences; client suicide, 30548

supported education; career development strategy; clients; psychiatric disabilities; employment; students; peer-tutor/mentors, 11787

supported education; collaborative relationships; clients; psychiatric disabilities; postsecondary education; consumer involvement; staff involvement, 11980

### Clinical Judgment (Not Diagnosis)—Serials

Tarasoff I; duty to warn; Tarasoff II; duty to protect; danger of violence; patient; legal issues; psychotherapists, 33664

therapist attitudes; client suicide; psychotherapeutic processes, 30529

therapist experiences; language proficiency; bilingual clients; international work patterns; epistemology, 8771

therapist grief; client suicide; psychological autopsy; pain, 30520

treatment failure; algorithms; lab test; psychological interventions; psychotherapy; client monitoring; at risk population, 17354

treatment failure; psychotherapy; clients; clinical support tools; feedback, 17427

treatment outcomes effects; client therapist cognitive match; problem perception; coping orientation; therapy goals, 36149

working alliance; short term counseling; counseling outcomes; change models; readiness to change; transtheoretical model, 27601

**Clients—Chapters**

Challenge, 1772

The changes produced by therapy, 14369

Conclusion: Making Hope Out of It, 13553

Counseling and Rehabilitation Outcomes, 5525

Five Habits for Cross-Cultural Lawyering, 18620

 customers dress effects; sales persons service; apparel store; customer salesperson interactions; sales people friendliness; promptness; service quality, 34054  
 dress practices; Bosnian Muslim refugee women, 10134  
 feminists; Islamist women's groups; head covering; work; ideology; progress; dialogue, 10215  
 light weight cooling vest; athletes performance; heat; human body temperature, 37184  
 nonverbal behaviour; opponent behaviour; first impressions; outcome expectations; table tennis players; sporting encounters; clothing; body language, 12203  
 opponents clothing; body language; impression formation; outcome expectations; tennis players; sporting interactions, 18504  
 pedestrian clothing; driving behavior; right of way; pedestrian safety, 12323  
 perceived clothing comfort; cognitive performance; exam scores; college students, 21347  
 perceived occupational stress; men; women; weavers; textile industries; employees, 15307  
 sexual harassment; fashion retailing; female clothing; workplace harassment, 32493  
 ultraviolet protective factor; knit fabrics; consumer laundry products, 9170  
**Clozapine—Serials**  
 antipsychotic-induced QTc interval prolongation; substance abuse; cocaine; schizophrenia; clozapine psychotherapy; quetiapine; drug therapy, 5185  
 atypical antipsychotics; clozapine; drug therapy; schizophrenia, 33217  
 atypical antipsychotics; schizophrenia; drug therapy; clozapine; long-term effectiveness, 36243  
 catatonias; clozapine withdrawal; catatonic stuporous state; serotonergic hyperactivity; cholinergic hyperactivity, 5250  
 catatonic schizophrenia; clozapine monotherapy; psychosis, 29347  
 clozapine action; chlorpromazine; schizophrenia; marker of vulnerability; reduced auditory P300 amplitude, 30076  
 clozapine induced hypersalivation; sulpiride addition; clozapine sulpiride combination therapy; hypersalivation, 36248  
 clozapine treatment; drug treatment; morning pseudo-neutropenia; agranulocytosis; neutropenia, 1862  
 clozapine treatment; psychosis; velo cardio facial syndrome; drug therapy; intellectual disability; side effects; treatment outcomes, 30052  
 clozapine treatment; schizophrenic patients; rehospitalization status; long term treatment; drug therapy; psychiatric hospital readmission, 20743  
 clozapine-induced sialorrhea; clonidine; adverse effects, 30080  
 clozapine; agranulocytosis; chronic schizophrenia; antipsychotic drugs; complete blood count, 23025  
 clozapine; dibenzodiazepine derivative; dopamine receptors; schizophrenia; psychotropic medication; side effects; nephritis, 4398  
 clozapine; drug therapy; schizophrenia; pregnancy; drug side effects, 8305  
 clozapine; dyskinesia; movement disorders; treatment outcome; drug therapy, 26824  
 clozapine; eosinophilic colitis; schizophrenia; haloperidol; risperidone; diarrhea; fever; neuroleptic malignant syndrome, 36233  
 clozapine; neuroleptic medication; randomised controlled trials; schizophrenia, 11213  
 clozapine; olanzapine; haloperidol; ethanol; striatal ascorbic acid; mouse striatum, 16118  
 clozapine; olanzapine; treatment-resistant schizophrenia; drug efficacy; blood flow; drug dosage; brain activation patterns, 1858  
 clozapine; risperidone; spatial working memory; schizophrenia, 23887  
 clozapine; schizophrenia; suicide risk; evidence based medicine, 23889  
 clozapine; stuttering; facial tics; myoclonic seizures, 14512  
 clozapine; topiramate; bipolar disorder; combination treatment; drug therapy; somatic therapies, 29307  
 clozapine; violent behavior; aggressive behavior, 20777  
 clozapine; weight gain; monozygotic twins; schizophrenia; mild mental retardation; atypical antipsychotic; genetic factors, 17695  
 diabetes mellitus; antipsychotics; clozapine; schizoaffective disorder; schizophrenia, 36273  
 diabetes mellitus; hyperglycemia; clozapine; depot neuroleptics; glucose levels, 20786  
 drug interactions; atypical antipsychotics; olanzapine; clozapine; drug dosing; drug efficacy; cytochrome; genetic variability, 23859

extrapyramidal side effects; quality of life; outpatients; clozapine; typical antipsychotics; symptom severity, 17686  
 galactorrhea; haloperidol; clozapine; drug administration; hyperprolactinaemia; schizoaffective disorder, 26817  
 galantamine; clozapine; cognition; schizophrenia; treatment, 29337  
 glucose metabolism; coronary artery disease; weight gain; atypical antipsychotics; clozapine; olanzapine; triglyceride levels; lipid disturbances; quetiapine, 26822  
 guanfacine; clozapine-induced sialorrhea; hypertension; schizoaffective disorder; drug therapy; drug side effects, 8336  
 guanfacine; side effects; drug therapy; clozapine; sialorrhea; schizoaffective disorder, 20769  
 increased efficacy; low-dose clozapine; aripiprazole; antipsychotics; treatment-refractory schizophrenic patients; tolerance; adverse effects, 20782  
 increased efficacy; low-dose clozapine; aripiprazole; antipsychotics; treatment-refractory schizophrenic patients; tolerance; adverse effects, 1884  
 increased efficacy; low-dose clozapine; aripiprazole; antipsychotics; treatment-refractory schizophrenic patients; tolerance; adverse effects, 20759  
 lamotrigine; clozapine augmentation; treatment resistant schizophrenia; comorbid alcohol dependence; cravings, 23874  
 late onset neutropenia; clozapine; drug therapy; schizophrenia; treatment effectiveness, 5239  
 leukopenia; clozapine; risk factors; neutropenia; treatment refractory schizophrenia, 11248  
 mental health service utilization; clozapine; schizophrenia; antipsychotics; community mental health centers, 30055  
 myocarditis; pericarditis; cardiomyopathy; clozapine; children; adolescents; young adults, 14574  
 neuroleptic malignant syndrome; antipsychotic agents; promethazine; clozapine; catatonic schizophrenia, 14545  
 neuroleptic malignant syndrome; clozapine withdrawal; haloperidol, 17667  
 neutropenia; onset; clozapine; psychopharmacologic agents; schizophrenia; mild mental retardation, 20810  
 nicotine; antagonist raclopride; clozapine; N-methyl-D-aspartate; neurotransmission; pyramidal cells; medial prefrontal cortex; cognition; schizophrenia; rats, 25499  
 obsessive compulsive disorder; atypical antipsychotics; clozapine, 8315  
 obsessive compulsive disorder; atypical antipsychotics; clozapine, 8316  
 obsessive compulsive symptoms; schizophrenia; clozapine; drug therapy, 20762  
 obsessive-compulsive disorder; drug therapy; clozapine; schizophrenia; schizophreniform disorder; schizoaffective disorder; disorder onset, 11234  
 olanzapine-induced hyperprolactinemia; galactorrhea; bromocriptine; clozapine; schizoaffective disorder, 17669  
 oxidative stress; haloperidol; clozapine treatment; recognition memory; antipsychotics; neurogenesis; hippocampus, 16133  
 pericarditis; polyserositis; clozapine side effect; adolescent girl; treatment-resistant bipolar disorder, 14515  
 polymorphism; serotonin receptor gene; clozapine; weight gain; schizophrenia; antipsychotics, 1910  
 propofol; postictal delirium; clozapine; electroconvulsive therapy; schizophrenia, 8364  
 psychotic patients; clozapine treatment; agranulocytosis, 26852  
 risperidone; plasma levels; lamotrigine; therapy-resistance; schizophrenia; auditory hallucinations, 22999  
 schizophrenia; clozapine treatment; glucose homeostasis; growth hormone; insulin like growth factor; insulin like growth factor binding protein 1, 5195  
 schizophrenia; soluble leptin receptor; olanzapine induced weight gain; second generation antipsychotic agents; antipsychotic drugs; clozapine, 23862  
 serine levels; plasma glycine level; clozapine treatment; drug efficacy; negative symptoms; schizophrenia, 33219  
 severe tachycardia; drug low dosage; clozapine; drug therapy; drug side effects, 36266  
 side effects; clozapine; amisulpride; schizophrenia; treatment compliance; psychotic symptoms; pathophysiology; hypersalivation, 17645  
 social functioning; schizophrenia; clozapine treatment; clinical symptoms; cognitive problems; episodic memory, 5190  
 suicidal risk; drug therapy; clozapine; mortality; schizophrenia; psychotic disorder; psychiatric treatments, 17655  
 tardive dystonia; symptoms reappearance; schizophrenic patient; olanzapine; drug side effects; clozapine; drug therapy, 30045  
 Tardive Nocturnal Akathisia; Clozapine treatment; schizophrenia; pseudoakathisia; restlessness, 36249  
 triglyceride levels; subchronic clozapine; serum glucose; cholesterol; body weight, 34725

weight loss; modafinil; clozapine; drug therapy; Schizoaffective Disorder, 30057  
**Cloze Testing—Serials**  
 Cloze test; plagiarism detection; text readability, 21788  
**Clubs (Social Organizations)—Serials**  
 British Boy Scouts movement; sexuality; masturbation; prevention; self abuse; historical context; continence; health, 19793  
 cannabis use; British nightclubbers; drug use; young people, 20264  
 gay male clubs; masculinity; gay culture; Mineshaft; performativity; gay male community; S&M clubs, 10252  
 gay students; lesbian students; experiences; gay & lesbian Society involvement; sexual identity formation; counseling services; college campus; victimization; cultural norms, 30590  
 initiation; hazing; conformity; social identity; attachment to groups; college; initiation practices; undergraduate students; group functioning; college organizations, 29068  
**Clubs (Social Organizations)—Chapters**  
 Having Fun With Friends: A Place to Be a Kid, 18206  
**Cluster Analysis—Serials**  
 Bayesian classification methods; supervised classification; unsupervised classification, 3286  
 binary data sets; clustering; cluster analysis techniques; K-means algorithm; masking variables; cluster structure, 6387  
 cluster methods; redescending M-estimator; regression clusters; classical regression; orthogonal regression; multivariate location, 18854  
 cluster-derived groupings; adolescent males; juvenile offender; behavior assessment; behavior problem; cluster analysis, 59  
 clustering structure; guided cluster discovery; Markov model; data mining; probabilistic model; labeling constraint; labeled data; similarity information; unlabeled data; joint estimation, 15735  
 concordance; multidimensional scaling; cluster analysis; pooling; concordance partitioning; ConPar; concordant subject proximity matrices, 21767  
 family psychology research; cluster analysis; clustering methods; hierarchical clustering; nonhierarchical clustering; cluster solutions, 15728  
 likelihood; conditional likelihood inference; generalized additive mixed models; clustered data; distributed random effects; nonparametric functions; variance components, 9517  
 network classification; quasi clustering method; computational efficiency; clustering methods; learning methods; machine learning, 31009  
 neural network; self-organizing map; data clustering; ordered clusters; cluster visualization; large dataset analysis, 12354  
 organizational psychology; job classification; job evaluation; career exploration; personnel functions, 5928  
 physically abusive parents; cluster analysis; parenting behavior; affect; problem solving; emotional health; parenting stress; social adjustment; child preceptions, 4649  
 psychometrics; Monte Carlo study; latent trait theory; dimensionality; goodness-of-fit statistics; item cluster, 25016  
 risk behaviours; American Indians; HIV risk groups; self-efficacy, 4902  
 syllables; infant vocabulary; language learning, 9988  
 unsupervised learning; synaptic delays; learning automata; spiking neurons; data clustering; neural network, 37228  
**Clustering [See Cluster Analysis]**  
**CNS Affecting Drugs [See Also CNS Depressant Drugs, CNS Stimulating Drugs]—Serials**  
 intranasal administration; cholecystokinin; central nervous system; auditory event related potential, 16109  
 pharmacotherapeutic development; central nervous system; genomics; gene expressions; neurodegenerative pathology, 11347  
**CNS Depressant Drug Antagonists [See Analeptic Drugs]**  
**CNS Depressant Drugs [See Also Amobarbital, Chlorpromazine, Haloperidol, Scopolamine]—Serials**  
 epileptic seizure; gamma hydroxybutyrate withdrawal; drug use; methamphetamine, 7637  
 GHB; gamma hydroxy butyrate; intoxication; dependency; drug abuse, 35671  
**CNS Stimulating Drugs [See Also Amphetamine, Analeptic Drugs, Caffeine, Clonidine, Dextroamphetamine, Ephedrine, Methamphetamine, Methylphenidate, Pentylenetetrazol]—Serials**  
 attention deficit hyperactivity disorder; prescription stimulants; clinicians; prescription misuse, 17007  
 attention deficit hyperactivity disorder; treatment response; psychostimulant medication; symptoms; parental behaviour ratings, 23870  
 attention-deficit hyperactivity disorder; prescription stimulants; nonmedical use; prescription abuse, 17008

- caffeine; dopaminergic system; behavioural pharmacology; psychostimulant effects; neuro-chemical mechanisms; drug effects; drug of abuse; adenosine. 19288
- childhood onset schizophrenia; comorbid attention deficit hyperactivity disorder; stimulants; antipsychotic medication. 5240
- children; pervasive developmental disorders; problematic behaviors; psychostimulants; adolescents; attention deficit hyperactivity disorder. 30032
- co-morbidity; Attention Deficit Hyperactivity Disorder; substance dependence; adolescents; psychostimulants; prevalence. 4400
- locomotor response; amphetamine; psychostimulants; mice; diet; protein malnutrition; psychoactive drugs. 16110
- mania; modafinil; narcolepsy; side effects; psychosis; irritability. 23030
- methamphetamine; AIDS; feline immunodeficiency virus; psychostimulant drugs; infections; brain metabolism; cats. 3699
- methylphenidate; prescription stimulants; epidemiology; nonmedical drug use; trends. 17005
- modafinil monotherapy; poststroke depression. 11224
- modafinil monotherapy; poststroke depression. 11288
- modafinil; brain surgery; recovery; intraventricular haemorrhagic subependymoma; diminished responsiveness. 33281
- neuroleptics; movement disorders; drug stimulation. 20808
- nonmedical drug use; stimulants; adults; rural; drug use; substance abuse; treatment history; marijuana; cocaine hydrochloride; crack cocaine; injection drug use. 29534
- open field activity; psychostimulants; cocaine; mouse; d-amphetamine; genotypes; locomotor behavior. 13106
- prefrontal cortex; state dependent alteration; glutamate transmission; dopaminergic contribution; cortical dopamine; cognitive functions; prefrontal mesoprefrontal system; psychostimulant. 31724
- prescription stimulants; attention-deficit hyperactivity disorder; drug therapy; risk factors. 17010
- prescription stimulants; illicit drug use; motives; undergraduate students; prevalence. 32564
- psychostimulant treatment; adults with mental retardation & attention-deficit hyperactivity disorder; effectiveness; tolerability. 8304
- psychostimulant withdrawal; animal models; depression; drug therapy; syndromes; symptoms. 28544
- psychotropic co-medication; stimulant use; pediatric population; treatment duration. 17650
- school psychologists; school based medication monitoring; attention deficit hyperactivity disorder; stimulant treatment; school psychologist attitudes; drug treatment compliance. 27587
- stimulant abuse; Health Insurance Portability and Accountability Act; federal law; privacy; healthcare information; clinical care conflict. 14049
- stimulant abuse; methylphenidate; drug therapy; attention-deficit hyperactivity disorder. 17012
- stimulant medication; schools; attention deficit hyperactivity disorder; monitoring; medication evaluation procedures. 27604
- stimulant medications; prescribing stimulants; drug therapy; nonmedical use. 17651
- visual spatial attention; alcoholics; illicit stimulant abusers; nicotine replacement; cognitive impairments; smoking status; nicotine withdrawal. 17916

- antisocial personality; cocaine dependence; opioid dependence; gender differences; eye movement control. 17006
- anxiety; cocaine related behaviors; novel object task; dopamine transmission; ventral tegmental area neurons; nucleus accumbens; serotonin; rats. 25498
- anxiolytic drugs; antidepressant drugs; antipsychotic drugs; cocaine; seizures; mortality; mice. 9849
- baclofen; cocaine sensitization; rats; medial prefrontal cortex; motor activity; drug effects. 31720
- behavioral responses; gonadal hormones; sex differences; cocaine. 9835
- chronic cocaine pretreatment; Pavlovian sexual conditioning; male quail; drug exposure; behavioral sensitization. 9848
- club drug use; Hispanic men; polydrug use; cocaine; amyl nitrate; crystal methamphetamine; risky sexual practices; homosexuality. 32531
- cocaine abstinence; methadone maintained patients; drug injection; long term reinforcement. 2323
- cocaine abuse; schizophrenic patients; olanzapine; haloperidol; comorbidity; cocaine craving; extrapyramidal symptoms; positive & negative symptoms; depression; clinical outcomes. 26870
- cocaine dependence; desipramine treatment; methadone; buprenorphine; baseline urine; opioid dependence. 17661
- cocaine dependence; drug counseling; individual cognitive therapy. 5569
- cocaine dependence; pharmacotherapy trials; lead in period; cocaine use; treatment retention; administration routes. 14847
- cocaine dependence; prize reinforcement; contingency management; group therapy; methadone clinic; methadone patients. 17935
- cocaine exposure; mother toddler social play; play interactions. 35718
- cocaine overdose; cocaine users; injections; patient experiences. 4742
- cocaine reinforcement; endogenous cannabinoid; behavioural sensitization; cannabinoid receptors; drugs. 9847
- cocaine sensitization; diurnal rhythms; circadian rhythms; seasonal rhythms; inbred mice; behavioral traits; genetic differences. 531
- cocaine vaccine; immunotherapy; cocaine abuse & dependence prevention & treatment; ethical issues. 5340
- cocaine vaccine; immunotherapy; cocaine abuse & dependence prevention & treatment; ethical issues. 5358
- cocaine; acute hepatitis; thrombotic microangiopathy; hepatic failure. 17161
- cocaine; cytokines; tumor growth; sigma receptors ligands; mice. 3709
- cocaine; drug abstinence; methadone maintenance; intermittent reinforcement; voucher-based reinforcement; monetary incentives. 5566
- cocaine; drug self administration; shock avoidance; reinforcers. 28392
- cocaine; language abilities; maternal factors; utero; prenatal exposure. 721
- cocaine; risk factors; HIV infection; drug abuse. 4908
- cocaine; vocalization; baboons; grunt; acoustics; human vowel sounds. 31702
- cocaine dependency; epidemiology; public health. 23308
- cognitive intervention; behavioral intervention; cocaine use; methadone program. 36562
- community-based intervention; cocaine abuse; African-American women; homeless women; drug abstinence; pretreatment environment; community network. 30397
- comorbid physical disorders; alcohol dependence; cocaine dependence; hospitalized psychiatric patients; viral hepatitis; dual diagnosis. 1139
- conditioned activity; instrumental reinforcement; oral cocaine consumption; rats. 6864
- conditioned inhibition; drug seeking; cocaine; rats; drug abuse; cue-oriented behavioral treatments. 19303
- contingency management treatments; family activities; treatment outcomes; substance dependence; cocaine abuse. 33489
- cortical depression; prefrontal cortex; cocaine; pyramidal neurons. 22347
- cortical depression; prefrontal cortex; cocaine; pyramidal neurons. 22355
- cortisol; cocaine; plasma prolactin; growth hormone levels; growth hormone levels; dopaminergic effects. 23287
- discriminative stimulus effects; cocaine; saline; conditioned approach procedure; sexual reinforcement; male Japanese quail. 3732
- dopamine agonist pergolide; cocaine dependence; outpatient treatment; depressive symptoms. 33477
- dopamine; gene polymorphism; cocaine dependence. 35687
- drug abuse; huffing; addictive drugs; marijuana; amphetamines; cocaine. 23312
- drug addiction; dopamine; neurobiological computational model; cocaine; reward prediction; fatty foods; alcohol; opiates. 10685
- drug dreams; outpatients; bipolar disorder; cocaine dependence; triggers; drug abuse treatment. 1127
- drug dreams; outpatients; bipolar disorder; cocaine dependence; triggers; drug abuse treatment. 1145
- drug tolerance; response-disruptive effects; drug sensitization; pigeons; fixed ratio; key peck. 565
- drug use; cocaine; drug dependency; homeless persons; day treatment; abstinent-contingent housing; abstinent-contingent work; urine toxicologies; abstinence; lapse; relapse. 2315
- drugs; cannabis; tobacco; cocaine; psychological & pharmacological effects; social acceptability; medical uses; legal status; autonomy; drug policy; psychoactive drug use & addiction. 4724
- ecstasy use; substance use; heroin users; cocaine; Hispanics; Blacks; injection drug users. 32554
- ecstasy; cocaine; patterns of use. 32566
- estrus cycle; individual differences; novelty; cocaine; rats. 28582
- genitourinary medicine clinic; superficial penile necrosis; cocaine; ampicillin; flucloxacillin. 14171
- H3 antagonist; thioperamide; conditioned preference; cocaine; locomotor activity; histaminergic system; mice. 22344
- health education; teaching; alcohol curriculum; elementary school children; cocaine; student attitude; drug education. 2633
- impaired effector function; alveolar macrophages; marijuana smokers; cocaine smokers; tobacco smokers; nitric oxide. 4759
- impulse control; attentional functioning; cocaine exposure; behavioral problems; cognitive demands; inner city children. 16722
- infant; mother; emotion; cocaine exposure; communication; social-emotional behavior; dyadic features; mother infant interaction. 35144
- Latin American adolescents; epidemiology; alcohol use; cocaine use; marijuana use; eighth grade students. 22552
- locomotor activity; novel environment; cocaine self administration; rats; learning. 19315
- locomotor activity; novel environment; cocaine self administration; rats; learning; addiction; locomotor response; operant responding. 34742

# Volume 92 SUBJECT INDEX

## Cocaine—Serials

male rats; cocaine; paradoxical sleep; sleep deprivation; animal behavior; stereotyped behavior; animal locomotion, 19276  
marijuana; cocaine; sharing; drug gifts; drug rehabilitation, 23299  
methadone maintenance; cocaine abuse; opioid-dependency; recurrent syncope; polymorphic ventricular tachycardia; torsade de pointes, 14855  
methylenedioxymethamphetamine; amphetamine; cocaine; rats; performance; working memory impairments; rats, 19301  
metyrapone; cocaine; drug interaction; cocaine dependence; drug treatment; drug rehabilitation, 24214  
neuropsychological functioning; cocaine dependence; abstinence; neuropsychological deficits, 26309  
nicotine; N-methyl-D-aspartate receptor; glutamate receptors; intravenous cocaine; mice; channel blockers; memantine; self-administration; nicotinic receptor blockers, 19282  
noradrenergic system; genital reflexes; cocaine; sleep deprivation; male rats; alpha & beta adrenoceptor agonists; sexual behavior; receptors, 19275  
open field activity; psychostimulants; cocaine; mouse; d-amphetamine; genotypes; locomotor behavior, 13106  
oral nefazodone; cocaine dependence treatment; treatment efficacy; outpatient treatment; cocaine craving; treatment adherence; depressive symptoms; abuse abstinence, 24203  
outpatient treatment; cocaine dependence; dexamphetamine, 2317  
Parkinson's disease; iodine; metaiodobenzylguanidine; cardiac sympathetic innervation; pupils; cocaine eye drops; phenylephrine eye drops; multiple system atrophy, 17307  
peer group network; injection drug use; homeless youth; amphetamine; cocaine, 25703  
perfusion abnormalities; decision making; cocaine dependence; cognitive functioning; hyperperfusion, 4763  
plasma oxytocin; negative affect; stress; blood pressure; mothers; cocaine exposure; pregnancy; maternal behavior, 4748  
prazosin; adrenergic antagonist; cocaine; drug seeking behavior; norepinephrine, 22372  
prefrontal cortical dysfunction; abstinent cocaine abusers; executive cognitive functions; anterior cingulate cortex; lateral prefrontal cortex, 10689  
prenatal cocaine users; polydrug use; maternal infant feeding interactions, 29545  
protein signaling; nucleus accumbens; dopamine receptor; locomotor hyperactivity; pertussis toxin; cocaine, 575  
reinforcing effects; cocaine dependence; N-methyl-D-aspartate antagonists; outpatient; memantine; drug therapy, 32568  
reinforcing efficacy; rhesus monkeys; cocaine; methylenedioxymethamphetamine, 22356  
repeated cocaine exposure; adolescent exposure; Syrian hamsters; aggressive response; offensive aggression; serotonin receptor activity; tropisetron; brain immunoreactivity, 572  
repeated cocaine exposure; adolescent exposure; Syrian hamsters; aggressive response; offensive aggression; serotonin receptor activity; tropisetron; brain immunoreactivity, 546  
risperidone; serotonin; cocaine; craving, 16108  
rural African Americans; HIV risks; HIV education; unprotected sex; drug risk reduction; healthcare professionals; condom use, 20477  
social behaviours; cocaine; aggression; isolated & group housed mice, 6852  
sodium channel inhibition; peripheral action; cocaine; conditioned taste aversion; rats; procaine, 13101  
treatment outcome; cognitive behavioral therapy; substance dependence; cocaine dependence; homework assignments; practice assignments; mediators; mechanisms of action, 36534  
trichotillomania; cocaine abuse, 14046  
voucher delivery schedules; initiation; cocaine abstinence; reinforcement; methadone maintenance patients, 36535  
workplace intervention; drug addiction; heroin abstinence; cocaine abstinence; drug rehabilitation; unemployment; data entry operators, 14861  
**Cochlea—Serials**  
auditory synapse; fast vesicle replenishment; ribbon release sites; mammalian cochlea; sensory encoding, 25273  
force generation; mammalian hair bundles; cochlear amplification; somatic electromotility; hearing ability; prestin, 16000  
mouse mutants; vestibular defects; genetic mapping; chromosome 4; hearing impairments; balance defects; lateral semicircular canal, 34573  
psychophysical tuning curves; auditory system; frequency selectivity; masker level; cochlea, 36049

## Cochlear Implants—Serials

age at implant; time with implant; complex working memory; phonological short-term memory; lexical & grammatical development; congenitally deaf children; cochlear implants, 11384  
auditory stimulation; auditory pathway development; electrical brainstem auditory potentials; ears; cochlear implants, 13244  
cochlear implant; deaf children; deafness reporting; sociocultural model; medical model; newspapers; deaf child, 36044  
cochlear implants; hearing aids; hearing impairment; cognition; behavior, 30169  
cortical activation; cochlear implant; auditory cortex; postlingually deaf, 5317  
deafness; cochlear implants; neurological development; sensorimotor integration; non-verbal cognition, 1671  
journal; research; deaf; hard of hearing; 10th anniversary; goal; changes; cochlear implants; bilingual-bicultural programs; technology papers; submissions & publication changes, 10987  
paediatric cochlear implantation; parental perspective; family experiences, 36329  
parental distress; hearing aid; cochlear implant; childhood hearing impairment; psychosocial stress; psychic state; treatment; speech status, 26920  
stimulation rate; speech perception; speech processing; cochlear implants; word recognition, 20882  
structured group therapy intervention; efficacy; communication & coping skills; adult cochlear implant recipients; assertiveness; depression; conversation; personality traits, 29857  
voice similarity; talker discrimination; normal hearing children; cochlear implants, 36032  
**Cochran Q Test** [See Nonparametric Statistical Tests]  
**Code Switching—Serials**  
advertising; bilingual consumers; code switching; persuasion; marketing messages, 21667  
asymmetrical language switching costs; Chinese English bilinguals; number naming; arithmetics, 22400  
language switching; orthographic specificity; response repetition; lexical decisions; word recognition, 25187  
learner code switching; advanced foreign language classroom; content based foreign language classroom, 31754  
lexical insertions; code switching; bare forms; matrix language, 22428  
literacy effect; text type; modality; grammatical means; Spanish language; agency alternation, 19374  
multilingual play; code switching; role play; agency; children, 13201  
pre-adolescence; bilingual girls; linguistics; knowledge; power; rationality; code choices, 28700  
random number generation; working memory; executive processes; number processing; language switching, 25195  
regime switching; latent growth curve; alcohol use; Markov transition model, 12572  
sociolinguistic effects; code switched advertisements; bilingual consumers; advertisement persuasiveness; language minorities, 30957  
**Code Switching—Chapters**  
Code-Switching and Second Language Writing: How Multiple Codes Are Combined in a Text, 3759  
**Codeine—Serials**  
codeine intoxication; cytochrome metabolism; drug therapy; treatment outcome; chronic lymphocytic leukemia, 23974  
**Codependency—Serials**  
codependency; interpersonal relationships; alcohol addiction; drug addiction, 10698  
global career; dual dependency; organizational communication; individual interaction; employee attitudes, 2759  
Holyoake Codependency Index; test validation; construct validity; substance abuse; codependency, 34226  
nonmarital cohabitation; support exchange; young adults; aging parents; parent child relationship, 35103  
**Codependency—Chapters**  
Defining codependency: A thematic analysis of published definitions, 19956  
Family Therapy: Dilemmas of Codependency and Family Homeostasis, 17597  
**Coeds** [See College Students]  
**Coeducation—Serials**  
physical activity levels; coeducational settings; high schools; single gender settings; physical education; game play settings; Caucasian students; African American students, 27545  
single-sex classes; coeducational classes; gender difference; mathematics achievement; language development; secondary education, 15212  
**Coercion—Serials**  
Acceptance of Coercive Sexual Behavior; psychometric properties; adolescent dating attitudes, 24907  
adolescent perceptions; intimate relationships; relationship pressure; sexual coercion; Filipino adolescents, 25706  
chilling effect; family members; secret concealment pressure; coercive power, 28945  
coercion; comorbidity; patient history; behavioral healthcare system; involuntary treatment; physical abuse; sexual abuse, 26985  
coercion; context effects; eye movements; sentence processing; semantic composition; noun phrases; verbs, 31760  
coercion; justice; compulsory intervention; substance abuse; Scandinavian social law, 27180  
coercive sexual experiences; adolescence experience; young adulthood; sexual assault; sexually transmitted infections; rape; early menarche; psychosocial problems; public health problem, 23222  
electroconvulsive therapy; patients' perspectives; information; consent; perceived coercion, 14593  
group discipline problems; attribution retraining; student misconduct; coercive teacher behavior, 5866  
group rape; sexual violence; South Africa; collective sexual coercion; gender discourses; subcultural issues; political economy, 29520  
hospital admission coercion; psychiatric hospital; community engagement, 14823  
human rights; biomedicine; coercion; psychiatry, 5748  
organization of sexual assault; incarcerated rapists; sequential phases of rape event; perpetrators, 23337  
perceived coercion; hospitalization needs; psychiatric admission; posttraumatic stress disorders; legal status, 36503  
pressure; coercion; care; addicted persons; ethical perspectives; dangerousness criteria; laws; patients' rights, 5731  
private security; crime control; coercive tactics; anti-citizens; punitive measures, 24843  
research payments; cash incentives; substance abuse clients; drug use precipitation; coercion; research study participation; research ethics, 26323  
sexual assault; perpetrator; tactics; vaginal intercourse; anal intercourse; oral intercourse; verbal coercion; physical force; intoxication, 7817  
sexual coercion; Puerto Rican gay males; domestic violence; HIV infection, 7877  
sexual coercion; Spanish college men; confluence model; sexual aggression, 26280  
sexual precedence; verbal sexual coercion; unwanted intercourse; verbal persuasion, 7401  
**Coercion—Books**  
The causes of rape: Understanding individual differences in male propensity for sexual aggression, 14030  
**Coercion—Chapters**  
Surprise Demands, 6133  
**Coffee** [See Beverages (Nonalcoholic)]  
**Cognition—Serials**  
abstractness; color terms research; phonological theory; cognition, 253  
adolescent identity formation; epistemic cognition; identity achievement; individual differences, 28714  
aging; homocysteine concentrations; cognition; test reliability; psychometrics; Geriatric Depression Scale; Cognitive Failures Questionnaire; test validity, 9357  
aging; memory; context; cognition; life span development; information processing; age differences, 19051  
alcohol-related cognition; expectancies; cue patterns; cue pattern identification; memory processes; recall; experience level, 12801  
Alzheimer's disease; cognitive & behavioral & physiological changes; incontinence medications; caregiver burden, 20547  
antipsychotic drugs; cognition; psychosis; depression; suicide; mechanism of action; dopaminergic systems; serotonergic systems; environment; mental health; institutional racism, 14311  
anxiety; consciousness; self-acceptance; psychoanalysis; psychotherapy; cognition; insight; unconscious consciousness, 36214  
Applied Cognitive Science Laboratory; human cognition; human computer interface; human behavior; research objectives, 28271  
aromatherapy massage; mild depression; prefrontal cortex; cognition, 23925  
atomistic learning; pseudo patterns; cognitive tasks; human; animal, 34099  
attitudes; feelings; emotions; choice behavior; cognition, 27791  
audiovisual redundancy; arousing visuals; cognitive assessment; television news; thoughts; salience; polarity; originality; emotionality, 34840  
auditory imagery; auditory cortex; cognition; music, 19180  
automatic effects; deviancy cues; cognition; decision making; creativity, 25945  
basic numerical skills; adult Chinese-English bilinguals; cognitive architecture; numerical cognition; encoding-complex approach; arithmetic memory; language, 6554  
bipolar disorder; neuropsychiatric disorders; cognitive impairment; cognition, 23065

## Cognition—Serials

- borderline personality disorder; cognition; emotion; feelings, 35548
- brain networks: functional organization; human cognition; structural substrate; neuroanatomy, 459
- caffeine; side effects; cognition, 34760
- Canis familiaris; domestic dogs; non-semantic command; obedience; behavior; cognition; learning; training, 19097
- cerebral lateralization; gender differences; intelligence; blood flow; cognition, 34639
- childhood cognition; adulthood cognition; perceptual biases; cognitive biases, 22055
- chimpanzees: competitive cognitive tasks; cooperative cognitive tasks; Pan troglodytes, 3535
- chimpanzees; folk physics; methodology, 28389
- cochlear implants; hearing aids; hearing impairment; cognition; behavior, 30169
- cognition; affects; human consciousness; social process; social theory; psychoanalytic theories, 16683
- cognition; economics; technological creativity; analogical transfer, 31433
- cognition; insomnia; cognitive processes; attention; perception; memory; reasoning; beliefs; attributions; expectations; cognitive behavior therapy, 32689
- cognition; language dependence; arithmetic ability; language-based counting system; Amazonian Indigene Group, 3434
- cognition; mood dysfunction; multiple sclerosis; psychological deficits; disability-free multiple sclerosis, 1509
- cognition; perceptual mechanism; oculomotor mechanisms; upper space; semantic processing, 16274
- cognition; schizophrenia; cognitive deficits; antipsychotic medications; measurement; research; psychotic symptoms, 10570
- cognition; schizophrenia; cognitive performance; schizophrenia research; schizophrenia treatment; cognitive measures, 16837
- cognition; sensory factor; motor process; physical factor; safe driving behavior; older adults, 18572
- cognition; working memory spans; cognitive performance; item retention, 34451
- cognitions; residential colleges; ingroup preferences; undergraduates; cultural status, 36916
- cognitive activation theory of stress; fish brains; cognitive stress mechanisms; Olympic performance, 31672
- cognitive architectures; cognitive science; desiderata; computational models; cognition, 18601
- cognitive basis; intelligence; cognitive abilities, 34433
- cognitive behavioral therapy; cognitive psychology; maladaptive cognitions; mental contamination; cognitive restructuring, 36157
- cognitive busyness; gender biased language; sexism; neutral terms, 31746
- cognitive development; infant development; animal cognition; cognitive skills, 34482
- cognitive functioning; schizophrenia; cognitive dysfunction; antipsychotic medicines; drug therapy; cognition, 11281
- cognitive impairment; schizophrenia; atypical antipsychotics; cognition, 20115
- cognitive mediation; panic severity; catastrophic misinterpretation; bodily sensations; panic self-efficacy; negative cognition; positive cognitions; cognitive behavior therapy, 23759
- cognitive schemas; motion verbs; semantic analysis; Bantu language; Chindali, 25540
- cognitive science; comparative cognition; mind evolution; associative learning; logical thinking; cognitive psychology; animal research, 323
- cognitive science; human cognition; concepts; learning sciences; classification, 9595
- cognitive science; Lawrence Erlbaum Associates; mind; intelligent systems; interdisciplinary collaboration; anthropology; computer science; education; linguistics; neuroscience; philosophy; psychology, 15863
- cognitive sciences; culture; religion, 28925
- cognitive theory of depression; negative self-schema; risk of depression onset, 20078
- cognitive; handedness inheritance; spatial ability; sex differences; inheritance patterns; familial sinistrality, 34572
- comparative cognition; neuroscience; brain evolution; cognitive functions; brain size; misconceptions; comparative brain research, 456
- computer package; cause maps; managerial cognition; organizational cognition; causal mapping, 27651
- computer-assisted collaborative learning; computer support; group cognition; instructional technology; shared meaning, 19845
- concepts theory; empiricism; cognition; perception, 15884
- conceptual change; Paul Pintrich; integrated motivation; cognition; research, 24273
- conflicts; support interactions; marriage; couples; interactive behavior; on-line cognition, 13480
- connectionist network; dual process approaches; attitude formation; models, 29089
- consciousness; cognition; personality; psychotherapy; education; health; attachment theory; aesthetics; imagery; intelligence; social psychology; psychotherapeutic processes, 11110
- creativity; crazy ideas; arts; sciences; cognition; thought, 26020
- cue dependent prospective memory; synergetic interpretation; brain functioning; cognition, 28320
- cyclo-oxygenase-2 inhibitors; cognition; schizophrenia; celecoxib; risperidone, 20790
- depressive symptoms; subjective memory complaints; white matter lesions; depressive symptoms; cognition; elderly patients, 32289
- discourse; social cognition; metaphor; semantics; cognitive schemas; employee interaction, 1000
- domain-general mechanisms; intelligence; learning; evolutionary goals; evolutionary adaptiveness; working memory, 9330
- drama; tragedy; comedy; fictional cognition; mate selection; evolutionary psychology, 28603
- elderly patients; frontal-subcortical clinical syndrome; Alzheimers disease; cognition; motor function; mortality risk, 20569
- electroconvulsive therapy; quality of life; mood; cognition, 20822
- electroconvulsive therapy; quality of life; mood; cognition, 20823
- electroconvulsive therapy; quality of life; mood; cognition, 8351
- embodied cognition; cognitive science; neurophysiology; cognitive processes; canonical neurons; mirror neurons; conceptual categorization, 3602
- embodied cognition; motor activity; perceptual representation, 9602
- embodiment; human body; culture; cognition; mind body; athletic learning, 18996
- emotion cognition interactions; emotion regulation; emotional content; aging; positivity effect; older adults, 34971
- emotion cognition relations; emotion theory; neurobiology; dynamic systems modeling, 34625
- emotion theories; cognition, 4342
- emotional transfer; goal systems; goal attainment; goal-events, 7505
- English posture verbs; grammaticalization; corpus linguistics; cognitive linguistics; polysymy, 637
- episodic memory; cognitive time travel; animals; humans, 25228
- estrogen; serotonin; mood; cognition; estrogen-serotonin interactions, 34715
- expectancy-valence model; emotion; decision making; older adults; cognitive tasks, 28849
- external representations; insights; cognition; text production; text comprehension; diagrams; instructions; problem solving; reasoning, 31419
- eye movements measurement; perceptual function; cognitive function; infants; adults, 3352
- foetal sex; pregnant women; maternal cognition, 22090
- forgiveness; happiness; transgression; cognition; hedonic & eudaimonic happiness, 26003
- frontal lobes; mental activity; brain regions; cognition, 28503
- galantamine; clozapine; cognition; schizophrenia; treatment, 29337
- gender; differential item functioning; cognitive strategies; mathematics items; gender; Multicontext Theory, 134
- generic teamwork skills training; action teams; cognitive outcomes; skill based outcomes, 33945
- goal instructions; cognition; student reasoning; interactive argumentation; group discussion; persuasive discourse, 30761
- hippocampus; pharmacology; phenytoin; PTSD; treatment; post-traumatic stress disorder; brain structure; memory; cognition, 34723
- human cognition; homology; adaptation, 12713
- human cognition; neural network models; cognitive psychology; cognitive science; connectionist; John R. Anderson, 30453
- human cognition; nonlinear dynamical systems theory; self-organized criticality; serial correlations; cognitive psychology, 9617
- human cognition; physiology; scaling; mind-body interaction; interaction dominant; purposive behavior; self organization, 9615
- human cognition; relational frame theory; human language; verbal behavior; equivalence classes, 9539
- human desire; cognition; affective connotations; appetitive behavior; intrusive thoughts; cognition intrusion; cues; cognitive elaboration; sensory images; desires; target availability, 15942
- imagination; cognitive aspects; precognitive aspects; meta-cognitive aspects; perceptions; reality, 28286
- infants; material objects; inanimate objects; continuous motion, 7070
- infants; material objects; inanimate objects; continuous motion; infants construal, 7069
- infants; material objects; inanimate objects; continuous motion; infants construal, 7080
- integrated theory of mind; cognition; multiple modules; adaptive control of thought-rational, 238
- intellectual disabilities; alexithymia; emotional recognition; external cognition, 35797
- interdisciplinary thought; cognition; cognitive processes; bioethics; mind, 31437
- laterality; body; brain; cognition; journal, 9917
- left digit effect; price cognition; numbers; nine ending prices, 27831
- lifestyle activities; cognition; cognitive change; older adults, 22616
- logical behavior; animal behavior; illogical behavior; transitive inference; equivalence relations; cognition, 324
- medical decision making; child psychiatrists; child psychologists; treatment effectiveness; cognition, 30527
- mental rehearsals; great apes; social cognition; neuropsychological differences; interspecies differences; children, 25297
- motivation; origin of mind; mind; cognition; social control; brain; behavioral responses; evolution, 9342
- multiple achievement goals; multiple pathways; learning; Paul R. Pintrich; achievement motivation; cognition, 24250
- music cognition; psychomusicology; editorial committee, 28198
- music; cognition; emotion; western music, 6878
- negative cognition; symptoms; depression; treatment effects; cognitive therapy; pharmacotherapy; family therapy, 14419
- neocerebellar vermis; size; cognition; cognitive ability; elderly men, 6783
- neural theory of visual attention; cortical cells; visual processing; cell mapping; error rates; reaction times; mathematical framework; attentional effects, 15813
- neuro-cognitive models; brain; learning; working memory; neural network models; consciousness; attention, 9794
- neurocognition; schizophrenia; disorder severity; pharmacological agents, 11262
- neuropsychological assessment; performance change; cognition; cognitive function, 25633
- neuroticism; cognition; variability; reaction time, 29168
- novice designers; design process; creative cognition; intermediate products; soft drink logo; heuristics, 15869
- obituary; Donald R. Griffin; scientist; animal consciousness & cognition, 19089
- objects; images; symbols; communication; cognition, 28186
- olfaction assessment; neuropsychological exam; odor identification; cognition; older adults; neurodegenerative diseases, 31139
- online disinhibition effect; dissociative anonymity; asynchronicity; solipsistic introjection; dissociative imagination; personality variables; cognition; self disclosure, 4368
- organizational antecedents; individual antecedents; managerial cognition; issue interpretation; cognitive complexity; organizational scanning; organization size; strategic-issue interpretation, 2803
- organizational partnerships; self-interest; goal interdependence; opportunism; cognitive understanding, 30905
- oxcarbazepine; phenytoin; EEG; cognition, 9864
- parietal cortex; numerical cognition; spatial cognition; numerical-spatial interactions; spatial representations; intraparietal sulcus; cultural constructions, 25392
- Paul Pintrich; personal epistemology; learning; cognition; higher education; educational psychology, 24253
- perspective taking; cognition; thought-listing procedure; empathy; self-related thoughts, 7551
- pharmaceutical use; commercial use; dog model; spatial learning; canine cognition; neuropathology, 34564
- plasma viral load; neuropsychological functioning; HIV infection; central nervous system; cognitive functions, 20487
- policy making; socialization; human cognition; organizational characteristics; organizational change; foreign investors; interest group pressures, 24685
- poor cognitive performance; obesity; aging; cognition, 17132
- positive and negative syndrome scale; cognition; neuropsychology; test reliability; schizoaffective disorder; schizophrenia, 3195
- positive cognitions; negative cognitions; working alliance; cognitive-behavior therapy; panic disorder, 32419
- pragmatics; cognition; Brandoms philosophy; linguistics; inferentialism, 34789
- pragmatics; cognition; philosophical constructivism, 34777
- prevention regulatory focus; neural correlates; promotion regulation; motivation; cognition; amygdala; anterior cingulate; extrastriate cortex, 34597

problem solving; functional MRI analysis; blood oxygen level dependent responses; brain regions; cognitive architecture; planning; posterior parietal region; prefrontal region; motor region, 34583

problem solving; language; cognition; stroke patients; language impairment; articulatory suppression, 35964

product returns; cognitive responses; disconfirming information; consumer choice; consumer memory; attitude stability, 34057

protective helmet use; physiology; cognition; young cricketers; heat stress, 9820

psychological distress; cognitive emotion regulation; farmers; foot and mouth crisis, 20416

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22053

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22062

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb; optimality-based models, 22081

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22085

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22083

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22061

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22073

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22060

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22084

psychologists; behavioural biologists; human decision making; heuristics; algorithmic process models; recognition memory; rules of thumb, 22064

psychopharmacology; herbal extracts; behavioral processes; ginseng; Ginkgo biloba; cognition enhancing effects; methodology, 22362

rats; scopolamine; spatial discrimination deficits; animal models; putative cognition enhancers; working memory, 28548

realism; mental representations; human cognition; classification; concepts, 9579

representative design; environmental stimuli; random sampling; organism-environment relations; judgment; cognition; decision-making research; research findings; ecological approach; Egon Brunswik, 3310

self regulated learning; self regulation; motivation; cognition; Paul Pintrich, 24272

serial learning; behaviorism; cognitive tasks; animals; non-human primates; chaining theory; memory, 22184

sexual assault perpetration; alcohol consumption; misperception of sexual intent; social interaction; cognitive distortions; rapists; men's reactions; women's mixed signals, 20188

shared cognition; group participation; group interaction, 7443

smoking cessation; behavioral characteristics; Latinos; non-Latinos; Whites; smokers; cognitive characteristics; nicotine replacement therapy, 24174

smoking urge effects; temporal cognition; temporal aspects; time perception; craving, 16132

social anxiety symptoms; cognitive preparation; video feedback; self perception; anxiety; speech avoidance behavior, 7802

social cognition; theory of mind; non-social cognition; Tourette's syndrome; inhibitory functioning, 7940

social perception; emotion; social information processing; embodiment; embodied cognition; attitudes; social information processing, 29105

Society for Quantitative Analysis of Behavior; adaptive behavior; cognition; behavioral psychology; heuristics; decision making; problem solving, 22220

spatial memory; learning strategies; emotions; aging; social environment; rats; cognition, 28380

spatial perception & cognition; spatial deficits; neuropsychology, 8085

student motivation; cognitive learning; Kuwait; self regulated learning; education students, 33797

test discrimination; test construction; cognitive diagnosis; cognitive diagnostic models, 31111

testosterone; cognition; social status; cognitive performance, 13110

variance maps; individual differences; brain mechanisms; cognition; brain activation; regions of interest; regions of variance, 34642

verbal cognition; memory based theory; syntagmatic paradigmatic model; sentence processing; semantic categorization; short-term serial recall; analogical inference; logical inference, 21965

verbal communication; cognition theories; message production; performance feedback messages; verbal feedback; moods, 31486

working memory; cognition; cognitive processes; neurocognitive research, 9613

**Cognition—Books**

Cognitive neuroscience of aging: Linking cognitive and cerebral aging, 16377

Emotion and consciousness, 31333

Handbook of bilingualism: Psycholinguistic approaches, 31762

The origin of mind: Evolution of brain, cognition, and general intelligence, 16664

**Cognition—Chapters**

Abstraction as Dynamic Interpretation in Perceptual Symbol Systems, 19480

Advances in measuring team cognition, 7489

All in the Interest of Time: On the Problem of Speed and Cognition, 12768

Cerebellar Anatomy and Function: From the Corporeal to the Cognitive, 13048

Cherchez Le Quadrant Pasteur! A Symposium in Honor of Tom Landauer, 6487

Cognition and Function in Older Patients With Schizophrenia, 23129

Cognitive Neuroscience of Aging: Emergence of a New Discipline, 16379

The Cradle of Categorization: Supporting Fragile Internal Knowledge Through Commerce With Culture and the World, 19039

Cultural Competence—Tacit, Yet Fundamental: Self, Social Relations, and Cognition in the United States and Japan, 7295

Cultural differences in cognition: Barriers in multinational collaborations, 12774

The Development of Adult Cognition: Understanding Constancy and Change in Adult Learning, 12133

Domain-Specific Creativity in the Physical Sciences, 13741

An Ecological Psychology of Instructional Design: Learning and Thinking by Perceiving-Acting Systems, 8923

Emerging Ideas About Categories, 19043

Everyday Cognition and Situated Learning, 7528

Evolution and Development of Brain and Cognition, 16005

Evolution of Control-Related Mental Models, 15899

A Framework for Cognitive Studies of Science and Technology, 12772

From Real Virtuality in Lascaux to Virtual Reality Today: Cognitive Processes With Cognitive Technologies, 19042

Fuzzy-Trace Theory, Judgment, and Decision-Making: A Dual-Processes Approach, 12819

Higher-order cognition and intelligence, 22096

The importance of awareness for team cognition in distributed collaboration, 7493

Introduction: Plasticity, learning, and cognition, 19229

Marrying intelligence and cognition: A developmental view, 22093

Modular Domains of the Human Mind, 16669

Natural and Sexual Selection, 16671

The neural bases of intelligence: A perspective based on functional neuroimaging, 22095

Quantifying congruence in cognition: Social relations modeling and team member schema similarity, 9035

Unifying the field: Cognition and intelligence, 22097

Why team cognition? An overview, 9036

Why we need team cognition, 7491

**Cognition Enhancing Drugs [See Nootropic Drugs]**

**Cognitions [See Also Expectations, Irrational Beliefs]—Serials**

alcohol cognitions; context effects; alcohol outcome expectancy; implicit memory; alcohol associations; individual differences, 29037

anger cognitions; cardiovascular recovery; provocation; cognitive appraisals, 40

anxiety; depression; thought content; Children's Thought Questionnaire; threat; uncertainty; cognitive measure; test development, 3158

attribute framing; cognitive processes; thoughts; information processing, 7508

automatic reactions; mental representations; romantic partner; mother; self; adult romantic attachment, 29110

automatic thoughts; psychological symptoms; American students; Spanish students; cross cultural perspective; college students, 22864

body dysmorphic disorder; diagnosis; physical defects; information processing; attitudes; cognitive behavior models, 10463

bulimia spectrum disorder; cognitions; body dissatisfaction; major depressive disorder, 29265

China; regional differences; college students; behaviours; cognitions; emotions; stress responses; epidemic; severe acute respiratory syndrome, 23511

chronic low back pain; pain related fear; dysfunctional cognitions, 32687

cognition; neurology; drug use; etiology; drug use prevention, 8675

cognition; neurosciences; attitude consistent behavior; perspective taking, 19857

cognitions; catastrophic cognitions; panic disorder; treatment; cognitive behavioral therapy; imipramine; prognostic factors; agoraphobia; pharmacology, 26675

cognitive distortions; suicidal behavior; suicide attempts, 10648

cognitive emotional distinctiveness; autobiographical memory; neurological evidence; non-emotions; stressful memory; romantic relationship breakup, 31464

cognitive representations; alcohol abuse; opiate abuse; core beliefs, 1353

cognitive theory; emotions; demandingness; motivational brain systems; approach withdrawal systems, 35320

cognitive vulnerability; dysfunctional cognitions; major depression, 35440

cognitive-behavioral treatments; obsessive-compulsive disorder; cognitive-behavioral therapy; cognitive techniques; treatment principles; sense of incompleteness, 5086

community violence; parent support; prosocial cognitions; middle school students, 29456

core beliefs; impulsivity; psychiatric population; dissociation; cognitions, 13829

creativity; diverse teams; cognitive diversity, 16626

depression; anxiety; negative memories; adolescents attitudes; mood disturbance; cognitions; positive affect; negative affect, 10490

depressive symptoms; hopelessness; suicidal ideation; cross cultural differences; depressive symptoms; cognitions; self-efficacy, 20229

drinking restraint; self regulation; limit violation effect; mood; ecological momentary assessment; alcohol intake; individual differences; cognitions; social drinkers; heavy drinking, 23306

drug misuse disorders; eating disorders; attachment cognitions; youth depression, 22969

emotion; self criticism; self resilience; cognition; depression, 22914

emotional cognitions; pleasantness interaction; attractiveness cognitions; personality prediction; aural preference, 31378

emotional states; self-report; mood induction; mood experience; mood-related cognition; dispositional theory, 34471

emotional writing; superficial writing; language structure; Korean Linguistics; word count; cognitive words, 31753

executive function; developmental stages; false beliefs; false photographs; childrens understanding; picture sentence verification task; theory of mind, 31841

exercise thoughts; coping; intention; older adults; negative thoughts; self-efficacy; decisional struggle, 3961

factor structure; Spanish version; Schema Questionnaire—Short Form; measurement; cognitive schemas; affective disorders; symptoms; automatic thoughts, 15603

family therapy; cognitive behavior therapy; cognitions; marriage therapists; couple therapy, 14452

heavy drinkers; implicit associations; extrinsic associations; alcohol arousal associations; alcohol attitudes, 7892

human cognition; relational frame theory; human language; verbal behavior; equivalence classes; private events; relational frames, 3336

human desire; cognition; affective connotations; appetitive behavior; intrusive thoughts; cognition intrusion; cues; cognitive elaboration; sensory images; desires; target availability, 15942

infant attachment security; sensitivity; mental representation; concordant attachment; discordant attachment, 9993

intrusive images; trauma memories; posttraumatic stress disorder; reliving therapy; emotions, 16883

job market cognitions; multidimensional measure; Employment Opportunity Index; employee turnover; test validity; psychometrics, 15714

judgment; intuition; thoughts; deduction; predication; Kant; Brandom, 34786

linguists; cognition; scientific methodology; metacognition; sciences; theories, 6953

Maryland Correctional Boot Camp; treatment orientation; antisocial attitudes; antisocial cognitions; correctional facility; military atmosphere, 30444

mental state verbs; sentential complements; child language; cognitive states, 16272

multiple memory systems; brain function; memory systems interaction; cognition; behavior; brain disorders; psychiatric disorders; theories, 390

- educational program effectiveness; disadvantaged pupils; cognitive functioning; social functioning; special educational needs; at risk populations, 15116
- electroconvulsive therapy; cognitive functioning; auditory evoked potential; memory; anterograde amnesia, 36286
- elite athlete action; trampolining; performance level; cognitive ability; acrobatic movements; behavior, 6050
- emotional intelligence; cognitive ability; Big Five personality factors; construct validity, 35323
- emotional intelligence; cognitive intelligence; Mayer-Salovey-Caruso Emotional Intelligence Test, 1041
- environmental markers; memory performance; centenarians, 10069
- episodic memory; Alzheimer disease, 8092
- estradiol treatment; progesterone treatment; older women; cognition effects; hysterectomized women; sex hormones treatment, 26939
- estradiol; estrogen; cognitive function; in vitro fertilization, 3693
- event related potential; Parkinson disease; cognitive ability; neuropsychology, 4960
- everyday functioning; cognitive functioning; neuroimaging; Hispanics; functional ability; activities of daily living, 3414
- evolution of intelligence; apes; corvids; cognitive ability; complex cognition; brain structures; mental time travel; social cognition; tool use and manufacture, 9699
- executive control function; vascular dementia; Alzheimer's disease; cognitive function, 1659
- executive deficit hypothesis; phenylketonuria; dopaminergic depletion; lateral prefrontal cortex; selective executive impairment; memory; learning, 1498
- executive dysfunction; language ability; autistic children, 23362
- executive dysfunction; treatment outcome; late-life mood & anxiety disorders; elderly; aging; biological & psychological aspects; executive skills; older adults; executive function; assessment, 22970
- executive function deficits; attention deficit hyperactivity disorder; academic outcomes, 1409
- Executive function deficits; Attention Deficit Hyperactivity disorder; gender differences; chronic; pathophysiology of ADHD, 14105
- executive function; cognitive subprocesses; first-episode schizophrenia; drug naive schizophrenia; N-back performance; cognitive architecture, 26189
- executive function; processing speed; working memory; verbal memory decline; encoding; retrieval process; aging, 31457
- executive function; verbal & visual memory; traumatic brain injury; military veterans; severity; cognitive dysfunction, 17261
- executive functioning; aggressive behavior; alcohol consumption; alcohol-related aggression, 4157
- executive functioning; diagnosis; psychopathology; major depression; schizophrenia, 20057
- executive functioning; normal aging; action planning; Zoo Map Test, 10066
- executive functioning; theory of mind; developmental course; preschoolers, 3859
- executive functioning; vascular dementia; neuropsychological test; Ten-point Clock Test, 18776
- executive functioning; visual learning; verbal learning; cognitive functioning; visual memory, 15857
- executive functioning; visual memory; community adolescents, 3856
- executive functions; adaptive living; neuropsychological assessment; discriminant validity; ecological test validity; behavioral observations, 3247
- executive functions; autism; Asperger's disorder; autistic disorder; neurocognitive substrates, 23363
- explicit instruction; checking instructions; acquisition period; worked examples; mathematical knowledge; words translation; algebraic equations; cognitive load theory; secondary school students, 18232
- face emotion perception; executive functioning; depression; etiology, 20092
- familial clustering; executive functioning; attention deficit hyperactivity disorder; sibling pairs, 20348
- Feng Shui; cognitive functioning; psychological reactions; emotional state, 10329
- fibromyalgia; psychological functioning; psychological processes, 1543
- film interpreting; language transfer; interpreters; conference interpreting; subtitling; dubbing, 28621
- financial competence; financial competence model; adult competence; legal criteria, 12365
- first episode psychosis; adolescent psychosis; functional outcomes; cognitive functioning; positive and negative symptoms; depression; number of relapses; substance use, 20129
- first onset psychosis; cannabis use; neurocognitive functions, 23118
- Florida Cognitive Activities Scale; test development; test validity; cognitive ability; elderly people; aging, 15551
- flow theory; flow experience; media enjoyment; media message; cognitive ability; media experience & use; individual differences; video games, 3797
- font type; reading; text; information recall, 25168
- French narratives; connectives; cognitive constraints; narrative skills; native speakers; comic strip stories, 16290
- frontal cortex; inferential reasoning; language; hemisphere function; anterior regions; executive function, 31580
- functional magnetic resonance imaging; cognitive tests; visuospatial control task; brain activity; performance level; executive function; neuropsychology, 31133
- gender differences; Spearman's g factor; executive cognitive function, 1036
- gender-pairing; personality; cognitive ability; giving; game theory, 985
- geometric module; spatial orientation; animal movement; cognitive information; processing models; theories, 34494
- German children; child attitudes; goal directed action; sleep; intentional agents; non agents; perceptual cues; inferences, 25604
- gingko biloba; donepezil; rivastigmine; galantamine; cognitive function; cholinesterase inhibitors; dementia, 1984
- glucose; chewing gum; facilitation; cognitive function; long-term memory; working memory, 3448
- goal orientation; action-state orientation; performance process; goal setting; task specific motivation; academic context; cognitive ability; self-efficacy beliefs, 8928
- grammatical sensitivity; early word reading skill; language ability; cognitive ability; phonological sensitivity; non-word repetition; children, 19442
- health status; cognitive functioning; aging; cognitive decline; activities of daily living; mood, 13349
- hearing loss; older adulthood; cognitive performance; working memory capacity; inhibit interference; sensory decline, 36053
- hemispheric asymmetries; cerebral lateralisation; cognitive functions; handedness; historical survey, 19165
- high functioning autism; quantification abilities, 7945
- hip fractures; delirium; elderly patients; cognitive status, 11351
- hippocampal abnormalities; stress; cognitive function; psychiatric disorders; brain atrophy; posttraumatic stress disorder; major depressive disorder; borderline personality disorder, 1173
- Hooper Visual Organization Test; factor structure; construct validity; visuospatial functions; memory; attention; executive functions; naming ability; vocabulary, 15657
- Hopkins Verbal Learning Test; older Australian adults; test performance, 7188
- human learning; category-learning; perceptual learning; prototype distortion, 9575
- human-computer interaction; cognitive simulation; computer-assisted aid; human performance, 21678
- humans; gestural communication; cognitive development; social cognition; cognitive skills; apes; enculturated apes, 321
- Huntington's disease; verbal fluency deficits; executive functioning; phonemic fluency; semantic fluency, 17277
- Implicit Association Test; cognitive skill confound; cognitive ability; information processing speed; category congruency, 9373
- incremental validity; work specific locus of control; cognitive ability; conscientiousness; job performance, 30847
- individual differences; age; gender; education; self reported health; cognitive abilities; hierarchical structure, 6576

- individual differences; rats; cognitive performance; cognitive functioning; working memory; motivational state; amphetamine; locomotor responses; addictive behaviors, 19292
- infant habituation; cognitive competence; infancy; brain circuitry; perpetual ability; perceptual competence, 3888
- infant head growth; cognitive functioning; in utero drug exposure, 35659
- infants ability; intentional actions; accidental actions; internal state language; vocabulary; imitation, 31844
- infinite sets; cognitive characteristics; self-evidence; confidence; immediacy; flexibility, 2597
- information problem solving; cognitive skills; higher education; instructional guidelines, 14996
- information processing; multiple sclerosis; verbal memory; processing speed; cognitive abilities; fluid attenuated inversion recovery; lesion volume, 20572
- informed consent; medication-free schizophrenia research; decisional capacity; antipsychotic regimen discontinuation; neuropsychological performance; psychiatric symptoms; antipsychotic medication, 26858
- integrated treatment approach; cognitive function; dementia; depression; antidepressants; cholinesterase inhibitors, 17341
- intellectual abilities; substance abuse treatment motivation; drug-involved offenders; criminal justice, 21735
- intellectual ability; dual process perspective; belief biased reasoning; domain specific personality attributes; epistemic regulation; occupational goals; age; identity development, 35293
- intellectual inferiority; memory efficiency; learning ability; group reputation, 15192
- intellectually supernormal children; information processing speed; reaction time, 11993
- intelligence tests; body symmetry; developmental stability; brain development; cognitive functioning, 16641
- intelligence; mental abilities; emotional intelligence; personality measures; validity, 1076
- intelligence; personality; verbal imagery; cognitive styles; mental ability; wholistic analytic; tests; individual differences, 31161
- intelligence; traditional researches; intelligence mechanics; intelligence reflexes; mental process; cognitive activity, 3324
- interferon; cognitive functioning; chronic hepatitis C; neuropsychological test performance, 17174
- International Classification of Functioning Disability and Health; clinical & health care settings; clinical assessments; clinician communication; Procedural Manual; functional status, 22975
- International Classification of Functioning Disability and Health; disorder classification; governmental uses; health fields, 22942
- International Classification of Functioning Disability and Health; rehabilitation psychology; clinical practice, 24171
- International Classification of Functioning Disability and Health; rehabilitation psychology; health care service, 24165
- interacial interactions; executive function impairment; cognitive functioning; self regulation; executive control; resource depletion; prejudice concerns, 25932
- interacial interactions; inhibitory response; attitude; executive functioning; African Americans; racial attitudes, 35260
- intracranial ruptured aneurysms; memory function; frontal lobe function; Guglielmi detachable coil; endovascular coils; cognitive performance, 33273
- intraindividual variability; preclinical diagnostic status; mild cognitive impairment; cognitive test performance; Alzheimer's disease; cognitive decline; memory impairment, 23564
- joint attention; self recognition; neurocognitive function; toddlers; normal development; brain system, 13238
- Kitchen appliance functionality; student reasoning; brain injuries; neurological results; behavioral deficits; analogies, 24478
- latent class analysis; mathematics achievement; special education students; cognitive skills; quantitative differences; qualitative differences; item response theory, 15256
- law of diminishing returns; military draftees; intelligence; cognitive test, 131
- leadership skills; cognitive skills; group performance; situational demands; planning skills; leader emergence; behavioral requirements, 21531
- learning potential score; sensitivity; cognitive intervention; underachieving students; cognitive skills, 24498
- lecithin; carnitine; carbohydrates; cognition; supplement interactions; acetylcholine metabolism; dietary supplements; reaction time; memory, 538
- low IQ; gasoline inhalation; severe cognitive impairment; decreased brain activity, 23318
- mahjong playing; elderly; reading; cognitive reserve; cognitive decline, 25739
- maintenance electroconvulsive therapy; landiolol; depression; seizure duration; hemodynamic changes; recovery from anesthesia; cognitive function, 8363
- math performance; developmental dynamics; cognitive antecedents; sex differences, 7028
- measurement error; developmental dyslexia; discrepancy models; reading achievement; intellectual functioning; test reliability, 35786
- media violence exposure; executive functioning; disruptive behavior disorder; aggressive-disruptive behavior, 26274
- memantine treatment; functional effects; moderate Alzheimer's disease; severe Alzheimer's disease; cognitive functioning, 1978
- memory accuracy; executive processes; memory monitoring; aging; individual differences; neuropsychology, 22137
- memory consolidation; noncontingent rewards; cognitive performance; memory retrieval, 28329
- memory problems; traumatic brain injury; prospective memory; declarative memory; cognitive functioning, 14249
- memory; serial order; running memory; memory errors, 25229
- mental death; posttraumatic stress disorder; interpersonal stress; torture; cognitive mechanisms, 1241
- mental fatigue; work load; sleep; workhours; lifestyle, 10810
- mental flexibility; age effects; switching, 22622
- mental health needs; personality; cognitive problems; adolescent offenders; custodial sentences; at risk populations, 27220
- mental imagery; cognitive ability; parietal lobes; interhemispheric compensation; spatial comparison, 22284
- methylphenidate; inhibition; cognitive abilities; Childhood-Onset attention deficit hyperactivity disorder, 20313
- mild cognitive impairment; affective symptoms; late-life depression; cognitive performance, 10515
- mild cognitive impairment; chess player; memory loss; Alzheimer's disease; cognitive function, 20523
- mild cognitive impairment; cognitive functioning; executive functioning; physical activity; intervention effectiveness; walking; hand exercises; face exercises; elderly, 26695
- mild cognitive impairment; episodic memory; memory performance; semantic memory; working memory, 20529
- mild cognitive impairment; MCI; definition; diagnosis; amnesic MCI; MCI criteria; dementia; Alzheimer's disease; clinical trials, 32846
- mild traumatic brain injury; cognitive functioning; neuropsychological studies, 20534
- mild traumatic brain injury; neuropsychological outcomes; cognitive function, 23559
- mobility; balance; gait; dual task performance; possible dementia; geriatrics; cognitive; Alzheimer's disease, 23617
- modafinil; fatigue; schizophrenia; psychotropic medications; attention; working memory; executive functioning, 33216
- modafinil; sleep deprivation; cognitive function; military personnel; sleep deprived individuals; health care workers; circadian rhythm, 25518
- modeling parallelization; flexibility improvements; skill acquisition; dual tasks; cognitive skills, 28302
- moderate alcohol consumption; cognitive function; women; alcohol effects; cognitive impairment, 22769
- moderate alcohol consumption; cognitive function; women; alcohol effects; cognitive impairment, 22764
- moderate alcohol consumption; cognitive function; women; alcohol effects; cognitive impairment, 22763
- moderate alcohol consumption; cognitive function; women; alcohol effects; cognitive impairment, 22765
- mood; quality of life; daily activities; glycosylated hemoglobin; metabolic control; verbal memory; cognitive function; elderly; diabetes; residential care facilities, 23490
- mothers' work schedules; cognitive outcomes; child care; maternal depression; maternal sensitivity; home environment, 13234
- motor coordination; attention; executive functioning; executive functioning; motor ability; developmental coordination disorder; response inhibition; reaction time; working memory; goal-directed tasks, 7075
- motor preparation; motor execution; attention; executive functions; attention deficit hyperactivity disorder; medication; medicated children, 23364
- motor regulation; cognitive regulation; behavioral regulation; Alzheimer's disease; mild cognitive impairment; activities of daily living; Behavioral Dyscontrol Scale, 18725
- multiple sclerosis; cognitive impairment; executive functioning; verbal learning; verbal fluency; attention; memory; primary-progressive multiple sclerosis; secondary-progressive multiple sclerosis, 17194
- multiplication strategies; computational resources; learning tasks; strategy development; taxonomies; cognitive ability, 30729
- music; category fluency; older adults; Alzheimer's patients; classical music, 10974
- musicality; language learning; self regulation; infants; natural ways; cognitive abilities; biological abilities, 28673
- musicians; intelligence; musical ability; primary mental abilities; nonmusicians, 25172
- natural oligomers; amyloid protein; cognitive function; Alzheimer disease; molecular mechanisms; discrete amyloid moieties; rats, 19290
- negative affect; psychopaths; violent offenders; cognitive functioning, 13993
- neocerebellar vermis; size; cognition; cognitive ability; elderly men, 6783
- neocortical inhibitory system; cognitive function; neocortex; human brain, 3621
- neural efficiency; age related changes; cognitive strategy; brain activity; item recognition, 31619
- neural networks; associative memory; cognitive function; long term potentiation; neurons; consciousness, 13039
- neural representations; motor plans; trajectories; motor control; perceptual representation; cognitive decision making, 18987
- neurobehavioral sequelae; child sexual abuse; intellectual functioning; behavioral problems; memory functioning; cognitive performance; emotional disorders; behavioral disorders, 23243
- neurobiological correlates; social conformity; mental rotation; decision making; cognitive ability; independence; group dynamics, 31542
- neurocognitive functioning; socioeconomic status; kindergarten children; cognitive ability; cognitive neuroscience, 13239
- neurocognitive outcomes; cancer survivors; pediatrics; brain development; neurotoxic agents, 10880
- neuroimaging; cognitive function; high order cognition; brain; psychological function; neuroscience, 6760
- neuropsychological assessment; mental capacity; competency; competence; specialized tests; interviews; cognitive abilities; knowledge, 15662
- neuropsychological assessment; spina bifida; shunted hydrocephalus; attention skills; executive function skills, 18779
- neuropsychological change; gamma knife surgery; left temporal lobe epilepsy; patients; cognitive functioning, 11357
- neuropsychological characteristics; children; deletion syndrome; cognitive functioning; achievement, 19471
- neuropsychological effects; anticonvulsant medication; long term differential drug effects; cognitive functioning; school aged children; prenatal exposure; antiepileptic drugs, 30186
- neuropsychological functioning; MMPI-2 Profiles; chronic neck pain; whiplash trauma; non-traumatic groups; personality traits, 17172
- neuropsychological functioning; schizophrenia; heterogeneous disorder; psychopathological processes; positive symptoms; system oriented approach; syndrome approach, 35484
- neuropsychological impact; sports related concussion; cognitive domains; traumatic brain injury, 32768
- neuropsychological outcomes; etiology; traumatic brain injury; anoxic brain injury; cognitive function; atrophy, 17279
- neuropsychological studies; anorexia nervosa; eating disorders; cognitive flexibility; ecologic validity; treatment; diagnosis, 23458
- neuropsychology; alcoholic patients; memory disturbances, 17019
- nonhuman animals; figural fragments integration; visual information; object recognition; perceptual organization; cognitive characteristics; memory; concept formation; figure recognition, 329
- odor discrimination; automated olfactometer; nocturnal lemur; olfactometric method, 359
- onset; schizophrenia like psychosis; clinical symptoms; functional status, 23109
- organic factors; neuropsychological functioning; cognitive performance; borderline personality disorder, 20183
- organic solvents; long term neuropsychological impact; occupational exposure; cognitive functioning; industrial accident, 29702
- P300; event-related potentials; amplitude values; latency values; visual discrimination task; cognitive efficiency, 488
- painting creativity; artist; Alzheimer's disease; cognitive functions; cognitive capability, 32796
- parent attributions; jigsaw puzzle performance; genetic disorders; cognitive ability; hedonism; Prader-Willi syndrome; Williams syndrome; parent child relations, 20433

- parental alcohol use disorders; child delinquency; executive functioning; chronic family stress; cognitive ability, 19987
- pediatric psychology; Bayley Infant Neurodevelopmental Screener; cognitive ability; motor ability, 28
- perceived clothing comfort; cognitive performance; exam scores; college students, 21347
- perceptual impairment; cognitive performance; HIV infection; neuropsychological tests, 4887
- perceptual speed; intelligence; cognitive processes; global cognitive ability; basic processes; inspection time, 31432
- perfusion abnormalities; decision making; cocaine dependence; cognitive functioning; hyperperfusion, 4763
- personality traits; cognitive ability; adolescents; optimism; work drive; openness, 16325
- personality traits; cognitive ability; age differences, 19927
- personality; cognitive ability; warning of response verification; measures, 15596
- phasic alertness; task switching; reaction time; response selection; executive functions; goal representation; goal-directed behavior; performance costs, 15877
- phenylketonuria; frontal cortex; executive; speed, 35852
- phonological processing skills; reading test; phoneme awareness; linguistics; kindergarten students; second grade students, 15189
- physical aggression; hyperactivity; cognitive-neuropsychological functioning, 4682
- plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9870
- plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9852
- plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9824
- plasma lipids; bone mineral density; cognitive function; soy protein containing isoflavones; healthy elderly postmenopausal women, 9866
- plasma viral load; neuropsychological functioning; HIV infection; central nervous system; cognitive functions, 20487
- predation pressure; cognitive ability; ecological variable; learning ability; morphology, 12899
- prefrontal cortex; brain; executive functions; working memory; attention; schizophrenia patients, 3590
- prefrontal cortex; cerebro-cerebellar functions; stabilometer indexes; elderly people; brain activity; tremor; physiological correlates, 9767
- prefrontal cortex; executive function; saccade target selection; macaque monkeys; visual cue; match to sample; neurons; memory guided saccades, 25428
- prefrontal cortical activation; lateral areas; prefrontal cortex; working memory; adults; preschool children; cognitive function, 13037
- prefrontal cortical dysfunction; abstinent cocaine abusers; executive cognitive functions; anterior cingulate cortex; lateral prefrontal cortex, 10689
- prefrontal dysfunction; credit card debt; executive functions, 9791
- prefrontal functioning; context processing; schizophrenia; major depression; executive function, 29279
- premorbid functioning; first episode psychosis; positive and negative symptoms; depression; substance misuse; social functioning; cognitive functioning, 35480
- premorbid intelligence quotient; mental deterioration; cognitive functioning; Alzheimer's disease, 20558
- prepulse inhibition; startle reflex; executive mechanisms; attentional mechanisms; sensorimotor gating, 12716
- problem solving ability; career maturity; Nigerian high school students, 8973
- problem solving; cognitive fluidity; mental modules; information exchange; visualization, 18993
- processing abilities; phonological skills; orthographic skills; learning disability; cognitive processes, 26463
- profile difference; Alzheimer's disease; cognitive decline; cognitive function; neuropsychological data, 8081
- prose recall; amnesia; episodic buffer; working memory; executive function, 17275
- psychological development; child development; cognitive function; death; injury, 7024
- psychological essentialism; cognitive bias; word learning; knowledge generalization; reasoning; nature nurture, 708
- psychological functioning; cancer patients; radiotherapy; side effects, 5330
- psychological universals; core mental attributes; theories; methodology; cross cultural factors; personality; human nature, 34425
- psychopharmacological treatment; sertraline; depressive symptoms; methodology; attentional functions; executive functions; major depression; depressed patients; executive loss, 26818
- psychosocial functioning; romantic intimacy; identity formation; age differences; gender differences, 19544
- psychosomatic medicine; clock-drawing test; cognitive dysfunction; screening, 9403
- quality of life; emotional function; cognitive function; acute respiratory distress syndrome, 10890
- quantitative electroencephalography; neuropsychological consequences; toxic molds; health hazards, 5260
- race differences; cognitive ability; culture-only model; hereditary model; Black-White differences; genetics; IQ; public policy, 19940
- race differences; cognitive ability; culture-only model; hereditary model; Black-White differences; genetics; IQ; culture; public policy, 19902
- race differences; cognitive ability; culture-only model; hereditary model; Black-White differences; genetics; IQ; public policy, 19934
- race differences; cognitive ability; culture-only model; hereditary model; Black-White differences; genetics; IQ; heredity; environment; Black-White IQ gap, 19925
- race differences; cognitive ability; culture-only model; hereditary model; Black-White differences; genetics; IQ; stereotype threat; mediated learning experiences; relative functionalism, 19944
- reading ability; cognitive ability; genetic influences; individual differences; twins, 28706
- reading comprehension ability; central executive processing; suppression; irrelevant information, 31423
- reading disabilities; cognitive performance; poor readers; IQ; reading achievement scores; prediction; dynamic assessment; skilled readers, 17116
- recreational rehabilitation; cognitive function; vascular dementia; Alzheimer's disease, 27139
- relapsing-remitting multiple sclerosis; executive functions; endogenous task shift, 8052
- reliable digit span; laboratory induced pain implications; clinical use; test validity; cognitive test performance; negative response bias, 18666
- repetition ability; Wernicke's aphasia; automatic-voluntary, 23614
- repetitive transcranial magnetic stimulation; electroconvulsive therapy; neurocognitive effects; major depression, 29329
- Revised Observed Tasks of Daily Living; problem solving; older adults; medication use; telephone use; financial management, 18690
- risk factors; neuropsychological recovery & ability; alcohol use disorders; depressive symptoms; cognitive-behavioral coping skills therapy; motivational enhancement therapy; twelve-step facilitation, 8633
- risky sexual practices; HIV infection; heroin; cocaine; sensation seeking; executive neurocognitive functions; HIV serostatus; substance dependence, 20256
- role theory; job autonomy; cognitive ability; job related skill; role breadth; job performance, 18376
- schizophrenia; cognitive skills; Independent Living Scales, 58
- schizophrenia; endophenotype; visual perceptual dysfunction; magnocellular pathways; executive functions; movement detection; horizontal displacement; parvocellular pathways, 35496
- schizophrenia; narrative qualities; neurocognitive impairments; negative symptoms, 20123
- school administrators; student thinking skills; administration perception, 5774
- school engagement; African American adolescents; school participation; gender differences; grade level; cognitive functioning; parental education; academic performance, 18235
- second-to-fourth digit length; testosterone; spatial ability; cognitive functions; steroids, 28421
- Selective Reminding Test; cognitive functioning; Lyme disease; normative data; random digit dialing sampling, 15661
- self-awareness; cognitive functioning; schizophrenia; psychiatric symptoms, 4534
- self-efficacy; cognitive ability; employment testing; job applicants; test feedback; predictors, 18402
- self-rated executive function; Executive Function Index; subscales; interscale reliability; factor analysis, 21847
- sensory cognition association; visual ability; episodic memory; processing speed; inhibition; false memory; cognitive ability; cognitive aging; age-related variance, 22069
- sensory-motor processes; neural structures; cognitive functions; visual imagery; motor imagery; iconic memory; temporal judgment; mental rotation, 25436
- sensory-motor system; conceptual knowledge; brain; cognitive linguistics, 25387
- serotonin receptors; postmortem temporal cortex; cognitive decline; Alzheimer's disease, 23593
- severe traumatic brain injury; coma; older adults; disorder recovery; cerebral function, 32784
- sex differences; individual differences; cognitive performance; endogenous gonadal hormones; gonadotropins, 13075
- sex hormones; cognitive functioning; schizophrenia; serum level; oestrogen; neuropsychological functioning; progesterone; testosterone; cortisol, 1212
- short term memory; school achievement; cognitive ability; predictive validity, 5851
- siblings; learning disabilities; understanding of implications; cognitive implications; social implications, 17104
- situational interview; academic performance; team performance; cognitive ability; emotional intelligence; construct validity; managers; professionals, 6301
- skill performance; multiplication; accuracy; fluency; component composite skill relationship; multiplication, 21369
- smoking; childhood IQ; risk factors; cognitive change; occupational status; level of education; heart disease; hypertension; lung function, 10726
- social network; emotional support; cognitive decline; cognitive function, 7461
- social outcomes; pediatric traumatic brain injury; neurocognitive skills; executive functions; pragmatic language; social problem-solving, 4986
- social phobia; interpersonal processes; anxiety; cognitive processing; social information; social developmental pathways; cognitive-behavioral treatment, 7771
- social problem solving; cognitive ability; low vision, rehabilitation, psychological adjustment; distress; depression; well being; impairment, 33453
- social-cognitive functioning; person construal; categorical thinking; perceptual determinants; person perception; social-cognitive toolbox; mental economy, 25080
- socioeconomic position; cardiovascular responses; neuroendocrine responses; cognitive challenge; old age; recovery; heart rate, 22621
- socioeconomic status; health status; life course; gender variations; race; wellbeing; cognitive ability, 16229
- source memory; aging; cognitive ability; episodic memory; perceptual speed; fluid ability; executive functioning; vocabulary; age related differences, 16373
- source monitoring ability; autistic children; autism; executive function, 20323
- span memory; immediate memory; general ability; intelligence; best evidence approach; factor analysis; structural equation modeling, 6593
- Spanish-speaking populations; cognitive ability; cognitive assessment; test validity; measurement, 24867
- speed of processing training; cognitive intervention; cognitive processing speed; older adults; cognitive ability; everyday abilities; processing difficulty, 25732
- spider fear; covariation bias; cognitive bias; phobic stimuli; aversive outcomes, 20152
- standardized neuropsychometric instruments; Mayo's Older Americans Normative Studies; age adjusted norms; IQ adjusted norms, 34271
- state & trait anxiety; self-deceptive strategies; repressors; cognitive performance; self-report; thought listing; defensiveness, 10320
- statistical methods; test scores; cognitive change; neuropsychological assessment; older adults, 21841
- striatal dopamine transporter; cognitive aging; episodic memory; executive functioning; age-related deficits, 16368
- student learning; video recordings; computer instruction; reading comprehension; cognitive ability; learning strategies, 18160
- subjective foginess; acute neuropsychological outcomes; reaction times; processing speed; memory; concussion; high school students; athletes, 4959
- sustained attention; executive functioning; attention deficit hyperactivity disorder; cognitive phenotypes, 26441
- symbolic comprehension; toy replicas; symbolic relations; toddlers ability; vocabulary size, 28709
- symbolic comprehension; toy replicas; symbolic relations; toddlers ability; vocabulary size, 28710
- systolic blood pressure; cognitive decline; elderly Mexican Americans; Hispanics, 9809
- tapping; anticipation performance; attention deficit hyperactivity disorder, 32617
- task performance; cognitive style; analytic style; college students, 26016
- task switching; cerebellar damage; posterior fossa tumor; cognitive skills; intelligence, 23560
- task switching; short term priming; explicitly cued performance; task cuing; cue encoding; short term memory; long term memory; mathematical modeling, 31447
- teaching; older adults; learning environment; information need; cognitive functioning; sensory acuity, 34982
- test anxiety; adolescents attitude; differentiation; cognitive performance; self concept; family environment; mother child relation; emotional reactivity, 10045
- test development; test validation; Subjective Awareness of Neuropsychological Deficits Questionnaire for Children; cognitive functioning, 18775
- testosterone; cognition; social status; cognitive performance, 13110

## Volume 92 SUBJECT INDEX

### Cognitive Ability—Serials

theory-of-mind abilities; twins; false beliefs; siblings; only children, 13228  
 thinking: individual differences; informal reasoning; cognitive ability, 15885  
 Thought Control Ability Questionnaire; test validity; test development; individual difference; emotional vulnerability; psychopathological symptoms; thought suppression, 15654  
 threat related information; visual attention; visual field; lexical decision; words; information processing, 21984  
 thrombin; neurotoxicity; memory impairment; Alzheimers disease; neuritic plaques; cognitive function; neuropathology; rats; traumatic brain injury, 3721  
 thyroid stimulating hormone; cognitive performance; old age, 22091  
 tomographic neurofeedback; self-regulation; brain electrical activity; cognitive processes; learning, 3656  
 topiramate; cognitive function; neonatal seizures; drug therapy; animal models; rats; epilepsy; hyperactivity; spatial memory; visual memory, 25521  
 training length; visual recognition; honeybees; spatial perception; generalization, 28391  
 training programs; creative training; program evaluation; cognitive skills; educational intervention, 5820  
 transferable skills; online peer learning; peer interaction; social characteristics; organizational characteristics; cognitive characteristics, 11856

- inflammatory bowel disease; Crohn's disease; psychosocial intervention; modified cognitive behavior therapy; parental intervention; depression; somatization, 14623
- insomnia treatment; older people; sleep self management; cognitive-behavioral interventions; self-monitoring, 26746
- insomnia; treatment outcome; older adults; cognitive behavioral treatment; aging; diagnostic classification; sleep; treatment efficacy, 32704
- integrative approach; sex therapy; cognitive-behavioral approach; female sexual dysfunction; female sexuality, 8186
- interest predictors; psychological treatment; insomnia; older primary care patients; disturbed sleep; cognitive behavioral treatment; common sense model of illness representation, 36306
- Jeffrey Young Schema Mode Therapy; chronic agoraphobia; clinical outcome; integrative therapy; cognitive behavior therapy; interpersonal therapy, 11055
- kleptomania; head trauma; combination treatment; brain injury; psychiatric symptoms; antidepressants; cognitive behavioral therapy, 5014
- life satisfaction domains; social anxiety disorder; cognitive-behavioral group therapy; quality of life, 8223
- major depression; health services need; psychoeducational intervention; self confidence workshop; cognitive behavior therapy, 11061
- measurement; treatment effectiveness; cognitive therapy; pathological gambling; cognitive behavior therapy, 23769
- medical residents; CBT training, 36607
- medication withdrawal; cognitive behavioral therapy; clomipramine; fluoxetine; obsessive-compulsive disorder, 8230
- menopausal symptoms; cognitive behavioral perspective; individual differences; hot flashes; night sweats, 34691
- mental health problems; diabetes; obesity; hypertension; lifestyle physical activity programs; vocational rehabilitation; cognitive-behavioral therapy, 16743
- mental retardation; cognitive-behavioral psychotherapy; psychodynamic psychotherapy, 1710
- multimodal therapy; treatment resistant depression; cognitive psychotherapy; CBT; cognitive behavior therapy; antidepressants, 23659
- multiple channel exposure therapy; cognitive-behavioral therapy; posttraumatic stress disorder; panic attacks, 11123
- multiple phobias; agoraphobia; Down syndrome; cognitive behavioral treatment; panic attacks, 11136
- negative social events; treatment outcome; social phobia symptoms; cognitive behavioral treatment; catastrophic interpretation, 16899
- nicotine patches; cognitive behavior therapy; abstinence rates; smoking cessation treatment; clinical utility, 11563
- nonpharmacologic treatments; premenstrual syndrome; premenstrual dysphoric disorder; hormonal treatments; oral contraceptives; cognitive-behavioral therapy, 11037
- object relations; psychotherapeutic processes; therapists; cognitive behavior therapy; borderline personality disorder; mood disturbance; posttraumatic stress disorder; childhood sexual abuse, 17541
- obsessive-compulsive disorder; children; adolescents; cognitive-behavioral therapy, 5119
- oppositional & aggressive & antisocial behavior; child therapist alliance; parent child alliance; alliance in child therapy; therapeutic alliance; therapeutic change; cognitive behavioral treatment, 36152
- oppositional-defiant disorder; parent training; cognitive-behavioral model; collaborative parent-child problem solving; treatment effectiveness, 8175

# Volume 92 SUBJECT INDEX

## Cognitive Behavior Therapy—Serials

pain management workshops; community based therapy; cognitive behavioral treatment; Preparation for Pain Management Intervention; intervention development; intervention evaluation, 11125  
 panic disorder; cognitive-behavioral group treatment; agoraphobia; treatment effectiveness, 26781  
 panic disorder; cognitive-behavioral group treatment; agoraphobia; treatment effectiveness, 26749  
 panic disorder; drugs; cognitive behavior therapy; sexual abuse, 10426  
 panic disorder; healthcare utilization; cognitive behavior therapy; agoraphobia, 29959  
 panic disorder; treatment of panic disorder; treatment response; drug therapy; cognitive-behavioral psychotherapy; duration of treatment, 11232  
 Parkinsons Disease; group cognitive behavioural therapy; depression; anxiety; treatment effectiveness, 29973  
 phone-based intervention; cognitive-behavioral therapy; brief intervention; anxiety; war; terrorism; treatment effectiveness, 23768  
 positive cognitions; negative cognitions; working alliance; cognitive-behavior therapy; panic disorder, 32419  
 positive symptoms; schizophrenia spectrum disorders; cognitive behavioral treatment; symptom management, 33042  
 post traumatic headaches; cognitive behavioural therapy; head injury, 29786  
 posttraumatic stress disorder symptoms; cognitive behavioral therapy; treatment strategy; exposure therapy; broad spectrum treatment options; PTSD prevention, 11031  
 posttraumatic stress disorder; childhood sexual abuse; psychotherapy; cognitive behavioral therapy; adult female survivors, 26750  
 posttraumatic stress disorder; cognitive behavioral therapy; eye movement desensitization; psychodynamic therapy; brief eclectic psychotherapy, 26732  
 posttraumatic stress disorder; exposure to cues related to traumatic event; well-being therapy, 26710  
 posttraumatic stress disorder; youth; cognitive treatment; behavioral treatment; treatment outcomes; effective clinical practice, 1724  
 problem behaviours; cognitive behaviour therapy; eye movement desensitization and reprocessing; treatment fidelity; post-traumatic stress symptoms; sexual abuse, 5031  
 psychiatric disability; vocational rehabilitation; mental health services; cognitive behavioral therapy, 33517  
 psychiatric rehabilitation; Chinese immigrants; mental illness; cognitive-behavioral therapy, 5522  
 psychodynamics; cognitive-behavioral treatment; psychodynamic short-term treatment; psychoanalysis; Analytic Process Scales; treatment evaluation, 11117  
 psychological distress; marijuana use; cognitive behavior therapy; self efficacy, 27155  
 psychological intervention; auditory hallucination; cognitive behavior therapy; disorder onset, 11127  
 psychological treatment; social phobia; cognitive behavior therapy, 33103  
 psychosis; schizophrenia; cognitive-behavioral therapy; psychoeducation; coping skills; delusions, 17532  
 psychosocial approaches; acute stress reactions; trauma exposure; conceptual bases; cognitive behavior therapy; glutamatergic systems, 16870  
 psychotherapeutic interventions; learning disabilities; psychodynamics; cognitive-behavioral therapies; cognitive therapies, 11130  
 psychotherapies; cognitive-behavioral therapy; cognitive restructuring; recidivism therapy; schema therapy; process-experimental therapy, 1736  
 psychotherapy; borderline personality disorder; mood disturbance; posttraumatic stress disorder; childhood sexual abuse, 17538  
 psychotherapy; borderline personality disorder; posttraumatic stress disorder; childhood sexual abuse; cognitive behavior therapy; cognitive therapy; diagnosis; phenomenology; case formulation, 17421  
 psychotherapy; child abuse; sexual abuse; coping; treatment; cognitive behavior therapy; personality functioning; Five Factor Model; diagnosis, 17533  
 rehabilitation; cognitive-behavioral training program; offenders; prison; custodial sentences; reasoning, 14879  
 relapse prevention program; sexual recidivism; Sex Offender Treatment and Evaluation Project; cognitive behavioral treatment, 16962  
 residual insomnia; cognitive behavior therapy; posttraumatic stress disorder, 23761  
 resilience; family conflict; cognitive-behavioral approach, 5114  
 schizophrenia; functional cognitive behavioral therapy; psychotic symptoms; treatment outcomes, 23087  
 schizophrenia; genetics; cognitive behavioural therapy; early intervention, 26186

severe mental illness; cognitive-behavioral treatment; posttraumatic stress disorder; bipolar disorder; schizoaffective disorder, 1785  
 sexual offense recidivism; cognitive behavioral treatment program; Ward and Hudson Self-Regulation Model of Relapse; validity; relapse, 35648  
 Skills for Academic and Social Success; school-based intervention; social anxiety disorder; adolescents; cognitive behavior therapy, 12001  
 social anxiety disorder; pharmacological treatments; cognitive-behavioral therapy; psychotherapeutic interventions, 8145  
 social phobia; interpersonal processes; anxiety; cognitive processing; social information; social developmental pathways; cognitive-behavioral treatment, 7771  
 social phobias; generalized social phobia; interpretation bias; cognitive-behavioral therapy, 33093  
 South African counsellors; cognitive behavioural therapy; trauma; training workshop effects; cultural realities; social conditions; community health centres, 36727  
 substance abuse; adolescents; insomnia; daytime sleepiness; negative health; social outcomes; emotional outcomes; recidivism; cognitive behavior therapy, 32266  
 substance-use disorders; occupational therapy interventions; brief interventions; cognitive behavioral therapy; motivational strategies; drug rehabilitation, 2324  
 therapeutic alliance; therapist behavior; cognitive behavioral treatment; anxiety disorders; youth, 26745  
 therapeutic techniques; personal therapy; cognitive behavior therapy; Transactional Analysis, 36127  
 training clinicians; cognitive-behavioral therapy; training strategies effectiveness; treatment manuals; clinician ability, 14931  
 trauma focused cognitive behavioral therapy; non-directive supportive therapy; symptomatology; child abuse; sexual abuse; treatment outcomes, 20650  
 treatment outcome; cognitive behavioral therapy; substance dependence; cocaine dependence; homework assignments; practice assignments; mediators; mechanisms of action, 36534  
 treatment outcome; cognitive-behavioral therapy; anxiety disorders; emotional processing theory, 11124  
 treatment; hypochondriasis; exposure; cognitive behavioral therapy, 29955  
 veterans; posttraumatic stress disorder; interpersonal relationships; relationship functioning; cognitive behavioral therapy; trauma-focused; skills-focused; treatment effectiveness, 26751  
 videoconferencing; client empowerment; cognitive behavioral therapy; bulimic disorders; patient adjustment, 23767  
 web-based; depression; literacy; cognitive-behavioral therapy; stigmatizing attitudes; educational interventions; Internet; depression websites, 5115

## Cognitive Behavior Therapy—Books

Personality-guided cognitive-behavioral therapy, 20697

## Cognitive Behavior Therapy—Chapters

The Adolescent Coping With Depression Course: A Cognitive-Behavioral Approach to the Treatment of Adolescent Depression, 17514  
 Anxiety and Depression in Childhood: Prevention and Intervention, 4597  
 Cognitive Behavioral Couple Therapy, 17591  
 A Cognitive-Behavioral Approach in Group Treatment of Procrastinators in an Academic Setting, 9016  
 Cognitive-Behavioral Assimilative Integration, 17479  
 Cognitive-Behavioral Couple's Treatment for Posttraumatic Stress Disorder, 20681  
 Cognitive-Behavioral Models, 23771  
 Cognitive-Behavioral Therapy with Suicidal Patients, 23772  
 Cognitive-Behavioral Therapy, 5137  
 Cognitive-Behavioral Therapy: Balancing Directive and Nondirective Elements of Treatment, 17517  
 Counseling Adolescents, 14442  
 From Helplessness to Optimism: The Role of Resilience in Treating and Preventing Depression in Youth, 29962  
 An Integration of the Cognitive-Behavioral Therapy and Personologic Models, 20700  
 New Developments in Cognitive-Behavioral and Interpersonal Treatments for Depressed Puerto Rican Adolescents, 17516  
 Posttraumatic Stress Disorder, 4594  
 Thinking Is Believing: Ego-Dystonic Intrusive Thoughts in Obsessive-Compulsive Disorder, 20170  
 Treatment of Child and Adolescent Depressive Disorders, 17548  
 Treatment of Childhood Traumatic Grief: Application of Cognitive-Behavioral and Client-Centered Therapies, 5098

## Cognitive Complexity—Serials

cognitive complexity; causal reasoning; cognition; causal inferences; rule based reasoning, 34869

## Cognitive Development—Serials

cognitive complexity; speaker role; adult persons; stuttering; personal construct psychology; behavioral treatment, 29643  
 complexity analysis; electroencephalography signal; sex difference, 19249  
 counselor trainees; Skilled Counselor Training Model; model effectiveness; skill acquisition; self assessment; cognitive complexity, 18013  
 elicitation techniques; repertory grid outcomes; personal construct elicitation; difference method; opposite method; contrast method, 29111  
 immigrants; group differences; individual differences; cognitive complexity, 16657  
 information processing capacity; conceptual complexity; cognitive ability, 9594  
 Mexican government; integrative complexity; Chiapas Guerrillas; negotiation sessions; interactive exchanges; government representatives, 28886  
 organizational antecedents; individual antecedents; managerial cognition; issue interpretation; cognitive complexity; organizational scanning; organization size; strategic-issue interpretation, 2803  
 primate communication; vocal tract; psychological states; languages; nonhuman primate; cognitive complexity, 34556  
**Cognitive Contiguity—Serials**  
 contiguity; covariation; human causal inference; causal induction; associative learning; causal power theories, 28313  
 contingency judgment; learning tasks; outcome probability; temporal contiguity, 19029  
**Cognitive Deficits [See Cognitive Impairment]**  
**Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]—Serials**  
 adolescents; Iowa Gambling Task; working memory; behavioral inhibition; decision making; ventromedial prefrontal cortex, 3867  
 adoption; cognitive development; adopted children; IQ; school performance, 13252  
 adult gaze; infant attention; object processing; cognitive neuroscience; ontogeny, 34893  
 age related changes; cognitive processing & development; life span; global speed & specific gain loss frameworks; executive function task performance & efficiency; global information processing speed, 739  
 analogical reasoning; relational inference; associative control; problem solving; childhood development; cognitive development, 31849  
 autobiographical memory; theory of mind; narratives; event memory; children, 718  
 causal explanatory frameworks; immanence; internal parts; domain specific knowledge; conceptual abstraction; preschoolers; theory of living kinds, 34867  
 causal reasoning; temporal order of events; causal significance, 9974  
 cerebral functional organization; cognitive development; brain anatomy; sensory function; motor function; neuroimaging studies, 28450  
 chaos; home environment; socioeconomic status; cognitive development; early childhood; genetic influences, 733  
 child beliefs; information processes; executive processes; false belief task, 25640  
 child creative writing; adults; mood disorders; adult creative writers; stress, 25588  
 child development; cardinality understanding; learning; cognitive conflict; numerosity perception, 704  
 child talk; future situations; cognitive perception; language ability, 16251  
 childhood cognition; adulthood cognition; perceptual biases; cognitive biases, 22055  
 childhood development; cognitive development; theory of mind; awareness of diversity in others' train of thought, 7049  
 childhood play behavior; father child relations; mother child relations; cognitive development; language development; prediction; demographic characteristics; parenting, 7087  
 children's understanding; mental states; belief tasks; false beliefs; self pretence, 34888  
 cognition based assessment; elementary school students; students understanding; volume measurement; mathematics; area measurement; reasoning; development, 2647  
 cognitive development; age differences; behavior emulation; modeling; photos; objects; symbolic understanding, 7037  
 cognitive development; brain development; constructivist learning systems, 34874  
 cognitive development; brain plasticity; hemispheric asymmetry; early brain damage; face-processing development; pattern processing; configural processing, 20577  
 cognitive development; category use; changes in category representation; age differences; inference, 7058

- cognitive development; childhood; cognitive performance; socioeconomic status; mental health; problem behavior; household worklessness; criminality; teen parenthood; smoking; depression, 707
- cognitive development; conservation; necessity; childhood development; elementary school students, 31840
- cognitive development; constructivism; developmental theories, 3873
- cognitive development; domain specific processes; global processes; Piagets theory; child development, 9967
- cognitive development; emotional development; maternal recognition; toddler development; elicitation of social influence; anger; distress; sadness; fear, 6999
- cognitive development; human brain; neurobiology; cortical function, 34856
- cognitive development; infant development; animal cognition; cognitive skills, 34482
- cognitive development; intellectual style; personality traits; career interest; self rated abilities, 1101
- cognitive development; parenting stress; emotional development; maternal sensitivity; mother child relations; singletons; twins; triplets; social competence; family environment, 7021
- cognitive development; prenatal focal brain injury; developmental neurobiology; neural adaptation, 36021
- cognitive development; preterm infants; low birth weight; early childhood development; attention; perceptual working memory; spatial working memory, 743
- cognitive development; recess activities; achievement motivation, 25716
- cognitive development; symbol transfer; symbolic retrieval task performance; task complexity; experience level; age differences; contextual support, 7046
- cognitive development; transformational learning; cognitive functioning; adult learning, 3876
- cognitive development; transformational learning; cognitive functioning; adult learning, 3877
- cognitive development; video representations; object retrieval task; imitation, 25609
- cognitive development; working memory; verbal complex span; visuospatial complex span; storage ability; speed of processing; age related change, 28696
- cognitive foundations; reading skills; arithmetic skills; verbal ability; nonverbal ability; phonological memory; digit comparison speed; phonemes, 25611
- cognitive functions development; rolandic epilepsy; cognitive ability, 10941
- cognitive performance; kindergarten children; teacher mediated computer activity; learning environment; thinking processes; work habits, 8881
- cognitive status; cognitive development; mortality; old age; cognitive changes, 10071
- communicative intent; cognitive development; category induction; early childhood development; age differences, 7064
- conceptual metaphor theory; physical motion; metaphorical motion; cognitive development; linguistics; spatial motion; children; adults, 31845
- cross cultural development; illness understanding; American children; Indian children; adults, 3882
- cynicism development; self interest alignment; self interest inconsistency; biases; lies; mistakes; age differences, 22510
- deafness; cochlear implants; neurological development; sensorimotor integration; non-verbal cognition, 1671
- decision making; mental time travel; developmental psychology, 25649
- development of thinking; literacy; young children; learning; writing; argument, 13245
- developmental growth; working memory; energy concept development; student attitudes; concept formation, 27553
- developmental neuroscience; connectionist models; cognitive development, 34861
- developmental performance; at risk preschoolers; literacy tasks; gender differences; racial differences, 19456
- developmental psychology; social development; cognitive development; psychobiology; temperament, 9951
- developmental timing; poverty; cognitive development; social development; childhood development, 28735
- divergent movement ability; young children; motor flexibility, 9991
- early childhood development; self recognition; personal pronoun use; pretend play; cognitive development, 7071
- early childhood intervention; cognitive development; parenting skills; socioemotional domain; early intervention programmes, 9932
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30721
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30706
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30705
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30704
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30708
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30703
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30691
- early identification; children; mathematics difficulties; early intervention; reading difficulties, 30694
- early literacy skills; word recognition; reading comprehension; spelling; elementary school students, 33796
- early parenting experiences; cognitive development; self recognition; self regulation; birth order; cross cultural differences; parenting style; age differences; Cameroon; Greece; Costa Rica, 7066
- episodic future thinking; humans, 25603
- episodic temporal generalization; age differences; perceptual processes; developmental changes, 25631
- event recall; warning; suggestibility; warning instructions; eyewitness interview; answerable & unanswerable & misleading questions; age effects; childhood; cognitive development, 28698
- event-related potentials; infant cognition; infant development; auditory stimulation; visual stimulation; neurophysiology, 19448
- event-related potentials; infant cognition; infant development; auditory stimulation; visual stimulation; neurophysiology; early risk assessment, 19472
- executive function; developmental stages; false beliefs; false photographs; children's understanding; picture sentence verification task; theory of mind, 31841
- executive functioning; theory of mind; developmental course; preschoolers, 3859
- executive functions; inhibitory control; childhood; adolescence, 9973
- false beliefs; infants; mental states; behavior, 22512
- false-belief task; autism; intellectual disabilities; mental-state understanding; cognitive development, 26411
- family size; constituents of compound words; lexical access; early childhood; parsing, 19458
- geometric figures; children's composition; learning trajectory; learning; developmental progression; mathematical action-on-objectives, 2651
- gestures; children's understanding; false belief; cognitive development; novelty differences, 13226
- goal directed action; interpretation; human action; humanoid robot motion; infants; visual habituation paradigm, 31834
- Greek ethics; moral reasoning; cognitive development; Greek philosophy; Kohlberg stage theory, 25593
- health; highway traffic; noise; children; aircraft noise; cognition; noise exposure, 28687
- human mind; contemporary world; human mentation; human mental development; psychoanalysis; philosophy, 32248
- humans; gestural communication; cognitive development; social cognition; cognitive skills; apes; enculturated apes, 321
- individual differences; psychological risk; adoptees; adoption-related issues; cognitive development; adoptive identity, 920
- infant cognition; preterm infants; full-term infants; attention; reaction time; recognition memory, 28726
- infant search; hidden persons; positive decalage; person permanence; object permanence, 9941
- infant sleep; cognitive development; sleep wake patterns, 25643
- infants; material objects; inanimate objects; continuous motion, 7070
- infants; material objects; inanimate objects; continuous motion; infants construal, 7069
- infants; material objects; inanimate objects; continuous motion; infants construal, 7080
- infants; phonological specificity; mispronunciations; sensitivity, 19440
- infants; word-learning; mapping; vocabulary, 19451
- insight; intentionality; early childhood; cognitive development; symbols, 25645
- instructional situations; teacher student interaction; cognitive development; teacher knowledge; reading instruction; zone of proximal development, 18268
- intergroup relations; cognitive development; socio-cultural divisions; child's awareness; understanding; ethical & methodological constraints; research; cultural setting, 698
- Jean Piaget; cognitive development theory; healing narratives; college counseling, 18326
- kindergarten students; fractional quantities; whole numbers; number line; childhood development, 31802
- landmarks; routes; computer simulation; virtual environment; spatial cognition; age differences; sex differences; cognitive development, 16266
- language assessment; young language learners; Europe; Common European Framework of Reference; European Language Portfolio, 30651
- language impairment; preschoolers; maternal factors; child factors; demographic factors, 10795
- language measures; language problems; early childhood development; language performance; genetics; nonverbal cognitive development, 13241
- language; thought processes; Spanish speaking children; English speaking children; visual motion event stimuli; monolingualism; age differences, 31790
- learning; memory; inductive inference; category information; induction; cognitive development; childhood development, 713
- lifestyle activities; cognition; cognitive change; older adults, 22616
- location strategies; preschoolers; selective attention; spatial memory; spatial cues; recall, 31821
- maturation of white matter; cognitive functions development; working memory capacity; reading ability; childhood development; reading, 730
- memory; dementia; terminal decline; pattern-oriented analysis; aging; cognitive development; mortality, 28835
- mental models; auditory events; pitch discrimination; duration discrimination; relational complexity, 7023
- mental number line representation; unit-decade compatibility effect; 2-digit numbers; magnitude; holistic processing; cognitive development; children; age differences, 3879
- mental state reasoning; cross cultural differences; theory of mind; false beliefs; developmental transition, 22485
- mental states; self understanding; children's understanding; understanding pretence; self pretence tasks, 34889
- metacognitive development; deaf children; mind development; theory of mind, 14283
- metacognitive development; writing; bilingual first graders; Chinese; English, 13246
- mind; brain; identity development; mental processes; childhood development; conceptualization, 31823
- moral development; cognitive development; cooperation; moral judgment; pragmatic approach; Kohlberg's model; moral decision making, 27960
- moral reasoning; cognitive development; college students; decision making, 15848
- muscle eye brain disease; genetic disorder; severe learning disability; motor development; eye manifestations; epilepsies; cognitive development; behavior, 17171
- name-based categorization; cognitive development; lexical development; Williams syndrome; young children, 32705
- neurocognitive functioning; socioeconomic status; kindergarten children; cognitive ability; cognitive neuroscience, 13239
- nonparental care; head start children; kindergarten children; early childhood study; cognitive outcome; behavioral outcome, 32074
- novel labels; object pre-exposure; early childhood; naming; preschool children, 19449
- parent-child conversation; explanatory conversation; teleological explanation, 9968
- partial word knowledge growth; verbs; nouns, 9990
- phonological short-term memory; childhood; cognitive skills; scholastic attainments; cognitive development; phonological awareness, 22495
- preschoolers understanding; false belief; fictitious events; children's mind abilities, 25598
- preschoolers; familiar adjectives; subordinate-level match; basic-level match; inanimate object; trait adjectives; adjective extension; categories; emotional adjectives; physiological adjectives, 28704
- private speech; executive task; task difficulty; task performance; self regulation of behavior, 34863
- problem-solving; feedback; cognitive development, 25630
- pronouns; comprehension; discourse prominence; preschoolers; cognitive development; sentence comprehension, 9984
- psychometric framework; categories; dimensions, 6261
- relational language; relational mapping development; spatial representation; reasoning, 25628
- reorientation behavior; rhombic environment; geometric module; landmark information; age differences, 31832
- self perceived ability; self perceptions; elementary school students; intelligence; parents perceptions; teacher evaluations, 33816
- self representation; personality development; Dynamic Integration Theory; cognitive development, 13196
- smoking; childhood IQ; risk factors; cognitive change; occupational status; level of education; heart disease; hypertension; lung function, 10726
- socioeconomic diversity; language development; cognitive development; social emotional development; low income level; preschool children, 22463
- speech-language pathology; cognitive development; human communication; language disorders; child development, 1475
- speech; children's gestures; learning; balance; cognitive development; representational redescription model, 3881

Stroop effect; color object interference; color naming; young children; childhood development; cognitive development, 31846

subcortical regions; attention switching; cognitive development; neural development; early development; forced choice attention task, 3860

suggestibility; source monitoring errors; interview style; interviewer consistency; child's personality; forced confabulation group; simulated crime, 25595

syntactic development; semantic similarity; transfer of learning; Hebrew-speaking children, 19464

tempo discrimination; 3-4 year olds; cognitive development; durations, 28699

test reliability; test validity; Draw A Person Test; special education; cognitive adaptation; socioemotional adaptation; cognitive development; human figure drawing, 18696

traffic education; tabletop model; traffic safe behavior; learning ability, 12319

transcriptional control; cognitive development; genetics; environment; neural activity; gene expression; mental retardation; autism spectrum disorders, 34868

typicality; out of category relatedness; speeded category verification; semantic organization; cognitive development, 34873

video games; electronic play; cognitive development; socioemotional development, 28761

visual attention; event related potential correlates; visual recognition memory; stimulus similarity; stimulus novelty; cortical source of ERP components; familiarization; infancy, 28725

visual cognitive development; early onset blindness; Hebbian competition; congenital cataract; congenital blindness, 36040

vitalistic causality; childhood development; biological phenomena; human bodily processes, 714

word comprehension; infant development; cognitive development; acoustic degradation, 25633

writing practice; letter recognition; preschool children; handwriting; typing; visual recognition; motor conditions, 25629

young children; pretence; mentalistic sense, 6936

**Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]—Books**

Developmental cognitive neuroscience: An introduction (2nd ed.), 16237

**Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]—Chapters**

Beyond Piaget's Phenocopy: The Baby in the Lamarckian Bath, 12973

Black Males' Structural Conditions, Achievement Patterns, Normative Needs, and "Opportunities" 21391

Cognitive Assessment of Preschool and Elementary School Students, 14114

Cognitive impacts of the first year of college, 15243

Culturally Situated Cognitive Competence: A Functional Framework, 7302

The Development of Deductive Reasoning, 3895

Developmental changes in reading and reading disabilities, 14149

The developmental relation of theory of mind and executive functions: A study of advanced theory of mind abilities in children with attention deficit hyperactivity disorder, 17094

Executive functions, working memory, verbal ability, and theory of mind—Does it all come together?, 16302

An exploration of severe learning disability in adults and the study of early interaction, 7978

Hot and cool aspects of executive function: Relations in early development, 16307

Interrelationships among theory of mind, executive control, language development, and working memory in young children: A longitudinal analysis, 16304

Knowledge, Categorization, and the Bliss of Ignorance, 19485

On the specificity of the relation between executive function and children's theories of mind, 16300

A Parallel Distributed Processing Approach to Semantic Cognition: Applications to Conceptual Development, 19491

Piaget's Legacy in Cognitive Constructivism, Niche Construction, and Phenotype Development and Evolution, 13261

The Primate Phylogeny of Cognitive Ontogeny, 12860

Sustainability of Daily Routines as a Family Outcome, 17097

Theory of mind, working memory, and verbal ability in preschool children: The proposal of a relay race model of the developmental dependencies, 16296

Theory of mind—The case for conceptual development, 16305

Working memory and its relevance for cognitive development, 16306

**Cognitive Discrimination—Serials**

aging; selective attention; reaction time; perception; cognition; adult age differences; attentional guidance; visual search; repetition priming; target singleton discrimination, 28718

mathematics; problem solving; strategy; discrimination; elementary school; visual scan patterns; irrelevant information; mathematical story problems, 24489

shift learning discrimination; outerdirectedness; mentally retarded children; discrimination tasks, 35804

unconscious perception; awareness; subjective threshold; detection; discrimination, 25128

**Cognitive Dissonance—Serials**

advertising incongruity; classic theoretical approaches; consumers; elaboration likelihood model; schema incongruity theory, 15410

cognitive dissonance; cultural guises; Asian Canadians; European Canadians, 32085

cognitive dissonance; media illiteracy; public opinion; news media; public learning; accuracy; believability; bias; honesty; television; newspapers, 658

cognitive dissonance; prejudice; personal costs; choice; attitude change; racial beliefs; counterattitudinal advocacy; minority; Whites; Blacks, 25944

cognitive dissonance; social groups; group disagreement; attitude heterogeneity; dissonance resolution, 7466

contrast effects; rewards; cognitive dissonance; effort, 28273

dissonance theory; terror management theory; uncertainty salience; mortality salience; induced-compliance experiment, 32241

East Asian cultures; family harmony; filial piety; elders; cultural dissonance; solution focused therapy, 5147

eating disorder prevention; dissonance; eating disorder attitudes, 20369

Interpersonal Cognitive Distortions Scale; cognitive distortions; interpersonal relationships; psychometric characteristics, 254

job characteristics; individual characteristics; professional dissonance; mental health practice; values, 30552

ownership; cognitive dissonance, 25958

personal relevance; attitude change; racial symbolism; counterattitudinal advocacy; dissonance, 32139

student attitudes; dating aggression behaviors; cognitive dissonance theory; high school students, 7156

**Cognitive Dissonance—Chapters**

Actions and Attitudes: The Theory of Cognitive Dissonance, 13677

**Cognitive Dysfunction [See Cognitive Impairment]**

**Cognitive Functioning [See Cognitive Ability]**

**Cognitive Generalization—Serials**

algebraic reasoning; generalization; student reasoning, 33809

exemplar models; generalization; categorization; theories; memory, 15890

extraction of algebraic rules; rule based generalization; stimulus salience; sequence learning; perceptual primitives; statistical learning, 31415

generalization skills; neural network; striate cortex cells; spatial orientations; natural scenes, 31603

machine discovery approach; hashing techniques; inference technique; generalizations, 31010

rule-drive categorization; exemplar effects; exemplar memory; incidental learning; stimulus individuation, 12736

semantic learning; generalization; severe amnesia; cortical & medial temporal lobe; connectionist modeling; memory, 17311

training length; visual recognition; honeybees; spatial perception; generalization, 28391

**Cognitive Hypothesis Testing—Serials**

cheater detection hypothesis; selection task problems; Wason selection task, 22052

cognitive complexity; causal reasoning; cognition; causal inferences; rule based reasoning, 34869

evidence; target tests; rule-discovery tasks; 2-4-6 Wason, 3422

extraction of algebraic rules; rule based generalization; stimulus salience; sequence learning; perceptual primitives; statistical learning, 31415

individual psychological reactions; perceived stigma; dual process model; associative system; rule-based system, 1024

intelligence assessment; computer simulations; problem solving behavior, 32209

prefrontal cortex; discrimination rule learning; extradimensional set shifting; rats; N-methyl-D-aspartate receptor antagonist; MK801; cognitive flexibility, 19325

problem solving tasks; illegal moves; cost; learning transfer; caution; river-crossing problems, 28274

target hypothesis; inconsistent probability; causes; probability judgment; cognitive processes, 12718

**Cognitive Impairment—Serials**

abstinence; amphetamine dependence; cognitive performance, 35702

accommodation support services; intellectual disabilities; Australia, 36459

affective stimuli; alcoholism; frontal lobe; prosody perception; memory deficits, 16726

African American elders; Mattis Dementia Rating Scale; cognitive decline; norms; neuropsychological assessment, 24968

age disorientation; schizophrenia; delusional misidentification syndrome; intellectual deterioration, 10560

age; cognitive function; HIV; risk factor; cognitive impairment, 26545

aging; remote memory; memory deterioration; age related differences, 25724

alcohol consumption; cognitive function; women; alcohol effects; cognitive impairment, 13559

alcohol; memory impairment; memory enhancement; cognitive performance; alcohol intoxication, 31712

Alzheimer disease; caregivers awareness; mild cognitive impairment; telephone use; help calls, 29759

Alzheimer disease; self recognition; cognitive impairment; photographs, 20543

Alzheimer's disease; disturbed sleep; cognitive impairment; caregivers, 35975

Alzheimers Disease Assessment Scale - Cognitive Subscale; cognitive dysfunction; Alzheimers disease; dementia; normative data, 9425

Alzheimers disease; vascular dementia; mild cognitive impairment; predictive accuracy; prognostic accuracy; Alzheimers disease subtypes, 17305

amnesia; dementia; Alzheimers disease; memory disorder; mild cognitive impairment; cognitive functioning, 20582

amyloid deposition; dementia subtypes; global cognitive dysfunction; focal cognitive dysfunction; entorhinal amyloid; Alzheimers disease; memory impairment; vascular dementia; cognitive impairment, 17315

amyotrophic lateral sclerosis; executive functions; cognitive deficits; electroencephalography, 10848

annual health check; intellectual disabilities; nursing; health needs; learning disorders, 1439

anorexia nervosa; early onset anorexia; functional neuroimaging; limbic system dysfunction; information processing speed; impaired visuospatial ability; impaired visual memory, 23445

anosognosia; two factor delusion theory; hemiplegia; cognitive impairments, 19982

anterior temporal lobectomy; face identity; person identity; cognitive impairment, 23609

antisocial behavior; neurocognitive impairments; lifecourse persistent path; adolescent-limited theory; childhood-limited antisocials; functional impairment; memory; behavior measures, 14012

apolipoprotein allele; mild cognitive impairment; Alzheimers disease; risk factor, 20520

apolipoprotein E genotype; cognitive performance & decline; educational attainment; education; time; aging, 16372

apolipoprotein E; cognitive performance; aging; cognitive deficits; e4 alleles; e4 genotypes, 7199

attention deficit hyperactivity disorder; impaired executive function; general intelligence; children, 23388

attentional performance; multiple sclerosis; cognitive impairment; sustained attention; divided attention, 32699

auditory neglect; spatial deficits; stroke patients; gaze direction; auditory stimuli, 16696

auditory precision; schizophrenia; pitch discrimination; schizotypal personality disorder; cognitive deficits, 13885

autobiographical memory; problem-solving deficits; depressed patients; attempted suicide, 20212

awareness; cognitive dysfunctions; mild cognitive impairment; mild Alzheimer's disease; patient report; caregiver report, 23589

benzodiazepine use; cognitive impairment; cognitive behavioral therapy; anxiety disorders, 20154

biomarker profiles; mild cognitive impairment; Alzheimers disease; cerebrospinal fluid; risk group, 20578

bipolar disorder; neuropsychiatric disorders; cognitive impairment; cognition, 23065

brain activity; emotional stimuli processing; major depression; cognitive deficits, 23071

caregivers attitude; intellectual disability; medication; parents attitude, 5224

cell adhesion molecules; brain; chronic stress; cognitive impairment; immunoglobulin superfamily, 9823

cerebellar ataxia; impairments; coordination center; cerebellum; self-esteem; abasia; astasia, 4836

cerebral volume loss; cognitive deficit; neuropsychological performance; brain atrophy; dementia, 4933

cerebrospinal fluid protein; mild cognitive impairment; Alzheimers disease; neuropsychological examination; biological markers; memory performance, 20546

cerebrovascular-related brain injury; diagnosis; neuropathology; vascular dementia severity; cognitive impairment; cerebrovascular disease; cardiovascular disease; neurofibrillary tangles, 35973

- change; cognitive functioning; cognitive decline; disability; well being; health care utilization; older persons, 22607  
child psychology; child psychiatry; intellectual disability; cognitive impairment, 20004  
childhood onset schizophrenia; neurocognitive deficits; genetic etiology; family members; working memory; psychomotor speed, 1210  
circadian preference; cognitive functioning; rehabilitation inpatients; cognitive impairment, 21042  
circadian rhythm dysfunction; learning impairment; cognitive decline; aged hamsters; glucocorticoid; locomotor rhythms; cortisol rhythm; animal learning, 494  
clinical correlates; visual perceptual organization deficits; psychotic symptoms; schizophrenia; symptoms remission; inpatient treatment course, 29396  
Clock Drawing Test; cognitive impairment; delirium; elderly medical inpatients; identification, 31168  
Clock Drawing Test; screening method; mild cognitive impairment; geriatric patients, 74  
cocaine; vocalization; baboons; grunt; acoustics; human vowel sounds, 31702  
cognition; schizophrenia; cognitive deficits; antipsychotic medications; measurement; research; psychotic symptoms, 10570  
cognitive abnormalities; schizophrenia; schizophrenia-like psychosis of epilepsy; temporal lobe; psychosis; cognition, 10437  
cognitive affective psychosis syndrome; sporadic olivopontocerebellar atrophy, 26589  
cognitive changes; vascular dementia; morphometric changes, 20540  
cognitive decline; behavioral assessment; dogs; pet food market; antioxidants, 34766  
cognitive decline; caregiving; lived experiences; rural communities, 5490  
cognitive decline; gene variation; disease progression; Alzheimers disease; K allele variant of butyrylcholinesterase, 23581  
cognitive decline; healthy aging; pathological aging; context processing; age differences; dementia of Alzheimer's type, 17258  
cognitive decline; mild cognitive impairment; cognitive functioning; neuropsychological assessment; older adults; Alzheimer disease, 32785  
cognitive deficit; schizophrenia; therapeutic intervention, 10569  
cognitive deficits; aged rats; frontoparietal cortex; neurotransmitter release; amino acid concentrations, 19167  
cognitive deficits; cancer; subjective outcomes; objective outcomes; quality of life; cancer outcomes model, 26561  
cognitive deficits; chronic schizophrenia, 13887  
cognitive deficits; dogs; egocentric spatial ability; spatial memory; object recognition; age differences, 34589  
cognitive deficits; gestational disruption; neurogenesis; rats; behavioral abnormalities; schizophrenia; animal models, 16027  
cognitive deficits; psychopathic offenders; information processing; brain hemisphere activation, 23180  
cognitive deficits; vascular dementia; Alzheimers disease; episodic memory; short-term memory; verbal fluency; visuospatial skill, 4441  
cognitive deficits; ventromedial prefrontal damage; head injury; executive functions, 4939  
cognitive deficits; young dyslexics; adult dyslexics; age differences; phonological skills; dyslexic readers, 26462  
cognitive disorders; cognitive functioning; stroke; post-stroke dementia; mild cognitive impairment; amnesia, 1640  
cognitive disturbances; dysexecutive syndrome; Parkinson's Disease; donepezil; efficacy; safety; executive dysfunction, 33200  
cognitive dysfunction; autism; brain, 1420  
cognitive dysfunction; congestive heart failure; primary healthcare; nurse based management program; gender effects, 33347  
cognitive dysfunction; low grade glioma; neuropsychological evaluation, 26560  
cognitive dysfunctions & impairments; endophenotypes; schizophrenia; susceptibility; gene-behavior relationships, 13903  
cognitive effects; drug withdrawal; long-term benzodiazepine use, 23851  
cognitive enhancement; aged rats; chronic administration; *Equisetum arvense*; antioxidant properties; toxicity, 31697  
cognitive function; hospital inpatients; telephone interview for cognitive status; mini mental state examination; cognitive impairment, 3249  
cognitive function; schizophrenia; cognitive impairment; premorbid; parental education, 20119  
cognitive functioning; bilateral perisylvian polymicrogyria; intelligence; cognitive deficits; cortical disorganization, 23584  
cognitive impairment; affective empathy; focal brain lesions; cognitive abilities; anatomy, 10965  
cognitive impairment; Alzheimers disease; aging; cholinesterase inhibitors, 23565  
cognitive impairment; brain mechanisms; schizotypy; schizophrenia; nucleus accumbens; brain activity; dorsolateral prefrontal cortex; negative emotional distractors, 13909  
cognitive impairment; cerebrospinal fluid levels; lactate; senile dementia; pyruvate; Alzheimers disease, 26629  
cognitive impairment; cerebrovascular disease; neuropathology, 23551  
cognitive impairment; cognitive ability; Alzheimer's Disease; cognition; episodic memory; perceptual speed, 29764  
cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3239  
cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3241  
cognitive impairment; dementia; longitudinal brain change; entorhinal cortex; ERC atrophy; hippocampus; cerebrospinal fluid, 3252  
cognitive impairment; dementia; plasma vitamin E levels; older persons, 26583  
cognitive impairment; executive dysfunction; homocysteine; risk factor; serum level; vitamin deficiency; hyperhomocystinemia, 26580  
cognitive impairment; functional impairment; dementia care; quality of life; residential care settings, 8594  
cognitive impairment; Geriatric Depression Scale; Orientation-Memory-Concentration-test; major depression; test validity; test reliability; psychometrics; older ill inpatients; screening tests, 18722  
cognitive impairment; Geriatric Depression Scale; Orientation-Memory-Concentration-test; major depression; test validity; test reliability; psychometrics; older ill inpatients; screening tests, 18759  
cognitive impairment; major depression; traumatic brain injury, 20002  
cognitive impairment; PDAPP mice; apolipoprotein E; amyloid formation; alpha 1-antichymotrypsin; risk factors; Alzheimer's disease; pathogenesis, 504  
cognitive impairment; psychotic disorders; psychiatric impairment; Test of Memory Malingering; concentration problems, 26177  
cognitive impairment; quality of life; long term care services; dementia, 29782  
cognitive impairment; relapse; multiple sclerosis; subcortical dementia; executive function; verbal learning; verbal memory; information processing speed; fatigue; depression, 10820  
cognitive impairment; response accuracy; response consistency; demographic characteristics, 20589  
cognitive impairment; schizophrenia; atypical antipsychotics; cognition, 20115  
cognitive impairment; status epilepticus; recurrent seizures; early development; rats, 9769  
cognitive impairment; temporal orientation; Alzheimers disease; Mini-Mental State Examination, 18784  
cognitive impairment; toxicogenic fungal exposure; memory; executive functions, 35994  
cognitive impairment; toxicogenic fungal exposure; memory; executive functions, 4954  
cognitive impairment; toxicogenic fungal exposure; memory; executive functions, 35980  
cognitive impairments; disordered speech; schizophrenia; communication failures; formal thought disorder; disorganization; attention; language, 20109  
cognitive impairments; phenylcyclidine; schizophrenia; animal model, 16128  
cognitive impairments; physical impairments; vocational identity; career development, 22990  
cognitive malingering; diagnosis; cognitive impairment; work-related pain; neuropsychological techniques, 6346  
cognitive neuropsychology; agnosia; visual perception; cognitive impairment rehabilitation; tests of perception; dorsal & ventral streams; global vs local processing, 70  
cognitive neuroscience; schizophrenia; working memory; episodic memory; cognitive impairment, 32367  
cognitive performance; liver function; abstinent alcohol abusers; alcohol addiction, 35695  
cognitive performance; neurological performance; neuroleptic psychosis, 10584  
cognitive structure; executive deficits; frontal lesions; activities of daily living; executive functions, 26395  
Cognitive Subscale of Alzheimers Disease Assessment Scale-Chinese Version; Alzheimers disease; dementia; cognitive impairment, 9428  
compromised arterial oxygen saturation; elderly; asthma sufferers; selective cognitive impairment; chronic obstructive pulmonary disorder, 17182  
context-processing deficits; schizotypal personality disorder; working memory; selective attention, 4618  
conventional antipsychotic medications; cognitive impairments; schizophrenia; problemsolving skills; verbal skills; psychotic symptoms, 16834  
conversation; dementia; Alzheimers type; diagnostic symptom; cognitive impairment; linguistic impairments; communicative impairment, 26623  
conversion pseudodementia; old age; psychiatry; cognitive impairment; physical dependency, 4957  
coping strategies; attention deficit hyperactivity disorder; antisocial personality problems; cognitive deficits, 14109  
decision making impairments; pathological gambling; functional brain changes; neuropsychological alterations; personality alterations, 20193  
deficient inhibitory motor control; attention deficit hyperactivity disorder; stopping performance; cognitive deficit; reaction time; stop latency; meta analysis; stop task, 20331  
delirium; frailty; cognitively impaired, 7684  
dementia; mild cognitive impairment; Alzheimer's disease, 1627  
demographic and sleep characteristics; nursing home residents; cognitive impairment; severe sleep-wake pattern inefficiency, 36008  
depression; cognitive impairment; dementia of Alzheimers type, 35362  
depression; cognitive impairment; dementia of Alzheimers type, 35368  
depression; dementia; mild cognitive impairment; geriatric psychiatry, 1116  
depression; ethnically diverse older women; demographic & cognitive factors; ethnic minorities; depressive symptomatology; income; widowed status, 1191  
depressive symptoms; affective symptoms; cognitive symptoms; positive symptoms; schizophrenia; treatment, 20020  
developmental perspective; cognitive deficits; attention deficit hyperactivity disorder; executive functioning; cognitive inhibition, 32598  
developmental perspective; psychiatric assessment; diagnosis; intellectual disability; integrative diagnosis, 10918  
diagnosis; intellectual disability; cognitive functioning; adaptive behavior; gender differences; age effects; offenders, 35766  
differential item functioning; Short Portable Mental Status Questionnaire; cognitive screening; cognitive ability; cognitive impairment, 18782  
donepezil; galantamine; cognitive symptoms; Alzheimers disease; drug therapy, 23976  
driver impairment; portable performance tester; evaluation; sensitivity to ethanol, 31135  
early Alzheimer's disease; acquisition deficit; cognitive deficits; working memory model, 20536  
educational inclusion; special needs; cultural differences; cognitive deficits, 18300

discourse representations; pronoun interpretation; preschoolers; sentence comprehension; syntactic structure, 31808  
dog; means end task; problem solving; string pulling, 6681  
duration; location; comprehension; prosody; ambiguous utterances; speech pause; phrases, 19354  
early development; property recognition; absent things; reference comprehension, 3885  
economic exchanges; shared understanding; children; adults, 31870  
economic thinking; narratives; paradigmatic modes; lifeworld; society, 10113  
emotion talk; emotion words; children's understanding; emotion; mother's explanations; gender, 19408  
English immersion; language learning; language use; language proficiency; sociolinguistics; social psychology, 8888  
event boundaries; narrative time shifts; memory; mental models; comprehension; temporal changes, 31449  
event related potentials; morphology; conflict resolution; human language comprehension, 13442  
external representations; insights; cognition; text production; text comprehension; diagrams; instructions; problem solving; reasoning, 31419  
false-belief task; autism; intellectual disabilities; mental-state understanding; cognitive development, 26411  
gestures; children's understanding; false belief; cognitive development; novelty differences, 13226  
health education; children's understanding; causes of illness; diabetes mellitus; illness-related concepts; school functioning; family functioning; development of thinking; anxiety; locus of control, 9970  
homosexuals; understanding; counseling, 32104  
idiom comprehension deficits; corpus callosum agenesis; hypoplasia; spina bifida meningomyelocele, 23492  
infants; decontextualized words; learning; vocabulary, 13250  
intentional actions; infants; behavioral responses; infant understanding; toy teasing; accidental withholding; goal-directed actions; failed attempts; onset of understanding, 16216  
intergroup relations; cognitive development; socio-cultural divisions; child's awareness; understanding; ethical & methodological constraints; research; cultural setting, 698  
joke comprehension; semantic activations; hemispheric asymmetries, 6765  
language comprehension impairments; English past tense; verbs; phonology; inflection; semantics, 20393  
language comprehension; event-related brain potential; syntactic ambiguity; working memory; reading span; individual differences, 473  
language comprehension; production; French object clitics; second language learners; children; second language impairment, 35830  
language development; comprehension skills; absent references; conversation; communicative intent; language; language development; caregivers; infant development; child development, 13249  
lingering effects; reparandum verb; disfluent material; unambiguous disfluency verb; ambiguous non garden path sentences; verb replacement disfluencies, 34811  
mathematics; test answers; explanations; understanding, 2657  
mental states; self understanding; children's understanding; understanding pretence; self pretence tasks, 34889  
metacomprehension judgments; accuracy constraints; transfer appropriate monitoring; accessibility hypotheses, 22109  
metaphor appreciation; comprehension; feature emergence; poeticity; incongruity resolution; interpretations; topic-vehicle similarity, 25197  
metaphor comprehension; attributive categorization; class inclusion model, 31427  
Miranda comprehension; mild mental retardation; feedback style; suggestibility, 34137  
multimedia learning; words; illustrations; quantitative details; qualitative understanding; problem-solving transfer, 15917  
multimodal dialogue; conversation; algorithms; human language, 3782  
narrative comprehension; retelling ability; nonverbal learning disabilities, 4812  
narrative genre; genre structure; book covers; science fiction; judgments, 22373  
narrative thinking; fairy tale; narrative comprehension; idiosyncratic imagery, 28300  
nonmetalinguistic verbalization; research methodology; second language reading; Spanish language learners; syntactic structure, 34798  
normal language processing; neuroimaging; psycholinguistics; language production; language comprehension, 34806  
ostensible speech acts; mutual recognition; comprehension; sincere speech, 31755  
personality science; comprehensiveness; methodology; units of analysis; personality assessment; psychometrics, 13680  
philosophical hermeneutics; cognitive sciences; human understanding, 6563  
plays; folk theory; imaginative literature; emotions; audience engagement; literary simulations; scriptlike themes; narrative progressions; problem-solving; relationship modes; Shakespeare; Chekhov, 6888  
pronouns; comprehension; discourse prominence; preschoolers; cognitive development; sentence comprehension, 9984  
psychological self; naturalism; constructionism; first person perspective; understanding; ontogenesis; reality status of the self, 18711  
readers' misconceptions; text comprehension; scientific text; read aloud; recall, 24495  
reading skills; curriculum based measurement; decoding; word reading; comprehension, 18810  
scientific principles; computer simulations; adaptive systems; perceptual concreteness; idealization; transfer; understanding, 9592  
second language grammar; aural processing; implicit instruction; knowledge base; comprehension, 22404  
second language learning; topic familiarity; input mode; pausing; language comprehension; linguistic form; morphological form; tense morphology, 6937  
social story; school aged children; game playing skills; social comprehension; autism, 32885  
symbolic comprehension; toy replicas; symbolic relations; toddlers ability; vocabulary size, 28709  
symbolic comprehension; toy replicas; symbolic relations; toddlers ability; vocabulary size, 28710  
teacher understanding; internalization; nursing education; higher education; teaching, 8760  
teaching; judgment heuristics; representativeness heuristic; understanding, 11871  
teaching; learning; preschoolers; understanding; knowledge difference; belief; theory of mind; childhood development, 8977  
theme comprehension; children; adolescents; stories; moral themes; social cooperation; prudence, 31780  
Theodor Lipps; empathy; sympathy; history of psychology; interpersonal understanding, 21756  
theory of mind; knowing-that; knowing-how; Chinese preschoolers; Cantonese; American preschoolers; understanding; exposure; linguistic markers, 22524  
thinking; language; listening; speaking; comprehension; schematization; conceptual information, 34414  
top-down processes; bottom-up processes; comprehension; construction-integration model; linguistic processing; knowledge integration, 19012  
traumatic brain injury; working memory; inference comprehension, 32824  
verbal expression; comprehension deficits; autism; language impairment, 26413  
working memory capacity; language comprehension; processing speed; age, 22529

Asynchronous Learning Networks: Looking Back and Looking Forward, 18119

Computerized Learning Environments That Incorporate Research in Discourse Psychology, Cognitive Science, and Computational Linguistics, 8908

Conditions Theory and Models for Designing Instruction, 8918

Disciplined Inquiry and the Study of Emerging Technology, 8916

An Ecological Psychology of Instructional Design: Learning and Thinking by Perceiving-Acting Systems, 8923

Effectiveness for Students: Comparisons of "In-Seat" and ALN Courses, 18118

Foundations of Programmed Instruction, 8915

Improving Quantitative Research on ALN Effectiveness, 15539

Part V: Methods and curricula in second language teaching, 15181

Postmodernism In Educational Technology: Update: 1996-2002, 8912

Technology in the classroom: Thinking beyond the machines, 15052

Toward a Sociology of Educational Technology, 8913

User-Design Research, 9238

**Computer Assisted Testing—Serials**

Andrichs rating scale model; Rosts successive intervals model; attitude measurement; computer adaptive test, 33693

bilingual computerized test; vocabulary knowledge; passive recognition; passive recall; classroom language performance; language strength modality, 629

Career Key Interest Inventory; career development; human females; test validity; web-based version; paper-and-pencil version, 15711

cognitive schemas; web based student evaluation; teaching system; higher education, 33704

computer based assessment; test administration; performance differences; paper based assessment; test scores; test completion time; speed differences, 2589

computer based testing; academic assessment; doctors; health professionals, 2438

computer-administered health surveys; paper-and-pencil mental health surveys; psychiatric outpatients; feasibility; respondent acceptance; reliability, 6434

computerized adaptive testing; item response theory; Rasch models, 12454

computerized testing system; short-answer testing; problem solving; open ended questions; computerized modified multiple-choice testing format; multiple-choice; learning aid; enhanced retention, 34295

extended matching sets questions; online numeracy assessments; multiple-choice question; virtual learning environment software; numerical ability, 34289

handwriting; test of English as a foreign language; computer based testing, 31220

item exposure control; test overlap; computerized adaptive testing, 18837

item parameters; parameter recovery; item pool; item selection; trait estimates; trait parameter recovery; mathematics; reading; multidimensional item response theory; computerized adaptive testing, 9495

item response theory; computerized adaptive testing software; rehabilitation outcomes measurement, 12541

mild cognitive impairment; test validation; test reliability; Computer-Administered Neuropsychological Screen for Mild Cognitive Impairment, 18783

Minnesota Multiphasic Personality Inventory-2; computer-based test interpretations; user ratings; test validity; test reliability, 6304

online teaching evaluations; traditional teaching evaluation; paper-and-pencil method, 36780

paper-and-pencil test; computerized standard test; computerized adaptive test; test administration; Dutch School Attitude Questionnaire; ordinal polytomous items, 18844

pencil and paper version; computer administered version; Minnesota Multiphasic Personality Inventory-Adolescent; test validity; test reliability; psychometrics, 31156

pictorial activity; task sort; test reliability; test validity; Multidimensional Task Ability Profile; functional capacity; self report measure; drawings; task descriptions; functional capacity, 21803

Schedule for Nonadaptive and Adaptive Personality; computerized adaptive version; validation; reliability, 15592

Test of English as a Foreign Language; native languages; computer based testing; writing prompts, 21777

web-based assessment; computer-based assessment; model; web-based systems; risk management, 36796

**Computer Assisted Testing—Chapters**

Internet-based psychological testing and assessment, 3221

**Computer Attitudes—Serials**

abstraction levels; human computer interaction; electronic mail; common task behavior; interactive systems designing, 37178

attitudes toward computers; classroom computer access; computer literacy; gender gaps; racial gaps; affluence; computer facilities; home Internet use; teacher experience; instruction, 8963

computer anxiety; computer anxiety; computer experience; socio-economic background, 6082

computer anxiety; computer task complexity; computer programming related skill learning; computer confidence; computer liking; computer instruction; user perception, 37175

computer experience; computer attitudes; human computer relationship, 9291

Computing Control Scale; validity; reliability; computing autonomy; computing need for control; perceived self-efficacy; computer addiction; computer comfort; perceptual facets; motivation facets, 34201

computing perceptions; computer based information; communication technologies, 25752

elder participation; cyberspace; computer networking; computer-mediated communication; old age conceptions; social network, 3956

low self-control; software piracy; computer crime; moral beliefs, 10736

preschool activity; preschool teachers; computer use; computer attitudes, 21243

regret based intervention; Internet security; computer users; attitudes; disabling active scripting; behavior; anticipation; change; choices; backing up work, 30971

risk perception; risk information; social perception; computer attitudes, 6979

user attitudes; Web as survey tool; perceived self-efficacy; anxiety; usefulness; liking; individual intention, 37177

**Computer Based Training [See Computer Assisted Instruction]**

**Computer Conferencing [See Teleconferencing]**

**Computer Games—Serials**

abstraction levels; human computer interaction; electronic mail; common task behavior; interactive systems designing, 37178

acculturative stress; East Asian international students; English language internet; native-language internet; internet use patterns, 22389

Active Messenger; heterogeneous network; electronic mail filtering; delivery channels; software agent; mobile messaging, 27891

audience response system; survey research; computer-mediated communication; test reliability; psychometrics; scantron, 15467

children exposure; violent video games; desensitization; media violence; lifestyle, 28758

childrens perspectives; game programming discourse; constructionist learning; video games, 30679

computer based business games; freely available game; industrial organizational psychology course; simulation; decision making; student evaluations, 33747

computer games; monetary reward; pathological gambling; at risk playing, 16952

computer games; monetary reward; pathological gambling; at risk playing, 35590

decision making; video games; violence; cooperation; cooperative decision making, 22824

demographic factors; online computer games; gender differences; age differences; marital status; nationality; education level; occupation, 607

engagement strategies; computer video games; instructional design; game design; learning; education, 34046

game playing experience; emotional responses; motivational responses; physiological responses; first-person shooter video games; story, 15372

gender differences; online gaming addiction; Taiwanese adolescents; causal factors, 20213

local area network; social context; video games; gamer motivation; gamers; gaming, 34047

media development; human development; interactive games; technology, 9927

online games; violent video games; aggressive behavior; fantasy; aggressive cognitions, 28819

pathological gamblers; video lottery terminal; alcohol effects; video game, 35576

physiological stress response; video game playing; stress hormone; cortisol secretion; sound effects, 34703

preferential linkage; network evolution; video game sector; density overlap; technology characteristics; interorganizational coordination; product launch, 12273

risky decision making; computer card game; information integration, 3415

sex role stereotypes; aggression; computer games; women; gender identity, 10217

video games; electronic play; cognitive development; socioemotional development, 28761

videogames; heart rate; aggressiveness; blood pressure; cardiovascular effect; psychological indexes; physiological indexes, 3679

violence exposure; media violence; video games; adolescent behavior; aggressive behavior; disruptive behavior disorders, 19532

violent video games; adolescent males; emotional experience; adolescent identity construction; video games popularity, 34925

violent video games; affect processing; trait hostility; attentional bias; negatively valenced words, 27787

virtual violence; video games; advertisements; gender differences; aggression; advertising messages; quantitative content analysis; video game magazines; weapons representation; young adults, 2973

**Computer Peripheral Devices [See Also Video Display Units]—Serials**

computer input devices; early childhood education programs; cognitive ability; motor skills; teachers; preschoolers, 8894

computer-supported collaborative learning; hand-held computers; student learning; teacher training, 27387

gestural input; mouse clicks; software designers; web browsing; stereotypical behaviour, 34075

hand-held computer devices; assessment; science learning; student progress; teachers, 27486

human movement; mouse movements; motion impaired users; cursor trajectories, 23582

human-computer interaction; childhood behavior; multimedia environment; social practice; human action; computer programs; reaction to interface; use of mouse; adult interventions, 7050

m-learning; Mobile-IT Education; mobile devices; wireless transmission; classroom settings; real-world interactive m-learning applications, 27492

mobile game system; mobile learning; design issues; computer supported learning; student motivation; college students, 27488

mobile learning organizer; tool usability; usage patterns; usage problems; satisfaction; college students, 27458  
one-on-one digital classroom environment; educational computing; design perspectives; wireless communication, 27478  
speech recognition; cursor control; human computer interaction, 24762  
tongue-operated switch array; computer system; hands-free communication; human-machine interaction, 21676  
user acceptance; location awareness; mobile guides; service providers, 9277

**Computer Programming—Serials**

children's perspectives; game programming discourse; constructionist learning; video games, 30679  
computer anxiety; computer task complexity; computer programming related skill learning; computer confidence; computer liking; computer instruction; user perception, 37175  
computer program; goodness of fit test; algorithm; multi-nominal weights; computation time, 3279  
computer programming concepts; card sort data; novice programmers knowledge, 34111  
computer science students; graduating students; computer programming; concepts knowledge; computer science instruction, 33810  
Java technology; computer software; environmental education; Carbolopolis; computerized learning, 27461  
multi-objective optimization; representative distribution; algorithms; preservation mechanisms, 24797  
resampling permutation procedures; consensus; probability values; ordinal variation, 34309  
urban education portal design & development & evaluation; digital teacher resources; digital teaching tools; usability, 11800

**Computer Programming—Chapters**

Using the ODA software, 21932

**Computer Programming Languages—Serials**

human characteristics; cognitive tasks; computers; communication skills; embodied conversational agents; user interfaces; computer language; facial gestures; speech, 18596

**Computer Programs [See Computer Software]****Computer Searching—Serials**

cognitive maps; neural networks; qualitative information; World Wide Web; news information, 6116  
distributed anomalies; data mining, 37204  
forensic psychology; cited author searching; graduate-level instruction, 5814  
information navigation; information architecture; menu search tasks; Web search tasks; computational model; internet users, 2984  
information searching; natural language dialogue system; spoken dialogue; written dialogue; computerized retrieval; mental workload, 6087  
internet navigation; market position; German-language search engines; Internet users, 611  
internet performance; interaction devices; web design; older users; novice users; computer searching, 10075  
intranet portal; organizational memory information system; organizational learning; user performance; navigation; user satisfaction, 9245  
online data collection; web-based surveys; research methodology; e-mail, 15776  
online searching; online consumer attitude; perceived play; flow; escapism; enjoyment, 2948  
psychiatrists; internet; information search; websites; electronic mail, 2474  
rational analyses; information foraging; web users; cognitive models, 28290  
self-regulated learning; Internet searching behaviors; student learning; traditional classroom activities, 2627  
shared workspaces; domain specific components; software architecture; document search tool; prototypes, 34085  
social network; electronic mail contacts; website; organizational hierarchy; social structure; social software; search strategy, 29042  
student collaboration; web search behaviour; search outcome, 24527  
time series databases; data mining; evolutionary sequence mining; rule mining, 37208  
virtual information space; information retrieval performance; three-dimensional spatial mapping; cognitive ability; browsing; individual differences; semantic information, 30969  
web mining; multi-instance learning; web index page; Fretcit-KNN, 37220  
web search; interactive learning environment; graduation projects, 30687  
world wide web searches; death searches; deceased persons; traumatic brain injury; mortality study, 4941

artificial life software; evolutionary biology; multimedia hypertext; learning ability; high school students, 5810  
automated genome-wide linkage; multiple traits; statistical software packages; software tool; autogscan; computer program, 34574

CHAINS; QuickBASIC 4-5 program; single subject design course; teaching, 8859

cognitive load; working memory; feedback; learning; multimedia environments; novice students, 5811  
collaborative problem solving; software development; groupware tools, 30640

computer package; cause maps; managerial cognition; organizational cognition; causal mapping, 27651

computer programs; noninvertible Hessians; likelihood function; statistical models; statistical estimators, 12575  
computer software; spatial ability; middle school students; gender differences, 2673

computer software; student perceptions; elementary school students; masculinity; femininity; preferences; gender; grade level; African Americans; computer skills; technology, 30726

computer software; unauthorized copying; Finnish university students; computer usage, 34078

computer system; clinician time; phobia; panic disorder; self relaxation; psychotherapy, 14581

computer system; clinician time; phobia; panic disorder; self relaxation; psychotherapy, 14582

computer system; clinician time; phobia; panic disorder; self relaxation; psychotherapy, 14582

computer technology; literacy; struggling readers; struggling spellers; reading proficiency; spelling proficiency; computer program, 18295

contradiction elimination tools; inventive problem solving; generic matrices; software applications; business applications, 36968

data collection methods; field test data; FACETS software; item development; early childhood instrument, 14

database design teaching; secondary education; didactics; problem solving; teaching methods, 15108

diabetic retinopathy; menu selection task; vision performance; interface design, 23647

Differential item functioning; Differential Item Functioning Analysis System; test scores, 18597

discourse community; computer algebra software; mathematics education; computer instruction; classroom environment, 11853

educational software design; interactive electronic whiteboard; elementary school students; classroom learning environment; group competition; group collaboration, 11860

fuzzy logic; marketing; traditional variable centred analyses; logical relationships; configurations; computer software, 24781

group dynamics; knowledge; expertise; collaboration; boundary spanning design; computer software system; organizational behavior, 34006

human computer interaction; information technology; computer use; Internet access; computer software, 34080

human-computer interaction; childhood behavior; multimedia environment; social practice; human action; computer programs; reaction to interface; use of mouse; adult interventions, 7050

hybrid technology; customer relationship management; system use; information systems; technology acceptance model; market dynamics, 34069

interface design; computer application; internet; software engineering; older people, 15440

Java technology; computer software; environmental education; Carbolopolis; computerized learning, 27461

keyboard user performance; monitoring system; typing activity; KBlog; visual display terminal, 6107

learning; teaching; educational software; self-regulation mentoring; student-teacher interactions; cognitive strategies, 37205

low self-control; software piracy; computer crime; moral beliefs, 10736

mental retardation; computer training software; skill assessment; self direction; computer-delivered instruction; CompSkills software, 4816

methodology; usability testing; mobile application; mobile devices; software applications, 27843

navigation strategies; action selection functionalities; computational model; cortico-basal-ganglia-thalamo-cortical loops; basal ganglia of the vertebrate brain, 24810

## Volume 92 SUBJECT INDEX

### Computer Software—Serials

online community system; asynchronous communication; animations; emotional expressions; TelMeA; avatars, 18598

open source software; software package; response latencies; experiment results; speech perception; psychoacoustics, 34333

PC Eyewitness; sequential superiority effect; lineup identifications; law enforcement; computer program, 34107

performance measures; human computer interaction; interface design; process measures, 21675

personal digital assistants; text input rate; virtual keyboard; letter recognizer; soft keyboard; throughput speeds; pocket PC; input method editors, 6084

pharmacists; drug prescription; personal digital assistants; BluefishRx Prescription Writer; illegible handwriting; prescribing doctors, 15480

reading strategies; phonological awareness; children's reading; talking books; educational software; one-to-one reading tuition; phonics, 24517

real-time observational data; software program; Behavioral Evaluation Strategy and Taxonomy, 9292

shared workspaces; domain specific components; software architecture; document search tool; prototypes, 34085

social network; electronic mail contacts; website; organizational hierarchy; social structure; social software; search strategy, 29042

software program for problem drinkers; long-term treatment effectiveness; motivational intervention; Drinkers Check-up; program outcome, 30378

software programs; multilevel measurement model; Rasch measurement model; hierarchical linear modeling, 31278

software technologies; advancing research; educational psychology; instructional interventions; theory, 25064

speech recognition software; dictation; test accommodations; learning disabilities; high school students, 5882

upgrading software; websites; classrooms; computer assisted instruction, 27470

video chat service; internet; product innovation; web cam; software program; application domain; business market, 12264

vocal response; voice relay; voice key; visual basic; response times, 9566

vocational education program; Working It Out; multimedia psychoeducational intervention; employment; substance dependency, 11580

voice recognition software; interview-based research; tape recordings; multiple voices, 21697

voice recognition software; learning strategy; postsecondary education students; learning disability, 24562

warez traders; trade regulation; warez trading; copyright infringement, 31039

web accessibility; visual disabilities; software development, 15437

web page design; uniformity; plagiarism; subjectivity; software development, 34108

**Computer Software [See Also Decision Support Systems, Groupware, Word Processing]—Books**

A Step-by-Step Approach to using SAS for Univariate & Multivariate Statistics (2nd ed.), 31289

**Computer Software [See Also Decision Support Systems, Groupware, Word Processing]—Chapters**

Automating Instructional Design: Approaches and Limitations, 9293

Choosing the right task-modeling notation: A taxonomy, 9256

ConcurTaskTrees: An engineered notation for task models, 9266

Environments for the construction and use of task models, 9265

Introduction to the ODA paradigm, 21930

Learning from Hypertext: Research Issues and Findings, 6629

Linking task and dialogue modeling: Toward an integrated software engineering method, 9267

Microworlds, 8837

One goal, many tasks, many devices: From abstract user task specification to user interfaces, 9271

A software program to trace decision behavior in lending and an empirical example on how professionals make decisions, 15342

Two-category class variables, 21929

User-system interaction scripts, 9268

Using formal specification techniques for the modeling of tasks and the generation of human-computer user interface specifications, 9252

Using the ODA software, 21932

**Computer Supported Cooperative Work [See Groupware]**

**Computer Training—Serials**

computer anxiety; computer task complexity; computer programming related skill learning; computer confidence; computer liking; computer instruction; user perception, 37175

computer training; phonological awareness; kindergarten, 15142

computer use; computer education; older adults; computer training, 9898

Internet training intervention; traumatic brain injury; cognitive linguistic impairments, 30137

mental retardation; computer training software; skill assessment; self direction; computer-delivered instruction; CompSkills software, 4816

severe memory impairment; severe executive function impairment; traumatic brain injury; TEACH-M; instructional package; computer training, 30138

social support; career skills; relative caregivers; kinship caregivers; child care; education; confidence; computer training; self-efficacy, 5481

**Computerized Databases [See Databases]**

**Computers [See Also Computer Games, Digital Computers, Microcomputers]—Serials**

academic computing; Asia; information technology; academic institutions; computer mediated discussions, 21306

American history; computing; teaching; research, 21296

artwork; bipolar; schizoaffective disorder; fiber artist; technology; computer; automated gadgets, 10556

associative computer; hybrid connectionist production system; associative memory; neural networks; learning, 34118

attention impairment; computer functions; electrooculography; eye movements, 13067

blood pressure; blood pressure measurement; computer field; medical records, 23977

Charles Babbage; inventors; history; mechanical devices; computers; Analytical Engine; mechanical model of mind; mentality, 12436

computer access; refractive errors; visual aberration; graphical user interfaces, 23643

computer addiction; cyberspace addiction; psychodynamic processes; internet addiction, 7875

computer anxiety; application-specific computer-self-efficacy; performance goal orientation; goal level; personality; previous experience; learning goal orientation; goal commitment, 30964

computer anxiety; computer anxiety; computer experience; socio-economic background, 6082

computer crime; internet fraud; law enforcement agencies; organizational design; law enforcement agencies, 3071

computer hacking; computer security; computer hackers; adolescent moral development; family dysfunction; criminal justice; juvenile delinquency; criminological discourses, 35754

computer self-efficacy; information technology; intrinsic motivation; user interaction, 2976

computer services program; computer needs & ownership & usage; needs assessment; computer education; continuing care; retirement communities; program design, 22610

digitalization; media literacy education; newspaper; computers; digital native media; analog native media, 670

distribution channels; high-technology products; computer hardware dealers; market environment, 9229

dyslexia; computer based treatment; phonological structure; morphological structure, 8699

embodied computer agents; human computer interaction; emotional expression; self oriented emotion; empathic emotion, 18560

end-user frustration; frustrating experiences; internet; computers, 6083

hacking; hackers accounts; entertainment, 29575

human characteristics; cognitive tasks; computers; communication skills; embodied conversational agents; user interfaces; computer language; facial gestures; speech, 18596

human computer interaction; computer feedback; intrinsic motivation, 6080

human-computer interface design; visual awareness; visual environment, 12308

information technology corporation; manufacturing organization; business strategy; competitive advantage; computer manufacturing; Lenovo Group Limited, 15323

internet hosting; server allocation; biomimicry; heuristic; honey bee; foraging; self organization; decentralized algorithm, 15476

Internet web logs; teenagers; blogs; appeal; drawbacks; adolescent computer use; emotions; friendship; romantic relationships; teaching & educational use; pedagogical technique, 33773

Latin American history; computers; teaching methods; electronic tools; research, 21332

Michael Arbib; professor; computer science; probability theory; foreign languages, 9590

monkey; human; visual fields; personal computer system; eye position, 28526

patrol officers; technology acceptance model; officer attitudes; computer technology, 15523

### Concentration—Serials

perforated virtual spaces; virtual reality; embodiment; interactive art; computer science; tele immersion, 34103

Personal Computer Keyboarding Style; postures; motions; observational instrument, 34070

personal memory machines; computers; memory capacity; remembering act; digital technologies, 34114

personality correlates; personal use of work computers; computer use; employee productivity; employee work patterns, 22387

power wheelchair; joysticks; touchpads; on screen keyboards; tremor, 23639

preschool activity; preschool teachers; computer use; computer attitudes, 21243

presence; virtual reality; consciousness; perception; neuroscience; virtual world; computer displays, 22156

problem solving; computer science; working forwards; working backwards; algorithmic problems; college students, 27515

race; Implicit Association Test; Whites; racial attitudes; stereotype threat experience; computers, 6282

sex differences; textbooks; online purchasing; Internet; computer skills, 9218

smoking cessation program; participation rate; daily smokers; post-intervention effect; computer application, 2294

students attitudes; books; computers, 15234

task division; threshold models; polyethism; simulation; social insects, 15474

technology push; demand pull; technological paradigms; development pattern; computing technology; economics, 35048

text layout; computer self-efficacy; internet privacy; students; communication skills; reaction time; 3D sounds; virtual environments, 2981

upgrading software; websites; classrooms; computer assisted instruction, 27470

visual perception; coordinate system; computer display; anterior axis; posterior axis; oblique line, 18953

visualization; computation; spatial instruction; learning environment; robot operations; mathematical reasoning, 9298

**Computers [See Also Computer Games, Digital Computers, Microcomputers]—Books**

Composition in convergence: The impact of new media on writing assessment, 16166

**Computers [See Also Computer Games, Digital Computers, Microcomputers]—Chapters**

Automating Instructional Design: Approaches and Limitations, 9293

Collaborative selves, collaborative worlds: Identity in the information age, 12343

Creativity in Computer Science, 13748

Critical and dynamic literacy in the computer classroom: Bridging the gap between school literacy and workplace literacy, 11890

Disciplined Inquiry and the Study of Emerging Technology, 8916

Ethics and Technical Communication in a Digital Age, 21695

New technology, newer teachers: Computer resources and collaboration in literature and composition, 12340

A New Web for the New Millennium, 21694

Reentry women students' online collaboration patterns: Synchronous conferencing in a basic writing class, 11892

Toward Understanding Computer Application (1987/1999), 18189

Using computers and the Internet, 14915

Voices merged in collaborated conversation: The peer critiquing computer project, 11887

**Concentration—Serials**

achievement motivation; implicit motives; performance feedback; reference norms; mental concentration, 34462

alcohol consumption; midlife cognitive change; lifestyle; psychomotor function; cognitive decline; concentration, 28579

error rate; concentration inequalities; missing mass estimator; histogram rules, 12586

internal consistency; discriminant validity; d2 Test; attention; concentration; psychometrics, 3236

leisure scholarship; publication activity patterns; individual & institutional leisure research concentration; leisure scholar characteristics, 2916

Paced Auditory Serial Addition Task; attention testing; concentration testing; test anxiety; Paced Auditory Serial Opposites Task; test performance; nonnumerical testing, 37

Qiong training; blood gas concentrations; physiological status, 1932

service contacts; social services; emotional difficulties; behavioral difficulties; concentration difficulties; psychiatric disorder; mental health services, 14722

service contacts; social services; emotional difficulties; behavioral difficulties; concentration difficulties; psychiatric disorders; mental health services, 14718

- service contacts; social services; emotional difficulties; behavioral difficulties; concentration difficulties; psychiatric disorder; mental health services, 14731
- Concept Formation [See Also Cognitive Discrimination, Cognitive Generalization]—Serials**
- abstract coherent categories; inference learning; category learning; coherence; exemplar familiarity; feature similarity; classification learning; within-category information, 6599
- affordances; intentions; causal structure; objects perceived function; HIPE theory, 6555
- age independent process; category learning; stimuli; concept formation, 28717
- angle concept; reformed curriculum; students concept; student discourse, 133
- attribution theory; peer harassment; self blaming attributions; ethnic diversity; causal beliefs; victims thoughts; self views; social context; school ethnic composition, 27543
- categorization research; concept learning, 15849
- categorization; concept learning; nonhuman animals; animal cognitive behavior; perceptual concepts; associative concepts, 332
- categorization; typicality; goodness-of-example ratings; concepts; fishing, 15851
- causal explanatory frameworks; immanence; internal parts; domain specific knowledge; conceptual abstraction; preschoolers; theory of living kinds, 34867
- child knowledge content; concept formation; naive knowledge organization; physics, 719
- children's beliefs; intelligence; cognitive abilities; concept development, 19459
- chimpanzees; folk physics; methodology, 28389
- classical activity theory; biotechnology research department; collaborative scientific research; scientific collaboration; motive; object, 33921
- cognition based assessment; elementary school students; students understanding; volume measurement; mathematics; area measurement; reasoning; development, 2647
- cognitive neuroscience; brain systems; verbal semantic processing; conceptual knowledge; concept concreteness, 25366
- concept development; death; species extinction, 796
- concept mapping techniques; created linking phrases; selected linking phrases, 28310
- concept mapping; hypertext architecture; analyst intuition dimension; cognitive style; information processing, 21307
- conceptual combinations; concept processing; external relations; lexical entries; modifying nouns; modifier relations; lexical relation frequency; combination familiarity; plausibility; interpretation, 6624
- conceptual domains; intense interests; cognitive & home & family factors; object concepts; preschoolers' interests; knowledge acquisition, 715
- death; causality; irreversibility; preschoolers; understanding, 7095
- developmental growth; working memory; energy concept development; student attitudes; concept formation, 27553
- dissociation theory; detachment; compartmentalization; conceptualization; clinical practice, 17357
- evaporation; secondary school students conception; science education, 33828
- geometric figures; children's composition; learning trajectory; learning; developmental progression; mathematical action-on-objectives, 2651
- human decision making; behavior analysts; problem solving; concept formation, 22057
- information processing theory; conceptual development; information systems; trends; methods; research domains; technologies, 34331
- innate conceptual constraints; development issues; cross-cultural differences; biological inheritance; group identity; social learning; folkbiology; folk sociology; socioanthropological perspective, 679
- knowledge commodification; management knowledge; management consultancies; concept development; product innovation, 27719
- lexical categorization; categorical organization functions; pre-school children; picture naming; concepts deconstruction task, 19473
- mathematical tasks; conceptual learning; hypothetical learning trajectory; student learning; learning process; mathematics lesson planning, 2634
- mental states; self understanding; children's understanding; understanding pretence; self pretence tasks, 34889
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3828
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3831
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3839
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3835
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3833
- mind; conceptual thought; psychology; cognitive sciences; learning processes; childhood development, 3827
- money; economic concepts; preschool children; teaching program, 21328
- noun-noun conceptual combinations; early school children; interpretation; property interpretations, 22514
- objects motion properties; infancy; knowledge; inductive deductive reasoning, 31847
- organizational discourse; symbolic action; organizational development; conceptualization, 18462
- organizational discourse; symbolic action; organizational development; senior managers; conceptualization, 21574
- reversible fraction conception; student conception; teacher-student interaction; multiplicative reasoning; developmental sequence; iteration-based fractions, 11880
- sensory motor systems; neuropsychology; conceptual knowledge, 25412
- sensory-motor system; conceptual knowledge; brain; cognitive linguistics, 25387
- social action; art therapy; conceptual framework; human psyche; personal psychological experiences; homophobia; societal structures, 23944
- social science paradoxes; diversity and similarity curves; job stress; conceptualization, 12050
- spatial references; computational model; language; concept formation; relative system; absolute system, 3778
- story stimuli; false beliefs; worldly beliefs; literature; research, 9603
- structural equation modeling; response shifts; true change; patient-reported outcomes; recalibration; reprioritization; reconceptualization, 24975
- student conceptions; mathematical definition; concept formation; group activities; reasoning; geometry, 30771
- subtraction; abstraction; teaching methods, 33777
- superordinate concepts; conceptual information; perceptual information; abstract information; contextual information; hierarchical levels, 22051
- theory formation; science education; developmental cognitive science; conditional probabilities; causal structure learning; child development, 710
- therapeutic action; psychoanalysis; patients experience; analyst; psychoanalytic conceptualizations, 5163
- valence framing; political attitudes resistance; political preferences; priming process; conceptualization, 28975
- violence against women; measurement; definition; public policy; criminal justice approaches; public health approaches, 4688
- violence against women; measurement; definition; public policy; criminal justice approaches; public health approaches, 4678
- violence against women; measurement; definition; public policy; criminal justice approaches; public health approaches, 4656
- vitalistic causality; childhood development; biological phenomena; human bodily processes, 714
- wellbeing; conceptualizations; social norms; social perceptions; social practices; individual agency; responsibility; subjectivity; newspaper reports, 35263

 Understanding the Concept of Resilience, 28825  
**Conceptual Imagery—Serials**  
 foreign vocabulary; vocabulary learning; image quality; keyword method, 25203  
 grounded language acquisition; sensorimotor features; lexical learning; grammatical learning; word learning; conceptual imagery; neural networks; scaffolding; grounded meaning; grounding, 28707  
 theory of social representations; structural approach; social psychology; analytical perspectives; central core theory; cognition paradigm; mental representations; schemas; attitudes, 13674  
 thinking; language; listening; speaking; comprehension; schematisation; conceptual information, 34414  
**Conceptualization** [See Concept Formation]  
**Concurrent Reinforcement Schedules—Serials**  
 behavioral assessment; impulsivity; attention deficit hyperactivity disorder; concurrent reinforcement schedules, 23782  
 concurrent-chains schedules; variable-interval; preference delay; response-reinforcer delays; paradoxical effect; pigeons; rats, 9693  
 generalised matching law; demarcated response sequences; concurrent schedules; pigeons, 28388  
 reinforcement locations; concurrent reinforcement schedules; reinforcement ratio; pigeon; reinforcement rate; variable interval schedules, 34497  
**Concurrent Validity** [See Test Validity]  
**Concussion (Brain)** [See Brain Concussion]  
**Conditioned Emotional Responses** [See Also Conditioned Fear]—Serials  
 masked stimuli; visuospatial attention; white noise pairing; attention allocation; visual probe task; aversiveness perception; recognition, 12654  
 sulpiride; amphetamine induced disruption; overshadowing; rat conditioned emotional response; dopamine receptor; dextroamphetamine, 9854  
 unconditioned stimulus intensity; latent inhibition; conditioned emotional responses; footshock intensity; rats; contextual change, 3522  
**Conditioned Fear—Serials**  
 age-related memory deficits; trace fear conditioning; tone; shock; freezing; rats, 6690  
 amygdala; associative learning; emotion; implicit memory; anxiety; conditioned fear; amnesia; environmental cues; hippocampal function, 26611  
 behavioral inhibition; novel situations; fear expression; unconditioned fear; cognitive processes; attention; temperament, 9760  
 brain-derived neurotrophic factor; fear learning; memory; exons; genes; amygdala, 9784  
 conditioned defeat; fear; anxiety; CREB; viral vector; memory; social defeat; cAMP responsive element binding protein; basolateral amygdala; social behavior, 34618  
 contextual fear conditioning; behavioral paradigm; mnemonic function; memory; hippocampus; neurobiology; amygdala; learning, 6686  
 D cycloserine; fear reacquisition; fear extinction; rats; generalized extinction, 25303  
 delayed recall; fear extinction; rats; brain lesions; ventral medial prefrontal cortex, 3618  
 differential conditioning; conditioning paradigm; human fear; fear-conditioning; fear renewal; behavior therapy, 17550  
 dorsal hippocampus; electrolytic lesions; conditional fear; memory retrieval; rats; extinction, 25395  
 erythropoietin; fear conditioning performance; amygdala; rats; brain lesions; neuroprotective effects; glutamate; drug interactions; animal emotional reactivity, 566  
 extinction; latent inhibition; conditioned fear; systemic inhibition; L-type voltage-gated calcium channels; cue exposures; inhibitory learning, 3511  
 extinction; mitogen; protein kinase inhibitor; medial prefrontal cortex; memory impairment; conditioned fear, 3715  
 fear conditioning; mice; gamma aminobutyric acid receptors; hippocampus; dentate gyrus, 25448  
 fear conditioning; protein kinases; phosphatidylinositol specific phospholipase; cellular functions; enzymes; hippocampus; neurophysiological correlates, 9755  
 heart rate; blood pressure; conditioned auditory fear; acoustic startle; mice; rats, 13091  
 hippocampal inactivation; conditioned fear; extinction; Pavlovian conditioned stimulus; memory retrieval, 3517

impaired Pavlovian conditioning; fear conditioning; mice; mutant amyloid; precursor protein gene; Alzheimers disease, 15997  
 lateral amygdala; basolateral amygdala; Pavlovian fear conditioning; conditioned stimulus; unconditioned stimulus; emotional learning; mice, 31495  
 learned fear; Pavlovian fear; observational fear; instructed fear; differential responses; conditioned stimuli, 6640  
 lesions; rat; infralimbic cortex; appetitive Pavlovian response; prefrontal cortex; spontaneous recovery; conditioned fear; extinction, 3634  
 long context exposure; cued fear conditioning; rat forebrain; c-fos expression; amygdala; hippocampus, 25309  
 magnesium deficiency; mice; fear conditioning; N-methyl-D-aspartate, 34719  
 mitogen activated protein kinase; extracellular signal regulated kinase; latent inhibition; cued fear conditioning; mice, 6862  
 post-traumatic stress disorder; fear conditioning; social behavior; animal models; intense footshock; situational reminders; anxiety; corticosterone response; stress responses, 12958  
 REM sleep; contextual conditioning; sleep deprivation; fear conditioning; cued conditioning; retention; extinction; rats; learning; memory, 19264  
 rolipram; N-methyl-D-aspartate; MK-801; inhibition; cued fear conditioning; schizophrenia; cyclic adenosine monophosphate; learning processes; mice, 19291  
 sex; stress hormones; fear conditioning; individual differences; conditioned learning, 35326  
 skin conductance response; human fear conditioning; conditioned stimulus; extinction, 3487  
 temporal dynamics; context memory retention; contextual fear conditioning; pre-exposure facilitation effect; rats, 19112  
 trace fear conditioning; dorsal hippocampus; mice; hippocampal formation; N-Methyl-D-Aspartate; receptor activation; protein synthesis, 16060  
**Conditioned Inhibition** [See Conditioned Suppression]  
**Conditioned Place Preference** [See Place Conditioning]  
**Conditioned Reflex** [See Conditioned Responses]  
**Conditioned Responses** [See Also Conditioned Emotional Responses, Conditioned Suppression]—Serials  
 5,7-dihydroxytryptamine lesions; dorsal raphe nuclei; median raphe nuclei; conditioned gaping; conditioned taste avoidance; lithium-induced conditioned gaping; serotonin; rats, 6781  
 anterior cingulate cortex; rabbits; jaw movement conditioning; extinction-related inhibition; hippocampal activity; extinction, 3607  
 appetitive backward conditioning; rats; conditioned reinforcement; classical conditioning; lever-press response, 6689  
 backward-compatibility effects; primary task response; secondary task response; stimulus response, 182  
 conditional discrimination learning; aging; awareness; eyeblink conditioning; eyelid conditioned response frequency, 6698  
 conditional discrimination learning; aging; awareness; eyeblink conditioning; eyelid conditioned response frequency, 6692  
 conditioned activity; instrumental reinforcement; oral cocaine consumption; rats, 6864  
 conditioned response; stimulus valence; fear; Pavlovian conditioning; reinstatement; extinction; reaction time, 3468  
 corneal anesthetic; classical conditioning; nictitating membrane response; extinction; conditioned response; rabbits, 6869  
 differential mastication kinematics; rabbit; response; food; water; conditioned jaw movement paradigm; naturalistic chewing pattern; neural substrates; jaw movement control systems, 3613  
 dopaminergic modulation; spike activity; sensorimotor cortex neurons; conditioned reflex; glutamatergic transmission; gamma aminobutyric acid antagonists; transmission, 34657  
 drug tolerance; conditioned responses; Pavlovian conditioning; drug withdrawal; conditioned stimuli, 28586  
 extinction; CR; nictitating membrane response; CS; US; conditioned responses; rabbits; nictitating membrane preparation; conditioned stimulus; unconditioned stimulus, 34496  
 eyeblink classical conditioning; auditory stimuli; olfactory stimuli; Alzheimer's disease; conditioned response; apolipoprotein E alleles, 28434  
 fixed ratio pausing; response-force requirements; food; rats, 12890  
 haloperidol; brain dopamine; smoking cues; conditioned response; reaction time, 19312  
 imitation; observation; association; pigeon; stimulus-response; response-outcome associations; imitative learning; instrumental discrimination, 28385

instrumental conditioned reinforcement; associative structure; unconditioned stimulus; evaluation procedure; conditioned reinforcer, 9703  
 intra-basolateral amygdala administration; dopamine receptor agonist; BP 897; intra-nucleus accumbens administration; amphetamine conditioned activity, 6845  
 latency mode; sexual drive; learning situation; mind-set; learning difficulties, 7629  
 latent inhibition; rat development; priming; conditioned stimulus, 25311  
 long latency responses; conditioned signal; cortex; collateral connections; pyramidal neurons; reflexes; neurophysiology, 25413  
 medial septal lesions; operant tasks; delayed reinforcement; contingent reinforcement; response rates; rats, 6787  
 Mexidol; food related conditioned reflexes; synaptic ultrastructure; rat; hippocampus; acoustic signal, 25482  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19093  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19115  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19099  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19107  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19111  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19100  
 neural-functional approach; single stimulus learning; Pavlovian conditioning; instrumental learning; environmental relationship, 19114  
 nicotine seeking; sucrose seeking; cannabinoid receptor antagonist; extinction reinstatement, 28553  
 NMDA receptor antagonism; nidopallium caudolaterale; pigeons; contextual processing; response selection; matching to sample; stimulus-response association; avian; prefrontal; DL-AP5, 25409  
 partial reinforcement; classical conditioning; conditioned approach; time-accumulation models; rat magazine approach, 28378  
 pedunculopontine tegmental nucleus; conditioned responses; midbrain dopamine neurons; behaving rats, 31613  
 perceived control; locus of control; corticol; subjective responses; stress, 3680  
 pigeon autoshaping; partial reinforcement; continuous reinforcement; conditioned stimuli; intertrial interval; associative conditioning; time accumulation, 12876  
 response acquisition; delayed conditioned reinforcement; immediate conditioned reinforcement; rats, 12887  
 response timing; interstimulus interval; timing; conditioned responding; goldfish; interstimulus interval; activity distributions, 9698  
 selective antagonists; dopamine receptors; food related responses; defensive responses; conditioned paw placing responses; cats, 34741  
 visually guided conditional associative tasks; visual discrimination; spatial conditional task; minipigs, 12882  
**Conditioned Stimulus—Serials**  
 amygdala central nucleus; brain lesions; conditioned auditory orienting; auditory conditioned stimulus; rats, 12999  
 college students; achromatic colors; chromatic colors; response bias; discrimination ability, 28221  
 conditional stimuli; discriminative cue; Pavlovian conditioning; serial order learning, 3519  
 conditioned food aversion; conditioned stimulus; drinking water; taste; temperature; rats; aversive conditioning, 15967  
 conditioned reinforcement; chain schedule; stimulus value; pigeons, 15966  
 contextual control; conditioned performance; humans; conditioned stimulus, 15912  
 contingency awareness; evaluative conditioning; visual attention; conditioned stimuli; unconditioned stimuli; preferences, 12820  
 differential delay eyeblink conditioning; awareness; stimulus contingencies; age differences, 13032  
 discriminative stimulus effects; methamphetamine; gamma aminobutyric acid agonists receptor; rats, 28556  
 drug tolerance; conditioned responses; Pavlovian conditioning; drug withdrawal; conditioned stimuli, 28586  
 evaluative conditioning; associative transfer; nonevaluative stimulus; liking; conditional stimulus; unconditional stimulus, 12797  
 extinction; CR; nictitating membrane response; CS; US; conditioned responses; rabbits; nictitating membrane preparation; conditioned stimulus; unconditioned stimulus, 34496

eyeblink conditioning; pontine neuronal stimulation; developmental limitations; neural mechanisms; rats; cerebellum, 25385

latent inhibition; rat development; priming; conditioned stimulus, 25311

lateral amygdala; basolateral amygdala; Pavlovian fear conditioning; conditioned stimulus; unconditioned stimulus; emotional learning; mice, 31495

learned irrelevance effect; appetitive stimulus; Pavlovian conditioning; rats; conditioned stimulus; unconditioned stimulus, 19094

learning; configural discrimination; configural pre-training; conditioned stimulus, 15919

motor learning; vestibulo-ocular reflex; eyeblink conditioning; extinction; learned eye movement response; visual input; conditioned stimulus, 3515

Pavlovian conditioning; conditioned stimuli; unconditioned stimulus; caloric intake; eyeblink conditioning; sexual conditioning; fear conditioning; drug tolerance; sensitization, 9632

pigeon autoshaping; partial reinforcement; continuous reinforcement; conditioned stimuli; intertrial interval; associative conditioning; time accumulation, 12876

rats; conditioning; habituation; stimulus salience; modulation; footshock; cues; partial reinforcement; continuous reinforcement, 28379

rhythmic cloacal sphincter movements; reproductive success; sexual conditioning; conditioned stimulus; hen representation; Japanese quail, 12913

sexual conditioning; ring doves; conditioned stimulus; sexual conditioned responding; pair-bonded mate, 12836

simulations show; maximal learnable trace interval; hippocampal model; conditioned stimulus longevity; unconditioned stimulus longevity; linear function, 31642

skin conductance response; human fear conditioning; conditioned stimulus; extinction, 3487

spontaneous recovery; inhibition; extinction; excitatory conditioning; training; conditioned stimuli; rats; pigeons, 28384

taste avoidance; backward conditioning; rats; unconditioned stimulus; conditioned taste aversion, 340

test order; nodal distance; derived discriminative stimulus functions, 22136

**Conditioned Suppression—Serials**

associative learning; retrospective revaluation; backward blocking; unovershadowing; backward conditioned inhibition; animal discrimination; learning mechanisms; theories of learning, 9634

behavioral inhibition; novel situations; fear expression; unconditioned fear; cognitive processes; attention; temperament, 9760

Conditioned inhibition training; inhibitory conditioning; Rescorla-Wagner assumption; excitatory context value; honeybees, 9697

conditioned inhibition; drug seeking; cocaine; rats; drug abuse; cue-oriented behavioral treatments, 19303

conditioned suppression; mediated extinction; generalization; retrospective revaluation; association; rats, 341

conditioned suppression; retention interval; conditioned stimulus preexposure; spontaneous recovery; stimulus control; associative priming; cues; rats, 12892

inference paradigm; suppression paradigm; belief revision paradigm; common sense reasoning; experimental paradigms, 28265

intermittent central suppression; proficient readers; reading deficiency; binocular fusion, 31375

outcome preexposure; outcome postexposure; conditioned suppression; sensory preconditioning preparation; interference; retention interval; recency effect; primacy effect; rats, 344

Purkinje cell loss; OX7-saporin; excitatory & inhibitory eyeblink conditioning; cerebellar cortex; rats, 13015

spontaneous recovery; stimulus control; forward blocking; backward blocking; conditioned suppression; rats, 19110

training excitator; posttraining inflation; Pavlovian conditioned inhibition; unconditioned stimulus; rats, 34489

**Conditioned Suppression—Chapters**

How motivational inferences influence post-suppressional rebound, 19073

**Conditioning [See Also Autoshaping, Aversion Conditioning, Classical Conditioning, Conditioned Stimulus, Counterconditioning, Operant Conditioning, Place Conditioning, Preconditioning, Unconditioned Stimulus]—Serials**

affective evaluative learning; evaluative conditioning; neutral stimuli; stimulus pairings; reactance; haptic sense; preferences, 12656

affective priming; odor conditioning; food preferences; contingent presentation; odor discrimination; evaluative learning; odor association, 28206

amphetamine; selective learning; conditioned stimulus; trace conditioning; drugs; appetitive conditioning, 9842

animal conditioning; latent inhibition; human associative learning; primacy effects; recency effects; learning models, 22183

apomorphine; dopamine antagonist; pigeons; intrastriatal injections; repeated administration; behavioral sensitization; conditioned response; sensitized response; pecking; caudal avian striatum, 307

beliefs; familial conditioning; cultural conditioning; religious conditioning, 7546

causality judgments; blocking; backward blocking; stimulus preexposure; mediated conditioning; conditioned flavor preferences, 28369

Conditioned inhibition training; inhibitory conditioning; Rescorla-Wagner assumption; excitatory context value; honeybees, 9697

connectionism; associative change; stimulus compound; rat; conditional learning, 28367

contingency awareness; evaluative conditioning; visual attention; conditioned stimuli; unconditioned stimuli; preferences, 12820

corticosterone; stress hyporesponsiveness period; eye blink conditioning; hippocampus; learning; rats, 25487

CRH; antisauvagine-30; anxiety; fear; social defeat; corticotropin releasing factor; receptors; stria terminalis; Syrian hamsters, 34727

discriminative stimulus effects; cocaine; saline; conditioned approach procedure; sexual reinforcement; male Japanese quail, 3732

evaluative conditioning; extinction resistance; classical conditioning; priming effects; associative learning, 12655

evaluative conditioning; social psychology; attitude formation; social research; learning mechanisms, 13599

exercise; hippocampal morphology; learning; contextual fear; Pavlovian fear conditioning; hippocampal function; auditory cue fear, 308

favorite stimuli; step responses; walker devices; physical activity; multiple disabilities, 10425

instrumental conditioned reinforcement; associative structure; unconditioned stimulus; devaluation procedure; conditioned reinforcer, 9703

latent inhibition; basolateral amygdala lesions; basolateral amygdala; context; rats, 31623

McCollough effect; visual system; sensory conditioning; color perception; color aftereffect, 22006

mood; evaluative conditioning; affective consumer attitudes; happy mood; sad mood, 2963

neural plasticity; chemical appetitive conditioning; Lymnaea; conditioned stimulus; unconditioned stimulus; feeding behavior, 9792

pacing; sexual reward; odor; appetitive; conditioned place preference; olfactory conditioning; female rats, 25295

pacing; sexual reward; odor; appetitive; conditioned place preference; olfactory conditioning; female rats; female sexual motivation; olfactory preference; consummatory behaviors, 34495

Pavlov theory; Japanese medical physiologists; history of psychology; research program, 22166

reinforcement history; response rate; response pattern; rats; fixed-interval performances; periodic reinforcement, 25304

reinforcement; extinction; reacquisition; rats; stimulus, 6665

reinforcer value; animal learning; appetitive unblocking procedures; brain lesions; amygdala; rats, 19101

rhythmic cloacal sphincter movements; reproductive success; sexual conditioning; conditioned stimulus; hen representation; Japanese quail, 12913

rodent model; posttraumatic stress disorder; sleep disturbances; fear conditioning; rapid eye movement sleep, 19150

saccharin; taste cues; taste preference; conditioning; thirst; hunger; rats, 6674

sexual conditioning; ring doves; conditioned stimulus; sexual conditioned responding; pair-bonded mate, 12836

simulations show; maximal learnable trace interval; hippocampal model; conditioned stimulus longevity; unconditioned stimulus longevity; linear function, 31642

social defeat; corticotropin-releasing factor; amygdala; bed nucleus; stria terminalis; conditioned defeat; agonistic behavior; receptor antagonist; territorial aggression; hamsters, 388

spontaneous recovery; inhibition; extinction; excitatory conditioning; training; conditioned stimuli; rats; pigeons, 28384

Turing test; timing theory; conditioning; quantitative theory of timing; packet theory of timing; fixed interval schedules of reinforcement; time discrimination; theory evaluation, 18838

ventral hippocampus; muscimol; anisomycin; protein synthesis blockage; contextual fear conditioning; memory, 13024

visually guided conditional associative tasks; visual discrimination; spatial conditional task; minipigs, 12882

**Conditioning [See Also Autoshaping, Aversion Conditioning, Classical Conditioning, Conditioned Stimulus, Counterconditioning, Operant Conditioning, Place Conditioning, Preconditioning, Unconditioned Stimulus]—Chapters**

Behavior Therapy, 5136

Incentive Behavior, 12893

**Condoms—Serials**

adolescent relationships; condom use; trust; love; commitment; sexual relationship; sexual partners; inner city, 28738

adolescents self efficacy; condom attitudes; sex; sexual experiences; parents adolescents communication; peers adolescents communication; condom commitment; intentions, 10021

AIDS; health locus of control; safe sex; sexual practice; condom use; African Americans; self-efficacy; college students; future time orientation, 16503

boys; age at first intercourse; condom use; sexually transmitted infections; sexual behavior; HIV, 34926

condom failure; STD prevention; STD diagnosis, 26511

condom use errors; sexually transmitted disease; chlamydial infection; gonorrhea infection, 32688

condom use intentions; college students; risky sexual behavior; social norms; planned behavior; reasoned action; Health Belief Model; social cognitive theory; self efficacy; HIV/AIDS prevention, 16510

condom use intervention; substance abusers; HIV transmission; risk factors; socioeconomic status; substance abuse treatment, 27157

condom use promotion; sexually transmitted diseases; infection prevention; heterosexual young adults; adults health knowledge; unplanned pregnancy; media promotion, 36342

condom use; African adolescents; individual factors; group factors; planned behavior, 28762

condom use; female sex workers; patron country of origin, 30200

condom use; gender difference; sexually active adults; university students, 35178

condom use; heterosexual adults; sexual intercourse, 35174

condom use; high risk adolescents; alcohol influence; criminally involved adolescents; alcohol use, 14071

condom use; HIV transmission risk; risk perception; HIV positive men; sexual risk behaviors; men who have sex with men, 20890

condom use; human immunodeficiency virus; acquired immune deficiency syndrome; prevention efforts; sexual behavior instrument; questionnaire design; thinking aloud, 26945

condom use; multi-partnered females; health promotion, 13545

condom use; self-efficacy; Latinos; demographic characteristics, 10231

condom use; stages of change; injected-drug users; condom efficacy; HIV prevention interventions; sexually transmitted diseases; sexual behavior, 10719

condom users; condom attitudes; condom nonusers; sexual pleasure; college students; gender difference; partnered vs single individuals; relationship status, 25882

condoms; African Americans; crack cocaine smokers, 35716

condoms; message content; condom use messages; health messages; health behaviors; relational behaviors; health behaviors, 24017

demographic characteristics; treatment history; drug risk behaviors; condom use attitudes; injection drug users; sexual risk behavior; HIV; alcohol abuse; drug rehabilitation; alcohol rehabilitation, 20261

female condoms; safer sex; sexually transmitted diseases; behavioral intervention; high risk population, 14650

female contraceptive methods; HIV prevention; female condoms; risk factors; barrier methods, 2023

female sex workers; sex workers' clients; condom use; condom breakage, 32042

gender role attitudes; risky sexual behavior; condom related beliefs; family role; masculinity ideology, 35186

HIV prevention project; sex workers; empowerment; condoms, 26960

HIV prevention strategy; sexual behaviour; abstinence; faithfulness; condoms usage; HIV vaccine; developing countries, 5337

HIV Testing; condoms; sexually transmitted infections; female sex workers; HIV prevention, 19781

HIV/AIDS education; condom social marketing; condom use; Tanzania; sexual risk behaviour, 33298

HIV/AIDS prevention; peer education program; condom use behavior; taxi drivers; tricycle drivers, 14674

# Volume 92 SUBJECT INDEX

## Condoms—Serials

implicit attitudes; risky sex; condom use; explicit attitude; condom use, 5349  
love; sex; masculinity; heterosexual relationships; condom use; African American men; HIV; AIDS, 944  
markets; economic & sexual empowerment; market women; Uganda; spending decisions; negotiation; sex; condom use; money; HIV risk, 10248  
psychometrics; test validity; translation; Thai language; adolescents; young adults; Condom Self Efficacy Scale, 21787  
safe sex; sexual behavior; socialization factors; condom use; sexual behavior; risk taking; self efficacy; health belief model; peer norms, 10225  
school-based intervention; HIV prevention; workshop; condom distribution; program evaluation, 2111  
secondary school students; sex education; condom campaigns; gender inequalities; occasional sexual partners; sexual behavior; condom use, 22745  
self-cutting; sexual risk; psychiatric treatment; sexual abuse; condom use; HIV prevention; self-efficacy; sexual risk behavior, 13971  
sex research; condoms; sexually transmitted infections; interventions; sexual behavior; sexual dysfunction; postmenopausal hormone therapies, 14184  
sexual behaviors; condom use; university students; sexual risk taking; HIV risk, 22751  
sexual intercourse; casual partners; condom use; personality; HIV-preventive behavior; theory of planned behavior, 4136  
sexual intercourse; condom insistence; adolescent perceptions, 31903  
social contexts; safe sex practices; condoms; gay men; post-exposure prophylaxis; HIV; sexual attitudes, 36356  
student attitudes; AIDS awareness; health knowledge; AIDS prevention; condom perception; self efficacy; college students, 20891  
**Conduct Disorder—Serials**  
antisocial behavior; aggression; conduct disorder symptoms; parent reported symptoms; teacher reported symptoms; basal salivary cortisol, 20221  
attention deficit hyperactivity disorder; conduct problem comorbidity; elementary school children, 20044  
attention deficit hyperactivity disorder; executive functioning deficit; oppositional defiant disorder; conduct disorder; comorbidity, 35365  
attention deficit hyperactivity disorder; phenotypes; genetic analysis; psychopathology; reading disability; conduct disorder; comorbidities, 17083  
attention-deficit hyperactivity disorder; conduct disorder; familial aggregation; antisocial behavior, 4797  
bipolar disorder; cyclical depressions; addictive disorders; epidemiology; comorbidity; conduct disorder; addictive disorders; substance use disorders, 4465  
callous-unemotional traits; conduct problems; juvenile delinquency, 32486  
callous-unemotional traits; psychopathy; conduct problem; conduct disorder; antisocial behavior; predictive validity, 24920  
child conduct disorder; interventions; treatment outcomes; treatment response; behavioral change; parenting; parent & child characteristics, 26662  
coercive parenting; preschool aged children; conduct problems; high risk; psychopathology; self-report, 1278  
cognitive-behavioral therapy; comorbidity; major depression; conduct disorder; adolescents, 14430  
conduct disorder; antisocial personality disorder; sexual abuse; robbery; risk factors, 10402  
conduct disorder; attention deficit hyperactivity disorder; antisocial personality disorder; covert antisocial behavior; aggression; childhood predictors; symptoms, 26239  
conduct disorder; attention deficit hyperactivity disorder; oppositional defiant disorder; environmental influences; childhood externalizing symptoms, 19983

neuropsychological rehabilitation; cornelia de lange syndrome; congenital disorder; facial structure; pre natal growth deficiency; post natal growth deficiency; hypertrichosis; mental retardation, 20407  
parenting; family contexts; personality characteristics; Velo-Cardio-Facial syndrome; congenital anomaly syndrome; parenting characteristics, 10842  
rhombencephalosynapsis patient; intelligence quotient; neuropsychological functioning, 29654  
sex-typical toy play; prenatal hormones; postnatal socialization; congenital adrenal hyperplasia; parents, 14190  
soft contact lenses; motor function; sensory function; congenital jerk nystagmus; cosmesis; therapeutic option; treatment efficacy; proprioception, 36046  
Sturge Weber syndrome; psychosis, 32694  
**Congenitally Handicapped [See Congenital Disorders]**  
**Conjoint Measurement—Serials**  
data collection; online data; offline data; product attributes; attribute preferences; methodology; conjoint analysis, 25072  
partial conjoint profiles; learning; attribute partworths; product attributes; product evaluation; missing attribute levels; consumer imputation processes, 9180  
partial conjoint profiles; learning; attribute partworths; product attributes; product evaluation; missing attribute levels; consumer imputation processes, 9202  
partial conjoint profiles; learning; attribute partworths; product attributes; product evaluation; missing attribute levels; consumer imputation processes, 9205  
partial conjoint profiles; learning; attribute partworths; product attributes; product evaluation; missing attribute levels; consumer imputation processes, 9182  
**Conjoint Therapy—Serials**  
conjoint family therapy, 32948  
**Connectionism—Serials**  
aphasia; normal language processing; functional centers; language representation model; connectionism; Adolf Baginsky, 31091  
associative computer; hybrid connectionist production system; associative memory; neural networks; learning, 34118  
cognitive control; connectionist mechanisms; prefrontal cortex; decision making; complex cognitive operations; neural networks, 31638  
connected learning; professional communities; decision making; problem solving; learning organizations, 33709  
connectionism; associative change; stimulus compound; rat; conditional learning, 28367  
connectionist network; dual process approaches; attitude formation; models, 29089  
developmental neuroscience; connectionist models; cognitive development, 34861  
human cognition; neural network models; cognitive psychology; cognitive science; connectionist; John R. Anderson, 30453  
motor learning; approximate optimal control; infant reaching; children; early motor learning; exploration; neural systems; behavior evaluation; appropriate responding, 16253

Connectionism—Serials

multiple instantiation; rule mediation; SHRUTI model; relational knowledge; decision-making, 18612  
stability criterion; postsynaptic neurons; presynaptic input; neural oscillator; open loop phase resetting curves; neural networks, 34117  
superordinate categories; hierarchical levels; connectionist simulations; action based theory; neural network, 31408

Connectionism—Chapters

Connectionism and the Propositional Attitudes, 12441

Conscience—Serials

conscience; childhood; moral emotion; guilt; empathic distress; rule-compatible conduct; internalization, 22534  
death penalty; due process problems; capital murder trials; appellate court decisions; conscience crises, 6206  
responsive imitation; toddlers; individual differences; preschool age conscience; early moral development; internalization; maternal guidance; guilt, 765

Conscientiousness—Serials

conscientiousness structure; personality trait; industriousness; self-control; traditionalism; virtue, 12486  
conscientiousness; ability; predictors; performance criteria; accounting learning; cognitive factors; learning environment, 8947  
conscientiousness; class attendance; incentives, 8959  
conscientiousness; health behaviors; life course; social environmental factors; longevity, 26018  
conscientiousness; honesty; integrity, 1060  
conscientiousness; job performance; clerical employees, 27671  
conscientiousness; team performance; task type, 7457  
conscientiousness; work effort; psychological climate; job performance, 24614  
context effects; individual differences; conscientiousness; personality test, 33909  
felt age; subjective age; cataract surgery; functional limitations; personality; conscientiousness; predictors, 8415  
five-factor model; rationality assumption; multiple regressions; adaptive strategies; delinquent behavior; college students, 4780  
group personality; team performance; military service teams; conscientiousness; agreeableness, 10268  
identifiability; rating audience; conscientiousness; rating level; accountability; individual difference, 19931  
incremental validity; work specific locus of control; cognitive ability; conscientiousness; job performance, 30847  
mortality; conscientiousness-related traits; behavioral contributors; health-related behaviors; database searches; risky activity patterns, 5296  
personality; helping behavior; conscientiousness; interpersonal orientation; organizational behavior, 27706  
psychopathy; conscientiousness; agreeableness; neuroticism; personality trait; Five Factor Model, 7815  
sales performance; polychronicity; big five personality; extraversion; conscientiousness; supervisor performance; job performance, 37017  
substance use; licit substances; gender differences; personality; conscientiousness, 35194  
willpower; behavioral control; intention behavior relationship; postbehavior attributions; individual differences, 21398

Conscious (Personality Factor)—Serials

conscious change; psychoanalytic reflections; Christian spirituality; ego awareness; consciousness change; meditation; semiconsciousness; consciousness, 300  
conscious thought; unconscious thought; preference development; alternative choices; decision time; processing capacity; complex decisions; decision making; immediate decisions, 3412  
consciousness; Brentano; self-awareness; theories, 7620  
emotional stimuli; Right-Hemisphere Hypothesis; lateralization; hemispheric asymmetries; emotions; conscious perception; unconscious perception; exclusion task; right-hemisphere advantage, 15891  
goal intentions; implementation intentions; goal attainment; goals; conscious awareness; action control, 18929  
patients reaction; conscious responses; psychoanalysis; psychotherapeutic process; case report, 20730  
poetry; absence of conscious intentions; analytic process; psychoanalysis; intersubjectivity; role responsibilities; clinical process; nonanalytic third; patients; analysts, 16680  
poetry; absence of conscious intentions; analytic process; psychoanalysis; intersubjectivity; role responsibilities; clinical process; nonanalytic third; patients; analysts, 16681  
psychoanalysis; affective states; psychological meaning; mental representations, 26793  
self deception; consciousness; Nietzsche; resentment, 7592

Conscious (Personality Factor)—Chapters

On the Distinctiveness of A. R. Luria's Research Approach, 21121

Technology to Liberate Rather than Imprison Consciousness, 3787

Consciousness Disturbances (See Also Delirium, Hypnosis, Place Disorientation, Sleep Disorders, Suggestibility)—Serials

assistive technology; persistent vegetative state; minimally conscious state; multidisciplinary team; diagnosis; impaired states of consciousness, 33458  
bispectral analysis; electroencephalogram signals; coma; minimally conscious state; bispectral index; spectral edge frequency; brain damage; electromyography, 32845  
delirium; consciousness disturbance; attention; drug toxicity; risk factors; evidence-based treatment, 7666  
forensic assessment; low level neurological states; ethics; litigation; dispute resolution; independent medical evaluation, 32863  
functional imaging; electrophysiology; mechanical intervention; vegetative state; minimally conscious states, 32836  
low awareness states; psychological needs; health professionals; families; psychological interventions; severe brain injury, 32782  
music therapy; low awareness states; rehabilitation programmes; multidisciplinary care; diagnosis; assessment; vegetative state, 33240  
neurological assessment; vegetative state; minimally conscious states; central nervous system injuries; impaired awareness, 32766  
neurophysiology; vegetative state; consciousness; cognitive functions; electroencephalogram; evoked potentials; minimally conscious state, 32802  
nutrition; hydration; vegetative state; minimally conscious state; monitoring, 32793  
persistent vegetative state; levodopa treatment; minimally conscious state; brain damage, 33274  
rehabilitation interventions; vegetative state; minimally conscious state; brain injury rehabilitation; evidence-based practice, 33456  
rehabilitation techniques; behavioral assessment; coma; vegetative state; minimally conscious state; neuropsychological rehabilitation; minimally responsive state, 33465  
severe head injury; recovery; vegetative state; minimally conscious state; diagnosis; early behaviors, 32850  
vegetative state; minimally conscious state; diagnosis; management; serial assessment; operational defined behavioral observations, 32859  
vegetative state; minimally conscious state; disorders of consciousness; diagnostic guidelines; prognostic guidelines; brain injury, 32798  
vegetative state; minimally conscious state; neuropsychological rehabilitation; behavioral assessment, 33452  
vegetative state; minimally conscious state; occupational therapists; occupational therapy; assessment, 33515  
vegetative state; recovery of consciousness; life expectancy; traumatic injuries; nontraumatic injuries; prognosis; brain disorders, 32763  
vegetative state; Royal College of Physicians guidance; brain function; diagnosis; awareness, 32890  
Consciousness States (See Also Awareness, Wakefulness)—Serials  
altered states of consciousness; hypnosis; hypnotic misperceptions, 25262  
altered states of consciousness; psychobiology; spontaneous; evoked; induced; disease; awareness span; self-awareness; sensory dynamics; brain structure & dynamics, 6800  
analytical psychotherapists; individual psychotherapy; consciousness; psychoanalysis, 1842  
animal consciousness; phenomenal consciousness; comparative psychology, 34479  
animal consciousness; phenomenal consciousness; comparative psychology, 34480  
animal consciousness; phenomenal consciousness; comparative psychology, 34487  
anxiety; consciousness; self-acceptance; psychoanalysis; psychotherapy; cognition; insight; unconscious consciousness, 36214  
attentional blink; consciousness; neural correlates; visual perception; continuum of perception, 455  
attribution of mental states; automaticity; voluntariness; mindreading; consciousness states; emotion recognition, 16021  
behavioral index; testable criteria; human consciousness; mammals; brain physiology; thalamocortical system, 19199  
beverage consumption; affective reactions; masked happy faces; angry faces; value judgments; consequential behavior; motivation; conscious feelings; affective primes, 18934

Consciousness States—Serials

biological origin of consciousness; animal evolution; mobility; sensory & sensorimotor transformations; phylogeny of consciousness; decision mechanisms, 19185  
biological origin of consciousness; animal evolution; mobility; sensory & sensorimotor transformations; phylogeny of consciousness; decision mechanisms; autonomous agents; robots, 19173  
brain activation; explicit memory task; conscious retrieval; prefrontal cortex, 12983  
brain architectures; cognitive science; artificial intelligence; computational behavior model; consciousness, 6112  
cerebral processing; auditory stimulation; noxious stimulation; severe brain injuries; minimally conscious state; vegetative state; cortical segregation; neuroimaging assessment; emotional stimuli, 32774  
cognition; affects; human consciousness; social process; social theory; psychoanalytic theories, 16683  
cognitive neuroscience; consciousness; introspective reports, 255  
color-blind racial ideology; psychological false consciousness; African Americans; racial inequality, 13449  
conscious change; psychoanalytic reflections; Christian spirituality; ego awareness; consciousness change; meditation; semiconsciousness; consciousness, 300  
conscious control; memory awareness; face recognition; familiarity process; processing levels, 25221  
conscious; unconscious; consciousness; vision; volition; impaired awareness, 15958  
consciousness continuum; sensory experiences; conscious will; perceptual experiences; intention; memory retrievals; problem solving; free will, 25182  
consciousness science; mental representations; unconscious; conscious, 15951  
consciousness studies; anomalous findings; methodological principles; Ockham's Razor; Plato's Life Boat; phenomenological data; theories; scientific research, 15805  
consciousness theory; psychological phenomena; supernormal phenomena; dissociation, 9674  
consciousness; biological nature; social nature; individual nature; nature of consciousness, 22154  
consciousness; cognition; personality; psychotherapy; education; health; attachment theory; aesthetics; imagery; intelligence; social psychology; psychotherapeutic processes, 11110  
consciousness; cognocentrism; quantum superposition; transpersonal psychology, 9677  
consciousness; cultural development; psychoanalysis; clinical practice, 1109  
consciousness; dissociation; dream recall; medical students, 19078  
consciousness; emotional self-regulation; brain; affective neuroscience; cognitive neuroscience; developmental psychology, 16659  
consciousness; human adaptation; evolutionary psychology; Darwinian algorithms; representational system; information-retention homicide; inclusive fitness; suicide; conscious motives; genes; evolution, 6643  
consciousness; implicit learning; intention; memory; mental states, 25169  
consciousness; life energy; quantum theory; holographic cosmology; tunneling photons, 34566  
consciousness; life energy; quantum theory; holographic principle; cosmology, 301  
consciousness; materialism; psychic reality; prepositional knowledge; isness business; idealism, 1107  
consciousness; mathematics; mathematical objects; linguistics; cognitive science, 15957  
consciousness; neural Darwinism; neurobiology; neurophysiology; brain development; selectionist theory; thalamocortical system; degeneracy, 19198  
consciousness; neuroscience; subjectivity; uniqueness; modern psychology; Sigmund Freud, 1106  
consciousness; physiological correlates; animal behavior; birds; cephalopods; octopus; neuroanatomy; neurophysiology, 19172  
consciousness; psychoanalysis; religious thinking; scientific thinking; holistic thinking; science; religion, 1104  
deja vu; deja vecu; memory disorder; schizophrenia; temporal lobe epileptics; persistent sensations, 1654  
dissociation; consciousness states; psychopathology; dissociative experience, 10481  
dissociative states; New Age/ambient music; trance music states; altered states; trance states, 590  
dybbuk; dissociative identity disorder; trance possession disorders; societal functions; Jewish spirit possession, 1174  
embodied self; Kierkegaard; existential difference; Hegelian model; human mind; human exteriority; inferiority; consciousness, 7563  
emotional feelings; affective consciousness; mammalian brain; dual-aspect monism; neurodynamics of brain systems; humans; fear; panic; behaviorism, 19207  
environmental cues; consumer behavior; perception behavior link; consumer choice; consciousness, 30943

- environmental cues; consumer behavior; perception behavior link; consumer choice; consciousness; awareness, 30940
- environmental cues; consumer behavior; perception behavior link; consumer choice; consciousness, 30951
- environmental cues; consumer behavior; perception behavior link; consumer choice; consciousness, 30944
- environmental cues; consumer behavior; perception behavior link; consumer choice; consciousness, 30946
- experience; meta-consciousness; introspection, 304
- expertise; evolution of consciousness; skill acquisition; deliberate practice; animal models, 22162
- families; critical consciousness; accountability; empowerment; family therapy, 36179
- free-association; therapeutics; reality adherence; self awareness; state of consciousness; reality, 33157
- frontal lobe; parietal lobe; attention; memory; consciousness; brain activity, 28482
- hallucination imagination; consciousness; auditory hallucinations; non pathological lens; mental health professionals predispositions; musicians, 33006
- handedness; consciousness; cerebral hemispheres; brain communication; updating beliefs; metacognitive processing, 6785
- higher-order thought; theory of consciousness; mental state, 15862
- humanistic psychology; phenomenology; consciousness; observation; inner experience; psychological theorizing; methodological differences; human science; behavior, 21751
- hypnosis; hypnotic inductions; conscious experience; neuropsychological processes; perceptual experience; motor control, 28350
- hypnotic communication; Haiku; attentiveness; humor; creativity; perceptive consciousness, 14600
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25256
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25257
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25258
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25259
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25260
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25264
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25266
- hypnotic phenomena; altered states; consciousness; multi-level framework, 25267
- introspection; introspective consciousness states; non-introspective consciousness states; perceptual process, 261
- introspective training; conscious experience; method reliability; E.B. Titchener; consciousness, 305
- Jeffrey Gray; cognitive nervous system; cognitive processing; schizophrenia; consciousness, 35503
- latency mode; sexual drive; learning situation; mind-set; learning difficulties, 7629
- mental operations; consciousness; half-unconsciousness; psychometrics; associations; memory, 3501
- middle passage; trauma; tragic reimagining; African American theology; modernity; consciousness, 35013
- mindlessness; injecting drug users; blood borne virus; public health, 14689
- minimally conscious state; vegetative state; disorder prevalence; incidence; diagnostic criteria, 32767
- mnemonics; social construction; memory; morality; consciousness; Middle Ages, 31962
- negative priming; masked distractors; prime awareness; unconscious perception; temporal discrimination, 15936
- neural correlates; consciousness; state space approach, 6770
- obituary; Donald R. Griffin; scientist; animal consciousness & cognition, 19089
- parapraxis; dream thoughts; dream work, 23843
- perceptual consciousness; wakeful alertness; conscious perception; mammals; humans; brain; behavior; cognition; memory; subjective experiences; neurobiology; neuroscience, 18994
- philosophy of mind; Stapp's Theory; quantum mechanical theory of consciousness and free will, 9672
- philosophy of mind; Stapp's Theory; quantum mechanical theory of consciousness and free will, 9676
- plain person; free will; determinism; consciousness, 15954
- plain person; free will; determinism; consciousness, 15955
- plain person; free will; determinism; consciousness, 15956
- presence; virtual reality; consciousness; perception; neuroscience; virtual world; computer displays, 22156
- projective identification; consciousness alteration; psychoanalysis; neuroscience; traumatic experiences; patient analyst communication, 33137
- projective identification; consciousness alteration; psychoanalysis; neuroscience; traumatic experiences; patient analyst communication, 33158
- projective identification; consciousness alteration; traumatic experiences; neuroscience; repression; memory; patient analyst communication, 30016
- projective identification; consciousness alteration; traumatic experiences; neuroscience; repression; memory; patient analyst communication, 30003
- recognition memory; consciousness states; perceptual distinctiveness & perceptual fluency; size congruency; college students, 28230
- rehabilitation techniques; behavioral assessment; coma; vegetative state; minimally conscious state; neuropsychological rehabilitation; minimally responsive state, 33465
- representationalism; internalism; externalism; conscious states; phenomenal content; conscious experiences; Swampman, 15944
- response times; response accuracy; motor imagery; waking states; hypnotic states, 19074
- self-reported performance; virtual environments; female participants; cultural diversity; task situations; pacific rim, 1
- semantic processing; masked prime task effect; attention; consciousness; automatic processing, 28347
- sensory modality assessment and rehabilitation technique; vegetative state; minimally conscious state; brain damage; test validity; test reliability, 6347
- spatial synchronization; brain biopotentials; intense attention conditions; hypnotic state; consciousness state, 34475
- statistical approaches; language acquisition; self organizing consciousness, 25637
- synergetics; perception; cognition; self organization; consciousness, 25083
- teleportation; consciousness; quantum physics, 19343
- thalamic reticular nucleus; states of consciousness; attention; neural circuits; anatomy; physiology; diencephalic GABAergic structure; critical survey, 396
- trance; childhood trauma; history; dissociative disorder patients; religious experience; symptom expression, 1165
- transcendental meditation; cognitive processing; entropy; electroencephalography, 5030
- transliminality; schizotypy; consciousness; feelings; experiences, 35319
- unconscious mental states; guessing criterion; zero correlation criterion; thought theory; consciousness; higher order thoughts, 15949
- visual masking; inverse priming; conscious processing; nonconscious processing; response time; error rate; inhibition; qualitative differences, 6483
- Consciousness States [See Also Awareness, Wakefulness]—Books**
- Emotion and consciousness, 31333
- Social motivation: Conscious and unconscious processes, 12826
- Consciousness States [See Also Awareness, Wakefulness]—Chapters**
- Exploring the discrepancy between implicit and explicit prejudice: A test of aversive racism theory, 13743
- Flow and the Art of Fiction, 13131
- The role of motivation in the unconscious: How our motives control the activation of our thoughts and shape our actions, 12667
- To know or not to know: Consciousness, meta-consciousness, and motivation, 12832
- Conservation (Concept)—Serials**
- cognitive development; conservation; necessity; childhood development; elementary school students, 31840
- Pan troglodytes; Pongo pygmaeus; Pan paniscus; liquid conservation; visual information; liquid quantities; visual estimation, 342
- Conservation (Ecological Behavior)—Serials**
- air force members; pro-environmental behaviors; planned behavior; energy conservation; recycling; perceived control; social norms; carpooling, 6094
- behavioral theories; recycling involvement; planned behavior; altruistic behavior; environmental psychology, 21681
- environmental attitudes; ecological behavior; economic liberalism; confirmatory factor analysis, 18568
- environmental concern; environmental attitudes; conservation behavior; values; attitudes; environmental issues, 27866
- environmental knowledge; conservation behavior; informational strategies; education, 9282
- free-choice environmental education; learning experiences; conservation, 24773
- Hawkesbury Water Recycling Scheme; communities; risk management strategies; action research strategies; urban water management; risk communication, 27858
- knowledge based system; expert system; recycling; nonhazardous solid waste; industrial residuals; road construction material; civil engineering, 12344
- perception; environmental hyperopia; global warming; environmental problems; conservation, 37189
- posted feedback; recycling; lounge area; waste material, 18564
- primate behaviour; zoo environment; animal welfare; conservation; animal management; public access & education, 12845
- primatology; primate conservation; socioecology; animal habitats; scientific communication, 12837
- recycling system; social dilemmas; fairness; waste management; community involvement; urban environment, 18570
- rural-urban differences; pro-environmental orientation; pro-environmental behaviors; sociostructural factors; socialization; environmental values; environmental concern; environmental attitudes, 18565
- watershed pollution; environment preservation; behavioral intention; awareness, 12314
- Conservation (Ecological Behavior)—Chapters**
- Animal Behavior and Conservation Biology, 12855
- Conservatism—Serials**
- conservative Protestantism; tolerance toward homosexuality; Protestant religious values; civil liberties, 19656
- homosexuality; masculinity; homophobia; gay rights; gay marriage; conservative activists, 35187
- patriarchal ideology; peoples beliefs; wife abuse; family violence; traditions; cultural beliefs, 35591
- socialization factors; work ethic; cultural conservatism; adolescent attitudes; parental educational level; socioeconomic status; parents; young adults, 25712
- transformational leadership; leadership effectiveness; United States; Taiwan; cultural values; cross cultural differences; traditionalism, 24641
- wife abuse; socioeconomic resources; gender traditionalism, 10633
- Conservatism (Political) [See Political Conservatism]**
- Conservatorship [See Guardianship]**
- Consistency (Measurement)—Serials**
- alpha's standard error; confidence interval estimate; inferential statistics; multivariate normality; equations; alpha coefficients; sampling error; test statistic; independent sample alphas, 127
- Choquet Expected Utility preferences; filtration; dynamic consistency; decision making, 35241
- MAXSLOPE taxometric procedure; mathematical derivation; parameter estimation; consistency tests, 15727
- non-parametric regression; regression contour clusters; estimation; excess mass; consistency, 25038
- Consonants—Serials**
- assimilation; German compounds; phonology; words; coronal consonants; lexical access; phonemic context; articulation; morphologically complex words, 34805
- consonant recognition; speech perception; human machine interaction; syllables; Hidden Markov Models, 22435
- forgetting; redintegration; consonants; vowels; pseudowords; phonemes; recall, 22140
- Katakana syllabary; English loanwords; Mora conservation; learner strategies; consonant gemination; obligatory vowel epenthesis; pronunciation, 641
- linguistic constraints; statistical computations; consonants; vowels; continuous speech processing; transitional probability; word identification, 28244
- orthography; spelling acquisition; Danish children; Icelandic children; phonemic encoding skills; spelling tasks; consonant doublets; cross linguistic nonwords; sound-letter correspondences, 22421
- phonetics; phonology; progressive speech degeneration; vowel; consonant production, 8023
- phonotactic probabilities; speech production; coda consonants; language development; phonological acquisition; young children, 13256
- scalar phonetic property; phonology; articulatory control; dorsopalatal contact; pharyngealization; velarization; dials, 6950
- short-term memory; oscillator models; temporal oscillators; positional codes; recall errors; consonants; temporal position; ordinal position; item timing; item positioning, 6611
- speech articulatory variability; consonant production; hearing impairment; electropalatography; Greek speakers, 8696
- ultrasound imaging; phonology; transitional schwa; vowel coalescence; transparent vowels, 32274
- voice onset time; infant directed speech; mother-child communication; stop consonants, 22490
- Conspecifics—Serials**
- conspecific density; female reproduction; egg-carrying bugs; egg laying, 15980
- conspecific faces; sheep; age differences; face recognition; discrimination learning, 6673
- conspecific milk odor; postnatal exposure; human milk; formula milk; feeding practices; newborns, 13198
- conspecific scent; exploratory behavior; rat scents; rats; survival risk exposure; risk potential; environment, 366
- conspecific vocalizations; food-caching behavior; black-capped chickadees; behavior alteration, 351

conspecifics video; housed bonnet macaques; video reward; social groups, 3507  
 conspecifics; threat responses; Mongolian gerbil; animal social behavior; predators, 28399  
 imitation; motor plans; mirror neurons; prediction; emulator; representational momentum; motor involvement; perceptual processing; conspecific behavior; human body movement; perception, 18933  
 pair housing; feeding suppression; partner novelty; rats; conspecific interaction, 15983  
 sea lions; hemispheric specialization communication; conspecific calls; auditory signals; right ear; marine mammal species, 34590  
 vocal labelling; spectacled parrotlets; social companions; conspecifics; animal interaction, 28417  
**Constant Time Delay—Serials**  
 constant time delay procedure; aquatic play skills; children; autism, 26450  
 teaching methods; cooking skills; disabled students; video prompting; secondary students; constant time delay, 18299  
**Constipation—Serials**  
 obstinate constipation; plum-stones; rectum; dementia, 4984  
**Construct Validity [See Test Validity]**  
**Constructivism [See Constructivism]**  
**Constructivism—Serials**  
 assessment process; assessment models; learning; social constructivist approach, 15684  
 childrens perspectives; game programming discourse; constructivist learning; video games, 30679  
 cognitive development; brain development; constructivist learning systems, 34874  
 cognitive development; constructivism; developmental theories, 3873  
 construct system; personal construct psychology; experience cycle; sexual response cycle; sexual dysfunctions, 10251  
 construction of sexualities; human sexuality; constructivism, 10228  
 constructionism, 28608  
 constructionism, 28614  
 constructivism; Pete Gunter, 28617  
 constructivist ethics; constructivist psychology, 21217  
 constructivist mathematics education; mental retardation; direct instruction; guided instruction, 18301  
 constructivist psychotherapy; therapeutic process, 29930  
 cultural psychology; normative structure; social constructivism; perceptual faith; Merleau-Ponty; phenomenology; life; language; emotions, 31085  
 dialogue role; psychologists; Canadian Code of Ethics; constructivist practice; ethical standards, 21216  
 discursive psychology; discourse analysis; psychological phenomena; constructionism; cognition; social critique, 35256  
 early childhood education; childhood curriculum; educator conception; sociocultural explanations; constructivism, 11836  
 electronic learning pedagogy; third millennium; social constructivist approaches; cognitive constructivist approaches; curricula; real life tutors; educational institutions, 30646  
 existential themes; constructivist psychotherapy, 29911  
 family therapists perspective; therapeutic relationship; family therapy; social constructivism, 36190  
 female orgasmic disorder; social construction; medicalization; embodiment experience; female sexual dysfunction; medical condition, 26518  
 gay men; chronic illness; disability; social constructivist perspective; minority groups; mental health, 10414  
 gender identities; lesbian sexuality; butch and femme perspectives; sexual relationships; constructivist and essentialist tensions, 10238  
 history; Constructivism in the Human Sciences, 28616  
 intercultural ethics; universalism; relativism; constructivism; intercultural dialogue, 16153  
 intersexes; corporeal ethics; human body; postgender bodies; constructionism; sex dualism; sex practices, 7396  
 mathematics education; teaching as telling; constructivism; teacher instruction, 21319  
 memory-based processes; constructionist processes; reading comprehension, 19030  
 men; masculinity; family therapy; social constructionism; discursive analysis; discourse; positioning; cultural context, 8258  
 mental retardation; learning difficulties; labeling; self esteem; social constructivism, 20362  
 narrative; experiential learning; learning theory; change; constructionist perspective, 24694  
 physical education; dyadic interactions; choice behavior; instructional team sports; peer interactions; social constructivism, 30639

polyamory; nonmonogamous relationship orientation; polyamorous identity; self identity; social constructionism; personal construct; compulsory heterosexuality, 10923  
 post divorce experiences; social constructionist perspective; self reconstruction; separation reactions; coping behavior; divorced women, 25830  
 pragmatics; cognition; philosophical constructivism, 34777  
 pragmatism; meaning; inferentialism; constructivism, 34781  
 psychological self; naturalism; constructionism; first person perspective; understanding; ontogenesis; reality status of the self, 18711  
 psychotherapy; constructivism, 29888  
 qualitative career assessments; constructivism, 34307  
 qualitative research; ethics; research interviewing; construction of ethics, 18870

chewing gum; cognitive performance; functional food; memory; glucose; context-dependent effects; arousal mechanisms, 3484  
chewing gum; cognitive performance; functional food; memory; glucose; context-dependent effects; arousal mechanisms, 3483  
Conditioned inhibition training; inhibitory conditioning; Rescorla-Wagner assumption; excitatory context value; honeybees, 9697  
contempt expressions; labeling of contempt; expression of emotion; situational context, 1022  
context effects; individual differences; conscientiousness; personality test, 33909  
context influences; fault tree; omission neglect; judgments; cognitive closure; likelihood estimates; problem solving, 19026  
context-processing deficits; schizotypal personality disorder; working memory; selective attention, 4618  
context; pattern category learning; representation; visual category learning; learning patterns; sensory information, 6602  
contextual control; conditioned performance; humans; conditioned stimulus, 15912  
contextual cuing; visual search; global context; target locations, 12682  
contextual factors; infants; absent reference comprehension; novel toy; names, 34865  
contextual intelligence; sport psychology; consultants, 18492  
contextual interference effect; motor task; learning transfer; retention, 19058  
contrast effects; conscious influences; memory; contextual information; preference judgements, 12753  
cue-outcome relations; human associative learning; renewal effect; extinction; context induced response recovery, 12800  
emotional experience contextuality; somatic-symbolic integration; linguistic component, 13766  
focus group discussions; violence; everyday life; social contexts; associational context; status context; conversational context; relational context; problematic silences; problematic speech, 997  
food preferences; motivational states; hunger; attitudes; attitude context; food attitudes; typical eating time; hunger induced attitude change, 19071  
forward association; backward association; false-memory illusion; forward associative strength; semantics, 22100  
generalized social phobia; negative interpretation bias; illusory correlations; emotional facial expressions; social cues, 4568  
habits; habitual behavior; stimulus cues; habit performance; transfer students; performance context; intention; behavior change & prediction, 26032  
HIV antibody testing; injection drug users; HIV testing programs, 4910  
individual psychological reactions; perceived stigma; dual process model; associative system; rule-based system, 1024  
language comprehension; age groups; normal aging; event related potential; sentence contexts, 19586  
latent inhibition; basolateral amygdala lesions; basolateral amygdala; context; rats, 31623  
lexical routines; sublexical routines; reading aloud; English language; contextual control, 34428  
long context exposure; cued fear conditioning; rat forebrain; c-fos expression; amygdala; hippocampus, 25309  
memory of text; text organization; semantic knowledge associations; independent influences; narrative content; expository text, 12810  
memory retrieval; extinction impairment; extinction trials; trial interval; context extinction; nonreinforced context exposure; extinguished conditioned stimulus; dangerous context; shock; male rats, 9702  
metonymy; facetization; zone activation; contextual reading; semantics, 639  
mirror effect; dynamics; context effect; signal detection theory; decision making; criterion shifts; decision criteria; response lag, 28257  
mood; positive mood; self-focus; self-focused attention; flexible effects; contextual variables; situational demand, 22151

motivation; prejudice; automatic evaluative responses; racial differences; ingroup; outgroup; Blacks; Whites, 10295  
 parafoveal word length; contextual constraint; fixation duration; word skipping; reading; word predictability, 34438  
 Pavlovian extinction; learning; interference paradigms; conditioned inhibition; response inhibition; inhibitory learning; reinforcement, 3513  
 personality traits; biology; dumpling squid; context specific traits; personality variation; trait variation; trait correlates; life history; gender, 12847  
 prior experience; adult learning; contextual learning, 5842  
 prospective memory; memory performance; contextual cues; target typicality; associative cueing, 31478  
 pun version; contextual connection; word; sentence; fables; humor reactions, 28646  
 rainbow trout; shyness; boldness; contextual assessment consistency; animal behavior assessment, 31527  
 reactivated memory; contextual-fear memory; rats; memory reconsolidation; proteins; hippocampus; protein synthesis; context memory; protein-synthesis inhibitor; injections, 563  
 reactivated memory; contextual-fear memory; rats; memory reconsolidation; proteins; hippocampus; protein synthesis; context memory; protein-synthesis inhibitor; injections, 539  
 semantic contextualization; semantic profile; sentence-index pair; truth-values, 3777  
 sentence-level context; word pairs; word-level meaning; message-blind model; right hemisphere model; associative priming; delayed naming task; onset latencies; visual hemifield presentation, 6556  
 sexual assault; police files; criminal event; contextual elements; criminal transaction, 17053  
 spatial memory; contextual memory; visual attention; working memory, 34448  
 teacher burnout; personality variables; contextual variables, 15069  
 temporal context; memory; ageing; encoding instructions; retrieval strategies; list discrimination task; incidental encoding; intentional encoding, 9622  
 temporal dynamics; context memory retention; contextual fear conditioning; pre-exposure facilitation effect; rats, 19112  
 test-retest reliability; learning style inventory; context, 2652  
 time based prospective memory; expected context; intention completion; context association, 18999  
 traumatic brain injury/TBI; cognitive control; Stroop; context maintenance; closed head injury; prepotent response inhibition; response guidance, 36015  
 traumatic brain injury; emotion recognition; facial expression; face perception; use of contextual information; emotional states; subjective experience of emotion, 32783  
 type shifting verbs; context effects; verb processing; lexical semantics, 19370  
 unconditioned stimulus intensity; latent inhibition; conditioned emotional response; footshock intensity; rats; contextual change, 3522  
 visual pattern recognition; pigeons; context, 28374  
 voice context; recognition memory; studied words; spoken words; multiple talkers; voice-specific attributes; talker variability; response bias; studied voices; unfamiliar voices; test words, 6600  
 youth behavior disorders; schools; contextual information; behavior assessment, 12461  
**Contextual Associations—Chapters**  
 Children's Writing: How Textual Forms, Contextual Forces, and Textual Politics Co-Emerge, 3763  
 A Contextualist Alternative to Cognitive Psychology, 6590  
**Contiguity (Cognitive)** [See Cognitive Contiguity]  
**Contingency Management** [See Also Token Economy Programs]—Serials  
 analogue functional analysis; functional analysis outcomes; instructional influences, 23783  
 cocaine dependence; prize reinforcement; contingency management; group therapy; methadone clinic; methadone patients, 17935  
 contemporary management anticipation; contingency management theory; Henri Fayol; knowledge management, 37037  
 contingency management treatments; family activities; treatment outcomes; substance dependence; cocaine abuse, 33489  
 contingency management; addiction treatment service; drug rehabilitation, 17929  
 contingency management; behavioral therapy; transdermal nicotine; cigarette smoking; cocaine; intervention; outpatients; reinforcement; carbon monoxide levels; effectiveness, 24215  
 contingency management; smoking cessation; shaping; self-efficacy; readiness to change; smokers; cessation plans; motivation, 24193

infant performance; contingency task; extinction task; social learning; caregiver demonstration; reinforcement schedules, 31813  
 judgment; contingency information; choice behavior; causal candidates, 31459  
 psychopathic tendencies; contingency change; response reversal; salience; children performance; attention deficit hyperactivity disorder, 35549  
 reinforcement; punishment; drug-abuse treatment; contingency management interventions; cost analysis, 20268  
 voucher exchanges; criminal justice system; drug abuse treatment programs; voucher based contingency management; contingency management interventions, 36561  
**Contingent Negative Variation—Serials**  
 cortical nociceptive processes; cognitive-motor processes; sensorimotor interactions; contingent negative variation; cortical area; expectancy period, 472  
 Go/NoGo task; slow potentials; contingent negative variation; cognitive processing waveforms; event related potentials, 13062  
 lateralized readiness potential; mental chronometry; stimulus onset; jackknifing procedure, 6814  
 panic disorder patients; covariation bias; fear-relevant stimuli; aversive consequences; anxiety disorders; overestimation of random contingencies; contingent negative variation, 7772  
 parasympathetic cortex; contingent negative variation; painful sensorimotor events; magnetoencephalography; anticipatory processes; evoked potentials, 19237  
 Simon effect; reaction times; stimulus response arrangements; motor cortex; lateralized readiness potential, 22087  
 time pressure; information processing; overlapping tasks; lateralized readiness potential; event-related potential, 6813  
**Continuing Education** [See Also Inservice Training]—Serials  
 academic courses; geriatric distance education; continuing education; geriatrics; gerontology; continuing medical education, 11846  
 continuing education; telemedicine network; tele-education, 5677  
 Education Participation Scale-Modified; continuing education; social workers; test validity; test reliability, 18833  
 employee commitment; health care insurance industry; service organization; organizational performance; continuous learning, 2825  
 health care professionals; continuing education; distance-learning program; online technology, 11869  
**Continuing Education** [See Also Inservice Training]—Chapters  
 The Myth of Continuing Education: A Look at Some Intended and (Maybe) Unintended Consequences, 18039  
**Continuity of Care** [See Continuum of Care]  
**Continuous Reinforcement** [See Reinforcement Schedules]  
**Continuum of Care—Serials**  
 awards; psychiatry; Reichmann Award; continuity of care; patient care, 17972  
 behavioral health services; behavioral health problems; continuity of care, 8532  
 community based services; older adults; program diversity; senior centers; socialization; recreation; continuum of care, 11523  
 continuity of care; advanced cancer patients, 24134  
 continuity of care; stability of care; looked after children; foster care; parental participation; sibling co-placement; kinship, 11511  
 counselling; assessment; referral; advice; throughcare; drug using prisoners, 36584  
 cultural differences; access to care; racial and ethnic disparities; mental health care; continuity of care; treatment receptiveness; stigma; cultural beliefs; attitude towards mental illness, 33372  
 cultural diversity; intervention models; family violence; HIV; continuum of services, 16992  
 dementia; community based care; health personnel; social service providers; daily activities, 14763  
 eating disorders; multidisciplinary treatment; treatment cost; continuity of care; recovery; hospitalization, 5510  
 group home; discharge destinations; length of stay; residential treatment center; child welfare; continuum of care, 2237  
 health supervision; continuity of care; therapeutic alliance; self-esteem; parenting; pediatrics, 17855  
 HIV clinics; urban environments; race; ethnicity; health care, 30125  
 individual experiences; traumatic brain injury; continuum of care; family experiences; caregiving; health professional experiences, 29796  
 mental health care; care continuity; service use; client characteristics, 14715  
 mild traumatic brain injury; workers compensation; continuum of care, 8527

multisystemic therapy; felix class youths; serious emotional disturbance; out of home placement; Continuum of Care, 17849  
 psychiatric emergency services; treatment; continuity of care, 21026  
 psychiatric inpatients; Resources Utilization Groups T18; patient resource use; care duration; case mix system, 17902  
 psychosis; continuity of care; accommodation history; management outcome; hospital discharge; homelessness, 14826  
 responsibility continuum; caregivers; African American grandmothers; grandchildren; parenting; exchange behavior, 19720  
 social exclusion; continuing care; socioeconomic changes; workplace technology; workforce exclusion; social care; aging, 3976  
 substance dependent students; school based programs; continuum of care, 36952  
 trauma services need; terrorist attacks; Israel; Continuum of Trauma Services; victims; Israel Trauma Coalition, 27080  
**Contour** [See Form and Shape Perception]  
**Contour Perception** [See Form and Shape Perception]  
**Contraception** [See Birth Control]  
**Contraceptive Devices** [See Also Condoms, Intrauterine Devices, Oral Contraceptives]—Serials  
 family planning clinics; urban areas; contraceptive use; family planning knowledge; married women; poor, 35176  
 female contraceptive methods; HIV prevention; female condoms; risk factors; barrier methods, 2023  
 highly active antiretroviral therapy; unprotected sexual intercourse; sexual risk behavior; HIV transmission; viral load; HIV serostatus; unsafe sex, 11343  
 highly active antiretroviral therapy; unprotected sexual intercourse; sexual risk behavior; HIV transmission; viral load; HIV serostatus; unsafe sex, 11364  
 highly active antiretroviral therapy; unprotected sexual intercourse; sexual risk behavior; HIV transmission; viral load; HIV serostatus; unsafe sex, 11339  
 registered sex workers; Senegalese public policy; sexual health knowledge; contraceptives; sexually transmitted infections; social programming; HIV, 29020  
 student attitudes; college students; contraceptive gap; gender differences; sexual activity, 10242  
 symbolic meaning; contraceptive use; close relationships; condoms; birth control pill, 4133  
 women's mobility; reproductive health; health services; contraceptive; antenatal care, 30280  
**Contraceptive Devices** [See Also Condoms, Intrauterine Devices, Oral Contraceptives]—Chapters  
 Insurance Coverage of Contraceptives: Narrowing the Gender Gap in Health Care Coverage, 14697  
**Contracts (Psychological)** [See Psychological Contracts]  
**Control (Emotional)** [See Emotional Control]  
**Control (Locus of)** [See Internal External Locus of Control]  
**Control (Self)** [See Self Control]  
**Control (Social)** [See Social Control]  
**Control Groups** [See Experiment Controls]  
**Controls (Instrument)** [See Instrument Controls]  
**Convergent Thinking** [See Inductive Deductive Reasoning]  
**Convergent Validity** [See Test Validity]  
**Conversation—Serials**  
 age effects; novel conversation; sex differences; earwitness recall, 31794  
 alcohol abuse; Leland Towle; US alcoholism treatment, 36520  
 audience design; conversational common ground; ordinary memory processes; commonality assessment; message formation; language production in conversation, 25174  
 audio visual speech perception; face to face conversation; auditory stimuli; visual stimuli, 22039  
 audiovisual prosody; feeling of knowing; facial expression; meta-cognitive information; conversation, 31452  
 authority; dialogue; psychiatric consultations; economic liberalization; market economy; philosophy; polyphony, 1754  
 causality; language production; discourse fragment continuation; language consequences; discourse gaps; narrative; temporal recency; textual recency, 16188  
 chat; spoken conversation; Internet-based communication; oral communication, 6963  
 classroom talk; academic rigor; reading comprehension; comprehension instruction, 21388  
 clear speech; speech recognition; communication partners; conversational speech; acoustics; hearing loss, 35827  
 clinical practice; speech-language therapist; speech therapy; language therapy; medical education, 8761  
 cognitive busyness; gender biased language; sexism; neutral terms, 31746

## Volume 92 SUBJECT INDEX

### Conversation—Serials

conditional directives; goal based relevance; reasoning; deontic necessity; deontic sufficiency; conversation; rationality; comprehension; intention; values, 31421

conflict management; Chinese intergenerational dyads; conversation transcripts; problem solving style; interpersonal communication, 19849

conversation analysis; aphasic interaction; spontaneous speech production; interactional linguistics; aphasic speaker, 29798

conversation logic; minimal group paradigm; group membership, 13611

conversation skills; peer mediated conversational repair; disabilities; students, 29263

conversation; collaboration; gender relations; gender differences; social dynamics, 10035

conversation; dementia; Alzheimers type; diagnostic symptom; cognitive impairment; linguistic impairments; communicative impairment, 26623

conversational analysis; discourse analysis; family social work case; family positions; drug addiction, 24128

conversational model; art therapy; developmental theory; psychotherapeutic conversation; incarcerated patient; psychoanalysis, 26897

conversational support; assertives; mother child communication; child conversations; speech, 31838

conversational topics; children; caregiver; mealtime interaction; communication analysis; complex communication needs; cerebral palsy, 20321

couples; conversation behaviors; conflict; humor; household task talk, 29051

cross cultural supervision; race; ethnicity; strategies; conversation, 11653

discourse; interorganizational collaboration; conversation roles; collective identity, 12173

discursive psychology; qualitative approach; interaction; medical settings; psychological words; psychological displays; conversation, 25563

emotional disclosure; challenge; validation; social contexts; acute stressor; rape; physiological adjustment; cognitive adjustment; emotional adjustment; cross cultural differences, 7580

emotional regulation; mother child conversations; Chinese families; European American families; emotionally salient topics; emotional reminiscing, 31906

end of life communication; family perceptions; prognosis; physician family conversation; suddenness of death; end of life care; families experiences; hospitalization, 36496

English Zero Anaphora; ordinary conversations; conversational interaction; English speakers, 31757

figurative expressions; pivotal topic transitions; conversation; disjunctive transitions, 16177

forgetting; dementia; resistance; task-oriented conversations; social interaction; marital relations, 14231

goal characteristics; micro level message; message production; knowledge stores; cognitive processes; conversation, 19348

hands free mobile phones; mobile phone conversation; peripheral visual system; driving behavior; driving under influence, 15460

heterosexuality; ordinary interactions; conversational practices; sexuality; lesbian; gay; bisexual; transgender, 31752

inattentive listening; self verification; personal storytelling; self perception, 29076

interobserver agreement; conversation analytic transcription, 13155

language development; comprehension skills; absent references; conversation; communicative intent; language; language development; caregivers; infant development; child development, 13249

logical expressions; coordinated reasoning; collective values; language; vocabulary signals; social interaction; conversational action planning; choice prediction; preferences; risk; uncertainty, 25547

medical ethics; ethical issues; hermeneutics; controversy; conversation, 36747

modified repeats; spoken language; confirmation; speakers; primacy rights assertion, 22436

multimodal dialogue; conversation; algorithms; human language, 3782

narrative identity; conversation; identity shift; change management, 7463

nurse-client relationship; therapeutic relationship; early encounters; creative conversation starters; nursing role, 2262

ostensible speech acts; mutual recognition; comprehension; sincere speech, 31755

parent-child conversation; explanatory conversation; teleological explanation, 9968

position calls; everyday speech; relational subjectivity; human subjectivity; conversation; narratives; dialogical interaction, 28630

preference organization; sequential organization; contingent requests; interactional linguistics; sentence conditional clauses; conversation; oral communication; turn shape of requests, 22439

primary care physicians; social interaction; physician patient communication, 36138

primary inclusion classroom; disabilities; conversational discourse; teacher's role, 18289

psychodynamic formulation; collaborative conversation, 23838

reactive tokens; Korean conversations; English conversations; conversational resources, 650

sequential organization; preference organization; nonapology actions; communication practices; social harmony; conversation; English, 644

social conversation rules; memory; interview style, 19050

stammering; conversation; fear; trepidation; social interaction, 14160

stereotypic impressions; conversation; dyads; shared impression formation; new acquaintances; feelings of closeness, 32127

syntactic practice; prosodic practices; cohesion; social order; classroom talk; three part talk sequences; interaction grammar, 16176

temporal patterning; speech; iconic gestures; conversational discourse; Chinese conversation, 22401

theory of mind; reading mind; interactional implications, 3854

transformative listening; care full listening; multicultural differences; conversations; school based programs; family therapy; narrative therapy; conflicting groups; Israel, 27602

vocal tie; reading intervention; reading; conversation; brief experimental assessment; reinforcement; vocal habit, 23789

**Conversation—Books**

**Conversation Disorder—Serials**  
camptocormia; conversion disorder; frontal flexion; spinal cord; knees; oppositional defiant disorder; mental retardation, 1527  
disembodied mind; conversion disorder; body mind relationship; models; contemporary theories; evolutionary framework; neurobiological models; emotional responses, 20425  
dissociative disorders; psychogenic amnesia; fugue; dissociative identity disorder; depersonalization disorder; conversion disorder; hysteria, 32317  
early trauma; life events; symptom severity; conversion disorder; psychological stress; risk factors; affective disorder, 32332  
exposure based therapy; posttraumatic stress disorder; psychological pain; hand pain; symptomatology; conversion reaction, 11132  
Jean-Martin Charcot; hysteria; brain; hypnosis; conversion disorder, 23934  
motor conversion symptoms; pseudoseizures; clinical characteristics; neurological patients, 8053  
neuroscience; hypnotizability; hypnosis; neurophysiology; conversion disorder; brain morphology, 17183  
neurosciences; brain imaging; behavioural genetics; anxiety; conversion disorders; schizophrenia; neuropsychology, 5025  
pseudoseizures; diagnosis; treatment; conversion disorders; etiology, 23474

**Conversion Hysteria** [See Conversion Disorder]  
**Conversion Neurosis** [See Conversion Disorder]  
**Conviction (Criminal)** [See Criminal Conviction]  
**Convulsions** [See Seizures]  
**Cooperating Teachers—Serials**  
teacher educator; teacher education; cooperating teacher; classroom teacher; university teacher, 36832

### Cooperation—Serials

**Cooperation—Serials**  
academic collaboration; hospice organizations; hospice care; health care services, 5494  
American Society for Training and Development; academic research community; higher education; human resource development, 33927  
autism; developmental delays; autism-specific deficits; cooperation; emotional understanding; personality characteristics; social behavior; high-functioning; ADHD; oppositional defiant disorder, 7943  
Career and Education Connection program; elementary career intervention; university-elementary school collaboration; economically challenged urban school district, 21472  
child protective service; law enforcement; child abuse investigations; collaboration process; child advocacy, 30312  
chimpanzees; competitive cognitive tasks; cooperative cognitive tasks; Pan troglodytes, 3535  
chronic illness; health care; treatment planning; collaborative care; emotional problems; emotional health; physical health, 17353  
class society; homeless people; tragic events; gross poverty; cooperation; generosity; welfare societies; tsunami; child care, 31964  
classical activity theory; biotechnology research department; collaborative scientific research; scientific collaboration; motive; object, 33921  
clergy; mental health professionals; collaboration, 8733  
collaboration strategies; mental health care; mental health delivery; mental illness; public health, 26988  
collaboration; collusion; plagiarism; student behavior, 15223  
collaboration; education; communal norms; laissez-faire individualism, 27381  
collaborative design teams; collaborative manufacturing; engineering; decision making; communications media; design processes, 24683  
collaborative enterprise; psychologist physician relationship; well being; patient encounter, 18047  
collaborative health care; behavioral health services, 5439  
collaborative interest model; relational coordination; business markets; social constructs; industrial marketing; business network, 18552  
collaborative learning; computer-supported learning environment; competitive environment; collaborative environment; cooperation; mediation; students, 2632  
collaborative management; organizational behavior; collaborative advantage; collaborative inertia, 12111  
collaborative phenomenological approach; behavior analysis; problematic behavior, 17455  
collaborative planning; group discussion; optimistic biases; time estimation; collaborative prediction; task completion forecasts, 25921  
collaborative problem solving; software development; groupware tools, 30640  
collaborative teaching; developmental psychology; interdisciplinary teaching method; coordinated presentations; common reading; interdisciplinary course, 33765  
collaborative treatment; psychiatric residency program; pharmacotherapists; psychotherapists; teaching; psychiatric residency, 30496  
collective action; adaptation; industrialized societies; cross-cultural differences; punitive sentiment, 25776  
Community Academic Practice Alliance; nursing programs; Health Departments; nursing students; community health nursing, 11447  
community collaborative research; prevention evaluation research; community organizations; local health departments; AIDS, 32733  
community research; community collaboration; social inquiry; collaboration; intervention, 855  
community-university collaboration; research; social issues; interactive and contextual model, 12626  
competition; cooperation; social comparison; self-evaluation; assimilation; contrast, 25955  
compliance; practitioners; problem behavior; high probability request sequences; disabilities; research, 36161  
computer mediated collaborative practices; information technologies; communication technologies; organizational boundaries; culture; geographic boundaries, 34104  
computer mediated collaborative practices; university museum; system design; system development, 34074  
consumer response; collaborative manufacturer-retailer relationships; marketing relationships, 30888  
conversation; collaboration; gender relations; gender differences; social dynamics, 10035  
cooperation process; partner interaction; partnership satisfaction; interfirm cooperation; action pattern; alliance outcomes, 30893  
cooperation; cultural trait; endogenous cultural selection; cooperative behavior; Prisoner's Dilemma; endogenous socialization, 7214

cooperation; human services work; Old Order Mennonites; community care, 2211  
 cooperation; mediation process; antagonistic climate, 37252  
 cooperation; methodological benefits; feminist qualitative research; medical institutional settings; research ethics; hospital-based services, 18898  
 cooperation; problem solving; monkeys; Cebus apella; division of labor; communication; reciprocal altruism; rewards; social behavior, 31512  
 cooperation; universities; industry organizations, 33684  
 cooperative breeding; group size reduction; feeding behavior; helper effects; kin selection; natal territory; cichlid fish, 12192  
 cooperative chewing; structural cues; pheromone in venom extract; female parasitoid wasps; eusocial behavior, 25319  
 coordination; energy-in-conversation; motivational dynamics; emotional dynamics; organizational behavior; organizational adaptation, 12054  
 creativity; citations; creative collaborations; independent authors, 16147  
 cross-national collaboration; Information and Communications Technology; special schools; cultural awareness; curriculum, 5875  
 cultural influences; cooperation; prisoners dilemma; Chinese; Americans, 29092  
 decision making; video games; violence; cooperation; cooperative decision making, 22824  
 discourse; interorganizational collaboration; conversation roles; collective identity, 12173  
 e-mail research strategies; business enterprise solutions; user experience; group support; corporate collaboration; systems; Thread Arcs; system-level approach; software development, 27892  
 environmental changes; cooperative behavior; prisoner's dilemma game; artificial social model, 1005  
 faculty student collaborations; authorship credit; publishing; ethics, 24366  
 feminist collaboration; multiculturalism; counseling supervision; African American women; experiences; perceptions, 10144  
 food sharing; kinship; nuclear families; interhousehold sharing; Dolgan; reciprocal altruism, 32006  
 foreign partnership; transitioning economies; joint ventures; market economy; market performance; knowledge acquisition; Hungary, 25780  
 group based cooperation; cross cultural differences; in-group favoring behavior; group heuristic account; Prisoners Dilemma game, 32135  
 group decision making; social dilemmas; cooperation; group discussion, 13621  
 group tasks; collaborative endeavors; unpacking effect; responsibility allocation; group members, 32129  
 health care professionals; social care professionals; multidisciplinary teams; collaborative working; interprofessional interaction; patient centered practice, 33321  
 health care provision; social care provision; collaboration; stroke; rehabilitation, 11435  
 high-performing companies; executive team; cooperation; managing integration, 27655  
 higher education; international collaboration; interdisciplinary collaboration; methodology; interdisciplinary research; data analysis; psychometrics, 15537  
 homogeneity perception; identity threat; status difference; simulated society game; low status groups; intergroup competition; intergroup cooperation, 980  
 honesty; cooperation; curiosity; academic achievement; effective learning; gender differences; Chinese students, 8954  
 indirect reciprocity; human cooperation; second-order free rider; collective action; punishment, 7467  
 industry competition; industry cooperation; industry cluster; innovative performance; industrial climate; process development; product development; manufacturing industries, 2841  
 information exchange; induced cooperation; group decision support systems; communication channel; incentive structure; truthfulness; performance, 35209  
 instant messaging; collaboration; high-tech firm; knowledge workers; social processes; work environment, 34022  
 integrated child health service; interprofessional communication; social relations; social work; multi agency services, 33414  
 intellectual disability; multi agency; learning disability; inter agency; service coordination, 36476  
 inter-role relationships; hospital-based pharmacy; therapeutics committee; decision-making, 14707  
 interorganizational networks; interorganization cooperation; interorganization structures, 18484  
 interprofessional collaboration; professional psychology; doctoral training; health care professional; core competency, 2452  
 intervention framework; collaboration; community services, 20979

joint venture; trust; control; organizational learning; collaborative process, 6026  
 kin selection; cooperative courtship; wild turkeys; reproductive success; subordinate males, 19126  
 knowledge context model; virtual collaborative work; collaborative systems; knowledge management; contextual information, 31735  
 knowledge management; collaborative work; electronic business, 31738  
 knowledge transfer; collaboration; distributed United States-Thai Teams; cross cultural differences, 32128  
 language efficiency; visual technology; workspace; task performance; communication styles; collaborative effort, 6895

**Corticoids [See Corticosteroids]**  
**Corticosteroids [See Also Aldosterone, Corticosterone, Cortisone, Deoxycorticosterone, Hydrocortisone]—Serials**  
 asthma medication; serotonin; psychological difficulties; depression; corticosteroid use, 17762  
 corticosteroid-induced mania; quetiapine therapy; liver transplant, 17683  
 corticosteroids; neuropsychiatric complications; older people, 20863  
 immunity; fertility; male reproduction; spermatozoa; anti-sperm antibodies; immunosuppressive corticosteroid treatment, 13115  
 intravenous corticosteroids; death; disability; head injury, 5326  
 mice; defeated animals; territorial defeat; behavioral responses; antibody responses; corticosterone; glucocorticoid resistance; splenocytes, 522  
 MRC CRASH; intravenous corticosteroid; head injury outcomes; death; disability, 30144  
 prenatal corticosteroid effects; hippocampus; postnatal outcomes; glucocorticoid receptors; neurotrophic factor; corticotropin releasing hormone; neuropeptide Y; behavior problems, 34763  
 sex differences; hypothalamus pituitary adrenal axis disorders; stress; psychological stress; sexual dimorphisms; sex steroids; corticosteroid binding globulin, 22333  
 voice disturbances; asthma patients; side effects; inhaled corticosteroids, 1982

**Corticosteroids [See Also Aldosterone, Corticosterone, Cortisone, Deoxycorticosterone, Hydrocortisone]—Chapters**  
 The Patient Using Steroids, 17771  
**Corticosterone—Serials**  
 active neurosteroid; allottetrahydrocorticosterone; long term potentiation; rat hippocampus; depression syndrome, 3702  
 animal models; corticosterone injections; restraint stress; anxiety & depression-like behavior; male rats, 3711  
 corticosterone; depression-like behavior; predator odor test; open field test; forced swim test; defensive behaviors; anxiety; rats, 6858  
 corticosterone; stress hyporesponsiveness period; eye blink conditioning; hippocampus; learning; rats, 25487  
 corticotropin releasing hormone; corticosterone; amygdala; behavior; colonic sensitivity, 28573  
 electric footshock; corticosterone; methamphetamine; self administration; rats, 13109  
 glucocorticoids; testosterone; social behavior; mating behavior; corticosterone; subordination stress; male ring-necked pheasants; dominant males, 15984  
 haloperidol treatments; macrophage activity; rats; corticosterone; prolactin serum levels, 28565  
 postnatal period; corticosterone treatment; morphological changes; septohippocampal region; spatial learning capacity; rats, 16130  
 prenatal stress; hypothalamic-pituitary-adrenal activity; habituation; sex differences; corticosterone responses; implications for schizophrenia & major depression, 19266  
 stress response; brain; adaptation; adrenal corticosteroid hormones; genetic predisposition; neuropeptide-secreting systems; phenotypes; animals models; risk factor; mental illness, 25377  
**Corticotropin—Serials**  
 hypercortisolemia; adrenocorticotrophic hormone; epilepsy; seizures; stress, 17282  
 monoamine reuptake inhibitors; wet dog shakes; serotonin receptors; imipramine; desipramine; bupropion; fluvoxamine; mazindol; adrenocorticotrophic treated rats, 28561  
 nucleotide polymorphisms; corticotropin releasing hormone receptor gene; alcohol dependence; central nervous system, 35662  
 panic disorder; hypothalamic-pituitary response; metyrapone; corticotropin; corticotropin-releasing hormone, 10607  
 pituitary adrenal axis; proopiomelanocortin gene expression; fox; tame behavior; aggressiveness; cortisol; adrenocorticotrophic hormone, 402  
 Qi-training; anxiety; plasma concentration; adrenocorticotrophic hormone; cortisol; aldosterone, 9819  
**Corticotropin Releasing Factor—Serials**  
 antipsychotics; prepulse inhibition; corticotropin releasing factor; rat strain; saline; haloperidol; clozapine; acoustic startle response; acoustic startle; antipsychotic, 34726  
 cerebrospinal fluid; corticotropin-releasing factor; tryptophan depletion; neurotransmission; depression; pathophysiology, 3646  
 childhood trauma; stress hormone alterations; cerebrospinal fluid corticotropin-releasing factor concentrations; personality disorders; adult males, 23171  
 corticotropin releasing hormone; corticosterone; amygdala; behavior; colonic sensitivity, 28573  
 corticotropin-releasing hormone; peptide; first-trimester placental growth; human trophoblast cell growth; pregnancy, 543  
 CRH; antisauvagine-30; anxiety; fear; social defeat; corticotropin releasing factor; receptors; stria terminalis; Syrian hamsters, 34727  
 domestic violence; perpetrators; corticotropin-releasing hormone; cerebrospinal fluid; omega 3 fatty acid, 10643  
 panic disorder; hypothalamic-pituitary response; metyrapone; corticotropin; corticotropin-releasing hormone, 10607  
 social defeat; corticotropin-releasing factor; amygdala; bed nucleus; stria terminalis; conditioned defeat; agonistic behavior; receptor antagonist; territorial aggression; hamsters, 388  
 stress sensitivity; corticotropin releasing factor pathway dysregulation; mood disorder development; mouse model, 28441  
 stressor controllability; learned helplessness; dorsal raphe nucleus; serotonin; corticotropin releasing factor; behavioral effects; animal models; depression; anxiety, 28423  
 urocortin; maternal defense behavior; corticotropin releasing factor; maternal aggression; peptides; corticotropin releasing factor receptor 2; lateral septum; bed nucleus; stria terminalis, 34728  
**Cortisol [See Hydrocortisone]**  
**Cortisone—Serials**  
 depression; cortisol responses; psychological stress, 32336  
**Cosmetic Techniques—Serials**  
 body art; college students; subculture identity; body tattooing; body piercing, 11931

- body inscription; tattoo; scarification; body paint; ethnographic literature; social identity; modernity; body art; society; literature review; anthropology; cultural construction; human body, 1027
- county jail environment; self-expression; penal institutions; self-directed expressive endeavors; creations; wall murals; graffiti; effigies; adornments; decorative envelopes; tattoos, 24232

**Covert Sensitization—Serials**

covert attention; behavioral evidence; tactile spatial attention; reaction times; event-related potentials, 19242

**Crack Cocaine—Serials**

alcohol use; crack cocaine use; treatment seekers; treatment outcomes; self efficacy; social support; self help groups, 21054  
condoms; African Americans; crack cocaine smokers, 35716  
crack cocaine; departure rulings; sentencing guidelines; criminal conviction, 21715  
crack cocaine; sex; sex partners; prostitution, 4750  
crack-cocaine injection; injection drug users; drug abuse; prevalence, 35706  
heroin; crack cocaine; crime; street robbery; snatch theft, 26246  
HIV; sex risk behaviors; crack users; HIV risk networks, 20482  
nonmedical drug use; stimulants; adults; rural; drug use; substance abuse; treatment history; marijuana; cocaine hydrochloride; crack cocaine; injection drug use, 29534  
olfacto tactile hallucinations; crack cocaine user, 26336  
treatment effects; electroencephalography biofeedback; crack cocaine dependency; homeless mission, 5540

**Crafts—Serials**

craft consumer; craft consumption; postmodern society; personalization; customization, 30939

- creativity; textile artists; gender issues; creative expression; sociocultural factors, 35164  
handicrafts; philanthropic foundation; cultural tradition; social change; living condition; art, 9888  
mothers; maternal evaluations; children; performance; learning; craft-making; memory; gender; criticism; emotion, 7048  
motivational factors; textile female handcrafters; artifacts production, 33981  
peer scaffolding; craft activities; preschoolers; third grade students; metacognition; peer mentoring, 21396  
**Cramps (Muscle)** [See Muscular Disorders]  
**Cranial Nerves** [See Also Acoustic Nerve, Facial Nerve, Olfactory Nerve, Trigeminal Nerve, Vagus Nerve]—Serials  
blink reflex abnormalities; blink reflex; chronic alcoholics; cranial nerve; alcoholic patients, 1372  
cerebellar inverse dynamic model; visual vestibular interactions; vestibuloocular reflex; squirrel monkeys; oculomotor control; Flocculus Purkinje cell firing patterns, 31573  
ocular compression; intraocular pressure; cranial discomfort; cough; headache, 35872  
unilateral compression; neuropathy; hypoglossal nerve; mitochondriopathy; head suspension orthosis; cervical pain, 4944  
**Craving—Serials**  
alcohol addiction; craving; relapse; neurobiology; neurochemistry; etiology; neurotransmitters, 26310  
alcohol consumption; cigarette craving; heavy smokers; tobacco chippers, 35707  
alcohol craving; alcohol consumption; abstinence; obsessive-compulsive behavior; test validity; clinical utility, 21811  
alcohol craving; genetic linkage; alcohol dependence; etiology; Mission Indians, 35666  
alpha synuclein; mRNA levels; alcohol craving; dopamine neurons; dopamine neurons, 10690  
aripiprazole; alcohol use; alcohol craving; schizophrenia, 26883  
behavioral approach; drug addiction treatment; craving management; relapse prevention; substance abusers, 24194  
chocolate cravings; visuo-spatial interference; visuo-spatial working memory, 16095  
craving; alcoholics; addiction; drinking; randomized controlled trial; naltrexone; nalmefene; psychopharmacology trials; harm-reduction, 20756  
cravings; alcohol addiction; drug treatment; pharmacological treatment; drugs, 36521  
cue provoked craving; nicotine replacement therapy; smoking cessation; nicotine patch; urge levels; gender differences; reaction time; individual differences, 8686  
d-amphetamine; cue induced cigarette craving; smoking abstinence; food craving; dopamine, 34713  
drug craving; drug seeking; opioids; drug dependence; acute withdrawal; drug reinforcement; money reinforcement, 14048  
factor structure; Questionnaire on Smoking Urges; cigarette cravings; smoking cessation treatment, 6340  
Food Craving Inventory; psychometric properties; binge eating disorder; obese patients, 28020  
hydroxybutyric acid; naltrexone administration; alcohol abstinence; craving; dopamine; drug rehabilitation, 21045  
imagery processes; food cravings; visuospatial ability, 36350  
imagery-induced tobacco craving; craving duration; craving responses; repeated assessment; smokers, 971  
immediate antecedents; cigarette smoking; smokers; post-traumatic stress disorder; craving; positive & negative affect; mood, 35519  
mecamylamine; emotional responses; smokers; nicotine antagonist; smoking cessation; smoking urge; cues, 24196  
personality traits; sensation seeking; anxiety; alcohol cues; alcohol consumption; appetitive cues; aversive cues; motivational processes, 972  
Questionnaire of Smoking Urges; Spanish smokers; nicotine dependence prediction; construct validity; smoking cravings, 6312  
risperidone; serotonin; cocaine; craving, 16108  
self-reported performance; virtual environments; female participants; cultural diversity; task situations; pacific rim, 1  
smoking craving; nicotine dependence; brain activation; functional magnetic resonance imaging, 17020  
smoking expectancy; drug craving; neuroimaging; brain activity; neural responses; cues, 31727  
smoking urge effects; temporal cognition; temporal aspects; time perception; craving, 16132  
subjective reactivity; physiological reactivity; chocolate images; high chocolate cravers; low chocolate cravers; cue-reactivity; self-report; young women; startle reflex; heart rate, 31683  
virtual reality; nicotine craving; cue reactivity; drug stimulus; smoking cessation; antitoxic medications, 7884  
**Creative Arts Therapy** [See Also Art Therapy, Dance Therapy, Music Therapy, Poetry Therapy, Recreation Therapy]—Serials  
Alzheimer's disease; dementia; Memories in the Making; art program; structured activity; visual arts; well being, 32809  
county jail environment; self-expression; penal institutions; self-directed expressive endeavors; creations; wall murals; graffiti; effigies; adornments; decorative envelopes; tattoos, 24232  
group therapy; terrorism; creative arts therapies; metaphor; enactment; fantasy; family structure; culture, 33117  
**Creative Writing—Serials**  
child creative writing; adults; mood disorders; adult creative writers; stress, 25588  
college student newspaper; foreign students; American students; writings; readership, 27491  
complementary medicine; health care; creative writing, 23955  
creative cognitive process; art making; traditional Chinese ink painter; temple, 25199  
creative writing competition; winning submissions; marriage and family therapists, 26768  
definitions of home; women detainees; creative writing workshops; urban county jail; poetry, 29573  
emotional writing; superficial writing; language structure; Korean Linguistics; word count; cognitive words, 31753  
experienced utility; story writing; self-referencing; preferences; consumption objects, 9214  
explicit instruction; writing from sources; text composition; instruction strategies; assessment criteria; students performance; discourse synthesis, 11867  
lesbian related stress; openness; sexual orientation; writing intervention; traumatic events; confusion; coping, 29023  
Maude Adams; Richard Matheson; initial inspiration; protagonists desire; creativity, 25523  
narratives; stories; medicine; medical experience; writing, 17355  
orthographic motor integration; well structured written text; secondary school students; creative text; handwriting, 30697  
storytelling; fantasy; creative imagination; cultural experiences; individual psychotherapy; dramatherapy, 36142

## Volume 92

## SUBJECT INDEX

**Criterion Referenced Tests—Serials**

written expression; expository writing; student performance; curriculum based measures; criterion based measures; middle school students, 12547

**Criterion Related Validity [See Test Validity]****Critical Flicker Fusion Threshold—Serials**

visual experience; critical flicker fusion threshold; psychopharmacology; information processing, 12661

**Critical Incident Debriefing [See Debriefing (Psychological)]****Critical Period—Serials**

amblyopia; neural plasticity; perceptual learning; visual acuity; critical periods, 20609

contour integration; visual cortex; images; binocular vision; strabismic amblyopia; strabismus; experience-expectant development, 29837

critical period; sensitive period; developmental stages; human development; research questions; developmental events, 19409

critical period; tonotopic map; pitch acquisition; musical enrichment; auditory deprivation; spectral structure; musical expertise; musical development, 19475

disasters; insights; sense making; psychoanalytic theory; anxiety; critical period, 16684

sensitive periods; critical periods; functional brain development; functional specialization, 19455

speech perception; phonological processing; critical period; plasticity; experiential history; phonological acquisition, 19478

vision; congenital cataracts; sensitive period; plasticity; developmental cataracts; visual deprivation; visual acuity; peripheral vision; global motion; asymmetry of optokinetic nystagmus; children, 19460

**Critical Scores [See Cutting Scores]****Criticism [See Also Self Criticism]—Serials**

audience size; audience composition; criticism reactions; ingroup; intergroup sensitivity effect, 32111

audience; group criticism; ingroup outgroup, 25927

intergenerational communication; conflict; criticism; elders; young adults attitudes, 4229

interpretations of messages; equivocation; face concerns; sex differences; ambiguity; vagueness; truth; deception; public speaking; criticism; honesty, 19812

media literacy; television criticism; citizen empowerment & engagement, 655

mothers; maternal evaluations; children; performance; learning; craft-making; memory; gender; criticism; emotion, 7048

Oregon Death with Dignity Act; criticism; terminal illness; palliative care, 12394

parental criticism; negative affect; borderline personality disorder, 13952

prefrontal cortex; maternal criticism; maternal praise; depression, 26144

verbal irony; sarcastic comments; gender differences, 620

**Cross Cultural Communication—Serials**

adolescent immigrants; former Soviet Union; culture brokers; mothers; familial functioning; emotional well being; school performance; social relations with peers; acculturation; demographics, 31875

art; racism; antiracist activists; transcultural discussions; interracial dialogue groups; verbal language, 23946

Blacks; student attitudes; Afrocentric communication stimuli; race; cognitive ability, 13434

cross cultural communication competence; multicultural team performance; managers perceptions, 2884

cross cultural supervision; race; ethnicity; strategies; conversation, 11653

cultural differences; Law of Noncontradiction; reasoning; folk epistemology; cross cultural discussion; relativism; belief; acceptance, 15868

cultural faux pas; language fluency; United States; Russian professionals; job interviews; cultural differences; non-natives, 30838

dyslexia; reading disorders; cross-linguistic investigation; orthography; Hebrew language; English language, 10768

expatriate retirees; personal identities; intercultural relationships; retirement, 3983

global telecommunications network; globalization; political divide; economic divide; mutuality; transitivity, 667

inter-cultural competencies; personnel selection; personnel training; gender culture; organizational culture, 12080

intercultural communication; interpersonal interactions; Japanese factory workers; American factory workers; American South; workplace interaction; historical context, 24698

intercultural ethics; universalism; relativism; constructivism; intercultural dialogue, 16153

international rehabilitation; disabilities; educational exchange; rehabilitation education; cross cultural differences, 36660

interracial interactions; intergroup anxiety; college students; minority groups; Whites; Blacks; Asians, 35222

- music; musical globalization; ethnomusicology; global sociocultural processes; globalization; anthropology; cross cultural interaction, 598
- national culture; anonymity; group communication; computer-mediated communication; group support systems; criticalness; flaming, 7471
- nonverbal code; intercultural competence; gesture recognition accuracy; code cracking; communication competence, 19369
- relationship marketing; marketing strategies; entrepreneurship interface; legitimization; organizational behavior; cultural entrepreneur; music industry, 12277
- transcultural strategic alliance; biotech alliance; multinational; family business; collaboration; organization development, 18471
- United States; Indonesia; youth friendship; cross cultural communication; cultural dimensions; collectivism; individualism, 29063
- Web-based tools; technology; narratives; vignettes, intercultural teaching portal; cross-cultural teaching portal, 27494

- Cultural Influences and Considerations in Gestalt Therapy, 14386
- Cross Cultural Differences—Serials**  
16PF5; NEO-PI-R; five-factor model; effect size; congruence coefficients; cross cultural comparisons; test replicability, 24887
- 360-degree feedback; subordinate ratings; cross cultural differences; employee evaluations; leaders, 24649
- abortion experiences; gender attitudes; former Soviet Union women; Western role transition; contraception; pregnancy; European counterparts; European Union countries; Belarus, 32034
- Academy of Management Journal; internationalization; international management research; cross cultural management, 33915
- acculturation; etiology beliefs; Asian American students; Pacific Island American students; mental health worldview; counseling, 33885
- action-learning; cross-cultural field study; pedagogy; Native American populations, 5823
- additive bias; cross cultural survey data; measurement bias; cultural differences; consumer research, 15795
- adult desires; children emotions; cross cultural differences; happiness; gender differences; fear; anger, 1047
- advertising research; cross cultural scalar equivalence; television advertisement; Rasch measurement theory, 24746
- affective forecasting; impact bias; focalism; culture; holistic thought, 32161
- African television advertising; sex role portrayal; masculinity dimension, 37170
- Afro cultural value socialization; African American households; cultural ethos; mainstream culture, 28941
- aggression; personality traits; undergraduates; cross cultural differences; agreeableness; conscientiousness; neuroticism; extroversion; openness to experience, 10307
- aging; Chinese society; cultural differences, 25735
- aging; communication; cross cultural dynamics; gerontology, 3960
- agrarian societies; infanticide; family size; birth control; Asia; cross cultural differences, 19619
- agricultural societies; cross cultural differences; economic systems, 28898
- alcohol cultures; drinking pattern; alcohol policy; cross cultural comparison, 4161
- alcohol related injuries; violent injuries; emergency room; accidental injuries; blood alcohol concentration; cross cultural differences, 10656
- Alzheimers disease; neuropsychological battery; test performance; cognitive screening battery; Native Americans; Caucasians; elderly; cultural differences, 28077
- American Students; communication apprehension; personality characteristic; communication avoidance; cultural context; Japanese students; American students, 26015
- American students; Taiwanese students; mathematics attitude; student attitude; elementary schools mathematics performance; child development, 5873
- amoral social attitudes; value systems; Serbs; Australians; factorial structure; social attitudes measurement, 31165
- anxiety; death anxiety; nursing students; general anxiety, 21172
- attitudes; beliefs; Chinese; culture; hypnosis; misconceptions, 5286
- attribute order; memory based judgments; Chinese; English; attribute presentation; recall; long term memory; short term memory, 6620
- attributional inference; anxious women; cognitive load; cross cultural differences; automatic attributions; controlled corrections; East Asian Americans, 29102
- automatic thoughts; psychological symptoms; American students; Spanish students; cross cultural perspective; college students, 22864
- autonomy; self; family; cultural context; agency; interpersonal distance; self construct, 25995
- Beck Depression Inventory; Beck Anxiety Inventory; test reliability; test validity; anxious symptoms; depressive symptoms; Caucasians; Latinos; cross cultural differences, 3194
- body shape preference; body satisfaction; female college students, 16652
- brand judgments; product judgments; country of origin; consumer behavior; advertisements, 24735
- breast cancer screening; cross cultural differences; Asian American women; demographic correlates, 35949
- bullying; cross cultural comparison; aggressiveness; Spanish pupils; English pupils; Bull-S questionnaire; test validity, 18805
- burnout; health problems; organizational commitment; turnover motivation; job satisfaction; job stress; Type A behavior; time pressure; hard driving; competitiveness; employees; China; Canada, 24654
- Canadian participants; Japanese participants; cross cultural analysis; proud events; embarrassing events; self-enhancing motivations; self-appraisal, 32224
- cancer related attitudes & beliefs; attitude & belief comparison; Japanese adults; Japanese & Caucasian American adults, 1563
- career success; success criteria; social comparison theory; organizational interventions; cultural difference, 18413
- causal attribution; government responsibility; poverty; gender ideology; political ideology; social welfare, 10199
- celebrity endorsements; advertisements; product promotion; television commercials; cultural differences, 30955
- celebrity worshippers; narcissism; self esteem; cross cultural differences, 25967
- Center for Talented Youth Spain; gifted students; cross cultural differences, 33875
- children's books; Japanese books; American books; mental states; mental state expressions; cross cultural differences, 683
- children's reactions; marital discord; cross-cultural differences; Chilean children; US children; child adjustment; sensitivity; age effects, 22549
- Chinese people; hypnotic experience; creativity; cultural differences; psychometrics, 28356
- Chinese personality dimensions; interpersonal relatedness dimension; cross-cultural generalizability; Chinese Personality Assessment Inventory; personality assessment, 38
- Chinese television commercials; visual differences; cultural contexts; American television commercials; visual characteristics, 24753
- Chinese toddlers; Canadian toddlers; behavioral compliance; cross cultural differences; child rearing attitudes; sex differences, 22545
- chronic disease risk factors; prevalence; health status; American Indian; Alaska native; White elders, 22947
- cigarette smoking; American Indians; tribal groups; prevalence, 22756
- cognitive dissonance; cultural guises; Asian Canadians; European Canadians, 32085
- collaboration; consultative approach; immigrant Catholic parish; Chinese immigrants; changing environment; consultative work; community psychology; psychoanalytic theories; diversity issues, 27711
- collective action; adaptation; industrialized societies; cross-cultural differences; punitive sentiment, 25776
- collectivism; cultural impact; organizational trust; customer orientation; individualism, 18464
- color perception; toddlers; language; categorical perception; color term knowledge; color categories; cross cultural differences, 16265
- communication beliefs; adult attitude; elders; cross cultural differences; youth; old age, 3973
- Composite International Diagnostic Interview; cross cultural epidemiological measurement; mental disorders; symptoms, 6324
- condom use; female sex workers; patron country of origin, 30200
- confidence judgments; color category; judgment tasks; ethnolinguistic cultures; color appearances; naming tasks, 18991
- consumer attitudes; product expiration; cross cultural exploration, 21647
- consumer impatience; cultural differences; cross cultural variations, 34058

- coping behavior; Chinese Americans; European Americans; adolescent attitudes; stress levels; psychological outcomes; academic performance; cross cultural differences. 19527
- Coping Responses Inventory Youth; test development; adolescent attitudes; stressful life circumstances; cross cultural relevance. 24885
- cosmopolitanism; nationalism; globalization; politics; subalternation; culture; diasporas. 13387
- country of origin; consumer choice behavior; international business; scale validation. 18541
- couples relationship; infidelity; marriage beliefs; couple relationship education; cultural differences; couples therapy. 35107
- creativity; Chinese culture; writers; Western conceptions; cross cultural differences. 22377
- cross cultural adaptation; assessment instruments; psychological research; translation. 28059
- cross cultural comparison; numeracy skills; written test; interactive test; arithmetic; primary school students; Aboriginal students; non-Aboriginal students; rural area; suburban area. 21865
- cross cultural comparisons; corporate sites interactivity; web sites; consumer marketer interactivity. 28653
- cross cultural course; family therapy training; training programs; cross cultural complexities; teaching; learning. 36648
- cross cultural development; illness understanding; American children; Indian children; adults. 3882
- cross cultural differences; apologies usage; unsolicited email advertising messages; Korea; United States. 31772
- cross cultural differences; factor structure; Scale for Effective Communication in Team Sports; psychometrics; communication; sports teams. 27987
- cross cultural differences; health related quality of life; Functional Assessment of Cancer Therapy-Breast. 21855
- cross cultural differences; infant temperament; American infants; Russian infants; Infant Behavior Questionnaire-revised; factor analysis. 34196
- cross cultural differences; knowledge level; cultural knowledge. 28931
- cross cultural differences; leader member exchange; regional differences. 27696
- cross cultural differences; mental health service availability; service provision barriers; older adults. 27041
- cross cultural differences; mental health; dementia; caregivers; psychometrics; factor structure; metric invariance. 31109
- cross cultural differences; personality dimensions; personality traits; independent groups; languages; individual differences. 29115
- cross cultural differences; quality of life; intellectual disabilities; mental retardation. 32642
- cross cultural reactions; academic sexual harassment. 16984
- cross cultural similarities; dynamic stereotypes; beliefs; masculine characteristics; feminine traits. 29007

- cross national differences; economic beliefs; economic development; modernisation. 19615
- cross-cultural adaptation; life satisfaction; homesickness; student adjustment; racism; cultural shock; African students. 7285
- cross-cultural comparison; otherness; disabled persons; disabilities; attitudes. 7284
- cross-cultural comparisons; clinical supervision; nurses; job expertise. 27282
- cross-cultural comparisons; value orientations; Likert scale rating; pairwise comparison methods; individualism; collectivism; Americans; Japanese. 19926
- cross-cultural differences; group-based trust; depersonalized trust; group behaviors; western cultures; eastern cultures; ingroup-outgroup members. 19848
- cross-cultural differences; test perceptions; psychological disorders; test anxiety; test threat. 7276
- cross-cultural investigation; pleasant emotions; unpleasant emotions; feelings; momentary mood. 9670
- cross-cultural psychotherapy; cultural micro ruptures; maladaptive patterns; therapist misunderstandings; power relations. 36123
- cross-cultural training; expatriates' adjustment; cultural distance; prior international experience. 33931
- cross-linguistic differences; reading skills; English; Dutch; orthography; phoneme awareness; rapid naming. 8946
- cross-national business; management practices; cultural consequences; national culture; globalization. 2805
- cross-national differences; peer-directed aggression; national values. 16569
- cultural adjustment experiences; Asian international women; college students. 22674
- cultural competence; curriculum development; supervision; MA/Diploma in Systemic Practice; Space for GRRAAC-CES; family therapy training. 33585
- cultural constructions; happiness; well-being; cultural meanings; motivation; cultural context. 7288
- cultural context; career choice; race differences; ethnicity differences; traditional career counseling; career development. 21461
- cultural context; psychological needs; self determination; internalization; cultural practices; identity; well-being; students; autonomy; competence; relatedness. 25801
- cultural differences; access to care; racial and ethnic disparities; mental health care; continuity of care; treatment receptiveness; stigma; cultural beliefs; attitude towards mental illness. 33372
- cultural differences; bilingualism; speech problems; intervention program; linguistic growth; speech development. 11600
- cultural differences; diagnosticity principle; schematic faces; Australia; China. 28242
- cultural differences; Law of Noncontradiction; reasoning; folk epistemology; cross cultural discussion; relativism; belief; acceptance. 15868
- cultural differences; motivation; role models; success; failure. 13668
- cultural differences; personal pronoun use; languages; cultures. 19365
- cultural differences; philosophical accounts; well-being. 7287
- cultural diversity; child health; child development; health care system; parenting beliefs; parental practices. 1963
- cultural diversity; entrepreneurial teams; venture process; communication procedure. 9066
- cultural diversity; psychodynamic psychotherapy; lesbians; social pathology. 1728
- cultural diversity; Swedish mental health care; immigration; history; welfare state. 36056
- cultural factors; psychosocial factors; genetically modified food; risk perception; cultural differences; public perceptions. 25960
- cultural faux pas; language fluency; United States; Russian professionals; job interviews; cultural differences; non-natives. 30838
- cultural influence; interpersonal relationships; Asian cultural heritage; relationship preferences; mate attributes; cultural identity; family expectations. 892
- cultural interface; African cosmology & wisdom; traumatic stress intervention; intercultural therapy; multicultural therapy; psychotherapy; intercultural counseling training; culture; ethics. 24293
- cultural orientation; response styles; acquiescent responding; response biases. 16586
- cultural patterns; simultaneous attention; events; selective attention. 22547
- cultural psychology; child development; daily lives; ethnocentrism; cultural comparison; value conflicts; ethnic minority students; student motives; coping behavior. 28797
- cultural similarity; country characteristics; adoption timing; wireless communications; adoption behavior. 18542
- cultural similarity; personality fit; expatriates; sojourners; cultural adaptation. 28876
- cultural traits; senior managers; decision making. 21536
- cultural validity; ethnic groups; career counselors; test validity. 116
- cultural values; African psychology; individualism; collectivism; familism; romanticism; spiritualism; racial comparisons. 16440
- cultural values; collective self-esteem; acculturative stress; cognitive flexibility; self-efficacy; Asian American college students; biculturalism; mental health; enculturation. 28878
- cultural values; cosmopolitanism; terrorist attacks; collectivism. 847
- cultural variation; sleep paralysis; parasomnias; psychopathology. 17167
- culture; happiness; cultural theory; individual oriented SWB, social oriented SWB; cultural differences; Euro-American; Asians. 7283
- culture; subjective well-being; theoretical developments; psychological processes; happiness. 8470
- decision processes; decision aids; compensatory processes; cultural factors; East Asia. 18997
- defense force; cross-cultural dynamics; cross-cultural integration; military management; sociopolitical transition; group perception; South Africa. 21632
- Degrees of Belief in God Scale; cross cultural differences; religion; psychometrics; test retest reliability. 12460
- dementia caregiving; Hispanic; Latinos; caregivers; ethnically diverse group; cultural influences. 30327
- demographic effects; middle level managers; guidance; national culture characteristics; social identity; vertical influence; socialization; national variability. 18433
- depression predictors; major depression; cultural identity; Japanese ethnicity; depressive symptoms; Japanese-American adolescents; part-Japanese American adolescents; models. 13880
- depression; Punjabi primary care attenders; English primary care attenders; cultural adaptation; physical illness; somatic symptoms. 2054
- depressive symptoms; hopelessness; suicidal ideation; cross cultural differences; depressive symptoms; cognitions; self-efficacy. 20229
- diagnostic practice; Norway; Russia; psychiatrists; diagnostic quality; mental disorders; psychiatry; cross cultural differences. 21109
- differences in attitude; American vs German vs Japanese medical students; living vs postmortal liver donation; cross cultural differences. 11341
- disordered eating attitudes; Filipino college students; Caucasian college students; cross cultural differences; symptom levels; eating disorders. 26477
- dispute resolution; markets; human interaction; conflict; win-lose philosophy; legal system; cross cultural comparison. 6212
- DSM-IV classification; south west Uganda; dissociative disorders; cross cultural validity; local concepts; experiences. 26122
- early parenting experiences; cognitive development; self recognition; self regulation; birth order; cross cultural differences; parenting style; age differences; Cameroon; Greece; Costa Rica. 7066
- East Asian cultures; family harmony; filial piety; elders; cultural dissonance; solution focused therapy. 5147
- eating behavior differences; gender role perceptions; Germany; Czech Republic; female role models; cross cultural differences. 32221

- event related potentials; change blindness; attention; attentional cuing; electrophysiological responses, 31654

- event-based memory; prospective memory; ongoing activity; intention-related cues; previous intention; prospective memory; cognitive processing; cue detection; decision latencies; resource allocation, 6609
- event-based prospective memory; memory cues; focus of attention; environmental stimuli; focal attention, 15913
- experiential influences; multimodal emotion cues; emotion perception; facial emotions; vocal emotions; abused children, nonabused children, 34897
- eye gaze perception; infancy; cue attention; gaze processing, 3820
- eye movements; multiple location attendance; visual cues, 31372
- face attractiveness; perceived familiarity; positive stimulus; face memory, 31345
- face perception; event-related potentials; race perception; gender perception; visual attention; processing goals; cues, 19247
- facial expressions; photographic negative; composite paradigm; configural cues; face perception; spatial relations, 18948
- false memory; mirror effects; lures; familiarity; backward association, 9621
- false memory; veridical memory; semantic information; associative information; lures; words, 9640
- familiarity; speaker familiarity; streaming; acoustic cues; attention, 7030
- figure assignment; implicit memory; shape perception; edge complex, 31364
- figure ground reversal; time course; visual matching; cues; short-term visual matching; priming, 31353
- focused attention deficit; Alzheimers disease; mild cognitive impairment; cued choice reaction time; cueing; stimulus presentation, 17285
- food cues; attention; salivary habituation; visual food stimuli, 19444
- gaze-cued attention orienting; eye direction; squinting; gaze direction, 14285
- generalization; causal learning; configural cues; replaced-elements model; stimulus representation; stimulus discrimination; novel elements, 276
- generalized social phobia; negative interpretation bias; illusory correlations; emotional facial expressions; social cues, 4568
- German children; child attitudes; goal directed action; sleep; intentional agents; non agents; perceptual cues; inferences, 25604
- German Yellowjacket; wasps; food odors; foraging behavior; carbohydrate food sources; returning foragers, 28403
- grooming patterns; eusocial wasp; *Polistes dominulus*; chemical cues; contact-based chemical communication; eusocial insects; context; frequency; duration; self-grooming; paper wasp; fondresses, 377
- habits; habitual behavior; stimulus cues; habit performance; transfer students; performance context; intention; behavior change & prediction, 26032
- haloperidol; brain dopamine; smoking cues; conditioned response; reaction time, 19312
- helping behaviors; affluence cues; helping perception; likelihood of helping, 25942
- higher order reasoning processes; cue competition; learning phenomena; target cue; contingency, 28314
- homing; german cockroaches; *Blattella germanica*; orientation cues; navigational cues; shelter; environmental stimuli; path integration; visual landmarks; olfactory cues, 369
- idea habitats; environmental cues; ideas success, 22050
- impression management; credit cards; cue exposure; credit card effect; impression management strategy; product values; credit cues, 2949
- infants; distributional cues; syntactic categories; language development; word segregation, 31828
- information processing; geometrical features; binocular disparity cues; cortical areas; parietal area, 28481
- inhibition of return; onset cues; offset cues; working memory, 15902
- inhibitors effectiveness; human predictive judgments; positive predictor; inhibitory strength; positive cue, 12795
- intertrial association; contextual cuing; visual attention; visual search; implicit memory; spatial attention; intertrial temporal cuing, 31363
- intramaze cue utilization; water maze; sex; estrous cycle; rats, 28386
- jitter effects; size effects; vection; experimental instructions; cognitions; self-motion perception; expectations; changing-size cues; optic flow, 6521
- joint visual attention; infant chimpanzee; human social cues; gazing, 339
- judgment of learning; judgment of recall; unidimensional theories; multidimensional theories; intrinsic cues; extrinsic cues; associative processes; visual perception; words, 31425
- language priming; self-construal priming; cognitive cues, 6604
- learning; visual cues; video aiming task; movements perception, 31395
- life experience; situational cues; aggression; weapons priming effect, 10308
- linguistic cues; perceptual cues; learning ability; Whorfian hypothesis; linguistic bootstrapping; language, 13254
- long-term retention; proximal cues; distal cues; habituation; object exploration task; spatial learning; memory; rats, 15961
- mammary pheromone; rabbits; odor cues; cutaneous tissues; lactating females, 13079
- map design; individual differences; environmental cues; wayfinding performance; outdoor recreation, 266
- memory; recognition; landmarks; collaboration; older people; shopping, 816
- metamemory; memory; retroactive interference; remembering ability; semantic associates; cues; prediction of knowing, 22110
- mild cognitive impairment; Alzheimer's disease; visual attention; spatial cueing, 20585
- mitogen activated protein kinase; extracellular signal regulated kinase; latent inhibition; cued fear conditioning; mice, 6862
- morphological complexity; prosodic cues; Dutch language; English language; lexical decision; listeners sensitivity, 13151
- motivational cues; approach anticipation; avoidance anticipation; perceptual asymmetry; hemispheric activation; creativity; analytical problem solving, 9762
- multicue learning; polarity; probability judgment; simulation, 25211
- multimedia programmes; cueing; worked out examples; process worksheets; transfer; law students; learning outcomes, 280
- multiple extrinsic cues; quality perceptions; price quality relationship; intrinsic information, 27826
- multiracial identity; Japanese European Americans; ethnic identities; cultural cues; attributed experiences, 4073
- narratives; cues; perspective taking; error patterns; protagonists; deictic term recall, 9992
- nest hydrocarbons; cues; philopatry; wasp; taxonomies; natal nest; nestmate discrimination, 25337
- noisy cues; binary choice; psychometrics; prototype, 31274
- noncultured orangutans; experimenter-given cues; manual cues; facial cues; visual cues; Pongo pygmaeus; nonhuman primates; attention; pointing gesture; gazing; glancing; object choice task, 311
- nonreinforcement; punishment; associative learning; cues; partial reinforcement, 9650
- olfactory cues; olfactory responses; ovulatory cycle; brook sticklebacks; animal courtship behavior; animal receptiveness, 12916
- orbitofrontal lesions; cue-outcome associations; taste aversion; devaluation performance, 13019
- outcome additivity; outcome maximality; cue competition; causal learning; subsequent forward blocking, 12714
- passwords; generation; remembering, 270
- path integration; known location; uncertainty; landmark location; response consistency, 28331
- peer victimization; cue interpretation; symptom internalization; kindergartners; adolescents; depression; social anxiety; loneliness; vulnerability stress model, 13845
- perceptual binding; surface segregation; visual input; transparency cues; brain; visual entities; motion; color; attention, 3356
- peripheral cues; target processing; inhibition of return; object-based representation; object identity; object category, 28227
- person identification; biological motion; kinematic cues; structural cues; gait, 31371
- Personal Living Space Cue Inventory; environmental assessment; interior environments; test development; reliability; sensitivity; personal living space features, 31125
- personality traits; sensation seeking; anxiety; alcohol cues; alcohol consumption; appetitive cues; aversive cues; motivational processes, 972
- perspective change problems; imagination direction; traditional imagination hypothesis; egocentric target directions; cuing, 28203
- perspective-taking judgments; age differences; young adults; middle-aged adults; elderly people; cues, 15874
- phonological processing; deaf children; cued speech; lip-reading; audiovisual integration; speech perception, 20603
- pigeons; columba livia; two dimensional schematic environment; geometric room properties; featural cues; encoding, 6676
- pocket gopher; burrow plugging behavior; light; burrow openings; temperature; cues, 31526
- predator searching; hunger; encounter rate; ladybird beetle; animal foraging behaviors; proximate cues, 12898
- predictive value judgments; causal value judgments; associative models; cues, 28340
- prey capture; foraging; nonvisual cues; tiger beetles, 25334
- processing; spatial parallel coding; drawing; copying; parallel cues; drawing; children, 25607
- prospective memory; memory performance; contextual cues; target typicality; associative cuing, 31478
- psychiatry; communication skills training; patient cues; expressed emotions, 8753
- radial-arm maze cue task; hippocampus; subiculum; visual stimuli; lesioned rats, 6758
- raising verbs; control verbs; cues, 25537
- reaction time; attention; accuracy; spatial cues; perceptual resources; reflexive orienting response; performance; capture attention; target location, 9666
- reactivated memories; memory distortion; memory modification; novel cue, 25617
- reflex physiology; defensive activation; shock threat; cues; startle reflexes, 28518
- repetition blindness; rapid list failure; repeated words; familiar orthographic units; precuing; posttest cues; construction; attribution, 6623
- response cards; quiz scores; student participation; student performance; university course; social validity, 2619
- retrieval orientation; recognition memory; neural correlates; retrieval cue processing, 431
- saccharin; taste cues; taste preference; conditioning; thirst; hunger; rats, 6674
- search cues; feature category relations; semantic fluency tasks; semantic memory; functional associative properties; sensory properties, 31456
- sense of direction; landmark piloting; inertial cues; White King pigeons; Columba livia; visual cues, 31522

- theory of nonverbal cues; theory of status characteristics; theory of expectation state, 28915
- timing effect; public games; public expectations; cues; pseudo sequence, 32105

transdermal nicotine; imaginal exposure; anxiety; smoking cues; smoking, 30390  
 trauma cues forgetting; adults; recovered memories; childhood sexual abuse; caretakers, 23336  
 ulterior motives; likable behavior; suspicious; cues, 35251  
 vector averaging; inhibition of return; virtual displays; reaction time, 28344  
 verbal cues; memory retrieval; infancy; retention, 3866  
 verbal cues; nonverbal cues; computer mediated communication; interpersonal expression; face to face interaction; vocalic behaviors; social information processing, 16165  
 vestibular influence; water maze retention; body rotations; cue-based retention strategy; spatial learning; rats, 15965  
 virtual reality; nicotine craving; cue reactivity; drug stimulus; smoking cessation; anticraving medications, 7884  
 visual attention; fear conditioning; threat; extinction; cueing task, 34377  
 visual cues integration; motor control; monocular cues; binocular cues, 31351  
 visual cues; artificial flower choice; hummingbirds; color; shape, 334  
 visual cues; haptic cues; precision grasping; motor learning, 3331  
 visual deficit; auditory spatial compensation; auditory cues; myopic; amblyopic; self-positioning; visually deprived subjects, 21966  
 visual pattern recognition; pigeons; context, 28374  
 visual search; selective attention; cueing, 6522  
 visual signal detection; spatial-cuing paradigm; mask-dependent cuing effects; psychometric function; stimulus contrasts; peripheral cues, 12693  
 visual target acquisition; auditory stimulation; visual stimulation; virtual environment; cues, 31336  
 visuomotor cuing; interpersonal space; motor cues; tool use; unilateral visual neglect; visual cues, 185  
 womens attractiveness judgments; self resembling faces; menstrual cycle; follicular phase; luteal phase; fertility; kinship cues; pregnancy, 19268  
 word segmentation cues; child directed speech; diminutives; speech supplement; implicit learning, 34809  
 working memory; attention; eye movements; top down guidance; cued stimulus; reaction time, 18930  
 working memory; awareness; attention; recall; semantic cues; color name cues, 25156

### Cues—Chapters

Cues, Constraints, and Competition in Sentence Processing, 13166  
 The role of associative history in human causal learning, 12666

True Auditory Lateralization Mismatch Responses Can Be Obtained by Changing the Binaural Cues Rather than by Switching a Monaurally Presented Sound from One Ear to the Other, 25140

### Cultism—Serials

charismatic groups; Javanese Mysticism; Subud; cults, 35077  
 terrorists; social psychological conditioning; terrorist group training camps; global counterterrorism resources; cults, 22656

**Cultural Assimilation** [See Acculturation]

### Cultural Deprivation—Serials

street children; socioeconomic climate; unemployment; poverty; cultural degeneration; antisocial behavior, 20985

**Cultural Differences** [See Cross Cultural Differences]

**Cultural Factors** [See Sociocultural Factors]

**Cultural Pluralism** [See Multiculturalism]

**Cultural Psychiatry** [See Transcultural Psychiatry]

### Cultural Sensitivity—Serials

African American clients; family therapy; social relationships; cultural identity; rural settings; marriage therapy practice; homeplace, 5143

African centered social work; domestic violence; cultural competence; African Americans; family relations; empowerment, 26250

aging population; ethnic diversity; culturally competent care; United States; geriatric psychiatry, 30256

arts education; globalization; public health; diverse populations, 10117

behavioral needs; culture of origin; cultural conflicts; discipline problems; African American adolescents; ecological factors, 18327

classroom; learning identities; social & cultural & individual student identities; student voice; whole language practices; political & pedagogical power, 2689

#### Curriculum Development—Books

Curriculum design for writing instruction: Creating standards-based lesson plans and rubrics, 18036

#### Curriculum Development—Chapters

Care and moral education, 15174

Constructing a Learning Environment That Promotes Reinvention, 18201

Education and spirituality, 15164

Exploration Zones: A Framework for Describing the Emergent Structure of Learning Activities, 18215

Higher education as a public good, 15029

Instructional Contexts That Support Students' Transition From Arithmetic to Algebraic Reasoning: Elements of Tasks and Culture, 18196

Involving Students in Realistic Scientific Practice: Strategies for Laying Epistemological Groundwork, 18198

Legitimizing Live Curriculum: Toward a Curricular Landscape of Multiplicity (1993), 18188

A second look at learning sciences, classrooms, and technology: Issues of implementation: Making it work in the real world, 8900

"Why Would Run Be in Speed?" Artifacts and Situated Actions in a Curricular Plan, 18212

Customer Satisfaction [See Consumer Satisfaction]

Cutaneous Receptive Fields—Serials

dermatoglyphics; schizophrenia; foetal life, 16842

Cutaneous Sense [See Also Tactile Perception]—Serials

anticipatory spatial representation; sighted observers; deaf-and-blind-observer; boundary extension; scene photographs; haptics, 6489

arm posture; remote haptic perception; perceived posture, 31397

body orientation; spatial orientation; somatosensory signals; somatosensory signals; haptic touch, 9541

egocentric & allocentric reference; haptic spatial tasks; ego- & allo-representation, 6479

eigenvalues; static moment; rod length perception; visual information; haptic touch; age differences, 25104

eye orientation; electrocutaneous stimuli; pain perception; unpleasantness threshold; pain threshold, 12670

hand orientation; verbal judgment; haptic orientation; orientation perception; haptic perception; haptic motor matching, 34369

haptic controllers; adaptive displays; human-machine systems design; feedback; human-machine interfaces, 12301

haptic sensing; proximal arm movements; virtual objects; shape; visual processing, 31335

language responses; ambiguous objects; visual stimulation; visual haptic stimulation; projective testing; individual differences, 32170

visual cues; haptic cues; precision grasping; motor learning, 3331

#### Cutting Scores—Serials

bootstrap; confidence interval; fatness cutoff; overweight diagnosis; obesity; children; adolescents, 35809

cut score setting process; public school district; teachers; district administrators; consultants, 27423

diagnostic criteria; anorexia nervosa; cutoff scores; amenorrhea criteria; body mass index, 23952

personnel testing; cutoff scores; critical scores; passing scores; accuracy; score estimates; validity of inferences; test data; methods; criterion-referenced scores, 24997

teachers conceptions; target examinee; Angoff standard setting; cut score processes, 27424

Cybercounseling [See Online Therapy]

Cybernetics—Serials

Cybernetic coping scale; confirmatory factor analysis; psychometric characteristics; factor structure; criterion validity, 34300

cybernetic framework; personality; general health; anxiety; self-esteem; aggressive hostility; executives; males, 12021

family therapy theory; nondirect interventions; postmodernism; cybernetics, 36171

formative assessment; cybernetics; alternative assessment; feedback, 36797

Cyclic Adenosine Monophosphate—Serials

cyclic-adenosine monophosphate; protein kinase; ethanol-induced synaptic; behavioral alterations, 3698

rolipram; N-methyl-D-aspartate; MK-801; inhibition; cued fear conditioning; schizophrenia; cyclic adenosine monophosphate; learning processes; mice, 19291

Cynicism—Serials

cynical distance; ideology; capitalism; liberal; democratic; status quo; authority; society; Slavoj Žižek; disavowal; belief; Marxism; Freudian-Lacanian psychoanalysis; fetishism, 10097

cynicism development; self interest alignment; self interest inconsistency; biases; lies; mistakes; age differences, 22510

employee cynicism; resistance; organizational change; skepticism; management, 30884

inhibitory role; cynical disposition; social support; terrorism, 4338

Cystic Fibrosis—Serials

child behavior; parent management strategies; mealtime; families; Cystic Fibrosis; school age children, 23692

chronic illness; family caregivers; quality of life; cystic fibrosis; health, 20402

health related quality of life; chronic illness; diabetes; asthma; cystic fibrosis, 35902

nutritional care; cystic fibrosis; test reliability; test validity; CF Individualized Nutritional Assessment of Kids Eating; dietary intake, 24978

paediatrician; cystic fibrosis; psychologists; clinical psychology; teams; hospitals, 14825

Cytochrome Oxidase—Serials

cytochrome; genotype; antipsychotic drugs; antidepressant drugs; drug prescription patterns; psychiatric patients; hospitalization; treatment response, 20789

drug interactions; atypical antipsychotics; olanzapine; clozapine; drug dosing; drug efficacy; cytochrome; genetic variability, 23859

hippocampus; cytochrome oxidase activity; rats; visual discrimination learning; easy discrimination; difficult discrimination, 22175

mutant nicotinic protein; cytochrome c release; bax expression; apoptotic cell death; transfected cells, 9770

P-Glycoprotein function; St John's wort extract; drug interactions; cytochrome; brain levels, 6877

Cytokines [See Also Interferons, Interleukins]—Serials

autoregulatory loop; Jak-STAT signaling controls; astroglialogenesis; mouse; neurons; cytokine, 22253

cerebral pathways; interleukins; sickness behavior; brain nuclei; cytokines; rats; c Fos expression, 28480

chronic stress; depression; immune system; interleukin; proinflammatory cytokines, 29247

cocaine; cytokines; tumor growth; sigma receptors ligands; mice, 3709

cytokine interleukin-6; antioxidant glutathione; hippocampal cells; neuroprotective effects; rats, 19322

cytokine production; cytokine modulation; chronic fatigue syndrome; peripheral blood mononuclear cells, 20453

cytokines; brain; neurosciences; immunology; pathophysiological implications; central nervous system; cellular defences, 22240

cytokines; chemokines; adhesion molecules; opioid analgesia; pain sensation; inflammatory reaction, 20442

cytokines; interleukin-6; aging brain; microglia; memory inhibition; learning inhibition; food intake, 3605

cytokines; neuropsychiatric disorders; immune system; psychologic stress; psychiatric illness; Alzheimer disease, 8114

cytokines; psychopathology; interferons; antidepressants; serotonin; mice, 11228

distress; natural killer receptors; lymphocytes; natural killer cells; cytotoxicity; cytokine secretion, 22326

endotoxin; pro-inflammatory cytokine; sickness behavior; animal models; depression; anhedonia; flu-like syndrome, 28552

erythropoietin; fear conditioning performance; amygdala; rats; brain lesions; neuroprotective effects; glutamate; drug interactions; animal emotional reactivity, 566

etanercept; anticytokines; mania; depression; psoriatic arthritis, 26678

immune responsiveness; immunologic changes; pathogenesis; inflammatory cytokines; Alzheimer's disease, 36010

impaired wound contraction; delayed myofibroblast differentiation; restraint-stressed mice; psychological stress; gene expression; proinflammatory cytokines, 22331

interferon beta; multiple sclerosis; T helper cells; cytokine network; immunotherapy, 11366

interleukin; non rapid eye movement sleep; rabbits; rats; cytokine; brain, 9836

late-life depression; cytokines; prefrontal inflammation; subsyndromal depression; physiological correlates of severity, 10555

neuroimmunologic syndrome; major depression; diabetes; cytokines; interleukins; interferons; tumor necrosis factor; neurotransmitter; glutamic acid; comorbidity; biological markers, 29250

nucleotide polymorphisms; interleukin; genes; schizophrenia; cytokines; immunological abnormalities; genetics; Chinese participants, 1231

proinflammatory cytokines; Alzheimer's disease; blood cell cultures; mitogen stimulation; immune mechanisms; pathogenesis, 36009

somatization; psychoneuroimmunology; cytokines; depressive disorders, 32273

stress; gastrointestinal ulcerations; cardiovascular disease; antidepressant treatment; cytokines, 4446

tree pollen peaks; nonviolent suicide; women; suicide rates; cytokines; allergy, 35627

weight gain; leptin levels; lithium; carbamazepine; tumor necrosis factor alpha; cytokine system, 23871

Daily Activities—Serials

activity characteristics; emotional experience; boredom; anxiety; daily life; community treatment; severe and persistent mental illness, 26117

adaptive behavior; practical intelligence; social intelligence; mental retardation; everyday activities; problem solving, 14153

autistic children; family experiences; autism; daily activities, 1414

aversive tension; borderline personality disorder; daily activities, 23179

circadian rhythm; light dark cycle; locomotor activity; daily activity patterns; nocturnal rodent; diurnal rodent, 368

community integration; spinal cord injury; physical impairments; disability barriers; functional activities; social activities; rehabilitation; life events; quality of life; participation, 2195

competence; social support; depressive symptoms; older adults; daily activities, 20072

cultural psychologies; everyday life; cultural practices; meaning, 10137

daily life experiences; time-budget measurement; Day Reconstruction Method; employed women, 6285

dissociative experience; dissociative phenomena; everyday life; dissociations, 1118

housing accessibility; housing usability; housing adaptation process; physical barriers; daily activities; person-environment interaction; occupational therapy clients, 24223

insomnia experiences; sleep disturbances; daytime problems, 35849

lived experience; old rural adults; daily activities; adaptive strategies, 13338

motherhood; gender equality; couples; daily tasks; relational connection, 25815

musculoskeletal disorders; work techniques; self-report; metal industry; human sex differences, 4843

neuropsychological assessment; ecological validity; learning disorders; behavioral profiles; everyday functioning; psychometrics, 32996

parent-child participation; children's activity planning; European American families; Latino families; planning skills, 19518

performance measurement; monitoring activities; daily life activities, 5965

personal assistant services; disabled; activities of daily living; societal inclusion; personal freedom; spinal cord injury, 2080

personal experience; late onset blindness; everyday routine; social workers; professional & everyday struggles, 27377

personality; daily life events; leisure time exercise; mood states; positive mood; negative mood; exercise mood relationship, 12211

pre school activities; free play; child language development; language use; guided activity; routine activity; children speech, 28703

Situational Fatigue Scale: test construction; subjective rating scale; fatigue; activities of daily life; psychometric properties; rating scale, 27990  
temporal patterns; career activities; daily activities: telecommuting; life-stage responsive career; personal relations; professional world, 12063  
time; temporal progression; natural processes; judgment task; pupillary responses; everyday events, 28539  
vocal aging; daily life; age related voice changes; voice change; quality of life, 13350  
walking mobility; neurological disorders; daily activities, 14256  
well being; long term mental illness; daily activities; competitive work; health, 1152

#### Daily Activities—Chapters

From Successful Aging to Conscious Aging, 19609  
**Daily Biological Rhythms (Animal)** [See *Animal Circadian Rhythms*]

#### Dance—Serials

acute toxic drug effects; club drugs; short term physiological toxicity; behavioral effects; late-night dance clubs; GHB; ketamine; MDMA; Rohypnol, 4737  
alpha theta neurofeedback; dance performance; heart rate variability; biofeedback, 34710  
ballet dancers; balance ability; sensory organization; postural control, 12710  
childhood dance participation; eating disorder; psychopathology; psychological health; eating behavior; bulimia, 10784  
gross-motor skill acquisition; self-instruction; modeling; praise; gross motor chain acquisition; preschool dance students; evaluation, 744  
human body; dance; body movement; body-mediated information; physical movement factors; impressions; emotions; emotional information; communications medium, 3738  
Japanese dance form; Butoh; affect; social perception; emotional expression, 3385  
muscle activation; trained ballet dancers; neuromuscular responses; postural perturbations; superior postural control mechanism, 31533  
nude dancing bar; sexual objectification; dancers resistance; dancer solidarity; front stage tactics; customer harassment; physical distancing, 35234  
rave parties; Methylendioxyamphetamine use; motives; party style, 32563  
sociological ethnography; Chinese immigrants; social dance subculture; social adaptation; economic adaptation; collective identity; leisure participation, 7278  
strip clubs; feminist conversation; interdisciplinary conversation; exotic dance; deviance literature, 28993  
waggle dance; dance language; remote food source; flight paths; honeybees, 25335  
youthwork; young people; independent living; group home; household activities; modern dance; activities of daily living, 11481

#### Dance—Chapters

Creativity and Dance-A Call for Balance, 13129  
"You Cannot Cheat the Footwork": Moral Training in Adolescent Dance Classes, 18254

#### Dance Therapy—Chapters

Dance/Movement Therapy, 17726

#### Dangerousness—Serials

antisocial personality disorder; case law; sexual disorder; sexually dangerous person; sexually violent predator; paraphilia, 12418  
dangerousness; risk assessment; capital sentencing; sentencing decisions; supreme court; legal criterion; legal context; guided discretion; individualized assessment; legal doctrines, 6123  
drug usage; risks; drug use patterns; controlled drug usage; recreational drug use; set; setting; environment; drug effects, 26320  
heroism; dangerous settings; emergency situations; Carnegie medalists; psychology of heroism; holocaust; kidney donation; Peace Corps; Doctors of the World; volunteers, 22838  
multiple outcomes; conditional factors; prediction; batterer reassault; batterer programs; verbal abuse; dangerous batterers, 35593  
not guilty by reason of insanity; criminal violence; mental impairment; forensic psychiatric institution; adjudication; release from detention, 35729  
pre-emptive imprisonment; dangerousness; sexual offenders; Dangerous Prisoners (Sexual Offenders) Act 2003; Fardon v Attorney-General (Queensland); constitutional rights, 12406  
prejudices; inner danger; symbiotic unity; fear; negative; mourning, 10384  
pressure; coercion; care; addicted persons; ethical perspectives; dangerousness criteria; laws; patients' rights, 5731  
sexual dyscontrol; mental illness; sexual violence; laws; sexual predators; Sexually Dangerous Person Act; civil commitment; violent sexual offenders, 1404

student perception; public safety; dangerousness; religious belief; Koran; New Testament; book of Mormon; Tibetan book of the dead; Egyptian book of the dead; patients beliefs, 5870  
urban public space; perceived danger; physical features; personal factors; avoidance behavior; trait anxiety; psychological gender; victim experiences, 27851  
violent risk assessment; risk management; dangerousness, 13992

#### Dangerousness—Chapters

Mental Illness and Dangerousness: Fact or Misperception, and Implications for Stigma, 7696

#### Darwinism [See Also Natural Selection]—Serials

consciousness; human adaptation; evolutionary psychology; Darwinian algorithms; representational system; information-retention homicide; inclusive fitness; suicide; conscious motives; genes; evolution, 6643  
consciousness; neural Darwinism; neurobiology; neurophysiology; brain development; selectionist theory; thalamocortical system; degeneracy, 19198  
Darwinian model; scientific discovery; Darwin; creativity; new knowledge acquisition; evolutionary epistemology, 4324

#### Data Collection—Serials

administrative data; worker injuries; safety; workers compensation, 12190  
association rules; Boolean attributes; statistical hypotheses; logical calculi; data mining, 15746  
clustering structure; guided cluster discovery; Markov model; data mining; probabilistic model; labeling constraint; labeled data; similarity information; unlabeled data; joint estimation, 15735  
creativity; organizational behavior; epistemological frameworks; data collection methods; measurement of creativity, 21581  
cure fraction; joint cure rate model; longitudinal data; survival data, 9474  
customer satisfaction information usage; firms business performance, 30895  
Danish Twin Registry; eugenics; founding; genetics; Denmark; history; future, 12964  
data collection methods; field test data; FACETS software; item development; early childhood instrument, 14  
data collection; online data; offline data; product attributes; attribute preferences; methodology; conjoint analysis, 25072  
data mining; customer retention; lift; attrition analysis; financial service; technology; statistics; skewed data; time series data unrolling; leaker field detection; Bayesian network, 15730  
data mining; generalized disjunction; negation; algorithm; clusters; sequential patterns, 31011  
data representation; aesthetic forms; family therapy; methodology, 12621  
e-notebook design; information assimilation; software applications; web information collection; web work processes; note taking; usability studies; heuristic evaluation; NetNotes; design requirements, 6089  
electronic diary; hand-held computer systems; user interface; patient response; electronic data collection, 2980  
evolutionary preference; utility functions; dynamic perspective; preference elicitation; preference analysis, 28115  
family research; marital processes; family processes; research methodology; diary methods; technology; data analysis, 15787  
fitting Wald distributions; ex-Wald distributions response time; data; S-PLUS package, 9486  
focus groups; nursing research; data collection, 18874  
fuzzy logic; marketing; traditional variable centred analyses; logical relationships; configurations; computer software, 24781  
goal priming; self-report quality, 18901  
Internet; Japanese rheumatoid arthritis patients; coping strategies; symptom changes; web based data collection systems; quantitative data; qualitative data, 4860  
item response theory; generalized partial-credit model; polytomous data; Rasch model; ordinal data; two parameter logistic; mixture models, 9513  
linguistics; competence; performance; language complexity; theories, 6942  
mode effects; alcohol data; tobacco data; third grade students; web-form surveys; paper form surveys, 21946  
online data collection; web-based surveys; research methodology; e-mail, 15776  
psychologists practices; tests; raw test data; courts, 30572  
qualitative research; language; meaning; data collection, 15792  
qualitative research; methodology; experimentation, 9525  
real-time observational data; software program; Behavioral Evaluation Strategy and Taxonomy, 9292  
response distributions; offline data collection; online data collection; traditional methods; Internet use; technology adoption; demographics, 24783

sampling bias; first record; population estimates; survey research, 15782

School Counselor Activity Rating Scale: data collection; accountability; test validity; test reliability, 15550  
social science research; repeated interviews; longitudinal interview studies; research participants location; data collection; risk factors, 18905

survey; diary; Internet use; traditional media use; self report, 28160

theory of quotation; overlooked data; semantic analysis; Francois Recanat, 6905

trafficked women; interviews; data collection; interviewing guidelines; ethical issues; safety issues; prostitution; human rights, 4782

trafficking data; trafficked people; ideological bias; moral bias; exploitation; accurate data collection; information biases, 4775

web survey; mail survey; survey effectiveness; computer users, 31308

#### Data Collection—Chapters

Critical decision method data analysis, 9275

Digging Up Texts and Transcripts: Confessions of a Discourse Analyst, 12644

Enjoining positionality and power in narrative work: Balancing contentious and modulating forces, 6460

There is more to seeing than meets the eyeball: The art and science of observation, 12647

Using Concurrent Protocols to Explore L2 Writing Processes: Methodological Issues in the Collection and Analysis of Data, 12648

#### Data Pooling [See Meta Analysis]

#### Data Processing [See Also Word Processing]—Serials

cure fraction; joint cure rate model; longitudinal data; survival data, 9474  
data mining; actionable information; instructional programs; artificial intelligence; intervention; indexes of achievement, 33703  
data mining; financial decisions; decision making; financial data; stock markets, 15305  
data mining; training duration; trading rules; financial planning, 15472  
data use; urban high schools; educational reform, 33689  
data-mining grid; wisdom web; multiple human brain data analysis; knowledge grids; cognitive science; Internet, 24784  
distribution forecasting; high frequency data sets; neural network; algorithm; financial planning, 15488  
query routing; semantic link network; knowledge grid; algorithms; data integration; peer-to-peer systems, 24785  
stock charting; New York Stock Exchange Composite Index; data mining; decision support; knowledge engineering; behavioral finance, 15471  
student data; data driven decision making; computer data systems; teacher inquiry; teacher reflection, 33707  
student data; educational improvement; data mining; educational decisions; professional development, 33789  
survival analysis; child protection practice; social work; data set, 136

#### Databases—Serials

algorithm design; mental illness; police administrative database; internal communication, 16747  
alumni databases; student databases; program evaluation; program effectiveness; curriculum changes, 11832  
ARCHIVES; psychotherapeutic intervention; genetic mechanisms; psychiatry, 11009  
book reviews; books in psychology; PsycCRITIQUES; database, 9338  
citation analysis; research progress monitoring; countries, 8292  
clinical research; electronic health records; electronic record data; patient care; research environments, 18900  
clinical trials registry; registration; International Committee of Medical Journal Editors, 27240  
data archiving; animal experimentation; case study; research challenges; research merits, 9685  
data collection; online data; offline data; product attributes; attribute preferences; methodology; conjoint analysis, 25072  
database design teaching; secondary education; didactics; problem solving; teaching methods, 15108  
database; language acquisition; Italian children; semantics; grammatical properties; frequency; words, 16275  
databases; psychiatric research; clinicians; audit; psychiatry, 36414  
electronic databases; websites; terrorism; research, 3992  
electronic health; health records; health care systems; physicians; patient autonomy; privacy; confidentiality, 20933  
forensic psychology; cited author searching; graduate-level instruction, 5814  
free association; word fragment norms; rhyme; databases, 15880  
grammatical coding system; language disorders; natural language data; language development, 16171

intelligent logistics strategy system; system design; technology; database management system, 37221

**Interactive Profiler**; web-based statistical program; educational database; prototypical program; Java; marketing databases, 5805

**interventions**; decision rules; knowledge patterns; data set, 31002

law equation discovery; data; objective systems; algorithm; mathematical admissibility, 28137

**Lexique**; French lexical database; word frequency, 16182

**lifespan database**; facial stimuli; stimuli categories; research, 9362

**location memory**; picture database design; everyday pictures; precision; availability; object locations; query language design, 25222

manuscripts; peer review; research, 16160

**National Alzheimers Coordinating Center**; Alzheimer disease; database; patient information, 10903

**normative data**; Spanish word fragments; database; familiarity; difficulty, 16172

**problem solving**; biological information; engineers; organizational levels; bionics; TRIZ; database; biological effects, 37227

**psychological data**; data archives; Internet; psychological research; metadata Web pages, 9522

**response distributions**; offline data collection; online data collection; traditional methods; Internet use; technology adoption; demographics, 24783

**self-organizing maps**; unsupervised learning model; natural gas vector quantizer; temporal data, 37233

**semantic distance norms**; electronic dictionary; WordNet, 16181

**task complexity**; time availability limitations; database query tasks, 37182

**temporal discrimination**; archiving data; animal learning; animal behavior, 9700

**time series databases**; data mining; evolutionary sequence mining; rule mining, 37208

**topological representation model**; image database query; algorithms; neighbourhood graphs; visualization; smart image query, 31006

**unsupervised learning**; synaptic delays; learning automata; spiking neurons; data clustering; neural network, 37228

**Web-accessible database**; Japanese kanji, 16190

**Databases—Chapters**

Exposing the errors: An examination of the nature of organizational crises, 9144

The Match, 8764

**Date Rape** [See Acquaintance Rape]

**Dating (Social)** [See Social Dating]

**Daughters—Serials**

African American mothers; adolescent daughters; reading tasks; reading sessions; interaction patterns, 7367

biological fathers; stepfathers; daughters sexual abuse; offense characteristics; recidivism, 16945

coherence of mind; daughter caregivers; mothers; dementia; adult attachment; joy; reunion behavior, 8112

conflict sources; mother daughter relationship; aging; immigrant women, 28972

family reunion participation; rural caregivers; urban caregivers; African Americans, 33418

fathers; internalization; daughters; psyche; creativity; psychic conflict; oedipal complex, 19967

female passion; mother daughter body matrix; maternal transference; sexual inhibitions; maternal sexuality; mother daughter relationship, 7583

image of mother's body; human mind; psychoanalytic theories; maternal reverie; daughter; subjectivity; infantile mind; emotions; unconscious; conscious; dreams; communication, 16687

**inheritance**; intergenerational factors; adult daughters; personal care; household chores; income; parental care, 31997

**intervention program**; persistent & delayed effects; competence; healthcare staff; coping strategies; social support; distress; role overload; caregivers; dementia; long term care; daughters, 33419

**maternal filicide**; victims; sex differences; sons; daughters; mothers, 35734

**mother-daughter relationship**; traumatic circumstances; Holocaust survivors, 7346

**parents**; elder care; caregiving; emotional reactions; daughter attitudes, 30333

**patriarchal family**; working women; attitudes; education level; poverty; landlessness; marriage, 7212

**religious orientation change**; daughters; South African mothers; US Jewish mothers, 10126

**son preference**; boys intelligence; girls intelligence, 7079

**substance use**; violence; home; mother child relations; sexual exploitation; daughters, 7834

**Day Camps (Recreation)** [See Summer Camps (Recreation)]

**Day Care (Child)** [See Child Day Care]

**Day Care (Treatment)** [See Partial Hospitalization]

**Day Care Centers—Serials**

behavior problems; young children; parents ratings; day care teachers ratings; cross-informant agreements; cross-informant disagreements; home context, 7123

**center day care**; children well-being; problem behavior; primary professional caregivers; care stability; care quality, 905

**center-based child care**; developmental outcomes; children; poverty; cognitive outcome; behavioral outcome; maternal employment, 35137

**health services**; elder care; nursing home care; length of stay; public funding; adult day care; health care programs; individual factors; environmental factors, 2253

**service integration**; mental health services; social services; health services day care; social networks; care needs; health service day hospitals; social service day centers; demographics, 20920

**social networks**; mental health day care; social contacts; confiding relations, 30302

**Day Hospital** [See Partial Hospitalization]

**Daydreaming—Serials**

**Personality Correlates**; Disclosing Daydreams; real experiences; positive emotionality; thematic content; attitudinal reactions, 29151

**Deaf** [See Also Deaf Blind]—Serials

age at implant; time with implant; complex working memory; phonological short-term memory; lexical & grammatical development; congenitally deaf children; cochlear implants, 11384

**American sign language**; telepsychiatric consultation; deaf patients; telemedicine, 5423

**behavior assessment procedure**; deaf students; age differences, 3149

**bilateral fitting**; bone-anchored hearing aid; unilateral deaf persons; acoustics; skull; cochlea, 36331

**bilingual deaf education**; deafness; hearing problems; psycholinguistic interpretations, 8998

**career development**; deaf adolescents; high school students; teacher support; career counseling, 20611

**cochlear implant**; deaf children; deafness reporting; sociocultural model; medical model; newspapers; deaf child, 36044

**cortical activation**; cochlear implant; auditory cortex; postlingually deaf, 5317

**cross cultural instrument translation**; ethnic group members; deaf; American Sign Language; statistical applications; assessment tools, 25034

**deaf adolescents**; hard of hearing adolescent; hearing adolescents; deaf adults; occupational competence; occupational aspirations; occupational suitability; career development; adolescents attitudes, 36051

**deaf child**; intellectual functioning; social functioning; communicative functioning; manual communication; vocabulary level; deafness; grammar rules, 36041

**deaf children**; cognitive abilities; profile analysis, 10986

**deaf children**; late signing; native signing; interpretation; goal directedness; mental states; imitation; mindblind; sign language; false beliefs, 32876

**Deaf clients**; Deaf people; Deaf culture; therapy therapeutic techniques; hearing therapists; language barriers; cultural gaps; sign language interpreters, 8122

**deaf college students**; students attitudes; racial diversity; campus climate; role models; friendship patterns, 25753

**deaf college students**; writing ability; National Technical Institute for the Deaf Writing Test; concurrent validity; interrater reliability, 9451

**deaf gay men**; HIV; AIDS; language; stigma; health services; death; grief, 14204

**deaf**; attachment; individuation; self-esteem; well-being; hard-of-hearing, 10995

**deaf**; babies; ethics; designer baby, 26649

**deaf**; hard-of-hearing; intelligence; research, 26658

**deaf**; hard-of-hearing; phonemic awareness; phonic skills; phonological awareness; phonics treatment package; reading, 27576

**deafness**; cochlear implants; neurological development; sensorimotor integration; non-verbal cognition, 1671

**dialogic reading program**; vocabulary scores; deaf; hard-of-hearing; kindergarten students; primary school students, 11972

**drug use problems**; deaf; screening tools; alcoholism, 24913

**ego maturity**; prelingually deaf boy; sand tray test; deaf children, 33036

**ethical reasoning**; mental health services; deaf clients; decision making, 21205

**ethical standards**; deafness; personal relationships; professional relations, 21209

**ethics**; Deaf-World; language minorities; ethnic groups, 26652

**ethics**; deafness; medical technology; decision making; professional client interaction, 21207

**ethics**; genetic screening; reproductive technologies use; congenital deafness; genetic selection; disabilities, 36036

genetic diagnosis; deaf embryo; preimplantation selection; morality; genetic selection; deafness, 5729

**Harry Potter**; cultural literacy; popular literature; popular culture; deaf lens; Deaf world; American Sign Language, 36033

**hearing impairment**; positive psychotic experiences; disorders onset; deafness, 29393

**journal**; research; deaf; hard of hearing; 10th anniversary; goal; changes; cochlear implants; bilingual-bicultural programs; technology papers; submissions & publication changes, 10987

**linguistic and emotional facial expressions**; recognition of facial expressions; deaf, 14287

**location memory**; deafness; sign language; hemispheric specialization, 32872

**low-functioning deafness**; state benefits programs; social security; vocational rehabilitation, 14866

**metacognitive development**; deaf children; mind development; theory of mind, 14283

**motion velocity**; deaf signers; motion processing; lateralization, 1662

**nonverbal captioning**; captioned texts; text linguistics; text meaning; deaf people; Dutch television programs, 36047

**number representations**; deaf students; mathematical abilities; higher level arithmetical procedures, 23646

**oral language acquisition**; deaf pupils; primary education; musical education; special education; mainstream schools; school integration, 21447

**parent experiences**; deaf children; hearing screening; communication style, 20613

**perceptual encoding**; brain activation; fingerspelled letters; printed alphabet; deaf signers; abstract shape; cerebral areas, 4998

**phonological processing**; deaf children; cued speech; lip-reading; audiovisual integration; speech perception, 20603

**physical appearance**; intelligence; asylum; deaf; dumb; epilepsy; mental disorder, 7685

**professional concerns**; teachers; deaf students; hard of hearing students, 27568

**quality of life**; deaf people; self image; deaf education; transition, 20612

**religious experiences**; churches role; deaf children, 31788

**research**; accessibility; disabled participants; visual impairments; deafness, 10990

**self-esteem**; coping strategies; means of communication at home; severity of hearing loss with hearing aid; deaf students, 10985

**sexual offenses**; mental health units; deaf sexual offenders, 1392

**sign language aphasia**; right hemisphere damage; left handed person; reversed cerebral dominance; deaf signer, 26627

**sign language iconicity**; function; hearing preschoolers; deaf children, 632

**sign language structure**; deaf people; visual communication systems; deaf education; language origin studies, 10994

**sign language**; classroom effectiveness; interpreting preferences; mode of interpreting; student-interpreter familiarity; interpreter experience; deaf students; hearing students, 11979

**sign language**; deaf children; special education; linguistics; language learning, 21442

**sign language**; language development; deaf; deaf children; Nicaraguan Sign Language; linguistic properties, 647

**sign language**; language development; deaf; deaf children; Nicaraguan Sign Language; linguistic properties, 648

**sign language**; special education; deaf, 19352

**sign language**; visual communication; deaf people; visual attention mechanism; visual perception, 34817

**social interactions**; hearing impairments; preschoolers; peer relations; special education, 21452

**sports**; deaf child; American lifestyle; overweight; out of shape children; public school programs, 27575

**support services**; deaf children; secondary school students; special education, 21437

**test development**; test validity; Signed Paired Associates Test; deaf; learning; memory; cognitive ability, 31206

**theory of mind**; deaf children; autistic children; childhood development, 20001

**violent offenses**; violent offenders; deaf prisoners; hearing prisoners, 36042

**visual speech processing**; speechreading skill; visual movement; speechreading abilities; visual abilities; deaf; hearing speechreaders, 18979

**visuospatial orienting**; deafness; deaf sign language experts; elementary spatial attention operations, 1664

**vowel diacritics**; Hebrew reading; prelingual deafness; reading skills; phonological control, 5005

**written language**; deaf students; hard-of-hearing students; public schools, 27562

**young deaf children**; literacy development; literacy practices; sign bilingual homes; spoken language homes; language development, 14288

**Deaf [See Also Deaf Blind]—Chapters**

Hard-of-hearing and deaf clients: Using the WISC-IV with children who are hard-of-hearing or deaf, 15634  
Molecular Mechanisms in Deafness Related Auditory Brain Stem Plasticity, 26659

**Deaf Blind—Serials**

communication development; child development; grandparent involvement; deafblind children, 10993  
interactive competence; deafblind children; school based intervention; behavior change, 5879

**Deanol [See Antidepressant Drugs]****Death and Dying [See Also Euthanasia, Parental Death]—Serials**

abnormal sleep duration; motor-vehicle crash risk; morbidity; mortality, 9811

accidental deaths; suicide; psychiatric care; substance abuse; health care; self destructive behavior; addiction; managed care; opioids, 1274

adiposity; physical activity; mortality; women, 11406

adult siblings; family life; loss; death; disabled children; cerebral palsy; coping with death of a terminally ill sibling, 4357

advance directives; end-of-life care; decision making; mental illness; stigma, 23658

ageism; death; elderly people; mortality, 7584

aging and longevity; physical health; social comparison; control beliefs and strategies; older adults; hospitalization; mortality; self concept, 30338

aging mechanisms; dying; genome; reproductive strategy, 28843

aging; dying; soma; germ cells; reproduction; selection, 34850

alcohol consumption; health risks; coronary heart disease; mortality; stress, 10256

alcohol consumption; mortality, 4754

alcohol consumption; pancreatitis mortality; population level, 4408

alcohol drinking pattern; coronary heart disease; morbidity; mortality; lungs; cardiovascular consequences, 26350

alcohol policy; alcohol; risk factors; premature death; low mortality; low income countries; drug dependence; emotional harms; mental harms; crime; family violence, 4723

analytic treatment; countertransference responses; dying patient; termination phase; psychoanalysis; death, 23845

anorexia nervosa; death; demographic characteristics; diagnostic characteristics, 23452

anorexia nervosa; mortality rate; deaths, 8007

antibiotic treatment; dementia; pneumonia; mortality prediction; physicians judgment; illness severity; nursing home, 36743

antidepressant drugs; selective serotonin reuptake inhibitors; antidepressant prescription; tricyclic antidepressants; drug-related deaths; psychoactive drugs; suicides, 11230

antidepressant drugs; selective serotonin reuptake inhibitors; antidepressant prescription; tricyclic antidepressants; drug-related deaths; psychoactive drugs; suicides, 11243

anxiety disorder; mortality risk; older men; older women, 7806

anxiolytic drugs; antidepressant drugs; antipsychotic drugs; cocaine; seizures; mortality; mice, 9849

automobile fatality; Mary Ward; crush injuries, 30989

bereavement; bereaved people; cognitive stress; attachment theory; bereavement; adjustment; bonds; dual process coping; insecure attachment styles; continuing bonds; personal ties, 17452

bereavement; breaking bonds; grief; death, 28348

bereavement; grief work; emotional disclosure; counseling; social support, 26736

Bernice Goodman; obituary; social work; equal rights; gay & lesbian & bisexual & transgender people, 7389

birth; death; human rights, 6184

birthdays; Presidential elections; Jewish Day of Atonement; death rates; social integration; ceremonies, 7231

cancer control; cancer disparities; community-academic collaboration; mortality rate; African Americans, 10881

cardiovascular mortality; cardiovascular treatment; racial and ethnic groups; racial disparity, 26704

care workers; death and dying; assisted living; nursing homes; aging, 14943

cemetery; burial rites; Leyme Mental Hospital; French asylums; patients abandonment; history of psychology; psychiatry, 18657

child protection systems; child deaths; service provision evaluation; interagency working, 30299

child protection; Laming Inquiry; death; interagency training, 30513

cholangiocarcinoma; palliative care; immediate bereavement support; symptom management; family notification; quality of care, 27127

cognitive status; cognitive development; mortality; old age; cognitive changes, 10071

communication issues; hospice patients; hematology survivors; dying; social networks; family; friends; spirituality; serious illness; awareness; acceptance; fear of dying, 2233

complicated grief; cognitive-behavioral therapy; trends; mourning; death; theory; intervention mechanisms; research; applications; non-normative grief, 1786

concept development; death; species extinction, 796

condolence traditions; condolence houses; tradition, 10150

conjugal loss; initial distress; elder couples; bereavement; resilience; grief, 16366

counselors; surviving twins; grief process; death; counseling, 17458

cultural norms; social values; uncertainty; mortality salience; public reaction; cultural worldviews; violations, 16449

currencies; attitudes; cultural worldview; existentialism; German Mark; Euro; mortality salience, 10098

David Bakan; psychologist; death; humanistic psychology, 17971

death and dying; college students; student beliefs; Blacks, 21408

death and dying; human capacity; agency; Fulton; Michel Foucault; Finitude, 19645

death and dying; illness experience; sociologists; life experiences; rejuvenation, 4167

death and dying; palliative care; health professionals; cultural network; grieving behavior; quality of care, 5392

death and dying; psychiatrist; terminally ill patients; near death experiences, 11615

death and dying; resiliency; caregivers; psychosocial growth; spiritual well-being; human development, 14813

death anxiety; personal growth; grandparent death; bereavement, 19516

death; cancer patients; terminally ill patients; palliative care service providers; service infrastructure; patient attitudes; caregiver attitude, 23541

death; causality; irreversibility; preschoolers; understanding, 7095

death; Chinese nursing students; personal priorities, 30473

death; death attitude; dying, 19949

death; dignity; end-of-life care; serious illness, 2017

death; morality; human dignity; personal dignity; end-of-life decision making; basic dignity; personal dignity, 1082

death; therapeutic aspects; mourning practices, 32949

death; Utopia; death awareness; dying and death; mortality; death education, 19633

dementia; disablement process; disability progression; mortality, 1582

demoralization syndrome; terminally ill patients; right to die; clinical & ethical issues; diagnostic categories, 23056

demoralization syndrome; terminally ill patients; right to die; clinical issues; ethical issues; diagnostic categories, 23067

depression; cardiovascular mortality; old age, 1204

depression; heart disease; psychosocial factors; myocardial infarction; cardiovascular morbidity, 8070

depression; old age; fatality; loneliness; depressive symptoms; all-cause mortality, 10553

desire for death; pain; future; terminally ill cancer patients; depression, 35948

dialectical contradictions; parent child relations; bereavement; social network; child death, 13729

dignity; death; quality of life; illness; health; individual rights; suffering, 1083

dignity; dying patients; end-of-life care, 2107

drowning; British children; abroad; risks, 32906

dying patients; nurses coping behavior; hospitals; support; caregivers, 30532

Ellis Paul Torrance; creativity, 22376

emotional content; child deaths; child protection work; Victoria Climbié Inquiry Report, 11492

end of life care; hospice program; child death; parents wishes, 24143

end of life dignity; family; culture; death attitudes; caregiver attitudes; health personnel attitudes, 1691

end of life issues; ethics; politics; euthanasia; US, 34999

end of life outcomes; palliative care; medical care models; hospice care; holistic care, 33336

end-of-life decisions; grief process; ethical decisions, 35281

ethics; organ retention; tissue retention; dead body, 36754

families' perceptions; grieving process; concept of death; reactions to bereavement; intellectual disabilities; family members, 17118

fatal hepatic failure; alcohol abuse; drug therapy; divalproex sodium; side effects; bipolar disorder; hepatitis, 11220

fixed period; economic benefits; cremation; euthanasia; productive elderly; quality of humanity; Anthony Trollope; The Fixed Period novel; theoretical interpretation, 9885

Florida Clergy End of Life Education Enhancement Project; clergy education; grief; dying; death, 33576

foster parents; foster child; child welfare system; biological parent; normative family; children with disabilities; child death; parent child relationship, 7243

gay obituaries; age distribution; AIDS deaths; gay newspaper, 35924

genetic influences; risk factors; coronary heart disease; death; frailty, 8080

German children; child attitudes; goal directed action; sleep; intentional agents; non agents; perceptual cues; inferences, 25604

grief; bereavement; developmental disabilities; coping behavior; traumatic experiences; emotional expression, 7981

grief; multiple death; AIDS; survivors; coping, 10861

helmet usage; motorcycle fatalities; death probability; injury, 18578

Herbert Bower; obituary, 6227

human dignity; bioethics; biolaw; decision making; healthcare personnel; euthanasia; deathbed decisions; palliative care, 2546

human dignity; end-of-life care; death, 2072

humanity; death attitudes; grief, 1087

incarcerated women; female prisoners; art therapy; grief counseling; bereavement; intervention outcomes, 8702

individual characteristics; resilience; single-parent families; parental loss, 16459

infant crying; child abuse; child neglect; child morbidity; child death; parental actions, 4675

infant crying; child abuse; child neglect; child morbidity; child death; parental actions, 4684

injury mortality; age differences; accidents; sex differences, 17195

inpatient/residential group treatment; alcohol abuse; drug abuse; mortality; social support; medical conditions; continuing care; demographics; psychological functioning, 33483

intimacy; risk sexual behavior; death awareness; fear of intimacy; unsafe sex, 966

intravenous corticosteroids; death; disability; head injury, 5326

law; ethics; death; dying children; parent child relation; treatment denial; physicians, 9308

life-threatening illness; dignity; assisted death; decision makers; life-sustaining interventions; substitute decision makers; health care providers; interpersonal relationships; end of life, 2085

life; human immunodeficiency virus; acquired immune deficiency syndrome; death, 19889

lifestyle-related behaviors; poor diet; physical inactivity; tobacco use; death, 13377

living arrangements; adult mortality; infrastructure quality; young adult deaths; AIDS; HIV; older people; household composition, 34972

long-term effect; social relationships; mortality; congestive heart failure; psychosocial impact; social isolation; social network system, 8072

loss; bereavement; Gods will; mourning; death and dying; Muslim citizens; cultural-religious world-view; public experience; private experience; Islamic practice; Allah, 4358

malignant disease; cancer; parental attitude; death; terminally ill children; awareness, 10886

malignant disease; cancer; parental attitude; death; terminally ill children; awareness, 10873

malignant disease; cancer; parental attitude; death; terminally ill children; awareness, 10875

manual handling; deceased child; children hospice; workforce; environmental changes; ergonomics, 2235

mediator deathwork, 28907

medical rehabilitation; length of stay; reimbursement; functional status; mortality, 14835

medical rehabilitation; length of stay; reimbursement; functional status; mortality, 14841

medical treatment; medical care; advance directives; end of life; health care delivery; terminal illnesses; end of life planning; advance care planning, 33285

mental illness; accidental death; psychological autopsies; ethnic groups, 7668

methadone treatment; death; mortality, 24195

moral imagination; long-term care workers; cultural construction; death and dying; direct care workers' attitudes, 7215

morbidity; mortality; electroconvulsive therapy; treatment effects, 8356

mortality risks; elderly persons; self worth; health status; psychological functioning; quality of life; subjective usefulness, 3971

mortality risks; self reported survival expectations; obesity, 35813

mortality salience; desire for offspring; gender; procreation; existential concerns; worldviews; terror management theory, 29190

mortality salience; leadership style; charismatic leaders; task oriented leaders; relationship oriented leaders; political candidate; terror management; political preferences; voting, 7371

mortality salience; Scrooge effect; individual differences; social value orientations; self transcendent values, 13708

mortality salience; self esteem; self regulation; consumer choice, 27813

mortality; blood pressure; elderly people; cognitive impairment, 20527

mortality; conscientiousness-related traits; behavioral contributors; health-related behaviors; database searches; risky activity patterns, 5296

mortality; life experiences; mourning; psychoanalytic process, 36202

mortality; life experiences; mourning; psychoanalytic process, 36203

mortality; rehabilitation; traumatic brain injury; life expectancy, 4980

mourning; cognitive process; attachment; death; human interaction; emotional state; attachment, 6558

MRC CRASH; intravenous corticosteroid; head injury outcomes; death; disability, 30144

multiple losses; coping skills; coping strategies; childhood mourning, 19528

Muslim bereavements; Israel; religious traditions; mourning; grief; death, 28930

near death experiences; death, 9680

near-death experiences; death, 9678

New York police officers; police experience; events; September 11 terrorist attacks; death trauma; death imagery; death immersion; survival; survivor psychology; first person narrative, 12426

newborn screening card; cause of death; epilepsy, 4878

nonjudicial alternatives; end of life decisions; minors; hospice mediation, 34125

nursing home residents; advanced dementia; risk factors; mortality prognosis; survival rate; symptoms onset; predictability, 2242

nursing home residents; advanced dementia; risk factors; mortality prognosis; survival rate; symptoms onset; predictability, 2236

obituary; Ken Dion; social psychology; prejudice, 36596

omega-3 fatty acid; omega-6 fatty acid; diabetes; type 2 diabetes; coronary heart disease; cow milk; mortality; milk, 1537

original sin; ancestral sin; orthodox church; Augustine; Western Christian traditions; human death; Divine compassion; human guilt; Divine wrath; pastoral care; counseling, 5295

parapsychology; psychology; death and dying, 11616

parental bereavement; predictors; death of child; depression; grief; risk factors; adjustment, 35324

parental death; sibling relationships; kinship behavior; later life; childhood family disruptions; adult sibling closeness, 3926

parents perception; cancer; child's death, 4914

participatory intervention; birth outcomes; neonatal deaths; women group; mortality rates, 4007
